The Elgin Eco Association

The Elgin Eco Association has finished its summer programs. The EEA sponsored six summer camp days. The last camp consisted of learning how to build a simple shelter in the woods. This took place in the park after the children finished a tough mountain bike ride. If they are able to practice their biking skills further they will be able to participate in the Annual Elgin mountain bike race. Maybe a school group would like to enter in a 20 km ride.

At the last day they also prepared a delicious pot of hotchpotch. This was enjoyed by the many guests the children had invited. The EEA would like to send a special thank you to all volunteers that made this summer camp so successful. Especially Zaheera Denath and Angela Silverthorn. They were available throughout the entire camp and provided a lot of knowledge and expertise.

The Elgin Eco Association together with the Elgin Women's Institute celebrated Elgin Day on Sunday, August 16. Many citizens showed up to listen to the music of Brian Crandall and friend, free food was served with dessert in the Hall. The popular event of Bubble Soccer was held on the grass field in the park. Bubble soccer is a very hot unrewarding experience for adults. As soon as you are up someone is waiting to bounce you down again. However, it was a lot of fun for all and we sure are looking forward to next year. Some beautiful pictures were displayed of the children and their gardens. Pictures are available for purchase.

The EEA is now gearing up for the bike race. It will take place on Saturday, OCTOBER 3. We are looking for volunteers for this day. If you would like to be part of our team please contact Moranda at elgineco@hotmail.com or call 756 2518

Critical illness insurance

EXPLAINED

While being diagnosed with a critical illness like cancer, stroke, or heart attack could change your lifestyle, it doesn't need to change your financial plans. Critical illness insurance can help reduce your financial worries so you can focus on recovery. The money can help you:

- manage day-to-day expenses and debt,
- cover expenses related to getting better and
- protect your retirement savings (or your retirement plan).

Protect your future. I can help.

From the Editor

From the Editor

So soon it is back to school. Summer was so slow in getting here that it was gone. All the summer activities seemed to come and go so fast. The Westmorland County Agriculture Fair, Salisbury Community Days, Frigo Day and the River Gate International all have come and gone. The attendance was good and the weather unbelievable.

Hope you are looking forward to the 30th Annual Atlantic International Boat Show, starting September 13. For more information on the Boat Show, visit the website at www.boatshow.ca. Frigo Day is on September 13th from 11am - 4pm. Hope to see you there. All classes & accessories, is being held Sunday, September 14th from 11am - 4pm. Hope to see you there.

The last of the car racing is winding down this month to make room for hockey and all the other fall sports.

Hope everyone had great Summer Holidays. I am still waiting for mine.

When driving please be aware of the School Buses and the Children.

Have a great Labor Day weekend!!

The Doctor Game

W. Gifford-Jones M.D.
Colonoscopy: It's Good for the Queen and President, it's Good For You
How foolish some people are. Even when it means dying from a large bowel cancer at an early age. I've seen it happen many times over the years. So here are 10 points that can prevent this needless tragedy.

One - About 90 percent of colon cancer occurs in people over 50 years of age. This provides ample time to detect and treat this malignancy. But there is one big hurdle, and I've heard friends and patients react to it over and over again. They casually respond, "Yes, I'm going to have a colonoscopy one of these days". 99 percent of the time this means none of these days. And I've seen from this common preventable malignancy.

Two - Colon cancer usually starts in the inner lining of the intestine. A polyp, a fleshy growth, slowly develops, often remaining non-cancerous for years. But, when polyps turn into cancer, 95 percent, called adenocarcinomas, by this time cancerous cells have spread to the liver and other parts of the body. Now treatment is like closing the barn door after the horses have escaped.

Three - Do not conclude you can wait until early symptoms appear and then consult your doctor. This is the same as trying to purchase insurance on your home after it's been destroyed by fire. You can have an advanced malignancy without any early symptoms. This is one point you should never forget.

Four - The first warning sign (not early sign) of colon cancer and the most common one is rectal bleeding. Sometimes a small amount of blood will appear on the stool. Or blood from earlier bleeding which was not detected may give stools a tarry appearance. Or a large amount of blood will be present in the toilet bowl. And on rare occasions, an engaging cancer will cause intestinal obstruction.

Five - The best way to diagnose a precancerous bowel polyp is by colonoscopy. A lighted flexible instrument is inserted into

the rectum and gradually and slowly inch forward until it has explored the entire large bowel. If a polyp is discovered a wire loop is placed around it and the polyp removed.

Six - Some patients who refuse the colonoscopy procedure are a test case for the naked eye. But if the test is positive, it's mandatory to have a colonoscopy. Never fool yourself that it's as accurate as this procedure.

Seven - Many people refuse colonoscopy due to embarrassment and fear that it's a painful procedure. Forget the embarrassment. If the President of the U.S. or the Queen of England can submit to one, so can you. I've had several colonoscopies by 8:00 AM and returned to the office by 9:00 AM without sedation. But if a few cramps bother you, sedation is available. Some people worry about possible complications. But only on rare occasion is the bowel injured or bleeding occurs during removal of polyps.

Eight - Today, colon cancer is the second leading cause of death in this country. Only lung cancer is responsible for more deaths. We do not have a reliable way to diagnose precancerous lesions of the lung. But we can detect precancerous lesions of the colon. So it is a tragedy when so many still die of this disease.

Nine - There's no general agreement on when to have a colonoscopy. 50 percent of colon cancer occurs after 50 years of age. But since some begin earlier, I believe it's prudent to have a colonoscopy in the early 30's. Moreover, since 10 to 15 percent of colon malignancies occur in those with a close relative who has this disease, all the more reason to arrange for an early colonoscopy. It's a win-win situation.

Ten - If I still haven't convinced you that colonoscopy can save your life, what should you do? I'd suggest seeing a psychiatrist. After all, isn't it reasonable to seek an answer for why anyone would refuse a sure cure for colon cancer?

See website www.docgiff.com. For comment go to info@docgiff.com.

Petticoe Continued from pg 5
at 800 Route 885 (Havdock Rd.), Private consultations available Mon, Wed, and Fri. Call Lee at 756-9068 for details.

Salisbury "What a Great Place"

East Coast Pride

Another year of Community Days has come to an end. Village Council is always a great support to the Committee providing funding, space, and staff for these events. We also get lots of help from local businesses who donate prizes or funds, and from organizations and churches who hold events. A big part of our success stems from the help we receive from local residents, past and present. Most, but not all, of the Committee has lived in the area at some time in their life. Some have now moved home, but return each year to help. Some even take their vacation just to come home and help with these events!! One of our members comes home from as far away as Halifax each year! Some members still live in the area and some just happen to be friends and family who get roped into helping!! Either way, without these volunteers, without the local businesses, organizations, and without the Mayor, Council, and Staff, working together these events would not be possible.

A BIG THANK YOU to everyone who helped in any way make this year's events a big success!!!

Here are the parade winners: Commercial: 1st - Scott's Independent Grocer, 2nd Salisbury Home Hardware, 3rd Salisbury Great Canadian Dollar Store, Non Commercial: 1st Salisbury Parks & Leisure Department, 2nd Scarlet Snagdragon's Red Hat Group 3rd Abandoned Cat Rescue, Horses: 1st Samantha Williamson, 2nd Excel Equestrian Antique Cars/Cars: 1st Chase the Race Car, 2nd Bradley McCormick's 1968 El Camino, 3rd Stuart Gladstone's 1988 Chevy Short Wheel, Walkers/Bikes: 1st Middle Pond's Summer Dance Camp, 2nd Patz International, 3rd Freedom Hobbies, Antique Tractors/Tractors: 1st Doug Sentell's 1951 Massey Harris Pony, 2nd David Brown's 860, 3rd Reg Lewis' 1953 McCormick, Best Overall Float: Salisbury Baptist Church. Congratulations and thank you to everyone who entered!

Another Little Girl Makes a Difference..

A beautiful story I would like to share with you—This week as I was doing some volunteer time a sweet little 4 year old girl came to the food bank with her mom and her big brother. Seems she decided she had enough toys and so asked everyone who came to her birthday party to bring something for the food bank. And so they came and brought food and money. Her mother then took her grocery shopping and then off to the food bank they came with her birthday presents, food and items for others less fortunate. An extra blessing is her mom thought of some stables like laundry soap, dish soap and toilet paper which we had just run out of. This gave us enough to get through the rest of the day. Here we have a child giving of herself for other children. God Bless this little one as she continues to grow with a giving heart thanks to her mothers teachings.. Faith is when you close your eyes and open your heart...This little one heart is wide open to giving.. - submitted by Lois Budd

Sign-Up & Get Out & Get Involved

Salisbury United Church

Our Sharing the Bounty Community Gardens are in full bloom with delicious lettuce, beans and zucchini ready to harvest. This year Salisbury Elementary school planned a Thanksgiving garden, Bunterly garden, Sensory garden, Salad garden, Pizza garden and a Grade Four Graduation Garden. Gardens were also planned by the Salisbury Food Bank, JMA Armstrong High School, Parks and Recreation and the Here We Grow Youth Centre.

What we've been doing at Here We Grow Early Learning Center and Here We Grow Youth Center this summer?

The kids at the daycare have been enjoying playing at our beautiful, local parks swimming at the Lions Club pool, playing tennis and soccer, visiting and looking after Salisbury's new Little Library located at the front of the elementary school. We have also enjoyed another year of locking after the community gardeners with Helping Hands and growing our own garden. We are so grateful to live in a great community like Salisbury that provides so many great opportunities for our kids!

MUSIC NIGHT @ Salisbury Baptist Church

Authorized by the Official Agent for Rob Moore

Delivering for Fundy Royal

- Ended the wasteful long gun ban registry.
- Funding for Fundy National Park enabled major road and infrastructure improvements.
- Secured funding to complete The Fundy Trail.

Delivering for Communities

- Funding to renovate The Pettacodiac Arena.
- Funding for The Maritime Motorsport Hall of Fame.
- Enhanced Federal Gas tax funds enabled new lighting at Pettacodiac Arena and improvements at the community pool.
- Funding for accessibility for the Royal Canadian Legion in Salisbury.

Delivering for Families

- Funding for the Salisbury Ball Fields.
- Funding for renovations to the W.I. Hall in Eight.
- Funding for Seniors at the Caran Community Hall and W.I. Hall in Whiteaton's Settlement.
- Commitment of a New Permanent Home Renovation Tax Credit.

- Enhanced benefits to the Universal Child Care Benefit (UCCB) exceeding coverage for children aged 6-17 (now \$600.00 per month per child) and increasing the payment for children below 6 years of age (now \$160.00 per month per child).
- New Family Tax Out allows for income splitting for couples with children (up to \$2000.00 in savings).
- Established the Children's Fitness Tax credit and increased the amount to \$1000.00 per child.
- Established Tax Free Savings Accounts allowing Canadians to save and withdraw their own money tax free.

News From The
Maritime Motorsports Hall Of Fame

DEAN MURRAY

Inducted into the Maritime Motorsports Hall Of Fame as Media 2012

"BETTER KNOWN AS DIZZY DEAN"

Dizzy was one of the world's most colorful characters. He was a larger than life promoter and an influential booster of Canadian motor sports, including here in the Maritimes. He was newspaper publisher, speedway announcer, founder and promoter of custom car shows and all-round character and good guy.

Dizzy was born in New Brunswick in 1936, went to the Salisbury Regional High School. At age 16 he joined the Navy where he served for four years. From that he went to the Merchant Marines for another four years. When the shipping season ended, in his fourth year, they were in the Great Lakes so he stayed in Toronto.

Dizzy saw his first stock car race in 1960. In 1964, with his first wife Dawn, with only \$25.00 dollars in the bank, they quit their jobs to start the Wheelspin News. He was founder, editor and publisher - one of the original all-auto racing weekly newspapers in North America - by the way he also did much of the reporting and selling.

The first edition sold 750 copies and built it up over the years to a circulation of 42,000. Dizzy sold Wheelspin News in 1974.

In the 1970's, he was instrumental in getting Molson involved in both stock car and drag racing in Canada. In the true sense of the word, you would recognize him in his ever-present gold cowboy boots, white 10-gallon cowboy hat and either a gold or bright red sports jacket. He billed himself as "The voice of Canadian racing".

He built a career announcer races at tracks across Canada. He announced at Dragey Speedway, Nova Scotia the last two days of the track's grand opening. He announced at River Glade Speedway New Brunswick for the sponsored Wheelspin News race.

In 1974 he was the founder and promoter of the Motion Custom Car Show, a forerunner of the modern-day Speedwoma.

He sold the Motion car show in 1989. Dizzy always thought that any publicity was good publicity. He had a lasting impact on the automotive enthusiast hobby in Canada. He was a mentor to more people than he would ever admit too, helped many with no expectation of reward other than the satisfaction of seeing something well done.

Dizzy Dean was inducted into the Canadian Motorsports Hall Of Fame in 1995. Dizzy Dean Murray passed away March 18, 2008 in Kitchener, Ontario.

WELCOME

My name is Natalie Griffin and I am the Director of Recreation for the Village of Pettitcodiac. In this new position, created by the Village Council in partnership with the Pettitcodiac District Recreation Council, my job is to provide recreational opportunities for the community by offering enrichment classes, youth sports, opportunities to exercise, events and expanding our trail system.

The Recreation Department facilitates the provision of community programs, services, special events, and attractions that address the social, recreation, self-improvement, skill acquisition, and health promotion needs of the community.

The Department's objective is to provide friendly, fun, and affordable programs in the community and encourage participation in community programs and services inclusive of all ages, abilities and cultures.

We have partnerships with youth sports organizations, the Pettitcodiac Boys and Girls Club, Pettitcodiac Library, charitable organizations, and local businesses to increase our reach into the community. Please take advantage of the programs we offer, the events we host and specifically the new and upcoming trails of Renfrew Street and Maple Avenue.

I am also interested in hearing what you would like to see more of in the community. Please stop by my office and share your ideas for activities and events that you'd like to see here in Pettitcodiac. I would like to meet the various needs and interests of all ages!

Please do not hesitate to contact me:

Physical Address: 31 Main Street, Pettitcodiac NB

Office Hours: Tuesdays and Thursdays 10 am - 2 pm and evening hours by appointment

Mailing Address: PO Box 2507, Pettitcodiac NB, E4Z 6H4

I look forward to seeing you in the community.

Natalie Griffin

Recreation Director, Village of Pettitcodiac

RIK'S RANT

I was a teenager in the mid sixties, and just like all my friends, cars and trucks and getting your license was always something worth discussing. Soon after school started we all had our own bicycles like a gang of dealerships on our bicycles like a gang of motorcycles dudes, just to see if we could get a peek at the new cars. These would be under wraps or hidden out a back to until fall. And what would the new models be called? They had to know in the neighborhood that they had a new model, and all the magazines, social media, and television shows....the excitement is gone forever!

And another thing that is gone are the cars themselves... especially what they were called... those special names that company execs thought were intriguing enough to nitce you to by one. A short while ago I was adding another vehicle to my list... "Vehicles I Have Owned". There are now 182 marques and models weren't around any more....in fact nearly half of the vehicles I have owned don't exist in the new car line-up names in 2016. It was actually 46 names we never see advertised any more. And this is just rides I had owned.... what about all makes of automobiles and trucks?

In no particular order, lets look at some of them and maybe you'll remember some of these, or others, that your family members owned when you were learning to drive.... General Motors had Pontiac, Oldsmobile, Vega, Monza, Hummer, and LaSalle; Ford's lineup offered Fairlane, Falcon, Model A, Comet, Galaxie, Edsel, Mustang, Mercury, and F-100; Chrysler sold Barracuda, Fury, Imperial, Roadrunner, Valiant, Omni, Horizon, and Arrow.... and these are just the ones of the big three!

And what about the big trucks with names like Cadillac, Currier, Koontek, Spaldt H4, Touring, XL5000, Futura, Roadster, Cyclone, Country Square, Corsair, GT, Monterey, COE, Glasstiek Sport, Crown, Superbird, Stigma, GLH, Turismo, and Fire. And then there were other North American built vehicles such as Studebaker (Champion, Avanti, Lark, Hawk, Commander, and Daytona), Willys (Overland, Jeepster, and Acre), American Motors (Rambler, Ambassador, American, Marlin,

Comedy at Large

by Laurie Blanchard Salisbury, NB

Rebel, Javlin, and AMX), Crosby, DeSoto, Frazer, Kaiser, Nash, Thunderbird, and Packard. And what about all the "foreign" cars we imported...marques such as Simca, Morris, Vauxhall, Hillman, Datsun, Morgan, MG, Sunbeam, and Triumph just to mention a few.

This list could easily be doubled, or even tripled if we were to consider all vehicles since 1901 when Kansom #1 Olds built his Curved Dash Oldsmobile, considered to be the first production car in North America.

And if you have to go far from Pettitcodiac to see them, you can see them at the home of both the St. John's and the Maritimes Sixes of the 1920s, and of course the Bricklins of 1975 and '76. It's interesting to see that many auto makers are going back to the names of cars of the sixties and seventies. Did they run out of interesting names that the buyers would be pleased with?

Are they lazy to dream up "new" exciting model names? Or does the old saying "What goes around, comes around again?" is the norm? Well I gotta go now, 'cause all this reminiscing has me wondering if I should apply for a government grant to start building the "Ricklin".....

---Rodder-Rick

Over heard at a Tim Hortons... I'm trying to keep up with the Joneses but when I catch up, heck, they press on?

If a dry cleaning agent began flirting with one of his lady employees but was unsuccessful in his advances, would he be steamed off and hamper some ill feelings or would he simply press on?

A monastery was in financial trouble so in order to try and bring in more revenue, they decided to open up a small fish and chip restaurant on their property. One evening, not before long, a few monks were in the kitchen preparing the fish and chips. When the Monk ordered the dish, the customer asked, "Good evening, are you the fish friar?" No, answered the robed figure, I am the Chip Monk!

UP COMING EVENTS

"The Middlesex Community Cemetery Will be holding a Remembrance Service Sunday Sept 13, 2:00pm at the Middlesex Baptist Church. The offering will go to cemetery maintenance. All are welcome. I saw a few plants there 2 years ago and it spread extensively there along the guard rail as well as in the south. I think there would be a nice way to confirm this is possible. Thanking you in advance.
 Denise Douthright
 Secretary, Middlesex Community

ANNIVERSARY SERVICE
 The Hillside United Baptist Church will hold its 100th anniversary service on Sept. 20 at 2:30.
 Rev. Deborah Bannister from Elgin will share the service and lead the Special music will be provided by Daybreak.
 Everyone Welcome.

Heads Up

Just a word. There is a huge patch of poison ivy spreading along River Road on the back of red brick Burgess Truck Rental cabin. I saw a few plants there 2 years ago and it spread extensively there along the guard rail as well as in the south. I think there would be a nice way to confirm this is possible. Thanking you in advance.
 Denise Douthright
 Secretary, Middlesex Community

OBITUARIES

Esther Allene Steves
 1923-2015
 Esther Allene Steves passed away peacefully in Vancouver, B.C. on July 5, 2015 at 91 years of age.
 She was born in N.B. to the late Thomas and Sybil Steves. She was a gentle and sensitive person who was a Romantic Writer of poems and short stories who lived a spiritual life, giving joy and beauty to others. She loved animals and nature and was a member of the Hillside Baptist Church, Albert Co., N.B.

OBITUARIES

Gerrude "Gerrie" May Trifts (nee Ripley) of Pettoicodiac and formerly of Young's Cove, NB passed away on Monday, August 21 at the Dumont University Hospital Centre. Born in 1916, she was in her 100th year and the last surviving member of her immediate family having been predeceased by her siblings: Muriel Dykeman, Beatrice Pangburn, and Harold Ripley. Gerrie was born in Amherst, NS and moved to NB during the depression. On August 24, 1946, she married Albert Trifts together before Albert's death in 2003. She is survived by her children: Betty (and Ron) Hooper of Pettoicodiac, Robert (and Céline) Trifts of Moncton, Jack (and Jan) Trifts of Rhode Island, USA and Pat Margeson of Moncton. She is also survived by her grandchildren: Margo, Jan and Ron Hooper, Rob, Jon and Ben Trifts, Alyssa, Stephanie and Brad Margeson, plus a dozen great grandchildren.
 Visitation was held at Armstrong's Funeral Home in Pettoicodiac on Monday, August 24 from 7:00 to 9:00 p.m. The funeral service was also held at Armstrong's Funeral Home beginning at 11:00 a.m., Tuesday August 25. A reception was held following the service, after which the family departed for the interment at St. Luke's Church Cemetery in Young's Cove. Donations to the St. Luke's Anglican Church Cemetery would be appreciated by the family. Online condolences are available at: www.armstrongsbh.com

Earl Vincent Surrett of Moncton passed away at the Moncton City Hospital on August 26, 2015 at the age of 84. Earl was born in Nova Scotia on July 8, 1931 and was a mechanic by trade. He was self employed for most of his life, owning and operating apartment buildings and a garage. Earl is survived by 3 children: brothers and sister; several successful family, as well as his dear friends: Shirley Campbell and David Hindsale. Earl was predeceased by a sister. As per Earl's request, there was no visitation or funeral service. Donations to a charity of the donor's choice would be appreciated. On-line condolences are available at www.armstrongsbh.com.

OBITUARIES

Dr. James "Jim" Venart, loving father and retired professor of mechanical engineering, died suddenly on July 29th, 2015. Born in Hamilton, Ontario on September 28th, 1934 to Joanna (O'Donohue) and Bert Venart. Predeceased by his beloved Bet (Whalen) in 2008 and his daughter Tina. Father to Joanne, Catherine, Jennifer, Michael, Sarah, Madeline, and Emily. Grandfather to Catherine, Alec, Ilya, Sim, Oliver, Alice, and Johanna. Brother to Neil (Sue) Venart and Heather (David) Borge and a dear friend to Helen Monus.
 After graduating from the University of Toronto, he worked briefly in Teaching. Then he worked for his boss as a sales manager, when he met his loving wife, Betty. After pursuing his Doctorate (Glasgow) he began his career at U. of Calgary. In 1973, he moved his family to Fredericton. Here, first as department chair and then as Director of national research centre, publishing widely in international journals; publishing over 250 works of inspiration to his colleagues and students, he led his department to become the excellent research facility it is today and was awarded the title of Professor Emeritus in 1998. He will be greatly missed by his family, his friends, and his academic community.

Members were entrusted to the professional care of Armstrong's Funeral Home, 33 Russell Street, Pettoicodiac (506)756-3361. From where visitation was held on Monday, August 3 from 6:30 pm. A private family service will be held at a later date. Donations, in lieu of flowers, to Amnesty International, OXfam, or Doctors Without Borders would be appreciated by the family. Online condolences are available at: www.armstrongsbh.com.

Earl Vincent Surrett of Moncton passed away at the Moncton City Hospital on August 26, 2015 at the age of 84. Earl was born in Nova Scotia on July 8, 1931 and was a mechanic by trade. He was self employed for most of his life, owning and operating apartment buildings and a garage. Earl is survived by 3 children: brothers and sister; several successful family, as well as his dear friends: Shirley Campbell and David Hindsale. Earl was predeceased by a sister. As per Earl's request, there was no visitation or funeral service. Donations to a charity of the donor's choice would be appreciated. On-line condolences are available at www.armstrongsbh.com.

OBITUARIES

Arnold Kenneth Kilham, 89, of Kenneth E. Spencer Home and formerly of Salisbury, passed away Thursday, August 20 in the Dr. Georges L. Leclercq Hospital, St. John's, Newfoundland by his family.

Born in Harwood, he was the son of the late Kenneth and Florence (Gould) Kilham. Arnold was married to Marjorie & construction with Murray Woodlands. He enjoyed hunting and fishing but most important was time spent with his family. Survived and predeceased by his wife of 68 years Beatrice (Burgess); four daughters: Diana McKnight (Gary) of Monahurst, Audrey Pery (Peter) of Salisbury, Patricia Colpitts (Gordon) of Riverview and Marie Carson (Bradley) of Middlesex; ten grandchildren; several great grandchildren, great great grandchildren and step grandchildren and in-laws. Predeceased by brothers John and James and sisters Alva Beck, Beatrice Power, Freda Morrow and Ellen Fall. Arrangements in the care of Salisbury Funeral Home and Crematorium (572-4800).

If desired, donations to the Canadian Cancer Society would be appreciated by the family or flowers, that's what she loved. www.keirsteads.ca

It is with great sadness that the family of **Mary Lou Crandall** announces her passing at home on July 27, 2015. Born in Moncton, she was a daughter of Marion "Ann" Crandall (nee Fenion) of Pettoicodiac and the late Kenneth Crandall who passed away in 1997.

Mary Lou will be missed by her Mom, her sisters: Pam Cochrane (Jim) of Salisbury and Wendy Crandall of Pettoicodiac, her very special niece Carrie Cochrane (James Smith), her precious great-nephew Lucas Smith and previous great-nephew Lucas Smith, as well as by many other extended family members and friends. Besides her Mom, Mary Lou was predeceased by her professional brother Gregory who she was very close to for many years.

Funeral arrangements in the care of Salisbury Funeral Home and Crematorium (572-4800).

If desired, donations to the Canadian Cancer Society would be appreciated by the family or flowers, that's what she loved. www.keirsteads.ca

Poem

Away
 I cannot say and I will not say
 With a cheery smile and a wave of hand
 She has wandered into an unknown land
 And left her body to be cry in the
 And you-oh you, who the wildest yearn
 From the old-time step and the old return
 Think of her faring on, as the love
 In the love of there, as we dear of hers
 Think of her still the same way, I say;
 She is not dead, she is just away.
 James Whitcomb Riley, American poet
 (1849 - 1916)

That she is dead, she is just away. With a cheery smile and a wave of hand she has wandered into an unknown land and left her body to be cry in the And you-oh you, who the wildest yearn From the old-time step and the old return Think of her faring on, as the love In the love of there, as we dear of hers Think of her still the same way, I say; She is not dead, she is just away. James Whitcomb Riley, American poet (1849 - 1916)

OBITUARIES

Lynn Valerie Pickett, 65, of Cherryvale passed away Tuesday, August 18, 2015 at home.
 Born in Miramichi, Lynn was the daughter of Agnes Gallant and the late William Richard. Survived by her sons Roger (Sandy) of Pettoicodiac and Matthew of Jemseg; granddaughter Tina Byrne (Chris) of Five Points; brother Terry Richard of Hawclock; sister Brenda DeMerchant of Woodstock and several nieces, nephews and cousins. Predeceased by her husband Robert Pickett and longtime companion Nova Corey.

Lynn had a great passion for gardening and loved the outdoors. She was a very caring, loving person to family and others and just loved helping people. She will be sadly missed by her best friend Carol and the Chestnut family. Special thanks to Rilla and all the great neighbours in the community of Cherryvale.

The service will be held Wednesday, August 26, 2 pm at New Columbian Baptist Church, 1041 West Pasternak Drive off of Church. Interment in the care of Salisbury Funeral Home and Crematorium (572-4800).

If desired, donations to the Canadian Cancer Society would be appreciated by the family or flowers, that's what she loved. www.keirsteads.ca

Complete the Recipe

Cut your lawn 2 1/2 to 3 inches high. Use a mulching lawn mower (and return the nitrogen rich goodness of the grass blades back to the root zone). Fertilize 3 times a year with a slow release nitrogen-based product, including a final application just before the snow flies.

The final application of lawn fertilizer is the most important one of the year. Use a quality Fall Lawn Fertilizer that is formulated for late autumn application. It will provide a boost to your lawn that will produce results early next spring when the grass plants emerge from winter dormancy. Snow should will be minimized and your lawn will green up more quickly.

Weeks?

They will not die in a day if you follow my recipe for a great looking lawn BUT they or two down the road you will be amazed at how much better your lawn looks, through long cold winters and the drought of mid-summer. Tall grass blades will shade out many lawn weeds before they germinate.

Recent research results have concluded that: The turf on the front lawns of 68 houses can produce the same cooling effect as 17 air conditioning units per day the lawn can be up to 30°C cooler than asphalt and 14°C cooler than bare soil.

- Healthy turf traps pollutants and purifies water as it travels through its root zone.
- Lawns can absorb a significant amount of carbon dioxide and a 2,500 ft2 (250 m2) lawn can release enough oxygen to keep a family of four breathing for a year.*

(*www.turfrevolution.com)

Now that we have established the environmental benefits of having a lawn I suggest that this is the perfect time of year to grow an environmentally responsible one.

This time of year is perfect for thickening your arm back and forth in front of you. Or buy a small, hand held whirly gig to spread your seed evenly.

Rake smooth.

Water well and apply a grass seed starter fertilizer (especially helpful for a new lawn).

Water the area well for 6 to 8 weeks, when Mother Nature is not taking care of this for you.

How Do You Start?

Rake your lawn with a fan rake, where you plan on sowing fresh grass seed ('overseeding') and be sure to remove the dead grass and debris that may be in the way of new seed germination.
