Decorated track champion Colby and up-and coming 3-sport star for Triton

By Mac Cerullo
Newbury Port News

The following article of athletes Chris and Emily Colby are the son and daughter of Nancy Eastwick formerly of Anagance who is a nurse in Massachusetts. They are also the grandchildren of Frank Eastwick (Anagance) and Jeanie and Ray Jorgensen of Petitcodiac.

Rising Triton freshman Chris Colby has enjoyed a highly successful career in middle school as a football, basketball and track star.

Over the past few years, the Triton middle school track program has evolved into a powerhouse. The boys and girls teams haven't lost a meet in three years, and the boys recently captured their second consecutive Division 2 state championship.

Though there have been plenty of talented athletes responsible for that success, right at the heart of it has been Chris Colby.

The 6-foot-3, 160-pound Colby, who will be entering his freshman year at Triton Regional High School, Byfield, MA this fall, is perhaps the most decorated middle school track athlete in area history. The three-time middle school state champion has excelled in the sprinting and jumping events, and he also happens to be a top football and basketball prospect as well.

Upon joining the Triton middle school track team, Colby had an immediate impact, winning state titles in the 200-meter dash (26.07) and 4x400 relay (4:07.45) as a seventh grader before capturing the championship in the 400-meter run as an eight grader this past spring with a personal best time of

55.07.

His personal bests in the 100 (12.13), 200 (25.46), 400 (55.07) and high jump (5-6) far surpass what you see from a typical middle schooler, and Triton middle school track coach Tyler Colbert said he's still just scratching the surface of his potential.

"He's the only CAL athlete to ever win more than one state track title in the middle school, and was our top scorer in our undefeated state championship teams the past two years," Colbert said. "He was a CAL Star in six different events over two years, never finishing worse than second in any event at any CAL meet and finished middle school undefeated in the 200, 400 and 4x400 statewide."

Given his original expectations when joining track, Colby admitted he didn't expect things to go as well as they did. "Honestly no, I never thought I would come out like that," Colby said.

"I thought I would be there to get a workout and maybe talk to some friends, and then I realized what Coach Tyler

Did anyone see summer, it went so fast? I hope Fall stays for a while, to me it is the nicest time of year. The month of October is a full month of activities, as the hockey, football, basketball and soccer programs get started, plus all other school programs. Here at the Hall Of Fame there is church every Sunday morning and again on Wednesday evenings in October, except for October 9. There is Games Day every Wednesday afternoon. Prestige Auto is here with their car sales October 9th - 12th. We will be closed Thanksgiving Monday. The Museum will be closed on weekends now until June 1st except by appointments. Perform your duty and go vote on October 21. Please be on the lookout for all the little ones that are out on Halloween. Have a Happy Thanksgiving with the family. We all have so much to be thankful for in this area.

TEN TIPS TO STAY FIRE SAFE.

1. Install at least one smoke alarm on every level of your home, test it monthly and change the battery yearly.
2. Never leave cooking unattended.
3. Don't overload electrical outlets.
4. Never leave candles unattended.
5. Stub cigarettes out completely and dispose of them safely.
6. Never store gasoline indoors.
7. Prevent arson by keeping your property clean of trash and flammables.
8. Keep flammable materials such as curtains and furniture at least one metre away from space heaters.
9. Store matches and lighters in a child-proof drawer or cabinet.
10. Create and practice a fire escape plan with your whole family. Get out, stay out and call 911.

“LOOK. LISTEN. LEARN. Be aware. Fire can happen anywhere.”
Fire Prevention Week | October 7-13, 2018 This year's Fire Prevention Week theme focuses on three fundamental actions people can take to be fire-safe:
LOOK for potential fire hazards around your home. Take action to prevent fire from starting:
Always stay in the kitchen while cooking. If you must leave, turn off the stove. Encourage smokers to smoke outside. Always extinguish cigarettes in large, deep ashtrays that cannot be knocked over.
Check electrical cords for damage such as fraying or nicks. A damaged cord can expose wires and result in a potential shock or fire hazard.
LISTEN for the smoke alarms in an emergency. Make sure everyone knows the sound of the smoke alarms and can hear them in an emergency. Early detection of fire provided by smoke alarms gives you the extra seconds you need to get out safely.
LEARN two ways out of every room. Practice a home fire escape plan with everyone in your home before a fire starts so you and your family can get out quickly.

The Petitcodiac & District Figure Skating Club

The Petitcodiac & District Figure Skating Club is busy getting ready to start another great season. Many club members and club skaters are particularly excited for this season as the club has been awarded a competition to host! This fall, December 7th & 8th, over 100 skaters and their families are expected to make their way to Petitcodiac to compete in the 2019 STAR 1-3 Fall Fun Skate.

Star 1 is what comes after a skater has completed all 6 stages of CanSkate. Skaters at the Star 1 level compete in groups of 6 by performing single elements in isolation. These elements include jumps, like a waltz jump and a salchow, as well as spins, like forward and backward upright spins. Skaters at the Star 2 & 3 level perform their elements to music in the form of a solo. All Star 1-3 skaters are graded on their individual elements and not ranked against one another allowing for a less pressured introduction into the competition side of figure skating.

The 2019 Fall Fun Skate is sure to be a fun day out filled with many talented skaters from around the province! PDFSC hopes to see many people come out to support all the skaters.

Do you know someone that would like to learn how to skate? Or someone who can skate but would like to improve? It's not too late to register for our programs! A registration night will take place at the arena in Petitcodiac October 9th from 5:30 - 7:00pm. Pre-CanSkate & CanSkate programs are scheduled to begin October 16th. For more information you may contact Arlene Wesselius (intervaledairy@hotmail.com) or Sarah Carson (sdunfiel@dal.ca).

Liberation 75 Tulips

By Mark and Ben Cullen

Mark Cullen is an expert gardener, author, broadcaster, tree advocate and Member of the Order of Canada.

His son Ben is a fourth-generation urban gardener and graduate of University of Guelph and Dalhousie University in Halifax. Follow them at markcullen.com, @markcullengardening, and on Facebook.

When do tulips signify freedom? When the Dutch give them to Canadians in thanks for the liberation of their country from the tyranny of the Nazis 75 years ago.

As Canadians turn their attention to the spring garden, we plant millions of tulip bulbs in anticipation of a colourful end to winter. "Spring", as we think of it, is often visualized with a tulip somewhere in the image.

Funny thing about tulips: they love our long, cold winters. Our hockey season is a perfect respite for cold-craving tulip bulbs. We plant them now, when the Maple Leafs are about to start a new season and they flower during the play-offs. Which are, for the non-hockey fan, seemingly endless. Testament to the long flowering period of tulips and the huge variety of tulip varieties that bloom for a couple of weeks at a time, over more than two months, depending on the species.

Our association of tulips with The Netherlands is not a mistake. Canadians liberated much of The Netherlands during the final months of the war. Over 7,200 Canadians were lost in the conflict. After WWII the Dutch Royal Family gave the people of Canada, through our federal government, 100,000 tulip bulbs as a thank you for our efforts. Since then, the Dutch have

sent us 20,000 bulbs per year, which are used in Ottawa's now famous Canadian Tulip Festival.

The Netherlands dominates the world market for tulip bulbs. The history of the tulip is steeped in Dutch culture going back more than 500 years.

The origins of the tulip bulb are more complex, as they are native to Turkey, Central Asia and points between.

This fall, The Netherlands royal family is acknowledging the 75th anniversary of the liberation of their country by saying thank you to Canadians with a larger than normal gift of 100,000 tulip bulbs branded Liberation 75. This tulip commemorates the liberation of The Netherlands in 1944.

The gift of 100,000 tulip bulbs is matched by the National Capital Commission in Ottawa, where most of these bulbs are being planted now. 1100 schools across the country will each receive 75 of the Liberation 75 tulips to plant around their school buildings. A reminder, come spring, of the sacrifice made by

Hon. Ross Wetmore, Gagetown - Petitcodiac

I hope you will be exercising your right to vote in the October 21st Federal Election. Whether you are motivated by one or more issues or solely from a sense of duty and responsibility, voting has never been more convenient. Up to October 15th you can vote any day at an Elections Canada Office. Advance polls are being held Friday, October 11th through Monday October 14th. You can vote by mail. Details are on the Elections Canada website: elections.ca. Our recent voting record places New Brunswick in the top three nationally. In the 2015 federal election 73.3 % of eligible New Brunswick voters cast their ballots. That figure was surpassed only by Yukon (74.2%) and P.E.I. tops with 80% voter turnout. Perhaps this election New Brunswick will top the nation for citizen engagement in our democratic process. There are three federal ridings that each contain part of our provincial riding of Gagetown-Petitcodiac; namely New Brunswick Southwest, Fundy Royal and Fredericton. Fine citizens in each riding are standing for election to public office. It is my hope that they will all be treated with

courtesy and respect regardless of party and platform. There is a plentiful buffet of issues for voters to consider this election. In no special order consider jobs, the environment and climate change, the economy, resource development, national security, government integrity, health care, affordable living, SNC Lavalin and of course, carbon tax. As a member of our New Brunswick PC government, my opposition to the carbon tax is a matter of public record and it doesn't seem that I am alone. One poll indicated that 62% of New Brunswickers are opposed to the Federal Liberal carbon tax. In April of this year the CFIB reported a majority of their members oppose the federal carbon backstop imposed on our province. Our PC government has also been clear in our support of responsible resource development and a national corridor for energy and resources. Whatever you have established as priorities, I encourage you to examine the various platforms to discover which candidate you feel will represent you most effectively and go vote for them, in the freedom and security, we enjoy as Canadians. Voting is our right, our responsibility and our privilege.

ELGIN NEWS!

What being a WI member means to me.

Joining the Elgin Women's Institute as a young wife and mother has been an evolving experience for both the group and me. My interests and priorities have changed somewhat as I experience life in a small community.

But my passion and belief in the aims and objectives have been renewed by the growth and dedication that I see in observing my WI sisters. At a recent gathering of members from this area including Petitcodiac, Corn Hill, Wheaton Settlement, Havelock and Elgin it became clear that there is a need for socializing to discuss community concerns in the hope of making a difference in the lives of others and in turn, our own lives as we explore and share ideas.

For me personally, I am always inspired by those who attend. Whether it is overcoming physical limitations, illness, age, social stigmas, mental illness, etc., I see a willingness to rise above challenges and serve others in any way that they can. This gives us hope and belief in ourselves that we can accomplish good things no matter what life may throw at us.

Serving your community does have its challenges but the rewards far outweigh any struggle that may come our way. When there is a willingness to be open to the thoughts and ideas of others and to work to find a way to compromise resulting in a solution that benefits everyone, then we can make progress.

I have learned so much over the years but what I do treasure most is the friendships that I have made that I would not have otherwise been able to do had it not been for belonging to the WI and meeting with other WI's in the area. You all are a great bunch of gals. Sadly, I have seen many wonderful ladies pass on but I am thrilled to see such a continuing interest in all the new younger faces.

Political, environmental, health and social issues are but a few of the topics that come up as we meet together. We would like to suggest that everyone has something to offer in helping to make this world a better place to live. We can do this together. Better together.

Please get in contact with someone in your area to learn more about how WI needs you. We aim to balance work and play, and as women we have shown that we know how to multi-task. We laugh together....we cry together....we grow together. Hope to see you soon friends!

The Elgin Mountain Bike Marathon. That is its official name. It started out as "the Elgin Eighty". It also goes by The Elgin Mountain bike race, the toughest mountain bike race in Atlantic Canada. We created the race to raise funds for the Elgin Eco Association. We can safely say that the biking community has helped us make many projects a reality. They believed and still believe in our event. Their support is vital for our community projects. A big event for a small community. Everybody in our community contributes to its success. From year-round work of making trails, to many citizens working this one exciting day. We are proud of this accomplishment. It helps community connectedness. An event like the bike race needs all of us on board. The mountain bike marathon is much more than one race. It is an entire day of bike race activities. Young and old can take part. There is a choice of 20 km., 40 km., 80 km. plus the brutal 120 km for experienced riders. All riders have a chance of a door prize no matter what race you enter. We have great sponsors. Sponsors are needed to help defray the cost of organizing an event like this. In the morning of this years October 5th you can start out {Racer or non-racer} with a hearty breakfast at the Maple tree café in Elgin starting at 7 am. The seniors have offered to do this every year. They are a great help on bike race day. The various races start in rapid succession. Of course, the 120 starts early in order to finish on time. There is a cut-of time halfway. If you cannot make that time, you are not allowed to continue. The last race leaves at 12:15 pm. the 20km. for those that are looking for a less challenging race. We are not forgetting the young children that like to bike and want to be part of the event. They to can participate. A special event is set up "the Kids race". Starting in The Elgin Eco Park at 12:45 there is a special children's race and it is free. Two adults will take them for a fun and exciting bike event {bring your own bike}. The Elgin Eco park also has a Pump Track where young and old can practice bike skills or race each other. In the afternoon around 3pm the awards dinner will start. It is a great get together for the mountain bikers that have finished their race. They will devour the many delicious dishes that will be served up by our community. This meal is included in three of the 4 races. Not included in the 20km.race. If you like to be part and do not race, you can buy a ticket \$9 for the dinner if there is space available. Not a mountain biker? Why not come and ride your recreational bike along the beautiful Pollet River to enjoy the fall colours. Or go hike in our Mapleton Acadian Forest Nature preserve to enjoy the fall colours. Still not convinced, you can rent a kayak to paddle up the Ducks unlimited pond. We are looking for a great turnout to this all-encompassing biking event. For more info visit our website eeanb.com, our Facebook page or send an e-mail to info@eeanb.com

To register ahead for the race, go to www.raceroster.com or on the day of the event.

See below an example of the shortest race most people can do, with a little experience of course.

The 20 km will be around 21.5 km's this year with lots of new singletrack included. The race will be 95% single track this year with lots of easy switchback climbs, fun bridges, and fast flowy downhill sections. It will include some beautiful wooded areas as well as some clear cuts with amazing views of the fall colors.

Colby, whose father played football at Gloucester High, started playing flag football at age four and has been dedicated to the game ever since. In recent years he has played with the Mass Elite Football club and in the Triton youth program, and has primarily played wide receiver, outside linebacker and kicker. He has also been part of a North Shore Flag Football Elite team that has qualified for nationals two years in a row, which has allowed him to travel to Orlando over Pro Bowl weekend and meet numerous Pro Bowlers, including New York Giants running back Saquon Barkley. “He told me to get in the gym as much as you can, and whenever you have time don’t waste it,” Colby said of the advice Barkley gave him. “If you really want it you have to work for it.”

For basketball, Colby is a power forward and center with great finishing ability around the rim. He’s also benefitted from the experience of his older sister Emily, who he says taught him how to shoot and has been a big influence for both basketball and track. Emily, a rising senior at Triton, is herself a Daily News All-Star in track with three-plus years of varsity experience in soccer and basketball. Like Emily, Chris says he aspires to be a three-sport athlete in high school and hopes to excel in every sport he plays. Down the road he hopes to one day play college football, but for now he’s excited for what the future holds, especially with Triton football set to open camp in a couple of weeks. The feeling is mutual among Triton’s coaches. “He’s just a natural athlete,” said Triton basketball coach Ted Schruender. “I’m excited that he’s going to be at Triton, he’s going to be a good one.”

Eco Hero Award

The Conservation Council of New Brunswick was pleased to notify the Elgin Eco Association that their group was nominated and selected to receive an award at the 2019 Eco Hero Awards ceremony.

Congratulations, they were selected in the category of Community Leadership for their work in the preservation of the Mapleton Acadian Forest Trail, the creation of a museum in a restored sugar maple camp to showcase a local way of life and creating opportunities for outdoor recreation.

The Conservation Council turns 50 this year! They could see no better way to celebrate than to honour the hard working New Brunswickers who have helped to make there work possible over the years.

Their 50th Anniversary Awards Gala will be held on Saturday, October 12th from 7 - 9:30 p.m. at the Beaverbrook Art Gallery in Fredericton. Please join them in celebrating their amazing natural heritage and the wonderful people, like you, who protect and restore it.

Lets talk word association :

RUSSEL - HENDRIX is a company that specializes in food service equipment and supplies. However, it is also what someone said to Jimmi, the late guitar rock icon, when he was seen cavorting on a big pile of leaves on his front lawn at his mansion while higher than a kite!

If you are sitting in a public place and a stranger takes the seat next to you, just keep staring straight ahead and whisper did you bring the money??

If you answer the phone with "Hello, you're on the air", most telemarketers will quickly hang up.

Many years ago, I walked into a grocery store to purchase a 50 pound bag of potatoes but there was none to be seen. I located the produce manager and inquired do you carry potatoes in 50 pound bags? I never saw the train coming as he replied -- no, not since my hernia operation! Truth be told that made my day.

Oddities --

A man in Australia was convicted and sentenced to 5 years for holding up a financial institution. His nameRob, Mr. Rob Banks.

A lawyer in San Francisco goes by the handle of Lake Trout, but wait, he's got a brother named Brook!

A man in Manhattan is listed in the phone book as Mr. Pleasant Finch and yes you guessed it, he's an avid birdwatcher. He is not one to er ...ruffle feathers.

“Our People Make a Difference”

Provincial Golf Fore the Cure

Pictured above are the folks who played in the Provincial Golf Fore the Cure held in August at our own Petitcodiac Valley Golf and Country Club. Seventy-two competitors dressed in their brightest and best pink attire and raised money for breast cancer research. Every penny raised stays right here in NB to support this cause. Servicemaster Restore is the main sponsor but we must give a big shout out to all the businesses who sponsored hole signs. Also many, many thanks to all of you who bought tickets on our pink diamond ring and other jewellery. It should be noted that a couple of members from Petitcodiac Valley contributed funds to help pay for those jewelry pieces so all the ticket sales could go to funding the research. All of that money from the hole sponsors also went to the Canadian Cancer Society for breast cancer research. When the total was calculated the Golf Fore the Cure initiative raised \$39,732.09 to support breast cancer research in our province. Hats off to the ladies of Petitcodiac Valley who raised over \$9,000 of that total. Together we are strong....together we are invincible.....together we will defeat this monster we call cancer.

TRAIL RIDE

TRADITION

By Jill Killam

It's just like being back in the days of the pioneers, when teams of horses pulled covered wagons travelling for miles hauling goods to barter or delivering essential supplies to the next town or county.

As horses and covered wagons filled the field just past the intersection of Rte 885 & Rte 112 in Canaan, so begins the 4 day / 3 night journey of a different sort.

For the love of horses, nature, excursion and tradition, several horse drawn covered wagons set out once again on the Annual Labour Day Weekend. “Trail Ride Tradition”. For over 66 km, horses travel on, with their passengers and goods, stopping to rest, prepare meals and to find their spot to turn in for the night under the stars. The second night would bring them to the halfway point of their trail ride, in Fork Stream, where they would tether their horses, build a campfire and join others for a good ol’ fashioned down home kitchen party with food, music and stories to tell.

Since 1979, at the age of 11, one individual has never missed travelling in this annual tradition. Through rain or shine, frost and cool weather, Darrell Killam has endured and enjoyed this Trail Ride for 40 consecutive years, first sitting along side his grandfather Lester and having had many of his grandfather's and his own horses lead the way in the later years.

Congratulations Darrell on 40 yrs of tradition, commitment and the love of this journey with your horses.

Darrell with his 4 yr old stallion Billy

A long time veteran of the trail ride Stuart MacLeod signs a well wish on Darrell's wagon cover.

All in a Word

T for time to be together, turkey, talk, and tangy weather

H for harvest stored away, home, and hearth, and holiday.

A for autumn's frosty art, and abundance in the heart.

N for neighbors, and November, nice things, new things to remember.

K for kitchen, kettles' croon, kith and kin expected soon.

S for sizzles, sights, and sounds, and something special that abounds.

That spells THANKS - for joy in living and a jolly good Thanksgiving.

Thanksgiving Feasting

When the Halloween pumpkins are gone,
And the leaves have all fallen to ground,
When the air has turned windy and cold,
Then Thanksgiving will soon be around.

Thoughts of loved ones all feasting together,
Pleasant pictures from past times appear
To dwell in each heart and each mind-
Then Thanksgiving is finally here!

The kitchen has scrumptious aromas,

The dining room looks oh, so fine,
Decorations with pilgrims and turkeys,
And now we are ready to dine!

First the napkins are placed on our laps;
Now the prayer for the meal to be blessed,
Then we stuff the good food in our tummies,
And we hope for it all to digest!

by Gloria Scribner

It's that spooky time of year again (if you scare easily). Time for little people to eagerly make their rounds of the neighbourhood dressed like the latest characters or ghouls, witches and mummies, hobos, clowns and vampires. Oh, the sinister terrors of the night. But sacks of treats and open doors, smiles and chuckles allay any would-be fears as friends and family host parties and games, while children consume candied worms, spider cupcakes and peeled-grape eyeballs. Laughter rings and pumpkin faces compete with the outlandish costumes as someone howls from beneath a window, strung with cobwebs. It's all in fun and as the fudge pots are soaking in the sink, and the candied apples disappear from the table, cameras flash and fanged werewolves exit the verandah, words of "watch your step", and "Happy Halloween" join the thank you's. Although Hallowed-Eve or All Saints Eve originated centuries ago in England when the world was in the grip of it's own Spirited Warfare, today, the beginnings are long-forgotten, and instead of the poor, begging for coins door-to-door, we imitate the original by veiling a past that no one really wants re-lived, with humour, good will, childish pranks, and scary stories.

and blatantly screamed, "Thought we were gone, didn't you?!" Well, welcome to evil. We once dismissed the vile horror stories of motion picture and Edgar Allen Poe as hilarious and spine-tingling. Now we need only pick up a newspaper, turn on the newscast, or leave a door unlocked (not so spine-tingling to a realist, but horrifying and oh so sad.) I'm not fear-mongering, but if you happen to have a little visitor this year wearing camo and carrying an imitation AK47, take him or her aside and have a talk with them. Evil doesn't originate in the hearts and minds of children, but it has been cultivated and laughed at by adults. It often emanates from parents and teachers who overlook impressionable minds, while spewing bigotry and hate. Spirits, although invisible are only too eager to answer the queries of our youth with, "taste it", "try it", "just do it", "you're worth it", "question it", "hate it", "kill it ...or yourself", and unless one very important "Holy Spirit" is invited to become the super-human conqueror, our world as we know it will destruct into anything goes, oblivion. Yes, spirits are real. Perhaps we need this once-a-year reminder to cause us to ponder on what's just pretend and what is all too real. Very soon I feel the movie will end and to our horror we'll realize there's no reel, just reality, we have become the actors and the victims of the monster we ourselves have created. No Spirits? Wanna bet?!

As far as spirits are concerned, we don't need to wait until October 31st to encounter them. Anyone who has ever encountered the face of true evil will readily agree that the unholy do exist in the human mind, setting down roots. We read each day of murders, injustices, rape, hate-crimes and robberies. Drugs have perhaps not re-placed the "witches brew" of centuries ago, but have simply

**PETITCODIAC VALLEY GOLF AND COUNTRY CLUB
CHASE THE ACE (2019)**

The Petitcodiac Valley Golf and Country Club held two Chase the Ace contests this year. The first was launched in May with the first draw held on May 6. On May 13 the Ace of Clubs was drawn and June Stoyles took home a cheque for \$821.20. Within a few weeks our next Chase the Ace contest was up and running. The second one lasted a bit longer and had a larger jackpot payout. On August 26 the name drawn was Norm D'Anjou and the Ace of Clubs was pulled again. Norm took home a cheque for \$2,712.35 which he says he shared with his family. Due to the short period of time before the golf course closes, we

will continue to have a weekly 50/50 draw....open to everyone and you do not have to be there to win. The first two weeks saw Roger Sears take home \$175 in the first week and Norm D'Anjou, in the winner's circle again, walked away with \$200 on the second draw. From our Chase the Ace contest, we were very happy also to be able to present a cheque to Petitcodiac Fire and Rescue as well as Salisbury Fire and Rescue for \$934.10 each. Many thanks go out to all who supported our cause as well as our charitable partners.

WHERE YOU PAY LESS

The Watkins Man
by Gloria Scribner

My sister washed the dishes and she always made me dry
I never got a chance, she wouldn't even let my try
She filled the pan with supersuds, in water nice and hot
I stood there with the cup towel, dried every dish and pot

I love to wash the dishes (It was either wash or dry)
But sister always got to wash, no good to pout or cry
For she was 6 years older and impatient as could be
"No time to watch you playing in the water so let me."

She frowned a lot, I never got to have my turn you see
I always dried the dishes, although quite reluctantly
She finished up before I did and wiped the counter top
Refilled the empty kettle and reset it to get hot

She ran her finger over plates to see if they were dry
She grumbled if I missed a spot, and tried to make me cry
I took my time (I dreamed a lot) but how I laughed the day
She grabbed the pan of water in her most impatient way

For when she picked the dishpan up to throw the water out
The Watkins man was coming round the corner of the house
She stared at him and I did too, oh what an awful sight
Just soppin' wet from head to toe, I thought she'd die of fright

For turning round with case in hand he headed down the lane
And Mama always wondered why he never came again.

Need for Transportation Growing

Rural Rides started providing affordable transportation in 2014 and it became evident early on that there is a great need for affordable transportation in the area. Rural Rides is part of a collaborative group comprised of Rural Rides, Rural Rides Tantramar, Tele-drive Albert County and The Volunteer Centre of Southeast New Brunswick Driver Program working under the umbrella of WA Transpo now commonly referred to as Urban/Rural Rides.

There have been a few growing pains and changes as we work together to make sure everyone in Westmorland and Albert County has access to affordable transportation. One of those challenges is keeping up with the calls as they come in. We recently welcomed Marc Gionet to the team to help with dispatching. Clients from all regions are encouraged to call the dispatcher at least 48 hours in advance at 962-3073 to schedule their rides. Marc will be helping dispatch rides for all four groups - Tele-drive Albert County, Rural Rides, Rural Rides Tantramar, and The Volunteer Centre of Southeast New Brunswick Driver Program and will be answering the phone as "Urban/Rural Rides" as he will be working with groups that serve clients in both urban and rural areas.

The need for transportation continues to grow and Urban/Rural Rides is finding that the demand is greater than the capacity to serve. So much so, that even though every effort is made to combine clients in a vehicle when possible, the demand is so high, six ride request for transportation to medical

needs had to be turned down this past week alone. Requests include trips to dialysis, chemotherapy and other treatments as well as to the hospitals for tests and surgeries. The needs go beyond medical as many residents struggle to access basic life needs such as food, banking and other services. Transportation is also needed to connect residents to community programs and educational activities, particularly for those with disabilities of one form or another.

The greatest need for volunteer drivers is in Hillsborough, Sackville, Dorchester, Port Elgin, Shediac, Cap Pele, Grand Barachois, and Memramcook at present, but more volunteers are always needed and welcome in all areas of Westmorland and Albert County. If you know anyone who might be willing to volunteer a few hours a week or even a few hours a month, please share the information with them.

Every little bit helps. Someone willing to do one ride a week could have helped one or more people get to their medical appointment this past week. Drivers use their own vehicle and are reimbursed for their mileage. They must have a clear criminal record check, a reliable vehicle, valid driver's license, carry \$2 million liability (we will reimburse the extra cost up to \$80 per year) and sign an oath of confidentiality.

If you can give an few hours a week or more, please call Kelly Taylor at 215-2100 or visit <http://www.watranspo.org> for more information.

Liberation 75 Tulips

Canadians 75 years ago. Each provincial Lieutenant Governor will receive 750 tulips to plant in provincial capitals.

You Can Join In!

Every Canadian that wants to join in the celebration can order 15 Liberation 75 tulips for \$15. Each purchase includes a \$1 donation to the Canadian Legion, which represents over 200,000 Canadians who have served in our armed forces. Everyone buying a bag of the tulips will be eligible to win a trip for two to The Netherlands, plus \$2,000 spending money. [https:// liberation75.ca/](https://liberation75.ca/)

As Michel Gauthier, Executive Director of the Canadian Garden Council, says, "Gardens are an important element of our lives in terms of health, quality of life and environment. They are also an important element of our heritage and our history. This 75th Anniversary "Liberation75" commemorative campaign connects our gardens to our history. The tulip is a true symbol of who we are as Canadians."

One more connection to our military history.

The Highway of Heroes Tree Campaign is encouraging every school in Canada

to raise funds to plant trees on the official highway in Ontario designated to commemorate our history of military sacrifice.

For a limited time, the Highway of Heroes Living Tribute will provide packages of 75 special Liberation75 tulip bulbs to community groups, and organizations who agree to raise funds this fall.

They can signup online [https:// hohtribute.ca/tulip75](https://hohtribute.ca/tulip75).

By raising funds with the Highway of Heroes Tree Campaign for the Tulip 75 Drive they will be helping to replenish the tree canopy along the Highway of Heroes, honour our veterans and spread the beauty and remembrance of the Liberation75 Tulip across the country. Tulips are perfectly suited to any sunny garden in Canada. For a succession of blooms, follow this guide when shopping for bulbs:

Early season (late March through April) Single and Double early, Kaufmannia (water lily type) Fosteriana and Greigii
Mid season (late April through May) Triumph, Parrot
Late season (late May, early June) Single and Double late, Fringed (Cuspa)

Edward "Ed" Farrell
1947 - 2019

It is with sad hearts that we announce the sudden passing of Ed Farrell of Petitcodiac, NB at his home on Sunday, September 15, 2019. He was 72 and was the son of the late

Jack and Catherine (Egan) Farrell.

Ed enjoyed life to its fullest in his career as a RCMP member. He graduated Depot in 1968 and served in Toronto, Fredericton, McAdam, Doaktown, Petitcodiac, and the Northwest Territories, including Yellowknife and Toktoyaktuk. While up north he enjoyed the outdoor life of snowmobiling and fishing. Ed retired as a Staff Sergeant in Grand Falls Windsor, Newfoundland. After retirement, Ed moved to Petitcodiac where he took up his passion, golf, which he enjoyed to the fullest with his buddies, Harry and Gordie. Ed's other passion was cards and on Tuesdays and Thursdays he would be found in his shed with the boys taking dimes and quarters. Also, during the past few years he took up cycling and he and Val cycled the Confederation Trail and Mount Tremblant. Ed was such an avid gardener that his two apple trees became so productive that his sisters, Eileen and Cathy had to be brought from "off shore" to pick the harvest. Ed put his "Up North" trapping experience to good use and became an experienced live trapper of raccoons and squirrels. As good as he was, there was one mighty beast that required Ed to call the professionals... a small brown mouse! Ed loved to travel, he especially enjoyed his April golf trips to Myrtle Beach to play with his Petty buddies. On his seventieth birthday he made his dream trip to Ireland with Val, John, Erzsi, and Cathy. One of the highlights for Ed was kissing the Blarney Stone.

Ed is survived and sadly missed by his loving wife of 15 years, Valerie Farrell (Dunfield); sisters, Eileen Carson (Reg) and Cathy Andrews all of St. John's NL; brother John Farrell (Erzsi) of Edmonton, AB; mother-in-law, Verna Dunfield; brothers-in-law, Rick Dunfield (Ellen), Len Dunfield (Dawn); sister-in-law, Shirley Armstrong (Gerald); several nieces and nephews who were very special to Ed, and who Ed loved as if they were his own.

OBITUARIES

Besides his parents, Ed was predeceased by his sister, Patricia Edwards and Mary Kirkland; father-in-law, George Dunfield; first wife, Cynthia Dunphy who passed in 1986.

Visitation took place at Salisbury Funeral Home on Wednesday, September 18, 2019 from 6 - 8 pm. Funeral Service was held at the Salisbury Funeral Home Chapel on Thursday, September 19 at 11 am with Pastor Gordon Mackenzie as officiant. Interment was in the Upper Blackville United Baptist Cemetery.

Gerald "Gerry" Marshall

I died on August 24, 2019. I've had cancer and heart problems for many years. I was born as the second of three sons to loving and intelligent parents, Joe and Charlotte Marshall of Halifax. I realized at an

early age that all people need the same basics and by travelling the world later in life this impression was confirmed. The only difference is how many ways there are to achieve a satisfying, exciting and fruitful life. I owe much to my older brother, Ronald who died in 1990 of heart failure, whom I followed into a lifelong addiction to motorcycling and one year later accompanied him as we joined the R.C.A.F. Away from home we found that brothers in their late teens can be a great team. I learned a trade in aircraft maintenance and earned a living employed with Air Canada after my service. As a semi-pro motorcycle racer with good sponsorships, I won three National Championships and two Provincial Championships. I'm proud of my many years as a volunteer on the Board of the Canadian Motorcycle Association, and also proud to have been recognized by my peers and inducted into the Canadian Motorcycle Hall of Fame as well as the Maritime Motorsports Hall of Fame. I've had a lot of fun. My late wife of 32 years, "Mickey" Millicent Lear, was always supportive and together we had a good life. My younger brother, "Bob" Robert, in Halifax, was always a good friend. In my later life I shared many wonderful moments with Penny Milne. I've met many interesting people throughout the world and it's been a great ride. I'm known to be outspoken so I'll end on that theme. As you read this and reflect upon the loss of old friends; thinking of them, get out and do volunteer work, it's a great feeling.

The family of the late Dennis Smith who passed on August 18th, 2019 wish to express our deepest appreciation to those who have offered such kindness, support, expressions of sympathy, food and donations to ourselves and various charities in his memory. This continues to be a great comfort to us in our time of sorrow.

We wish to send a special Thanks to Rev. Stephen Brown for the beautiful graveside service; to the pallbearers for their willingness to serve; to David and staff at the Salisbury Funeral Home for their guidance during our difficult time; to the Elgin Fire Department for their prompt response and assistance; to the Ambulance attendants for their timely transport and care; to the Moncton and Saint John Regional Hospital Doctors who provided all possible treatment, and to the numerous Nurses who provided compassionate and empathetic care to Denny and ourselves.

Sincerely,
Kathy, Tracy, Kelly & Family

NAACC Hobbyists of the Year

Congratulations to PEI Antique Car Club member Doug and Roberta Parkman for receiving the National Association of Automobile Clubs of Canada (NAACC) Hobbyist of the Year award at the Cobble Beach Concours d'Elegance September 15th. Doug's son Kenneth accepted the award on their behalf..

Doug has always had a great interest in automobiles. He bought his first one at age seventeen. In 1967 he drove a 1930 Chev Coupe to Expo '67. Doug held all executive positions on the PEIACC ; some multiple times He has restored over a dozen vehicles focusing mainly on AMC/Studebaker/Packard and derivatives spanning 1923-1966 over the past 50 yrs. He always focuses

on originality. His current restoration project is a 1930 Graham Paige four door.

Doug and Roberta host many individual and groups of enthusiasts at their home/garage. Roberta is a lady of many talents. She plays piano, accordion and sings at many of these functions.

Doug is always willing to assist anyone (whether it be repair or comforting advice) with their car issues on short notice.

Doug and Roberta have also been inducted into the Maritime Motorsports Hall of Fame in New Brunswick 2009.

Doug and Roberta enjoy their antique cars including tours, shows and outings in the Maritimes, Newfoundland, Ontario and many states in the US.

Doug raced Go-Karts, Stock cars and even tried Drag racing. He has been an active member of the PEI Antique Car Club for over 55 years.

Doug and his wife Roberta have been active members of the Maritime Chapter of the Studebaker Drivers Club for the past 23 years including Doug as president a couple of years ago.

Needless to say they are great ambassadors for the hobby.

Seniors Complex Celebrates 35 years

Salisbury Lions Seniors Complex celebrates 35 years of providing affordable seniors housing in Salisbury.

On September 16, a group of tenants, board members past and present, administrators past and present and special guests gathered to celebrate 35 years of affordable housing in Salisbury. Affordable housing is a great need in all communities and the Lions Club, having spearheaded the project, have continued to ensure the availability of seniors housing in our community.

HALLOWE'EN "WONDERLAND"

This October, Hallowe'en will be back and better than ever at the Salisbury Baptist Church gym with the return of the free community-wide event "Wonderland!" Children are once again invited to come and trick-or-treat in Wonderland, which will consist of a virtual village of 18 or more homes and businesses, all with their own themes (including a Pirate Ship and much more!). The scene will feature over 100 scarecrows and one live scarecrow at each stop handing out treats! While children of all ages are welcome to come enjoy the fun, treats will be limited to those aged 12 and under. As well, one of the houses in this Wonderland village will belong to Helping Hands, and will be accepting donations for the Food Bank. The fun all begins with a viewing-only opening day on Friday, October 25th from 9:00am-8:00pm; and continues on Saturday, October 26th with trick-or-treating on that day from noon until 5:00pm, including a costume contest! Welcoming close to 450 trick-or-treaters at last year's event, Wonderland is a safe, climate-controlled alternative to door-to-door trick-or-treating, giving young families the option of being home on Hallowe'en Night. **DON'T MISS WONDERLAND!!!**

FALL SPECIAL PICK-UP (BULK GARBAGE)

The Village of Salisbury's Fall Special Pick-Up Day is scheduled for Monday, September 30, 2019.

Any items residents wish to have picked up must be placed at roadside. Please be sure to have items at the curb early, as pick-up can commence anytime after 5:00am.

- * Appliances/Furniture,
- * Lumber and yard waste must be bundled and tied in 4ft. lengths,
- * Tires (Limit of 2 per household),
- X NOT ACCEPTED - Batteries, paint products, chemicals, propane tanks, and other hazardous materials.

EMERGENCY MEASURES EXERCISE

The Village Office in Salisbury will be closed on Wednesday, October 23rd as the municipality participates in a province-wide Emergency Measures Organization training exercise called "Exercise Brunswick Bravo." A follow up to 2018's Exercise Brunswick Alpha, this will, again, be a coordinated exercise to an environmental scenario in order to test provincial and municipal emergency plans. The Village of Salisbury portion of this will be a full-day exercise involving Village staff and emergency personnel. It will take place at the Village Office during the day, necessitating the Office closure. The Village thanks you for your understanding.

COUNCIL MEETING DATE-CHANGE

The first regular Village of Salisbury Council Meeting for October will take place on the evening of Tuesday, October 15th, rather than on the Monday. This is because the 14th is Thanksgiving Day.

NOTICE TO HUNTERS

Please be advised that it is an offence under Village of Salisbury By-Law No. 22 to be involved in the act of hunting within the municipal boundaries of the Village of Salisbury. **VIOLATORS WILL BE PROSECUTED.**

LIGHTING OF OPEN FIRES

A reminder that the lighting of ANY open fire in the municipality is PROHIBITED. Any fire must be in an approved wood burning appliance as outlined in the Village of Salisbury's fire by-law (By-Law No. 48, which can be read in its entirety at www.salisburynb.ca). Salisbury Fire Rescue reserves the right to order any fires that are not in compliance to be extinguished. It should be noted that the fire by-law follows the direction of Provincial burning advisories/bans.

Salisbury Petitcodiac Minor Basketball Celebrates 5 Years

Salisbury Petitcodiac Minor Basketball Association is celebrating its 5th year anniversary and wishes to thank our communities helping us make this happen. This year we will see 35% more kids coming out to play the sport, in our area. The program focuses on basketball skill development, respect, manners, values, leadership skills and having fun while growing the love for the sport. We have come a long way, as there was a need to provide skills development opportunities for local area kids as well as a chance to play competitive basketball representing the Salisbury Petitcodiac area around Atlantic Canada. Up to that point kids would have to try

out for the Moncton provincial teams with only one or two of our area kids making these teams. It left the other kids with no competitive team to play on. Their only alternative was to play house league in Moncton. In many cases because of the couple of kids playing on Moncton Provincial Teams, it meant not enough kids left to form a local team at all, and these kids quit the sport. Ken Darling and Rob Campbell had an idea to form a local association to ensure Salisbury Petitcodiac families would have a chance to play here in our area, as well as around Atlantic Canada representing our Villages. Since that time each year we have over 50 to 70 teams visit our area from around Atlantic Canada. It has been an economic benefit to the area, but more importantly we have grown the number of kids playing the sport. Along the journey the association has taught the kids and their parents that it doesn't matter that they come from

a small area. What matters is the size of their hearts, their hard work and believing in themselves and their teammates. Over the 5 years the Association has generated 9 Provincial Championship teams, an East Coast Championship team, while having 7 players selected to play for Team New Brunswick. The Association was named Basketball New Brunswick's Association of the year in 2018, and Rob Campbell the Association President was named Volunteer of the year in 2016 by Basketball New Brunswick. The most gratifying thing about the last five years according to the association has been all the help from our Sponsors, Parents and Volunteers as well as the partnership with Salisbury Parks and Leisure who have been instrumental in our growth. "It takes a Community" said Rob Campbell, Association President, and our success is because of the big hearts and commitment of the

amazing people from the Salisbury and Petitcodiac area. There is great pride in seeing the kids from the program develop over the years. Campbell went on to say "In the last year I watched Kailey Arsenault one of our Alumni Players who plays for Petitcodiac High named to the Provincial NBIAA All Star Team, and another of our Alumni players Keira Jamieson play for Team New Brunswick at the National Championships in Victoria BC. I watched all our High School Alumni players who came through the program coming back to work with our younger kids and these same players volunteering in the community giving back to charities. I am Proud that we Grow Champions on the Floor, but More Importantly We Grow Champions off the floor and future leaders in our communities in Salisbury and Petitcodiac. Salisbury Beautification Program- September 2019

Our annual Tree Dedication Event was held on September 8, 2019 at the Salisbury Village Office with over 75 people in attendance. This past summer 12 commemorative trees were planted throughout the village as well as 6 crab apple trees which were planted in the grassy area in front of the Independent Store. Special thanks to Councillor Rob Campbell for bringing greetings on behalf of the Village of Salisbury and Rev. Chris Hayes for offering a blessing on the newly planted trees. Thank you to families and friends who purchased commemorative trees this year and to those who attended the dedication event.
