RELAY FOR LIFE

Salisbury/Petitcodiac Relay For Life June 8th, 2012
Light the Night

Relay For Life is an annual event held all over the world to help raise funds in the fight against cancer.

The Salisbury – Petitcodiac Relay For Life will be held at the Westmorland County Fair Grounds this year on Friday June 8, 2012. We begin at 7pm and walk until 7am Saturday.

People Relay for various reasons...they have been touched by cancer in one way or another, whether it be through a family member or a friend. At Relay, we celebrate those who have fought the battle and won, we remember those we have lost their battle to this horrible disease, and we fight back by raising funds to help this cause.

The evening of Relay starts at 5:30pm with a banquet and guest speaker for cancer survivors. This is followed by the Survivors' Victory Lap at 7pm. The 14 teams we have registered this year will fall into line behind them, cheering them on. For the next 12 hours these teams will continue to walk. If you know anyone who would like to be invited to the Survivor banquet – please contact Karen MacKillop at 756-9043.

There is entertainment throughout the night, in the form of live music, games and don't

forget to stop by the Smart Shop. At dusk (between 9:30 and 10pm) we prepare for the Luminary Ceremony. Luminaries are paper lanterns that are lit in honour or memory of family and friends who have battled cancer. These luminaries light our way around the track for the rest of the night. Luminaries can be purchased for \$7.00 or two for \$10.00. They are available from any team member or they will also be available the night of the Relay.

The Luminary ceremony is one of the most touching, beautiful ceremonies that you will ever witness, so please come out and enjoy this evening with us. The luminaries stay lit all night, reminding the participants why they are there, so when they get tired and don't feel that they can continue, they can remember that the people they are walking for felt and feel the same way in their battle against their illness. Cancer never sleeps.

Please Join us at the Fair Grounds...just follow the signs!! This is a family event – so come on out!! The more the merrier.

May 8th, 2012 – Moore from Ottawa

Our government is committed to safer streets and communities and we are putting the rights of victims first. To support victims of crime, our government is introducing legislation that will hold criminals accountable for the crimes they commit and provide justice for all victims.

On Tuesday, April 24th, our government introduced an act to amend the Criminal Code that would see convicted offenders held more accountable to victims of crime by doubling the victim surcharge they must pay following their crime. By doing so, our government is helping to provide the support victims of crime need to move forward following such an experience.

On April 20th, our government introduced the Federal Income Support for Parents of Murdered or Missing Children to help families cope with the death or disappearance of a child. With the introduction of this support benefit, parents can take off the time they need following such a tragic event. The support is a benefit of up to 35 weeks to help ease the financial difficulty parents must deal with.

Our government will stand with victims of crime and all Canadians through our commitment to ensuring that our streets and communities are safe. We will continue to take significant steps towards holding criminals accountable and delivering justice for victims. We were elected on that commitment and we will deliver.

From The Editor:

Congratulations to all the Graduates. May your new beginning be a great one! Congratulations to all the students moving on up the ladder to that graduation day. We would also like to say Thank You to all the teachers and staff who have worked with all the students to help in their success. A Very Happy Fathers Day to all you Fathers and Grandfathers. Please enjoy your day.

As you know the Maritime Motorsports Hall Of Fame is also a Museum that houses vehicles from the past along with some history of such vehicles and the motor sports that has taken place in the Maritimes. Beginning on June 3rd the Museum will be open on Sundays from 12 o'clock until 5:00pm.

Hope that you have had time to go through our web pages,

New Mary Kay Career Car Driver

Independent Sales Director Melanie Wade of Petitcodiac is on the road to success. Last month Melanie took possession of her first Mary Kay Career car, the 2012 Ford Fusion SE as a result of outstanding achievements in operating her Mary Kay business.

In addition to the Ford Fusion SE, the Mary Kay Career Car program includes the Ford Fiesta SEL, Ford Taurus SEL, Ford Edge SEL crossover; and the exclusive pearlized pink Cadillac, a coveted symbol of personal success. Mary Kay Career Car program qualifiers also have the option of selecting cash compensation in lieu of a car.

Currently, there are more than 7,500 Career Car qualifiers in North America.

"The Career Car Program provides the Mary Kay Independent sales force with the opportunity to earn the use of a visible, tangible symbol of success," says Ray Patrick, President of Mary Kay Cosmetics Ltd. "Each car obtained through this exciting program reflects the hard work, determination and professionalism of the independent sales force member who has earned its use."

Melanie took delivery of her new Ford Fusion SE – her first Mary Kay Career Car at Downey Ford in Sussex New Brunswick with the help of the fleet staff at Downey Ford in Saint John New Brunswick.

About Mary Kay:

Mary Kay is one of the largest direct sellers of skin care and colour cosmetics in the world. In 2009, Mary Kay Inc. and its international subsidiaries achieved \$2.5 billion in wholesale sales worldwide, and the global Mary Kay independent sales force exceeds 2 million. To learn more about Mary Kay, log on to www.marykay.ca or call 1-866-455-5454

Melanie wishes to thank both her unit members "Wades High Steppers" and their customers, without whom this would not have been possible.

Help Needed!

2014 marks the 100 anniversary of the outbreak of World War I. New Brunswickers were drawn into that enormous global conflict. Many men and women (nurses) from the farms, villages, mills, towns and fishing villages of New Brunswick joined up and served in the Canadian War effort. These individuals wrote letters home and kept diaries of their extraordinary experiences. I ask for your help in preserving those memorable letters and diaries. I am hoping to gather these documents for a book I am researching. Letters and diaries would be borrowed for research and then returned to their owners. If you have any such letters please contact me at: e:mail sphp@nb.aibn.com; or 506-450-9687 or 3 Southlawn Drive, Islandview, NB E3E 1A2

The New Brunswick Corvette Clubs

Corvette BBQ at the Maritime Motor Sports Hall of Fame. Thank you for making your beautiful facility available to us and the gorgeous weather was a bonus. The parking area is pretty much full of Corvettes.....with the exception in one photo of a black Viper in the foreground. Guess it's easier to find Vettes to play with than another Viper. The three New Brunswick Corvette Clubs participated at this first event of the season for all three clubs. I believe that the Saint John club hosted or organized the get together but the President, Raymond Cromwell was ailing and couldn't make it. Bill Brown from the Saint John club performed the chef duties and did a marvelous job. Saint John provided the hot dogs, Moncton provided the drinks and Fredericton provided the desert. The three provincial clubs are: Corvettes of Southern New Brunswick (Saint John), River Valley Vettes (Fredericton) and Greater Moncton Corvette Club (Moncton).

Thank you again. We had a great day!

Stealing from his employer "The pun story of John Card"

There goes the story of a man named John Card who worked for a jewelry store and was accused by the CEO of fraud. John insisted on his innocence and claimed these were trumped up charges. He told the CEO, hey, you're not playing with a full deck, you're nothin' but a joker, you got nothin' on me! The boss shot back, you're lucky I'm not violent or I'd deck you. John, I'll have you know I've got an ace up my sleeve. I have at my disposal a full house of good lawyers and I may even jack up the amount that I think you stole! Oh yeah, said John. Well I have a lawyer who is king of all attorneys! Well darn you John, you sure got a lot of nerve and I really got to hand it to you but I wish you would just shuffle out of my office. I'll not cut a deal with you and that's final. Why, even your family thinks you're guilty so ---the cards are stacked against you! Oh yeah, said the accused, we will cross that bridge when we come to it! John, with your mentality, you should be back in your crib! Little do you know, but we video taped you holding a spade and digging a hole to hide all the diamonds, you really have no heart and I feel like clubbing you!

Definitions

Round Robin Tournament : a flock of robins on your front lawn, in a circle, pigging out on worms, to see which one puts on the most weight.

Corned Beef : what you call the cow that gets bloated on cattle corn.

Polys-porin : An ointment. Also used in the sentence, yeah, I know I've had enough to drink but what the heck, polly's porin me another drink!

Pro-sobee : A concentrate. Also the opposite of amateur-sobee.

Elgin W.I. Auction Update

May meeting of the Elgin W.I. was held at the W.I. Hall. 11 Members were present. Roll Call answered "What Food Can Wake You Up." 4 Members plus 7 local ladies took part in "Walk For Women Of The World." This group decided this walk will be held all summer at the end of every month anyone wishing to take part in this walk call 756-2531. Auction Update- MLA Wayne Steeves is the Auctioneer, Carter and Cartys are doing the music. Hall cleaning will be held. Some W.I. members took part in planting of flowers at the Elgin ECO Park. The W.I. is holding another hall upgrade fund-raiser. The group hopes to get enough money to put siding on the outside of the W.I. Hall. Evelyn Beaman had the program that was contests. This was greatly enjoyed.

DID YOU KNOW.....

That the Salisbury Lions Club has operated an outdoor pool since the early 1960's .

Armstrong High YMCA Youth Exchange Phase one has been completed. The students and their families hosted students from Midland, Ontario and are preparing to go to Ontario on May 31. Students worked hard on fund-raising to make this trip possible. They baked and sold cupcakes, held a movie night, bagged groceries (Save Easy), sold hotdogs and ducks (Sobeys Mountain Rd) and sold ducks at the Salisbury Legion Pancake Breakfasts. They also received cash donation from the Salisbury Lions Club of \$500.00 and \$200.00 from NavCanada. **THANKS TO ALL for helping reach our goal of \$4000.00; a huge thank you** to all who bought ducks for the Race;
The winners were: Brad Muir (Moncton) - First Place \$ 150 gift certificate at Marks Work Wearhouse Second Place \$100 in Gas Rod Spirrits (Salisbury) , Third Place \$75 gift certificate at the Future Shop Lorne Hopper (Colpitts Settlement)

SALISBURY CELEBRATES CANADA DAY Join us SUNDAY, July 1st from 11:00 AM - 1:00 PM for a Flag Raising Ceremony, Marching of the Colors, Musical Entertainment, Games, Face Painting, B-B-Q & Cake! Activities will take place at the Municipal Building, 56 Douglas Street, Salisbury. Our coloring contest will soon be available on line.

2012 GRADUATION CLASS Mayor and Council would like to congratulate the 2012 Graduating Class on their fine achievement. May the future hold much success for you all!

PESTICIDE USE Council is again asking for everyone's cooperation in reducing pesticide use in the village by using nontoxic methods of maintaining green spaces.

LIGHTING OF DRY GRASS AND OPEN FIRES By-Law 40 states:

- The lighting of any open fire to dispose of dry grass, brush, hay, straw, leaves, buildings, construction materials, automobile or garbage in the municipality is prohibited.
- Other than in a properly constructed incinerator approved by the Department of Environment and Local Government and its successors, no person shall light a fire outside a building for the purpose of disposing of any refuse or waste material.

SALISBURY COMMUNITY DAYS Salisbury Community Days 2012 will take place August 16-19, 2012. This year's theme is '**Comics**'. Who is your favorite comic book hero? What is your favorite comic? There will be some new events as well as old favorites. Watch our web site for more information www.salisburynb.ca.

VILLAGE PHOTOS We are looking for photos of the Village to be used for promotional and tourism purposes. Please send us your photos with a description of where the photo was taken, your name and contact information. Who knows, you may see one of your photos on the next village map!

HISTORICAL PHOTOS If you have any historical photos of Salisbury or just photos of the village in the past, we would like the opportunity to scan and copy your photos for future preservation. If you have an electronic copy of the photo, please send it to dianneayles@salisburynb.ca . If you only have the photo, please bring it to the office and we can scan your photo and return it as soon as possible.

practices will be starting shortly.

The parents will be contacted by the coaches. We are looking for people who would like to help coach baseball. If you are interested please contact SDRC Inc. at 372-3273 or by E-Mail sdrc@salisburynb.ca. You do not need to have a child involved in the game to coach; just like kids and baseball. All coaches do require a RCMP police check; these can be obtained at the RCMP detachment in Riverview. There is no cost for this.

Soccer is growing in Salisbury and we know have 3 recreational teams which will practice and play a few fun games this summer. If you have an interest in the game and would like to coach please contact the above for more information.

Happy Father's Day

A Dad is a person
who is loving and kind,
And often he knows
what you have on your mind.
He's someone who listens,
suggests, and defends.
A dad can be one
of your very best friends!
He's proud of your triumphs,
but when things go wrong,
A dad can be patient
and helpful and strong
In all that you do,
a dad's love plays a part.
There's always a place for him

deep in your heart.
And each year that passes,
you're even more glad,
More grateful and proud
just to call him your dad!
Thank you, Dad...
for listening and caring,
for giving and sharing,
but, especially, for just being you!

Immuno-Care To Fight Seasonal Allergies

Why do so many people suffer from seasonal allergies? Some cough and wheeze, others fight joint pain and stiffness. Is it due to just too much pollen in the air? Or is it also the result of a badly stressed and depleted immune system? Studies show that a natural remedy, Immuno-Care, that contains plant sterols, can be the answer to seasonal allergies and other disorders when the immune system is running out of gas.

Years ago, in my teens, I knew the exact day that watery itchy eyes, runny nose, and fatigue of hay fever would plague me. It was also the time that my summer job of picking peaches started. I had no idea at the time that my immune system, faced with this bothersome work, was in a “flight or fight mode”. But I knew I could not flee from work until five o’clock or I’d lose my job. Yet, I was nevertheless lucky that over time my immune response defeated the troublesome hay fever and didn’t allow it to progress into adult asthma.

Today, others are not so fortunate. Often their immune response has to cope with more than just seasonal allergies and short-term stress. Rather, large numbers of people are daily faced with stressful situations. The result? An imbalance in their auto-immune system resulting in constant aches, pain in the neck and shoulder muscles that radiates down the spine, fibromyalgia and constant fatigue.

Studies show that these auto-immune problems trigger an inflammatory reaction related to years of untreated allergy symptoms. This ends in the immune system producing too many inflammatory cytokines, interleukin-1 and interleukin-6. The adrenal glands also become exhausted. Adrenaline production decreases as does the amount of sterols.

Endurance athletes have been extensively studied to learn how the immune response works as the stress of these athletes mimics other forms of stress. These studies show that, when athletes are treated with sterols, this causes a significant drop in interleukin-6 the cause of inflammation and pain.

So what are sterols, and how do they help strengthen the immune system? Sterols are plant fats found in all plant-based foods. Studies show that most North Americans are deficient in sterols due to the way foods are processed today.

For instance, unprocessed plant foods have sizeable amounts of sterols. 3 ounces of whole wheat berries contain 4,200 milligrams (mg) of sterols. But convert this same amount into flour and 90 percent of the sterol is lost! Even some vegetarians consume only 100 mg. Moreover, slimming diets, ill health and aging also significantly reduce the intake of sterols.

The University of Guelph carried out a randomized, double-blind, placebo-controlled study of sterols using the remedy “Immuno-Care”. Researchers concluded that this product had a positive effect on the immune system. For instance, the clinical study showed a decrease in basophil blood cells. These release histamine that is normally responsible for allergic reactions. There was also a reduction of interleukin-6, the cause of inflammation and pain.

Immuno-Care consists of 300 mg of plant sterols, beta-sitosterol 117 mg, Celasate 50 mg and Enzogenol 20 mg, a potent antioxidant and anti-arthritis derived from the bark of New Zealand pine trees. The ingredients are also products of non-genetically modified soy, proanthocyanidins, fruit and essential fatty acids from oil producing seeds. All are contained in a 100 percent vegetable derived capsule.

The dosage for this dietary supplement is one capsule daily 30 minutes before a meal, on an empty stomach with water or fruit juice, but not with milk or drinks containing fat. Women who are pregnant, nursing or are diabetic should consult their doctor before taking this supplement.

Taking Immuno-Care prior to a meal also helps to block the intestinal absorption of cholesterol. Recent studies have shown that both phytosterols and Enzogenol can decrease low density lipoprotein (LDL), the bad cholesterol, and increase high density lipoprotein (HDL), the good cholesterol.

Unfortunately Immuno-Care wasn’t available when I was covered with peach fuzz and rubbing itchy runny eyes. Hopefully this natural remedy will help others

with the same seasonal problem, but also those suffering from chronic colds, fibromyalgia and stiff painful joints. Immuno-Care, by adding gas to the immune system, may be the answer.

Havelock Homecoming!

In 1812 James Keith and James Price moved from New Canaan to Butternut Ridge, named for the abundance of Butternut Trees in the area. There were also numerous maple and beech trees, in March of that year James Keith built a sugar camp, a few weeks later Mrs. Keith joined him in a handsled drawn by her boys. A short while later Mr. James Price settled near James Keith. Mr. George Price was the next to settle, he dammed what is known today as the Ridge Brook and built a saw mill, which produced much needed lumber for the expanding community.

The first school was built where the Soldier's Monument now stands. It was a log building about 17 feet square. In 1825 the first place of worship was built, before the first church, services were held in private residences.

One of the most notable stories from our past is the disappearance of the two Keith girls, aged 7 and 5. They had gone out to drive the cows a short distance home. When they didn't return, their father and a number of neighbours went out looking for them, but returned home with no sign of the girls. Some 25 years later a woman appeared in town and claimed she was one of the sisters. Many of her friends and relatives asked her to stay, but since she had established herself with the native people, she decided to return to her Micmac family. There is a monument on Route 880 dedicated to these two girls.

Wolves had become a problem for the settlers of Butternut Ridge. One night there was a fire at the home of James Keith and he had to leave his sheep out to pasture, come morning the wolves had demolished his herd. It was decided that the settlers would rid themselves of the nuisance. They armed themselves with guns, clubs, pots, and sticks. Lining themselves up shoulder to shoulder they marched through the woods making noise, and driving the creatures from their lands. They weren't bothered by wolves again.

In 1858 the parish of Studholm was divided, and the parish of Havelock was formed. It was named for General Havelock, a British general well known for his military service in India, and the Indian Rebellion of 1857.

In the 1890's, Havelock had a number of enterprises, the village contained two large stores, three blacksmith shops, a carriage shop, and boot and shoe shop, a cheese factory, a match factory, and the Havelock Mineral Springs Company. The railway brought many people to our community and needing a place to stay a hotel was also established.

In the mid-1920's lime was first manufactured in Havelock. It started with George Downey setting up with a lime-crushing business in Havelock. The lime was brought up from James Coates farm, the employees

would then break the pieces with sledge-hammers small enough to fit in the crusher. In 1933 the operation moved to Springhill, then in 1938 Mr. Roy Alward bought the lime-crusher, and in 1944 the plant was moved back to Havelock. The plant continued to expand, and in 1987 the first vertical shaft kiln was built, the only one of its kind in North America. The plant is now owned and operated by Graymont.

This year we'll be celebrating these stories and much more of the past 200 years in Havelock. Please join us for a day of family fun!

On June 29, 2012 there will be Havelock High School Reunion. It will be held at the Havelock School and registration will start at 3 p.m. There will be photos, Memorial Board, TALENT, Greetings, Roll Call of One Room Schools and Havelock H.H.S Song by the ``Cheerleaders`` Refreshments, School Tour and Meet & Greet.

Here's a list of our schedule for June 30, most of the events will be held at the Havelock School:

“VOLUNTEERS REQUIRED”

The Salisbury Big Stop has just completed 10 years of fund raising in support of the fight against breast cancer, and to date, has submitted one million, eighty-four thousand dollars to the Atlantic Chapter of the Canadian Breast Cancer Foundation.

To achieve this, we staff a Ticket Table out in front of the Big Stop and raffle off a brand new car, plus an iPad and a Flat-Screen TV. This year, the main prize is a 2012 BMW Cooper Convertible. We attempt to staff the ticket table 12 hours a day, in four-hour shifts, from 7:00am to 11:00am, 11:00am to 3:00pm and 3:00pm to 7:00pm, weather permitting.

To help us maintain this worthy fundraiser, we are looking for retired people, or anyone else, who may want to get out of the house, or enjoy meeting people from all over North America, to join our team and fill in one of the four-hour shifts... at their choice of time and convenience. As such, we urgently encourage you to join the Salisbury Big Stop Breast Cancer Team, called the “Power for the Cure”, and help us staff the busiest raffle ticket table in all of New Brunswick, and meet a lot of interesting people in the process.

If you would like to become involved with reaching our next million dollar goal,

all you need to do is call the Big Stop, 372-3333, and ask for Doug Sentell, the Breast Cancer Coordinator. The table can be staffed alone, but we prefer to work in couples, so think of a friend whom you would like to work with, and give us a call. We have had, and still have, some great volunteers in past campaigns, but now are in urgent need of some new faces to spruce up our team. Together, we can create a world without Breast Cancer. Give Doug a call at 372-3333, and he will fill you in.

News From The Maritime Motorsports Hall Of Fame

Greater Moncton Street Rods Inducted November 15, 2008 Club

In the summer of 1983 Bill Merkley, who had just moved to Moncton from Ontario, was looking for some street rodders to associate with. He met Fernand LeBlanc, Bernie Melanson and Terry LeBlanc and a meeting was held around Fernand's dining room table and a blueprint for a new car club was formulated. A club was initiated with a proper constitution, meeting format and membership criteria so a solid foundation was laid for future structured growth. They also spent a lot of time on the name of the club, which proved wise, as it has become a significant and recognized identity. That was the beginning of Greater Moncton Street Rods. The first club event was participation in the Speed Sport Show in April 1984 with a 4-car club display. This was memorable event because they had to drive their street rods in a major spring snowstorm, which pained them tremendously. That summer GMSR had several club outings locally and a couple of out of town rod runs to Nova Scotia and PEI as well as the Sussex Antique Auto Flea Market. During this time period a couple of new members, Al and Peter Beaumont were invited to join the club. The first Greater Moncton Street Rods "Fun Run" was held in June of 1985. Substantial preparation and planning went into this event but the fact that a hurricane breezed thru on Saturday affected the outcome on Sunday and limiting participation to about 20 cars. Later in the summer GMSR participated in several other Rod Runs with the Club and continued to attract new members. Terry Malley joined that year, and he was later to become the longest running club president. (11 years) Planning for Fun Run #2 was under way and the club never looked back. More and more street rodders joined with an ideal club size of about 25 member families- Greater Moncton Street Rods is very active and have hosted many successful outdoor car shows during the last twenty- five years. Their popular series of annual Fun Runs were acknowledged as the high point in the region's summer car show series for many years. In 1994, in co-sponsorship with the Canadian Street Rod Association, GMSR hosted the Canadian Street Rod Nationals, known as "Canats 94", which was the largest and most successful outdoor car show in Atlantic Canada. This show drew participants from all parts of Canada and the United States; approximately 1100 families brought their street rods, muscle cars, customs and antiques to participate in that four-day event. In 2000, the GMSR membership decided that they had the talent and resources to hold an annual national

scale car show which lead to the birth of the Atlantic Nationals Automotive Extravaganza. In eight short years it has become the largest automotive event in Canada drawing street rods from all over Canada and the US, almost 1800 participants and an estimated 140,000 people. Show participants began lining up at 4 a.m. in anticipation of finding a prime parking space to show their vehicle in Centennial Park. When the gates opened to the public at 8 a.m., the park was already filling up with show cars. Events at the Park included a model boat regatta in Centennial Park Lake, a model car exhibit, music at the bandstand, a huge vendor show sponsor area, specialty food vendors activities for children and much more. Thousands of spectators filled more than one mile of Moncton's Main Street and adjoining side streets from early morning until well past midnight for the Atlantic Nationals Downtown Cruise-in-Street Party. It is almost impossible to see the vintage cars for all the people. Every restaurant and pub in the area was filled to capacity. The caliber of the show has also attracted automotive celebrities' such as Dennis Gage from "My Classic Car" and Chip Foose from "Over-Haulin". As a not-for-profit organization, over the years, Greater Moncton Street Rods has donated proceeds from all of its shows to a variety of deserving charities including, the Children's Wish Foundation and the IWK Children's Hospital to name a few. In 1994, GMSR used "Canats 94" to launch a five-year fundraising program to raise money to help purchase playground equipment for disabled children in Moncton's Centennial Park. This commitment to Centennial Park and disabled children has continued with the Atlantic Nationals, with the recent completion of an automotive-themed, wheelchair accessible water theme park. As GMSR celebrated its 25th Anniversary, in 2008, it continued its commitment to community projects and continuing to support the automotive hobby in our region. The Greater Moncton Street Rods has proved that not only can motor sports be fun but can also help fund many worthwhile programs in the community, as well as provide entertainment for many people. Because of the Greater Moncton Street Rods hard work and devotion to motor sports it is fitting they should be inducted into the Maritime Motorsports Hall Of Fame. President Clarence Breau, accepted the award on behalf of the club.

OBITUARIES

Steeves, Wallace "Wally" Addison, 80, of Petitcodiac, passed away at home on May 24, 2012. Born in Pleasantvale, Wally was a son of the late Warren and Pearl (nee Colpitts) Steeves. He worked at Canada Cement for 36 years. Wally is survived by his loving wife of 62 years, Ethel Steeves (nee Stone); his daughters: Sharon Holt (Jim) of Petitcodiac, Leslie Steeves of Moncton, Heather Ward (Bill) of Riverview, and Holly O'Toole (Kevin) of Miramichi; his son, Philip Steeves (Paulette) of Middleton, NS; 8 grandchildren, 10 great-grandchildren, as well as by many nieces, nephews, and cousins. Besides his parents, Wally was predeceased by his sisters: Helen, Margaret, Emily, and Winnifred; and by his brother, Ivan. Visitation was held on Sunday May 27, 2012 from 2-4 & 7-9 pm at Armstrong's Funeral Home, 33 Russell Street, Petitcodiac (506-756-3361); the funeral service was held Monday May 28, 2012 at 2:00 pm at the Petitcodiac Baptist Church with Pastor David Woodworth presiding. Interment was held in the Maplewood Cemetery. Donations to the Petitcodiac Fire Department would be appreciated by the family. On-line condolences are available at: www.armstrongsfh.com

OBITUARIES

Stewart, Charles Taylor, 93, of Petitcodiac passed away surrounded by his loving family at the Veterans Health Center in Moncton on Tuesday May 22, 2012. Born in Elgin on March 28, 1919, he was a son of the late William and Frances (nee Garland) Stewart. Charlie was a WWII veteran, serving with the North Shore Regiment 3rd Division in France, Belgium & Holland, and a life member of the Royal Canadian Legion Branch # 41. He was a former owner of MacPherson & Stewart Hardware Store in Petitcodiac. Charlie is survived by his cherished wife of 63 years, Helen Stewart (nee Anderson); his son-in-law, Brian Hicks of Moncton; his grandson, Scott and his wife Jaimie and their children, Gracie and Madelyn of Moncton; his granddaughter, Katie Doyle and her husband Brett and their daughter, Hannah of Moncton; his sisters: Doris Delong of Ottawa and Roberta Wood of Calgary; his sister-in-law, Audrey Stewart of Elgin; his special nieces: Shirley McEvoy and Marlene Hueston; as well as by many other nieces and nephews. Besides his parents, Charlie was predeceased by his daughter, Shawnie Lynn Hicks in 2009; his sisters: Willena MacPherson & Pauline Hueston; his brothers: Stephen, Leroy, Arnold, & John. One of Charlie's favorite spots was sitting in his garage door enjoying the company of his many friends and family, usually with his faithful friend Maggie by his side. Always a lover of nature, many hours were spent with his family combing the back roads for wildflowers, fiddleheads and berries. Forever the family man, his greatest joy in life was spending time with his grandchildren, Scott & Katie, and in his later years loving his visits from his three special great-granddaughters. A special thanks to the Moncton Veterans Health Centre for the love and support given to Charlie during his time there. The Royal Canadian Legion Branch # 41 held a tribute
