On May 31st, the Honourable Jim Flaherty, Minister of Finance, MP Rodney Weston and I were at the St. Martins Volunteer Fire Department to praise the hard work Canada's volunteer firefighters do and to highlight the federal government's support for these vital first responders.

In Budget 2011, the federal government announced a 15% non-refundable tax credit on an amount of \$3,000 effective for the 2011 and subsequent taxation years for volunteer firefighters who perform at least 200 hours of service for their communities during a year.

The Volunteer Firefighters Tax Credit is another example of our Government delivering concrete results to Canadians to ensure that they get to keep more of their hard-earned money.

June 11th was Tax Freedom Day, the date Canadians earned enough money to pay all the taxes they owe to all levels of government. In 2005, Tax Freedom Day was June 26th. Today, Tax Freedom Day is over 2 weeks earlier due to the efforts of our government to reduce taxes and ensure that Canadians can keep more of their hard earned money. In fact, we've reduced the overall tax burden on Canadians to its lowest level in nearly 50 years saving the typical Canadian family over \$3,100.

Our government has made over 140 tax reductions which include cutting the GST from 7% to 5%, providing the Working Income Tax Benefit, the Child Tax Credit as well as the Children's Fitness Tax Credit. We have lowered personal taxes, reduced business taxes and introduced the landmark Tax Free Savings Account.

Happy Canada Day!

Did you know that the Trans-Canada Highway, that is its first completion, was finished in July of 1962, making it 50 years old? Now there have been many up-grades since that time. It sure doesn't seem that long ago to me.

The Maritime Motorsports Hall Of Fame is please to announce that Tiffany Richard, a SEED student, has been added to the staff for the summer.

Fair time again... the Westmorland County Agricultural Fair is being held from July 29 to August 4th.

We would like to thank all that entered a vehicle, helped park, the people with sales tables, the canteen staff, the Border Town Band, and anyone else that assisted in any way with the Petty AutoFest. The turn out was the largest we have had in the seven years of its running, with 107 vehicles registered.

We would also wish the best of weather and turn out for the Codiac Classics on July 29th here in Petitscodiac.

The Maritime Motorsports Hall Of Fame Inc. Bursary was awarded to Travis Killam of the Petitscodiac Regional High School. Congratulations Travis. The best of luck in your education.

RICK'S RANT

As every motor vehicle owner knows, once a year we must dig out the old cheque book, or rid our wallet of "hard earned dollars" to pay for renewal of our vehicles' registration.... you can't escape it!!!! However, at a recent car show, I noticed several owners who were trying to beat the system, and in a way they were....but illegally. Each of these show vehicles were sporting "Antique" licence plates. Why is that breaking the law to save a few dollars?

If you check out New Brunswick's "Motor Vehicle Act", the very first definition, on the very first page is "Antique Vehicle: a motor vehicle that is at least twenty-five years old and restored to original condition.". If your vehicle is registered as an "Antique", the annual fee is \$18.00. As a regular vehicle, the fee is based on weight/mass and starts at \$55.00 for vehicles up to 1000kg, \$98.00 up to 1600kg, and so on..... That results in a saving of 80% or more on your average full sized old car.

At the aforementioned car show, I decided to do a survey of "Antique" plated vehicles. There were 76 vehicles which were at least 25 years old and therefore could be considered "antique" vehicles. Of these, 8 (approximately 10%) were wearing NB Dept. of Motor Vehicle "Antique/Ancien" registration plates. Upon observation, only 2 (being 20%) seemed to fit the correct rule of "restored to original condition", in other words NO MODIFICATIONS!!! One had only new aluminium wheels, a minor infraction; two others had new wheels, modern engine, transmission, etc but still had the appearance of an "original" vehicle; and that left three. One of those was a highly modified, blower sticking out of the hood, fat tired street racer! The other two were pro-street/pro-touring, high horsepower muscle cars..... So none of these six conformed to the intentions of the rules for "Antique" vehicle as set out in the "Motor Vehicle Act".

My original 1928 Ford Tudor does have an "Antique" designation.... the 4,346th vehicle in New Brunswick to have an AA plate. If statistics hold true, than only 20% or less than 870 are true "antiques"!!!! That means 3,475 illegal vehicles are travelling on New Brunswick roads. With each one costing the government an average of a \$100 in lost revenue, that results in \$347,500 for road repairs, will have to come from your other pocket.

Want to place a bet on how many will be issued tickets this summer? I'll say one just in case?!!!?, but I expect it to be less..... Why not, as I do, confront those lawbreakers when you see them at events..... and maybe you'll help by embarrassing them enough that they will "legally" register their vehicle. And guess what? It will save YOU some hard earned cash!!!!

One of the guys came into my office this morning and asked if he found a duck could he keep it, name it and raise it as one of his own. I laughed it off and said sure as my mornings are a bit hectic and I seldom have time for antics. A short time later I couldn't understand why everyone had disappeared, to my surprise they were all outside the man door of the warehouse leading into the compound.

There she was...Apollo 17 is her name, she is brooding a mere foot from the door in a small patch of weeds surrounded by large stones. I can only assume she was in flight when the urge came upon her and had to make a quick landing.

Can't wait to hear what the chicks names will be.... Submitted by Chris

Comedy at Large by Laurie Blanchard Salisbury, NB

The story goes of a hearse, with passenger on board, going up a steep hill in downtown San Francisco. The rear door had not been latched properly and suddenly opened. The coffin, which was on casters, dropped out on the roadway and began its trip down the hill. At the bottom of the street was a T intersection. The coffin, now going at a high rate of speed, flew through the intersection entered the parking lot of a Pharmacy, crashed through a large window and rolled down one of the aisles and ended its trip slamming up against the prescription counter. The pharmacist, somewhat startled by the commotion, looked at the customer and said....As you can see, we do have something here to stop that coffin !!!

A British university graduate who had hoped to write his thesis on the proper use of the semi-colon, has had his hopes dashed.

A lady baked an angel cake for her fussy husband. He told her it tasted like the devil! She looked at him sternly and said, it's actually marble but he took it for granite!!

As we all know, many motels and hotels have a Gideon Bible in each of their rooms and suites. A travelling salesman, tired after a long day, had just settled into his room at the motel and noticed on the night table by the bed, a Gideon Bible sitting by the lamp. out of curiosity, he thought he would sit back and take a look at the first few pages. At the bottom of one page, written in pen, was this advise If you are lonely and discouraged, turn to page 146, Psalm 14. He thought, oh what the heck, I ain't lonely or discouraged but let's see what it says. He turned to page 146 and at the bottom, written in pen was this message ...If you are still lonely and discouraged, call Angie 900-555-1111.

Elgin W.I. Plans Outing

Hazelanna Carter presided over the June Meeting of the Elgin W.I. held at the W.I. Hall. 12 members were present. Roll Call was answered by "Present", or "What is a major issue concerning women". The group planned supper and an outing for the July meeting. The May Auction was a great success again this year. The group still needs more funding for hall repairs. Elda Chown had the program and spoke about Sackville New Brunswick. Doctor Jack Stewart a scientist was honoured for ground breaking discovery a cancer killing compound while trying to develop a pain killer from shrew venom for ovarian and prostrate cancers. In term just a simple blood test will find cancer early. Breast cancer research is being included too. The July 19th Meeting will be held at the home of Hazelanna Carter.

Elgin

W.I. Holds Auction

The 2nd Annual W.I. Auction was held at the W.I. Hall. MLA Wayne Steeves was the Auctioneer and the high lite of the evening with his cute jokes. Winona McLean, Karen Davidson and Gail Crandall assisted Mr Steeves in the auction. The hall was filled to capacity. A silent auction and indoor flea market was held to. W.I. President Hazelanna Carter thanked everyone for attending. Reid Carter, Gerald Carter, Frank Carty and Donna Carty entertained with great songs. The W.I. would like to thank EACH and EVERYONE who supported this fundraiser.

SOME OF YOU MIGHT REMEMBER !

1930 flour sacks THE FLOUR SACK

BY COLLEEN B. HUBERTIN
THAT LONG AGO TIME WHEN THINGS WERE SAVED,
WHEN ROADS WERE GRAVELED AND BARRELS WERE STAVED,
WHEN WORN-OUT CLOTHING WAS USED AS RAGS,
AND THERE WERE NO PLASTIC WRAP OR BAGS,
AND THE WELL AND THE PUMP WERE WAY OUT BACK,
A VERSITILE ITEM, WAS THE FLOUR SACK.

PILLSBURY'S BEST, MOTHER'S AND GOLD MEDAL, TOO
STAMPED THEIR NAMES PROUDLY IN PURPLE AND BLUE. THE STRING
SEWN ON TOP WAS PULLED AND KEPT;
THE FLOUR EMPTIED AND SPILLS WERE SWEPT.
THE BAG WAS FOLDED AND STORED IN A SACK
THAT DURABLE, PRACTICAL FLOUR SACK.

THE SACK COULD BE FILLED WITH FEATHERS AND DOWN,
FOR A PILLOW, OR T'WOULD MAKE A NICE SLEEPING GOWN.
IT COULD CARRY A BOOK AND BE A SCHOOL BAG,
OR BECOME A MAIL SACK SLUNG OVER A NAG.
IT MADE A VERY CONVENIENT PACK,
THAT ADAPTABLE, COTTON FLOUR SACK.

BLEACHED AND SEWN, IT WAS DUTIFULLY WORN
AS BIBS, DIAPERS, OR KERCHIEF ADORNED.
IT WAS MADE INTO SKIRTS, BLOUSES AND SLIPS.
AND MOM BRAIDED RUGS FROM ONE HUNDRED STRIPS
SHE MADE RUFFLED CURTAINS FOR THE HOUSE OR SHACK,
FROM THAT HUMBLE BUT TREASURED FLOUR SACK!

AS A STRAINER FOR MILK OR APPLE JUICE,
TO WAVE MEN IN, IT WAS A VERY GOOD USE,
AS A SLING FOR A SPRAINED WRIST OR A BREAK,
TO HELP MOTHER ROLL UP A JELLY CAKE,
AS A WINDOW SHADE OR TO STUFF A CRACK,
WE USED A STURDY, COMMON FLOUR SACK!

AS DISH TOWELS, EMBROIDERED OR NOT,
THEY COVERED UP DOUGH, HELPED PASS PANS SO HOT,
TIED UP DISHES FOR NEIGHBORS IN NEED,
AND FOR MEN OUT IN THE FIELD TO SEED.
THEY DRIED DISHES FROM PAN, NOT RACK
THAT ABSORBENT, HANDY FLOUR SACK!

WE POLISHED AND CLEANED STOVE AND TABLE,
SCOURED AND SCRUBBED FROM CELLAR TO GABLE,
WE DUSTED THE BUREAU AND OAK BED POST,
MADE COSTUMES FOR OCTOBER (A SCARY GHOST)
AND A PARACHUTE FOR A CAT NAMED JACK.
FROM THAT LOWLY, USEFUL OLD FLOUR SACK!

SO NOW MY FRIENDS, WHEN THEY ASK YOU
AS CURIOUS YOUNGSTERS OFTEN DO,
"BEFORE PLASTIC WRAP, ELMERS GLUE
AND PAPER TOWELS, WHAT DID YOU DO?"
TELL THEM LOUDLY AND WITH PRIDE DON'T LACK,
"GRANDMOTHER HAD THAT WONDERFUL FLOUR SACK

BUTTERSCOTCH PUDDING

The Mayor's Award is designed to recognize and reinforce youth and youth leaders whose outstanding achievements and contributions encourage endeavours that serve in some way to improve the quality of our life together in our community. Nomination forms are available at the Village Office. Submissions must be received by July 30th of each year. Awards will be presented during Salisbury Community Days. A maximum of three awards will be presented each year and nominees are only eligible for one award.

SALISBURY COMMUNITY DAYS - AUGUST 16-19, 2012

Who is your favorite comic book hero? What is your favorite comic? This year's theme is 'Comics'. Looking for something to do over the summer holiday? Why not get ready for Community Days? Start planning for the parade or start growing flowers, vegetables, taking pictures or making crafts for the exhibition show. Did you know that the exhibition show has more than 260 classes to enter? Who will grow the largest sunflower? Who will have the best photo of the Salisbury area? Who makes the best cookies? Who has the best imagination to make a craft from recycled items? All exhibits must be the work of the exhibitor and finished in the past fair year to be entered.

There will be some new events as well as old favorites, Seniors Day, Kids Day, Suppers, Chili Challenge, Lawn Tractor Races, Outdoor Concert, Geocaching, Pancake Breakfast, Yard Sales, Parade, Farmers Market, Snake Show, Inflatables, Games, Pizza Eating Contest, Pet Show, Scavenger Race, Casino Night, Gospel Concert & BBQ and more.....Watch our web site for more information <http://www.salisburynb.ca>

VILLAGE PHOTOS

We are looking for photos of the Village to be used for promotional and tourism purposes. Please send us your photos with a description of where the photo was taken, your name and contact information. Who knows, you may see one of your photos on the next village map!

DID YOU KNOW.....

The Village Works & Maintenance Department is responsible for maintaining approximately 25 acres of manicured lawns throughout the village?

We encourage all youth using the skate board park and bike park to wear a helmet and proper safety equipment. All facilities within the village are **use at your own risk**. A reminder that bike helmets are required by law.

Boys & Girls Club

Keystone is a group for high school students who are interested in building a resume with volunteer initiatives while bettering their community and providing activities for teens throughout the year. The concept is for teens to come up with their own initiatives and to come together as a group and act upon them. Any interested high school students should contact Jon or Dustin at 372-5873 - or catch us on Facebook or twitter (@jaspirrits or @DuCa00795). The Boys and Girls Club of Salisbury are putting on their **Torch Sports** program again this year for children between the ages of 2 to 10 years. This multi sport camp that happens every Wednesday is designed to teach kids fundamentals of a variety of sports while making it affordable for anyone to join. The cost associated with this summer-long camp is \$25.00 and will also make your child eligible for our fall and winter programs in the following school year. For more details on how to register, please contact the Boys and Girls Club at 372-5873.

SALISBURY PUBLIC LIBRARY 3215 Main Street

Young people in New Brunswick are invited to register for the 2012 Summer Reading Club in public libraries and discover the joys of reading. This year's theme is **Heroes and superheroes** and the slogan is **Heroes Abound @ your library®**. The Summer Reading Club is designed to encourage young people to read over the summer holidays. When they register, participants receive a reading logbook in which they can write down the titles of the books they read during the summer. They will also receive a certificate of achievement at the end of the summer. Children who do not know how to read yet can also participate by having a parent or guardian read to them. **Story Time, Puppet Show & Crafts** Fridays from 10:00 - 11:00 am starting June 29, Wednesdays from 7:00-7:45pm starting June 27. For children ages 2 and up. **Summer Reading Club** meetings with stories, games & crafts: Monday to Thursday from 2:00 --3:00pm. Starts June 26. Ages 6 and up. **Super-Powered Fun** Mondays, Tuesdays, Thursdays 10:30-11:30 am Starts June 26. Play a variety of games and activities! Ages 6 and up. **Babies in the Library** Tuesdays from 10:00 -10:30 am on July 3, 10, 17, 24 Stories, rhymes, songs, and playtime for babies 0-18 months and their caregivers. **Hooked On Books Club** A book club for kids ages 9-13 meets Friday July 27 and Tuesday August 28 at 3:00pm to discuss a book. Pick up your copy any time. **Stuffed Animal Sleep over --Friday July 6 2:00pm** Your stuffed animal friend is invited to find out what happens in the library at night! Drop off your stuffed animal before 5pm on Thursday July 5. Come back Friday afternoon to see photos of the nighttime adventures and pick up your friend to take home. **LEGO® at the Library - Friday July 20 from 2:00-3:00pm** Come out and get creative with LEGO®. WEDDING PLANNING

By: Melanie A Wade

Independent Mary Kay Sales Director

The first thing is to buy a zippered 3 ring binder to hold all samples, colours, and pictures, etc. Use zippered snack bags to hold these. If you keep it in the car or take it with you each time you go out you will always have a chance to pick up things you need cheaply.

THINGS TO DO**Obtain Marriage License:**

Usually available at city hall, but you will need your dates.

Book Church:

Most churches require booking well in advance to avoid double booking.

If you have a friend, who is a minister, that you want to perform the ceremony; don't forget to ask the minister of the church as a courtesy.

If you choose an outdoors or hall wedding you need to book a justice of the peace that will do it. They can be found by contacting city hall.

Book Reception:

The time of the wedding will determine the type of reception.

Early morning or late afternoon usually requires a sit down meal.

Early afternoon or early evening could require sandwiches, cheese, crackers, etc.

A late evening wedding could have a reception of nibblers and wedding cake.

A buffet could also replace a sit down meal for some people.

Some halls provide the meal; others just provide the hall.

Some halls are all inclusive: they provide hall, food, decoration, and music for dance

International Travel provides travel services to individuals, groups, and corporations within Canada as well to the United States, Europe, and the World. Our services include consulting and booking of the following:
Transportation: Flights, Trains, Cruises

Accommodations: Hotels, All Inclusive Packages

Ancillary: Travel Medical Insurance, Car Rental

"On-line you get competitive prices but you're on your own", with me you get "competitive prices and personalized service/support".

etc. They are usually more expensive than non all inclusive.

Most receptions don't need a desert because you have wedding cake.

Book Photographer:

This should be done very early so you can get the photographer that you want.

A photographer should provide shots they have done for you to see; many professionals have a set schedule that they follow.

The photographer should be with the bride and/or groom from getting dressed to couples dance and cutting the cake.

Book Cake:

You need to know how many guests and, if you are not serving other food, you will need more cake.

Usually the top layer is saved for the 1st anniversary of the couple.

Cakes today usually reflect the theme of the wedding and the couple's favorite flavors.

Cakes can be various sizes, shapes, levels, styles and flavors. They are one way to make your wedding really memorable.

Invitations:

Computer generated or professional invitations.

They should be mailed at least 6 weeks before the wedding; the RSVP should be due at least 3 weeks before the wedding

date so the reception can be confirmed.

Attendants Dresses:

Pick the number of attendants you want and can afford.

Colours are often the bride's choice, but may be a compromise. (Redheads cannot wear pink or red)

Attendants usually pay for their own dresses, shoes, hair, etc.

If the bride insists upon a specific style she may have to pay for them herself.

If dresses are rented, remember that someone, somewhere, sometime before had your style of wedding.

Today, shoes do not have to match dresses unless the wedding is very formal.

Tuxedos:

The grooms can be the same or different from all the others.

The fathers of the couple could opt to wear them or not, but it should be the same for both and they should match the attendants.

Decide if you want cummerbunds or vests, both could be used with the groom wearing one and the attendants wear the other.

The guys usually pay for their own tuxedos.

If the bride's dress is off white, make sure men's shirts are off white also.

Flowers:

These need to be ordered at least 3 months

in advance.

Decide on silk, real, dried, etc.

The style is determined by the formality of the wedding.

Colours reflect the season, dress colours, and bride's choice.

Hold several styles in front of you; look for size and ease of carrying, before you decide.

Using real flowers, find out how long they will last before falling and how strong a scent they have.

The flowers needed are:

Bridal bouquet and throw away bouquet,

Attendants bouquets, usually similar in style and shape to those of the bride but smaller.

Boutonnieres for the groom, male attendants and fathers of the couple.

Corsages are needed for mothers of the couple.

If grandparents are present they should also have flowers.

Wedding Make-up:

The bride should have her dress, bridesmaid's colours, ideas of flowers, etc. before her makeup consultation; since these determine the style, colour and intensity of the makeup. Wedding makeup for the bride and her attendants will be pushed to the limit for endurance with hugs, kisses, and tears; so it needs to be good quality, well applied and long wearing while still looking natural with a boost. This notch above natural is what you are looking for so that wedding pictures will, for years to

come, show your true happiness and beauty on the big day. No heavy eyes, no super strong colour lips that will need constant touch ups, and of course, only water proof mascara.

Decorations:

These break down into two groups:

Church:

Flowers for the front of the church, if an arrangement is used it is often left for the churches' use. Large candelabra are usually rented and decorated.

Pew markers can be simple or elaborate and reflect the style of the wedding, the colours and the couples taste.

Reception:

Center pieces for the guest's tables and head table.

Basket or holder for cards and gifts of money should go on the gift table,

Decorations for around hall such as helium filled and anchored balloons, bushes with mini lights for a soft look, a back drop for the head table for picture purposes, bells, candles, etc.

Napkins and plates in colours determined by the rest of the wedding.

Table cloths for head and cake tables will be needed if not provided by the hall.

Pictures of the bride and groom during their relationship or life could be put at the front.

Weddings are a reflection of the couple and should be individual. If you want

On April 29, 2012 a group of eleven women in Elgin met to walk in support of the Women Walk the World event of the Associated Country Women of the World.

ACWW is the largest organization of rural and urban women in the world with 9 million members in over 70 countries. Members "believe that peace and progress can best be advanced by friendship and understanding through communication and working together to improve the quality of life for all people through:

- relief of poverty
- relief of sickness and the protection
- and preservation of health
- advancement of education."

With Consultative Status at the United Nations some examples of important ACWW projects have included the Water for All Fund and Women Feed the World Fund.

The Elgin event was spearheaded the Elgin Women's Institute and they were joined by other women of the community as well as gals from Nova Scotia and Fredericton. While we walked for enjoyment and friendship we were mindful that other women were walking that day because their situations were different from ours. In some

countries women were walking because it was a vital part of their daily lives such as carrying water or produce. It was humbling to know that while we were thinking about other women in Ghana, Norway, China, Russia, Brazil or New Zealand, they were thinking about us as we enjoyed a nice

spring day in our little corner of the world. However, the solidarity of women continues to make a difference in the lives of families and communities no matter where we live.

Those participating in the Elgin walk are Karen Davidson, Amy Davidson, Vanessa Gaudet, Linda Goggin, Donna Bannister, Julie Kean Marks, Bonny Price, Carol Martin, Linda Jonah and Moranda Van Geest. Participating but missing from the photograph, Hazelanna Carter.

Out of participation in this worldwide event, it was decided that we would continue with a group walk once a month. For more information about how you can join please call Julie Kean Marks at 756-2380.

Also, for more information about Associated Country Women of the World you can check out the website at www.acww.org.uk.

News From The Maritime Motorsports Hall Of Fame

LEWIS (JUNIOR) KELLY
Inducted November 15, 2008
COMPETITOR/STOCK CAR

Junior Kelly, from Lower Sackville, was one of the many drivers that gained their first racing experience on the then popular dirt oval, Green Acres Raceway.

His first race car was a 1949 Chev, number 13. The year was 1963; he didn't even have a driver's license.

Many race fans will remember the number 13 with the words "Bad News" that raced in the '70's.

Monday, August 9, 1976 - The headlines in the Chronicle Herald read "Kelly beats Fraser to win the Modified Feature".

Junior finished third in the Late Model Bob McDonald 100 at Atlantic Motorsports Park September 8, 1979. Only the late Don Biederman of Ontario and Terry Clattenburg of Dartmouth finished ahead of him.

Junior, like all other drivers, had his up's and down's in his racing achievements. One of his best races came back in 1979, at Atlantic Speedway, he won the first 50 laps of the Twin 50's, then having to start at the back in the second 50, he thought he didn't have a chance to get to the front, but he came through to win. This made him the over-all winner.

One of Juniors biggest disappointments was in 1981, on Saturday night at River Glade Speedway NB. He over heated the engine and ruined it. That caused him to miss his biggest weekend of the season.

In 1982 he enjoyed a successful season finishing in the top five ten occasions.

Junior was one of the drivers in the inaugural MASCAR race at Riverside Speedway on May 22, 1983, an association formed in an effort to keep the Late Model Modified class alive and it worked as the Pro Stock is a benefit of that.

1983 Junior made Onslow Speedway his home track and on August 13 the Daily News read, "Junior Kelly showed the capacity crowd that he came to race as he won both heats plus the 30-lap Late Model feature.

In '84 he finished second in the MASCAR points. 1985 he was Point Champion when he clinched first place in the \$10,000 MASCAR Miller Life points fund.

May 29, 1988 Junior Kelly was the big winner in front of a crowd of 4000 at Scotia Speed world on its grand opening weekend. Driving his Spryfield Auto Parts number 50 Firebird, he led the final five laps of the Hunt Personnel 100 to pick up the checkered flag.

Most of Juniors success came after teaming up with Bob Riley, the man who built his engines.

He and his team added class to the Nova Scotia stock car racing scene. He would show his car in several car shows to promote his sponsors and the sport of auto racing. Lewis (Junior) Kelly received his award from Rudy Foster to be inducted into the Maritime Motorsports Hall Of Fame.

OBITUARIES

The death of **Charlotte Sarah Victoria Steeves**, formerly of Elgin, beloved wife of the late Lee Steeves, occurred at The Jordan Life Care Centre on Thursday, May 31st 2012. Born in Portage Vale on June 14th, 1931, she was the daughter of the late Byron and Rose (Merry) Teakles. She leaves behind her daughter, Carol (Gerry) Alward of Petitediac, Thomas of Salisbury, Russell of Riverview and Robert (Anne) of Moncton. She also leaves behind four grandchildren, Benjie Alward, Holly Steeves, Amanda Steeves and Zachary Steeves. She is survived by four siblings, Dorothy Collrin of Yarmouth, Laura Wyse of Petitediac, Alice (Delbert) Bannister of Sussex and Kenneth Teakles of Moncton. She was a member of the First Elgin Baptist Church and a lifetime member of the Elgin WMS. Charlotte absolutely adored her family and friends. In her younger years, Charlotte was not only a home maker but an inspiration to all those who surrounded her. She enjoyed quilting, gardening, preparing preserves and Sunday drives to the Fundy National Park but most of all her family was and always has been her primary concern. Spending time with her children, grandchildren, siblings & friends was not only an enriching experience for her but also for all the lives she had touched. She was a gentle loving soul who could make your day better just by being in her presence, she was never down, and she always smiled and made the best of what life had given her. Her sense of humour was truly inspiring and she made all those around her laugh even at the worst times. In her older years she especially enjoyed caring for her grandson, Benjie Alward, as they both lived in the Jordan Life Care Centre. Charlotte was not only able to make the time they spent there together an enjoyable peaceful experience, as she would constantly dote over her grandson, but she actually enriched Benjie's life in ways that we can never truly understand or appreciate. The family would like to give thanks to the Jordan Life Care workers as well as Doctor Morton for his services as her attending physician. Resting at Armstrong's Funeral Home on Friday June 1, 2012 from 6-9 pm; the funeral service was held at the First Elgin Baptist Church on Saturday June 2, 2012 at 2:00 pm with Pastor James Hammond & Pastor David Hawkesworth presiding. Interment was held in the New Elgin Cemetery. For those who wish, donations can be made to The Jordan Life Care Centre or donor's choice. On-line condolences are available at: www.armstrongsfh.com

OBITUARIES

Marion E. Mann, age 81, of New Smyrna Beach, Florida, formerly of New Brunswick, died Tuesday, May 15, 2012 at Halifax Health Hospice of Volusia/Flagler, Port Orange. Marion was born on February 14, 1931 in Glenvale, New Brunswick, to the late Guy J. and Beatrice A. (Saunders) Mann. She had dual citizenship for the United States and Canada and a Bachelors Degree of Science in Home Economics. Marion is survived by a sister, Ruth Hewey and her husband, Donald of New Minas, Nova Scotia; a brother, David S. Mann of Bedford, Nova Scotia and Thailand; and numerous nieces and nephews and their families. Ms. Mann was preceded in death by two brothers, Roy and Gordon. In lieu of flowers, remembrances may be made in Ms. Mann's name to any Canadian Hospice of one's choice. There was a graveside service on June 15, 2012 at 1:45pm, in Maplewood Cemetery, Petitediac. Arrangements have been entrusted to the care of Armstrong's Funeral Home, 33 Russell Street, Petitediac, NB. On-line condolences are available at www.armstrongsfh.com

Happy Canada Day

"VOLUNTEERS REQUIRED"

The Salisbury Big Stop has just completed 10 years of fund raising in support of the fight against breast cancer, and to date, has submitted one million, eighty-four thousand dollars to the Atlantic Chapter of the Canadian Breast Cancer Foundation.

To achieve this, we staff a Ticket Table out in front of the Big Stop and raffle off a brand new car, plus an iPad and a Flat-Screen TV. This year, the main prize is a 2012 BMW Cooper Convertible. We attempt to staff the ticket table 12 hours a day, in four-hour shifts, from 7:00am to 11:00am, 11:00am to 3:00pm and 3:00pm to 7:00pm, weather permitting.

To help us maintain this worthy fundraiser, we are looking for retired people, or anyone else, who may want to get out of the house, or enjoy meeting people from all over North America, to join our team and fill in one of the four-hour shifts... at

their choice of time and convenience. As such, we urgently encourage you to join the Salisbury Big Stop Breast Cancer Team, called the "Power for the Cure", and help us staff the busiest raffle ticket table in all of New Brunswick, and meet a lot of interesting people in the process.

If you would like to become involved with reaching our next million dollar goal, all you need to do is call the Big Stop, 372-3333, and ask for Doug Sentell, the Breast Cancer Coordinator. The table can be staffed alone, but we prefer to work in couples, so think of a friend whom you would like to work with, and give us a call. We have had, and still have, some great volunteers in past campaigns, but now are in urgent need of some new faces to spruce up our team. Together, we can create a world without Breast Cancer. Give Doug a call at 372-3333, and he will fill you in.
