Two Hometown Girls Compete for International Pageant Titles.

Miss Janna Lounsbury (23) and Miss Brianna Keith (17) will be representing Petitscodiac in their respective pageants. Janna is a delegate in the 2014 Miss Maritime International Pageant being held on May 18, 2014 in Moncton, NB. Brianna representative of New Brunswick in this year's Miss Teenage Canada pageant being held on July 24, 2014 in Toronto, Ontario

Meet Miss Janna Lounsbury

First off let me introduce myself. My name is Janna Lounsbury and I am a delegate representing the Village of Petitscodiac in the Provincial and Miss (Teen) Maritime International 2014 Pageant held in the City of Moncton, New Brunswick. I am the 23 year old daughter of Vernon and Corinne Lounsbury (Intervale) and have been a resident of Petitscodiac all my life. I am a 2008 Graduate of Petitscodiac Regional School where I was actively involved in many extracurricular activities, such as yearbook, fundraising, basketball and slideshow committee. During the summer of 2008, I competed in the Westmorland County Agricultural Fair's Queen Pageant where I won the title of Miss Talent.

I am now a part time photographer with my own small business, capturing moments for many people over the past three years. I am also a sales associate at Future shop in Moncton, NB. During the one and half years of working for this company, I have excelled as an Elite winner for top sales in Canada. I am an active volunteer for St. John Ambulance Division 676 Petitscodiac, a Moncton S.P.C.A member and also a newly joined Petitscodiac Volunteer Firefighter. I am now doing academic upgrading in hopes of pursuing a career as a paramedic in the future.

A lot of people have asked why I decided to try out for Miss Maritime. I seen a post on Facebook that registration had just began for the 2014 pageant. Upon reading this, the first thing that came to my mind was "Do they accept Plus Sized Girls?" Instead of letting the fear of rejection play in my mind, I had a "Why Not" moment and decided to go ahead and submit my application. I never thought in a million years I would have been chosen. When I got the call that I was accepted, I was excited but nervous. Not only is this a huge opportunity for my future as it is a chance to win a scholarship to go towards furthering my education. If I become Miss Maritime International 2014, I will take on my duties with passion and heart. I hope to help younger girls boost their confidence and help them realize they're beautiful no matter what society says. I want to be a role model for woman and help them in any way I can.

I would like to take the time to thank my sponsors who have helped me on my journey.

My but it has been nice to have some nice weather after our very long winter. The Easter long weekend was lovely. May is the month for all the racing to get started, check the schedule for the dates at the different tracks. The motor sports show here at the Maritime Motorsports Hall is Sunday, June 1, the Petty Auto rest. Really looking forward to seeing all the shiny vehicles. Our Hall has been busy with many different functions: cooking classes, games day, meetings of different organizations and church services. We are always in need of volunteers to help with the activities. We are all looking for editorial information from the different organizations for the Local News & Views. It is time to let people know what is going on in the community. Why is the time of day with the slowest traffic called "Rush Hour"?

In the April issue, on page 11 we featured a story of pull tabs being saved to help buy a wheelchair for a young lady in Rossford, NB. She was released from the hospital in late March and is paralyzed. She has a folding wheelchair for the time being but will eventually require an electric one. I thank those people who brought me tabs they had saved up in the past and will accept all you can gather to help this person in a time of need.

The Elgin Eco Association.

We finally are seeing signs of spring. It makes everybody feel excited about new opportunities possibilities that the summer might bring. We need to have expectations and set goals. As soon as a decision is made to pursue a goal, we need to have a plan and a budget to follow.

The Elgin Eco Association's humble beginning brings us back to a bare field in the middle of Elgin. Now we see a beautiful flower garden a paved space for skating, summer basketball and various other sports. A pergola that adds to the scenery, the gazebo to be enjoyed by those that come to the park for the day.

This year's goal is to finish the last part of the back field. It will be leveled and seeded. A water well will be drilled. This will help with the garden and grassed fields in time of drought and probably for kids to play on a hot day. If possible some soccer nets will be created.

Registration Kids Summer program MAY 22 from 7 till 8 pm in Elgin Seniors Hall. Most excitement is currently created by our upcoming Summer Program. This program will take children in to the great outdoors. Where they will learn survival skills and a new appreciation for nature.

On May 22 at 7:00 click in the Elgin Seniors Hall we will hold our Annual General Meeting of the Elgin Eco Association. We will give a presentation on what to expect for the summer program. Activities that are being planned are hiking, canoeing, fishing, wilderness survival skills, first aid, birdhouse building, cooking and much more. We hope to answer any questions you might have. The program will run one day a week for eight weeks. The cost for members will be \$40 and non members \$85 per person. For more information e-mail elgineco@hotmail.com or 756 2518

We are also pursuing the possibility of acquiring the Gibson Falls property for the Community together with the Nature Trust and the Pettoctidae Watershed.

The Elgin Eco Association is a community organization that can only succeed due to the fine work of volunteers. No participation no organization. We are always hoping for volunteers that are willing to help in any capacity. With summer coming weeding the garden is the first thing on our mind but also helping out with the summer Kid's program would be great. If you like to support The Elgin Eco Association please contact us via email elgineco@hotmail.com or call 756 2518. Our website www.elgineco.com

Abandoned Cat Rescue

Abandoned Cat Rescue is a newly formed, not-for-profit organization whose immediate goal is to assist the community and local organizations with the problem of cat abandonment, overpopulation and needless euthanasia. The organization was originally founded by volunteers who have had previous experience in animal rescue work and share a like minded interest in cat welfare; many of our members have a wealth of knowledge gained over years of rescue work! All of our members are unpaid volunteers and our activities are dependent on the skills of our hard working fundraising team and donations from the community. Please follow us on Facebook (<https://www.facebook.com/AbandonedCatRescue>) or contact us with questions at 506-756-1581 and welcome to Abandoned Cat Rescue!

To raise much needed funds we are holding a big yard sale in Moncton at the Royal Canadian Legion Branch #6. The legion is located at 100 War Veterans Ave. in the vicinity of the YMCA. The sale is on Saturday, May 10th and the doors are open from 8:30am until 1:00pm. Come pick a bargain and help support the work of Abandoned Cat Rescue. For any further inquiries, contact our fundraising team at 386-7630.
