**BACK TO SCHOOL**

Remember.....

"School Zone is a

Slow Zone"

**From the Editor**

Here is wishing all students a great start back to school and to the little ones this will be a learning experience. Have a Great Day!!  
Where did the summer go? It just seems like yesterday we were wishing it would warm up and summer would come.

Hope everyone had as nice a holiday as I did. I traveled through Nova Scotia, Newfoundland and Labrador on to Quebec and back through New Brunswick. It was a great trip and a long time freedom in Happy Valley.

With Fall upon us all the Summer sports is winding down with all the champions being crowned. Congratulations to all you winners. Now the preparation for the Winter sports begins.

The Atlantic International Balloon Festival makes its 29th appearance in Sussex this year from September 4th to 7th. The 7th is also the grand Car Show and we are hoping for nice weather this year as it rained last year.

The 38th New Brunswick general election is scheduled to be held on September 22, 2014. This is your time to get out and make your statement.

Your Editor

Winona McLean

For all you baby boomers out there, on the subject of muscle cars of the 60's, have you ever heard of a 67 Mustang Stallion? Only 8 were custom built for Mainway Ford in Toronto. It featured Cougar rear end and tail-lights and special badging. Apparently only 2 survived! Google that on your computer for the full interesting story!

### Garden column

By Mark Cullen  
Canada AM every Wednesday morning at 8-840. He is spokesperson for Home Hardware Lawn and Garden. Sign up for his free monthly newsletter at [www.markcullen.com](http://www.markcullen.com).

### Insect Hugs

With all of the attention recently given to honey bees and their decline, gardeners are beginning to see that insect activity has a dramatic impact on wildlife in our larger communities. When we plant and nurture companion plants, plant trees, shrubs, and bushes, we are not only enhancing the biodiversity of the neighbourhood, whether we intend to or not. As we explore the natural world around us by planting more native plants (and we are!) why not build a habitat that attracts more insects to your garden? Let's get one thing straight: 99% of the insects in your garden are beneficial. They will not seriously harm your plants and they play an important part in the dynamics that go on in the food web outside your kitchen door. Earth worms eat dirt and in digesting it produce nitrogen-rich earth worm castings that feed everything that grows in your garden. Robins eat the worms and leave free fertilizer sprinkled about your yard and garden. Centipedes, beetles, millipedes, ladybugs, bumblebees, and pill bugs all play a role in creating a garden environment rich in resources.

You can encourage insects to visit and reside at your place by building an insect hotel. These can be as simple or as complex as you want to make them. The key is to use natural materials and to arrange it in such a manner that insects will find it attractive enough to move in. This is where the fascination among us have trouble with the concept as the truth is that insects do not like a "manipulated environment" insects like the messy. They thrive on clouds of rotting

**THANK YOU** to everyone who attended our Open House on Elgin Day on August 17th. It was a great success and was wonderful to see so many old friends and make a few new ones. We welcomed visitors from Holland, Pennsylvania, Virginia, Nova Scotia, Newfoundland and Manitoba. The "Sundries on Sunday" were a big hit as was the photography display. Everyone voted for their favorite picture and prizes were given to first, second and third place. Thank you to the talent we have in our area.

An interesting display of WI projects showcased the past and the future. Most interesting was a hand sewn dress made by Bernita Block at a sewing course she attended that was sponsored by the Women's Institute. Our branch sent many young ladies to such events in the 1920's and 1930's and it was wonderful to see them in the past and the future. We will be in the future will focus on the basics of sewing, knitting and crocheting and well as gardening and cooking. Young classes will continue into the fall.

Our attention now turns to the annual TURKEY SUPPER which will be held on Saturday, September 27 at The Hall with tickets going on sale at 3 p.m. Adults - \$12, Children under 12 - \$6.

Our August meeting was well attended with an interesting discussion on the roll call question "How do you relate to the world's indigenous people?"

Plans were made to attend and participate in the Petitedoc District Convention held at the Anglican Church Hall in Petitedoc on September 10th. Guest speakers and interesting exhibits should make for an enjoyable day.

We also finalized plans to participate at the August 23 benefit for WI member Elsie Steeves who remains in the hospital in Saint John recovering from back surgery. We wish you well Elsie and look forward to having you back with us soon.

celebrate with us in our park. And the volunteers that made this day possible

For the Elgin Eco Association it is now time to start focusing on our next event "The Elgin Mountain Bike Race". Many local citizens are already preparing to take part in the mountain bike race. If you are not a biker, maybe you would like to take part as a volunteer. Just email [elgineco@hotmail.com](mailto:elgineco@hotmail.com) or call 756 2518. To become a member, go to our website [www.elgineco.com](http://www.elgineco.com) and print of the membership form. With a

Elgin Eco Association.

It was a great time. Kids are worth it.

On August 17 Elgin day was celebrated. With Great music by Brian Cimdali and friends, food and fun. We celebrated together with the Women's Institute who held their open house the same day. A memorial service for the late Mrs. L. M. Steeves was held at the Elgin Eco Association. We were unwell by his wife Linda Steeves. We like to thank all the people that came out to

### The History of the Atlantic Balloon Fiesta

In 1985, several people in the local area were presented an opportunity to extend the local tourist season, by hosting a Hot Air Balloon Event. As local pilots knew of the great flying in the Sussex Area it was suggested that the Sussex Balloon Festival Inc. be started. Balloonists were invited to the area for a weekend, and although it was rather informal, it was to become the first annual Hot Air Balloon Festival.

The Sussex Balloon Festival Inc. is run by a volunteer committee.

The event first consisted of regular hot air balloons and the first shape balloon to attend was the House Balloon.

SUSSEX - Pilot Doug Shippee is the man who introduced Sussex to the sport of hot air ballooning.

The Pink Elephant, The Cow, The Dragon, The Mountain, The Yellow Pages Directory, The Monster Truck, The Maple Leaf, The Canada Flag, The Hawaiian Tropics Fish, Tony the Tiger, The Cow, Green Dragon and The Purple People Eater, Tree Bird, Octopus, have all flown our skies!

The Atlantic Balloon Fiesta proved to be a success and on ground and in the air activities were added to keep people in Sussex even when the hot air balloons were not flying including children's activities and games, skydiving demonstrations, helicopter

rides, live entertainment at the bandstand, and amusement rides.

A Craft Fair was added eventually and proved to be a tremendous success! The Craft Fair features all handmade crafts and runs the entire weekend. The Craft Fair currently boasts over seventy crafters from all over Atlantic Canada. In 1990 an Antique & Classic Car Show & Shine was added to the growing list of activities during the Atlantic Balloon Fiesta weekend. This car show features antiques, street rods, bikes and trucks. It currently has over five hundred cars. The Bandstand features three days of continuous live entertainment. Lots for the whole family to do.

On the weekend after the Canadian Labour Day, this festival has been a tremendous success. It draws many people to the Sussex Area and the motels, hotels and camp parks are filled quickly. Balloonists come from all over the world to fly our inviting skies and peaceful valleys.

"Always the weekend after the Canadian Labour Day in September."

The Atlantic International Balloon Fiesta Committee, 100's of volunteers with the support of the community at large, combined with the business community, corporate sponsors and various organizations, will take place on the launch field, work year round making this event possible.

# Barak Stevens

I believe in rural New Brunswick and in the people of Gagetown-Peticodiac.

As a small business owner for 35 years in a specialty trade, I know how training and education helps young people find jobs, and help businesses find the right people to do the work.

I will focus on creating the right conditions to bring opportunity and jobs back to rural New Brunswick, and provide the leadership to make it happen.

I want to be your M.A. I will listen to you, work hard each day, and be honest. With your help, we will make this great province a place to call home for everyone.

## Moving New Brunswick forward

**Plan a Daycation "Your daycation is in your hands"**  
If you don't have the time or the money for vacation this summer, maybe you can spare a few hours for a daycation.

This month's daycation feature is The Hopewell Rocks, also called the Flowerpot Rocks or simply The Rocks, are rock formations caused by tidal erosion in The Hopewell Rocks Ocean Tidal Exploration Site in New Brunswick. They stand between 40-70 feet tall.

They are located on the shores of the upper reaches of the Bay of Fundy at Hopewell Cape near Moncton, New Brunswick.

Due to the extreme tidal range of the Bay of Fundy, the base of the formations are covered in water twice a day. However, it is possible to view the formations from ground level at low tide.

The Hopewell Rocks park is family-oriented. You'll also find it:

Affordable: We have entrance rates that are valid for two consecutive days (added flexibility for busy travel schedules), reasonably priced food service, and a gift shop brimming with 'kid stuff'.

Accessible: Wide groomed pathways and trails throughout the park are suitable for

pushing strollers or wheelchairs. Our trail system provides for easy, short hikes (20 minutes), but those who prefer motorized transportation may choose our shuttle service for a nominal charge.

Please note: The beach area is reached via stairways. The sand is soft and some beach areas must be accessed by navigating narrow pathways between large rocks. We recommend baby slings or backpack child carriers for the very young.

Convenient: All washrooms have infant diaper change stations and a children's play ground is located near the main entrance and interpretive centre. The park has two cafes, picnic shelters, viewing decks,

walking trails and 2 km of beach area for exploring.

Educational: You'll find our interactive Interpretive Centre will appeal to all your senses: colourful information panels, large visual and touchable displays that children enjoy, short video and audio clips. Also see our online image gallery.

Pet-Friendly: The Hopewell Rocks welcomes pets and provides water and drinking bowls in various locations throughout the park.

In return, we request that you respect the following guidelines:

Never leave your pet alone and unattended. We highly caution pet owners against leaving animals in the parked vehicle. Our parking lot has no shade and vehicles can heat up quickly.

Pet owners must be in control of their pet at all times.

Pets must be kept on a leash (of maximum length of 3 metres) while in the park and surrounding areas.

Pet owners and guardians must observe stoop and scoop laws and clean up after their pet(s).

Pets are restricted from all buildings, with the exception of seeing-eye dogs and/or service dogs.

Nervous or aggressive pets must wear a muzzle.

### How to Get Here

The Hopewell Rocks is one of New Brunswick's most beautiful natural wonders. We are located in New Brunswick, Canada, within one hour of the nearest airport at Moncton, N.B. We are also just over three hours from Halifax, Nova Scotia, and two hours from Prince Edward Island.

Our GPS Coordinates are

N 45° 49'76"

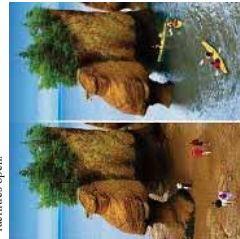

W 66° 34'92"

Hours of operations for the 2014 season are:

September 02 - October 13 9am - 5pm

During the off-season, visitors may still enter the park, but must park their vehicle on the entrance road and walk in.

Visitors entering during the off-season do so at their own risk and must assume full responsibility for their safety. There are no facilities open.

At Armstrong's we believe that when you need us you shouldn't need to worry about the details.

## Don't worry...

- Traditional Burial Or Cremation
- Your Church Or Our Chapel
- Personalized Arrangements
- Transportation arranged for repatriation
- Always available to you, 24 hours a day
- Receptions & Catering
- Green Options
- Video Tributes
- Monument Sales

....we do that.

### SATURDAY, SEPTEMBER 13

On Saturday, September 13, 2014, (rain date Sunday September 14th) the **Lutz Mountain Heritage Museum** at 3143 Mountain Road in Moncton is presenting "Farm Fest" as a means of celebrating our farming history. The surrounding area north of our City has a rich heritage steeped in traditions influenced by farming and of course the fall harvest.

We have invited several of the local antique tractor, car and truck enthusiasts to display their restored vintage pieces of art on the grounds of the Museum. Inside, will be an exhibition called "Loops of Love" which is hand made hooked rugs depicting what the artist finds best in our Province.

Home made ice-cream is always a treat. BBQ, balloons and games for the kids, baking contest, pickles and preserves. Come see for yourself what the harvest has to offer. The baking/pickling contest will consist of the following categories: white bread-1 loaf, ten biscuits-4, chocolate chip cookies-4, white cake-frosted-any frosting except boiled chocolate cake-frosted, any frosting except boiled, apple pie-crust, fudge-topped sugar-w/whipped cream-4, pumpkin pie-crust, apple pie-crust, great tomato chowder-1 pint (500 ml), pickled beets-1 pint (500 ml).

Children's Exhibits age 12 year and under:  
Brownies-4, cookies-any kind-4, drawing-farm scene or animals, age 6 years and under, drawing-farm scene or farm animals, age 7 - 12 years.

Exhibits should be presented by 9:00 am. Saturday, September 13th at the Museum grounds. Judging will commence at 10:00 am. For further contest rules, see our web site.

We hope you will join us for a fun filled day for the whole family. For further information please contact the Museum at 384-7719 or visit our web site at [www.lutzmountainheritagemuseum.ca](http://www.lutzmountainheritagemuseum.ca) or like us on facebook. Other contacts are Gerry Gilkash-204-8802 or Gary Byers - 859-0710. COME ONE - COME ALL.

## OBITUARIES

### OBITUARIES

DAVID Debra Arthur

Award, 88, a lifelong

resident of Havelock

passed away peace-  
fully at his home Sun-

day August 16, 2014.

Born in Salem, he was

the eldest son of the

(Baker) and Del-

bert in his early years

worked with his father

in their garage, A.P.

Award and Son, in

Havelock. He was also

a school bus driver for 25 years for the Province

garage at his home.

He was an active member of the Masonic

Lodge of New Brunswick, and an Honorary

member of Fowles Lodge, Harmony Lodge,

Zion Lodge and Stephen Lodge. Deibert was

also member of the Havelock Lions Club,

Spartan Club, Havelock Baptist Church,

served many years as Chief of the Stanley NSS

Aviation Club and was a founding member of

the Havelock Flying Club where he built and

flew his own airplane. He was an avid hunter,

fisherman, musician and enjoyed many camping

adventures.

With great sadness we must advise that Esther

his wife, the late (Kathleen) Award, 87, she was

the youngest child of the late Whitmore and

Ena (nee Baunister) Hopper. Esther is survived

by her daughters, Wenda, Halifax and Lynne,

Sydney and her son, Philip (Cheryl), Colliette

Settlement, grandchildren: Haley, Jason, Elliott,

Christian, Alexander, Meghan and Nicholas;

Hopper and Peggy Hopper, and many nieces and

nephews. She was predeceased by her husband,

Walter Elliott; sister, Alberta; and brothers, Otis,

Roy, Randall, Wendell. Esther treasured life and

was a wonderful wife, mother and Nana. She

graduated from Salisbury High in 1944 as class

president. She loved animals, gardening, and her

hobby was having garden, snowshoeing, or down-

hill skiing, which she took up in her 60's. She

also loved to read and bake... cookies and tea

were always on hand for anyone who dropped

by. A graveside service, open to friends and fam-

ily, will be held on Sunday, September 21, 2014

at 2:00 pm at the Greenhill Cemetery, Havelock.

Funeral Home & Crematorium (372-4800).

Condolences will follow at the home of Mrs. Alma

Center. If desired, a donation in Esther's memory

would be greatly appreciated to the Canadian

Cancer Society. To place an on-line condolence

please visit: www.armstrongsb.com.

### OBITUARIES

Doris Blanche

Geldart, 94, of the

Jordan Lifecare

Centre, passed away

Colpitts Settlement,

Colpitts Settlement,

August 17, 2014

at her residence,

N.B. She was a

Herbert and Lavilla

Doughtlight and wife of the late Percy Douglas

Deard.

Church was a member of the Middlesex Baptist

Doris and a willing gave of her time to the

Lord over the years by teaching Sunday School,

attending Women's Missionary Society as well as

attending the Bible Studies and Prayer Meet-

ings in her home.

She will be sadly missed and lovingly

remembered by her daughter Colleen Ayles

(Thelma) and Dennis (Willie) of Moncton and

her 20 grandchildren; 33 great grandchildren; 21

great great grandchildren and many nieces and

nephews. Predeceased by her husband, Percy,

her son Paul and his wife Shirley (Smith); step-

son Calvin Geldart of Toronto and stepdaughter

Helen Smith of Saint John.

Resting at the Salisbury Funeral Home, 3350

Salisbury Road (372-4800) with visiting Tues-

day, August 19, 2014 from 10:00 am to 1:00 pm.

The funeral will be held Wednesday at 1 pm in

the Chapel with Pastor Rodney Bligh officiating.

Interment will be at the Middlesex Community

Cemetery.

If desired, memorials in memory of Doris

to the Middlesex Community Cemetery Fund

would be appreciated by the family.

Goshen Show continued from page 8

held special meetings for Elgin, Mapleton, and Goshen. The first was in 1955 when the Rev. James Stevens, a new minister, began his work in the area. He was known to pull little bags of candy from the pockets of his long-tailed coat for the children. With the large families of those days, his pockets must have been bulging! In 1908 the pastor's salary was \$700 a year with the added benefit of hay for his horse and wood for the parsonage.

The first communion set was donated by Deacon George Hayward. The first Thomas organ was acquired by the efforts of Mrs. James Stevens. The first organist was Mr. J. B. Babbick. Later on along with others, my grandmother, Idella DeMille, was organist and that led to my personal involvement with the Goshen Church.

The church once had a library. I remember Sunday School classes and S. S. penics. Outdoor baptisms were held at rivers near farms owned by Ed Tucker, Tal and Sherburn DeMille. I recall reading about one baptism held in November! My mother remembers a shed at the front of the church for horses and her father leaving the service midway to check on them with perhaps a drink of water or some oats. There were doors on the pews originally. Sounds like a lot of congestion in the aisles but it would help to keep the bodies from wandering!

The pastor's salary was \$700 a year with the added benefit of hay for his horse and wood for the parsonage. I know that our ancestors from those early pioneer days would be so pleased that the little white Goshen Church in the valley at the Corner is still holding services even though numbers are few. We carry on like they did with faithfulness and still hear sermons from "the Good Book". So many faces are gone but not the memories!

Censitary records are available from myself, if interested. You can contact me at 756-3952. The stones date from the mid 1800's.

Idella Stevens-Lazar

**News From The Maritime Motorsports Hall Of Fame**

**FRED & GEORGE ESTABROOKS**  
Drug Racing - Competitors  
Inducted November 5, 2011

Fred's track experience came in 1965 driving a 1955 Chevy at Scoudouc, NB and Mailand, NS. George got the racing bug at age 9 when his Dad bought him a gasoline engine, for his birthday. That had powered a washing machine and he and Fred built a go-cart.

They were innovators back when the roads weren't paved, they put skis on the front wheels of a Model A and had them race the outdoors into the bushes of Goshen, Seaboard. Their school days were spent at the Seaboard High School in the automotive and welding shops.

Fred and George soon became regular fixtures on the local race circuit. Their 55 Pontiac set the BMP and C/MF records at Mailand Raceway and won the points series championship at Scoudouc Dragway.

George finished 10th in the 2011 ADRA Super Pro Points. He won many of the high buck races.

**OBITUARIES**

Margaret Elizabeth Burgess

Burgess (nee Stevens) was born in Seaboard, NS, on July 31, 2014 at home. Born in Seaboard, NS, she was the eldest daughter of the late Clarence and Hilda (King) Lonsbury.

After graduating from Petticoe High School, she worked for T. Eaton Co. until 1950 when she married her best friend and the love of her life, James Stevens. They were married during his military service and while living in Winnipeg, attended business college where she studied accounting and worked in account Richard's retirement, they owned and operated the Barber Bay Lodge and Major Service Centre in the Whiteside Provincial Park, Marston. In their home in Goldbrook, Nova Scotia, she then worked on various farms, retiring in 1983. Over the years, she had a number of interests, including playing softball, bowling, and shuffleboard in Florida. Her personal passions were knitting, cross stitch and crossword puzzles. Margaret and her husband spent their twilight years in Seaboard, NS, where they lived with their wife and mother through 64 years of marriage.

She is survived by three daughters, Lorraine (Francis) Kelly, Nine Mile River; Sharon (Jack Moore) Spraney, New Brunswick; Betty (Donny) Porterfield, Cole Harbour; a son, Bill (Dorothy) Burgess, Seaboard; a daughter, Mary (Donny) Harston, Elgin; a son, Alan and Barbara (Gilbert) Rawlin; nine grandchildren; nine great grandchildren; nieces and nephews. In addition to her parents and husband, she was predeceased by a sister, Marion Mae (in infancy); two sons-in-law, Bruce Syntak and James Spencey; a brother-in-law, Fraser Harrison. Visitation was held at 2:00 p.m. Tuesday, August 5, 2014 in Kingsway Pentecostal Assembly, Kenville, New Brunswick. Local funeral arrangements were in Mapleton Cemetery, Petticoe, New Brunswick. The funeral service was held at 11:00 a.m. Wednesday, August 6, 2014, at the funeral home, 33 Russell Street, Petticoe, NB (506-756-3361).

**The Golderts**

In 1774, Joshua Goldert and his nephew Fort Cumberland. Joshua then purchased land at the interval of the Petticoe and Cowdville rivers, now present - day Salisbury.

Joshua returned to England, leaving John in charge of this land. While Joshua was away, New Brunswick came into its own, thus allowing speculators to take over much of the properties, including Joshua's. Joshua however, did return and fought for possession of his lands and won them back, but then decided to sell his properties and return to England.

John was now left by himself, what was he to do being alone. So he decided to grant land. The first grant was at Mud Creek (Lower Cowdville area), where he met and married Martha "Mattie" Smith. He later sold this property and took out another grant at The Glades where he settled permanently. He and Mattie raised a family of five sons and six daughters. One of these was a son named John, who decided to take a grant in the nearby area, but suddenly realized that someone else had gained possession by the time he got there that there was no one living. And so he journeyed up the Pol-

let River to a place that he decided, this is where I will make my home. That place was present-day Elgin, where he took out a large tract of land of 400 acres. He married Elizabeth Lutz and they raised a family of fourteen, most of which settled around the Elgin area.

Two years ago, we met at Elgin for a reunion with an attendance of 100 plus. And so, we will be meeting once again this year on Sept. 13th at the Elgin Fire Hall to renew acquaintances.

He looks at the coach and says...give him the leg!

The menu at the restaurant advertised beans and sauerkraut as the commuter's special because it guarantees you a seat on the bus! No ifs ands or buts!

The lady gossipier talking on the phone turns around and says to hubby...what I'm talking about is none of your business! Actually, it's not even any of mine!

A baseball coach and one of his players are sitting at the arbitrator's desk. The coach says...he won't sign his contract, he wants an arm and a leg! The player says, why not I got one bit last year! The coach says...only because two infielders ran into each other! The player says, well how about the double play I made? The arbitrator says...you made a double play? He looks at the coach and says...give him the leg!
