"Our People Make the Difference"

From the Editor

August is Sandwich Month. Just so you know.

August is the month for our get-to-gathers, be it family reunions, Fairs, Community Days or such, making it a very busy month.

There is the Westmorland Agricultural Fair in Petitcodiac from July 31st to August 6th with lots to do, see and eat. Here at the Maritime Motorsports Hall Of Fame we are having a Lobster Roll Dinner/Cold Platter on July 31 from 4-6.

Then there is the Salisbury Community Days from August 18th to 21st with fun for the whole family. This event started out as a Community picnic more than 40 years ago.

August 21st is Elgin Day with lots of fun, eating, music and visiting.

August 1st is New Brunswick Day, a statutory holiday. It is also Terry Fox Day.

August 2nd is National Coloring Book Day.

August 11th is "Dairy Queen Miracle Treat Day". \$1.00 from every Blizzard treat sold at participating DQ's will be donated to Children's Miracle Network Hospitals'.

August 13th is "National Garage Sale Day". On this day, you will see people finding great deals at these neighborhood sales. For those having the sale, this is a way for them to find new homes for items they no longer need. So have fun rummaging!

May your month of August be a fun and family month.

From your editor,

Winona McLean

The Doctor Game **W. Gifford-Jones M.D.**

What They Don't Tell You about Baldness and Heart Attack

A Czech proverb says, "A good man grows gray and a rascal bald". And Thomas Dekker wrote in "The Gull's Hornbook" in 1609, "How ugly is a bald pate! It looks like a face wanting a nose". Now, a Japanese report says that men with baldness should be less concerned about how it affects their looks. Rather, is the lack of hair associated with increased risk of coronary attack?

The Japanese findings were published online in the British Medical Journal, "Open". The study involved 40,000 males whose hair pattern was graded as either frontal, crown-top baldness or a combination of the two. The conclusion was that not all bald men are created equal.

Men with frontal baldness had a 22 percent increased risk of coronary disease. For those males with crown-top baldness, the risk increased to 52 percent and if men had both crown-top baldness and frontal loss of hair, the risk increased to 69 percent.

This Japanese study is not an isolated one. Harvard researchers also reported that a man's chance of heart disease depends on when hair loss started, how fast it is occurring and that hair loss on the top of the head was more likely to be associated with coronary disease.

Medical literature, however, cites a number of studies that were unable to find a significant association between hair loss and heart disease. Other good news is that those with just receding hairlines were not at increased risk of heart trouble.

But what causes baldness? The reason for this loss of hair is not clear. Dr. Tomohide Yamada at the University of Tokyo speculates that hormones might play a role. And that insulin resistance, the forerunner of diabetes, may be implicated since it causes atherosclerosis (hardening of arteries). Atherosclerosis is mentioned in several reports on hair loss and suggests that if baldness is present atherosclerosis should be suspected.

So what should balding males do, particularly those who lose hair on the top of the head at an early age? They should enquire whether male relatives who suffered hair loss had a coronary at an early age. And if this is the case, start to eliminate as many risk factors as possible that are known to be associated with heart disease.

If further research shows that atherosclerosis is a major cause of hair loss, doctors will want to treat it the same way as they treat atherosclerosis in coronary disease. This means 99 percent of doctors will prescribe cholesterol-lowering drugs (CLDs).

Many readers are aware that I had a heart attack 19 years ago and said no to CLDs. Rather, I decided to take high doses of vitamin C and lysine in a product called Medi-C Plus available in Health Food Stores. I had interviewed Dr. Linus Pauling, two-time Nobel Prize winner, who told me animals make vitamin C and humans lost this ability eons ago due to a genetic mishap.

Pauling explained that vitamin C is needed for the manufacture of collagen, the glue that holds coronary cells together. A lack of C means a poor collagen level. Cracks then appear between coronary cells setting the stage for a fatal blood clot.

Recently, Dr Sydney Bush, an English researcher, made a monumental discovery. He took photos of the retinal arteries of patients and then gave them 6,000 milligrams of C and 5,000 of lysine (lysine adds strength to coronary arteries just like steel rods increase the strength of concrete). A year later he repeated the photos. To his surprise, he found atherosclerosis fading away. In effect, vitamin C can prevent and reverse atherosclerosis.

These before-and-after photos are on my web site www.docgiff.com and you do not need to be a doctor to see the difference. But remember I am not your doctor. Moreover long term double blind studies will never be done as vitamin C and lysine are natural products that cannot be patented. This means that no one is going to spend millions for a study without a profit. But I believed Pauling's research made sense. Besides, I'm still alive 19 years later when cardiologists said I'd be dead in two years without CLDs.

ELGIN NEWS!

In the Good Old Summertime... a Visit
to Corn Hill and Plans for Elgin Day

Elgin W.I. celebrated the balmy days of July with a luncheon at the Cedar Cafe in Corn Hill on Thursday, July 21st. Immensely enjoyable -- good conversation and great food -- the occasion was followed by a scenic drive back to The Hall where thirteen members gathered for the regular meeting. Roll call this month was "What is your guilty pleasure in junk food?" Our lips are sealed. (For now.)

Following minutes, treasurer's reports and follow-up discussion, planning began for Elgin Day to be held Sunday, August 14th from 1 to 4 p.m. As with previous years, there will be fun activities and music for all ages at the Eco Park while the W.I. Hall will be Ice Cream Central -- complimentary sundaes for all, topping of your choice. As well, the kids from summer camp will highlight their baking know-how and kitchen skills. Visitors will be enlightened on the campaign to Save the Mapleton Trail with a display on hiking and the natural wonders of the Acadian forest.

This year's Elgin Day exhibits are as follows:

- Mixed bouquet of summer flowers. All welcome!
 - Summer wreath, any theme. Winner to be chosen by ballot.
- Categories -- Adult and children under 14.

In other news, secretary Elsie Steeves shared correspondence on the District Convention to be held September 7th in Corn Hill. The fall representative meeting will be October 5th in Petitcodiac.

Finally, why are those Microwave Ovens on Stilts situated at the W.I. Hall and the Eco Park? They are Elgin's version of Little Libraries, the growing movement that invites stoppers-by to "Take a Book, Leave a Book" with the aim of building a literacy-friendly community. Have a look, take a book -- trade for one you have at home, or return your choice after reading. Either way, enjoy the fun of discovering something new or sharing one of your favorites.

All for now! See you at Elgin Day, Sunday, August 14th, rain or shine. For more info, phone 756-8453.

PETITCODIAC DISTRICT W.I. CONVENTION 2016

The 93rd Annual Convention of the Petitcodiac District Women's Institute will be held Wednesday, September 7, 2016 at the Corn Hill Community Hall.

Registration begins at 8:45am and opening exercises start at 9:30am. "Today's Women" is this year's theme.

Each branch is asked to donate a basket of goodies valued at \$20.00 for a silent auction.

Your Yearly reports should be in to Donna Keith by August 15 at 1649 Rte 885, Havelock, NB, E4Z 5L8.

There will be a guest speaker for the morning session.

The cost of the noon meal is \$12.00 per plate. Please let Patsy Black know how many from your group will be attending at 534-2760. Also let her know if there are any deceased members.

Committees for Convention:

Host, Welcome, Registration - Corn Hill

Each member is asked to contribute something.

P.R.O. Elgin W.I. Elsie Steeves

One hundred and twenty one species of plants, sixty species of moss and forty one species of birds have been identified on the Mapleton Acadian Trail property. It is an amazing property and the Elgin Eco Association is getting closer to its goal of being able to purchase the property from the current owner. The very generous donations from people all over new Brunswick and beyond is making this possible. We were also grateful to the new Brunswick Wildlife Trust fund for their contribution of \$10000

We have currently reached \$45000. With the amount closing in we hope to soon make our down payment to secure the property. Just a little bit further to go. It is the commitment of people the hard work that is done behind the scene by so many that we are able to make this dream a reality. This will be a gift from all of you for the future. Our fundraiser "The screening of Surviving the Fundy Footpath" raised a whopping \$2800. We like to thank Craig Norris of Videoband for his donation of his time and the screening of his movie. A special thanks to "the Maritime Motorsport Hall of Fame for donating their facilities and promotion of the screening. Thank you to the people that donated items for the silent auction. Last but not least the EEA volunteers that are always there to help. THANK YOU ALL

Besides the Mapleton Trail affairs we have been keeping busy with other activities. One of them is The little libraries. Little libraries are placed in the park and beside the Women's Institute hall. You will see 2 used microwaves build into a small box resembling a little house. The bottom microwave has children books in them the top one has adult books in them. the idea is that you go their to exchange books. They will be rotated regularly as soon as it catches on. You can make requests for certain books. Bring them back when you are done and take another one.

The EEA has also started its Summer program for Children. They are all having a great time. We have made bird baths and flower pots out of hypertufa. The last two weeks they are improving their canoeing skills. The children are becoming great cooks as well. There is still lots more to come for summer camp.

On August 14 Elgin will be celebrating ELGIN DAY. This will take place in the park and in the W.I. Hall. With free food, drinks, music and ice cream. We hope you will join us. See also W.I. information

Comedy at Large
by Laurie Blanchard Salisbury, NB

When I was trucking back in the 80's and early 90's, one of my routes out of Moncton covered the area from Windsor, NS, through the Annapolis valley in through Yarmouth with the last stop in Bridgewater. I often stayed overnight at the Mariner's Inn in Bridgewater. They had a good restaurant and from staying there often, I got to know the owners quite well. One summer night, when I arrived at the motel, it had been a long day and after checking into my room, I headed for the restaurant with a good appetite. Near the cash register counter, they had a small chalk board on the wall which highlighted the special of the day. The owners wife, who occasionally worked as a waitress when they were short staffed, brought me the menu and asked... how was your day Laurie? I replied, busy but a good day and I'm ready for a good meal! She asked, did you see the special of the day when you came in? With a wry smile I replied yes I did see it but I don't think you'll have any orders for it! Oh, she replied, why would that be? I said to her, well Sheila go look at what you wrote down! The sign read ... Today's Appetizer - Home made Spit Pea Soup. Oh yes, the absence of that L makes quite a difference! She was quick to go change that spelling, believe you me. I ended up ordering a caesar salad for an appetizer rather than the spit pea soup, just in case.

In a book that I read on the history of automobiles, the author's introduction quotes the mechanically propelled vehicle is a tin god and one of our own making. Since it's invention proper in the 1890's in Germany and France, the car has been worshiped like no other machine. More temperamental than a Hollywood star, greedier than a Wall Street financier, dirtier, when all is said and done, than a pig rolling in mud, requiring the constant presence of a mechanic with wrench in hand and more destructive than a fire works factory in a thunder storm!

We are pleased to announce that the Salisbury Big Stop Plans to re-establish the "Charity Table" to help support the various non-profit, community-assistant organizations within the greater Salisbury/Petitcodiac areas.

To do this, we are setting aside a specific table at the Silver Fox Restaurant whereby 10% of the total sales from that table for a one-month period will be donated to the designated organization or club selected for that month. Along with this, a donation bottle will also be place at the counter to receive additional contributions if our customers so choose. This table will be reserved for a specific organization for a period of one month.

Our proposed schedule for the next nine months is as follows:

July 2016 --- Salisbury Lions Club

Aug. 2016 -- --Petitcodiac Kiwanis Club

Sept. 2016 -- Salisbury Legion Branch No. 31

Oct. 2016 --- Salisbury / Petitcodiac Minor Hockey Association

Nov. 2016 --- Salisbury Food Bank - (Helping Hands)

Dec. 2016 --- Petitcodiac Fire Fighters Association

Jan. 2017 --- Jordon Life Care Centre

Feb. 2017 --- Salisbury Fire Fighters Association

March 2017 -- Petitcodiac Legion Branch No. 41

April 2017 --- Salisbury Library

We would also ask that everyone get out to support the fund raisers for your local communities each month. They are all a very worth while causes, so again get out there to show your support.

Salisbury Beautification Program 2016

Hanging Baskets, Marigolds and Flower Beds- We hope you are enjoying the beautiful hanging baskets and colourful marigolds which are adorning Main Street and Douglas Street this summer. The flower bed on the corner of Main Street and Fredericton Road, is also in full bloom and providing good curb appeal to pedestrians and motorists.

Memory Maples and Living Lindens Tree Campaign:

JULY 31st!! That is the deadline for our 2016 Living Lindens and Memory Maples' Tree Campaign (Phase 1-Douglas Street). A tree may be planted in memory of a loved one, families may choose to plant a commemorative tree, or businesses may wish to sponsor a tree. Trees ordered by July 31, 2016 will be planted this summer with a tree dedication to follow in the fall. There are only a few trees left for this year's planting so please contact Karen Stewart at Karen.stewart@nbed.nb.ca or 372-9275 or Sharon Horsman Goggin at Sharonhorsmangoggin@hotmail.com or 372-5322 for more information.

Congratulations to Ricci Archibald who was the successful bidder for the Maple Tree and Granite plaque which will be placed in the green space in front of Salisbury Village Office later this summer. Thank you to those people who participated in our online auction.

Green Space in front of Village Office:

As you drive down Douglas Street you will notice that the area in front of our Village Office is getting a makeover! Over the next few weeks you will see the asphalt removed and replaced with luscious green grass and flower beds. A new bench and planter (compliments of Salisbury Lions Club), the auctioned Maple Tree and the Canadian flag and flag pole will be placed in this area as well. Exciting things are happening in our village!

Let's make Salisbury a more beautiful place to live, work, and visit!

A Big Thank You

The organizers of Small Communities with Big Hearts would like to thank everyone who has donated money as well as time to the Red Cross Alberta Fires Appeal Fund Raising Campaign. These included Boot Drives, Music Night with Colleen Bannister & Friends, Firemens Bingo, Auctioned Pizza from Killams Pizzeria, donation cans located in various businesses, and a generous donation from the Elgin Fire Department. Together our communities raised \$20,006.93. This has been submitted to the Red Cross. A wonderful effort for a great cause.

OBITUARIES

Brayden Bradley William Humphrey

It is with broken hearts we announce the passing of Brayden Bradley William Humphrey at the age of two months. He was born on May 14th, 2016, the son of Alex Humphrey and Miranda Ross of Elgin and baby brother to

Brodie.

Brayden always knew how to put a smile on people's faces and was just like his Mommy at two months old. He could tell if you were upset or crying and he would cry until he knew you were fine. He was Mommy's little Booger, Daddy's little Boo Boo, Nanny Ross's little Peanut and Gramp's Turkey. Brayden loved going for drives in the car but didn't like to go slow. He would cry, just a little, until Daddy went faster.

Brayden didn't like to be in the dark, just like Mommy. He loved listening to music and playing with his Nanny. He was her little man and he loved to play with his Ducky (Quack Quack). He loved his Ducky and if Mommy or Daddy forgot to bring it with him, he would cry. Brayden was a gift who will live on in the hearts of those who loved him.

Lovingly remembered by his parents; Alex Humphrey and Miranda Ross of Elgin; his big brother: Brodie Charles Humphrey; his grandparents: Cathy and Bradley Ross of Sussex, William and Sue Humphrey of Elgin; his great grandparents: Dave and Phyllis Ross of Sussex, Roberta Beechin of Midland and Dorothy Chappell of Petitcodiac; his aunts and uncles: Brent Ross (Shannon) of Sussex, Meghan Ross (Corey) of St. Stephen and Charlene Humphrey (Alain) (Auntie Hee Haw and Uncle Al) of Riverview; cousins: Kayden Ross, Lincoln Ross, Khloey Ross-Wand as well as several great aunts and uncles.

Brayden is predeceased by his great grandparents: Gordon and Lorna Humphrey and Donny Chappell.

Arrangements were in the professional care of Armstrong's Funeral Home, 33 Russell Street, Petitcodiac, NB (506-756-3361). A Celebration of Brayden's Life was held on Tuesday, July 19th, 2016 at 11:00am from Armstrong's Funeral Home Chapel. Donations in Brayden's memory may be made to the IWK Children's Hospital or the charity of your choice.

OBITUARIES

Elton "Hoss" Lee Marshall

1957 - 2016

It is with great sadness the family announces the passing of Elton "Hoss" Lee Marshall of Norton on July 4, 2016 at his home. Born in Moncton on December 20, 1957, Hoss was a son to the late Guy and Welthy

(nee Hopper) Marshall of Mapleton.

Hoss was employed with Prime Valley Holsteins and moved to Norton to be closer to his work. In his earlier years, he helped work on the family farm and in the spring enjoyed working at the family maple bush where he enjoyed meeting new people. Hoss was a caring and loving person and loved being the big tease to everyone. One of his pet peeves was being called "Elton" by his sister who he was always correcting. Hoss was so proud of his son, especially seeing him graduate from the RCMP Academy.

Hoss will be sadly missed by his only son Russell Marshall (Cortney) of Swan River, Manitoba; his sister Glorena Hiltz (David) of Petitcodiac; his brother Eugene Marshall (Laurin Davis) of Moncton; as well as many nieces, nephews and extended family. Besides his parents, Hoss was predeceased by an infant brother and by his two nephews Nathan and Matthew Hiltz.

Arrangements were entrusted to the professional care of Armstrong's Funeral Home, 33 Russell Street, Petitcodiac, (506)756-3361. As per Hoss's request, there was no visitation or funeral service. A Graveside Memorial Service was held at the New Elgin Cemetery on Friday, July 8, 2016 at 11:00am with Pastor David Woodworth presiding. A reception at the Laurie Bishop Elgin Seniors Center was held following the service. Donations to your local RCMP Peace Officer Memorial Fund in Hoss's memory would be appreciated by the family. On-line condolences are available at www.armstrongsfh.com

OBITUARIES

Stephen Carl Hawkes

1972 - 2016

It is with incredible sadness that we, the family of Stephen Carl Hawkes, announce his sudden passing on June 17, 2016. Steve was born on May 25, 1972 at the Moncton Hospital to parents Carl and

Norma Hawkes.

He leaves behind his best friend, soul mate and wife of 22 years, Darlene (nee Steeves) Hawkes, his precious children; daughter Makayla and son Canyon. He is survived by his sister Lisa Fagan (Shawn); a very special grandmother Margaret Burbine; mother-in-law Cheryl Steeves; brothers-in-law: Darrin Steeves, Derek (Lynn) Steeves and David Steeves; sister-in-law Deina Steeves; nieces: Sarah Steeves and Elizabeth Fagan and Nephew Matthew Fagan. He also leaves behind two very special friends, Meaghan Pennell (Matt) and Jesse McGibbon (Mattea), whose lives he greatly touched. He was predeceased by his father-in-law Wayne Steeves in 2011. Steve was well liked and respected by all who knew him, most especially his friends, his hockey family and past and present co-workers.

Steve was a past employee of Hub Meat Packers/Maple Leaf Consumer Foods for 23 years. He started as a part time student in 1989 and with hard work and dedication he worked his way up to a supervisor position, showing his strong leadership ability. In 2012 he was asked to join the Irving Team and excitedly took on the position of D Shift Manager at Irving Tissue in Dieppe. Even though he was only there for 4 short years, he was passionate about his job and was proud to be part of the Irving group.

He attended the Petitcodiac Baptist Church where he volunteered in the youth program. He was an integral part of the Petitcodiac/Salisbury Minor Hockey Association as a manager and coach for Canyon's team for several years. Steve was an avid Chicago Bears fan and was most happiest when he was entertaining around the firepit in his backyard with his family, friends and neighbors. He gave love to so many and was loved by so many in return.

Arrangements were entrusted to the professional care of Armstrong's Funeral Home, 33 Russell Street, Petitcodiac, (506)756-3361. Visitation was held at the Petitcodiac Baptist Church on Friday, June 24, 2016 from 2-4 and 6-8 pm. The funeral service was held on Saturday, June 25, 2016 at 11:00 am also at the church. Donations to a charity of choice in Steve's memory would be appreciated by the family. On-line condolences are available at www.armstrongsfh.com.

Library Hours: open Tuesdays, Thursdays, Fridays, Saturdays from 10am-12pm & 1-5pm, and Wednesdays from 1-5pm & 6-8pm.

The Salisbury Parks and Leisure Department will be hosting the Second Annual Lobster Roll Dinner. The event will be held August 20th from 4:30-6:30 at the Salisbury's Lions Club and the meal will include a lobster roll, potato salad, coleslaw and strawberry shortcake for dessert. (A chicken salad roll will also be available). Tickets are \$15 each and can be purchased at the Salisbury Village Office or Parks and Leisure Department. All proceeds will go to the Highland Park Revitalization and Local Trail Development Fund.

The Department will also be hosting their Third Annual Bike Rally/Race at Highland Park. The event will run Saturday, August 20th at 9:00am and registration is free. Children under the age of 5 will complete 1 lap of the Highland Park Trail, children ages 5-8 will complete 2 laps and those ages 9 and up will complete 3 laps. Registration is free at the Parks & Leisure Office or by phone.

We will also be organizing the Second Annual Fun Run/Walk on Sunday, August 21st. The event will begin at 9:30 am at Highland park and finish at the park. The route will be mapped out throughout the Village and will be 5km long. The fee to register is \$25 which includes a t-shirt and finishers medal. Prior to this will be a 1km run/obstacle course for children. Registration fees for youth is \$15 which also includes a t-shirt and finishers medal.

*For any additional information or to register for these events you can stop by either the Parks and Leisure Office or the Village Office. You can also email leisure@salisburynb.ca or call the office at 372-3280

A BIT ABOUT OUR CANADIAN HISTORY AS WE NEAR 150 YEARS OF CONFEDERATION

Important Dates in Canadian History:

30,000 - 10,000 BC - Prehistoric hunters cross over into Canada from Asia when the sea levels created a temporary land bridge between Asia and Alaska. There are still studies being made to determine when the first humans made their way to this land, there are sites in the Yukon that humans may have occupied as long ago as 20,000 to 25,000 years ago.

By the time the Europeans arrived a wide variety of aboriginal societies had spread across every region of North and South America. In Canada there were more than 50 separate Native languages. Today there are only three that are strong enough to last: Cree, Ojibwa and Inuktitut the language of the Arctic. Entire cultures have disappeared. To be continued in September Issue.
