## From the Editor

July 2017 - There is no end to things to do, if you are in New Brunswick, Nova Scotia or Prince Edward Island. Because of Canada's 150 years since Confederation there is an event for everyone to enjoy. I can't even begin to list every thing. There are the Canada Day celebrations on the first July weekend: the Riverview Sunfest from June 28 to July 1, a 4-day event filled with something for every one; from July 5-9 is the Shediac Lobster Festable, Shediac is the Lobster Capital of the World; Festival Western de Saint-Quentin July 4-9, calling all cowgirls and cowboys; Buskers on the Bay Festival July 12-16 in Saint John for the best street theatre and comedy; New Brunswick Highland Games Festival, Fredericton July 28-30; There is the Tidal Bore that happens twice a day at the Moncton Bore Park; then there are all the local festivities, such as the 17th annual Atlantic Nationals, Moncton July 5-9; Show & Shine events, East Coast Smoke n Shine River Glade & Petitcodiac July 2, and the Codiatic Classics on downtown Petitcodiac July 23; Stockcar, Drag and Motocross racing, check for dates, the motor sports racing for 2017 promises to be the best ever. There are several Museums in and around this area to visit as well. So you can find lots to do with your visiting friends this summer.

The Maritime Motorsports Hall Of Fame is preparing for its first ever Golf Tournament fundraiser on August 12 at the Petitcodiac Golf Club, so, now is the time to get signed up for the fun.

Looking forward too seeing you this summer at the Maritime Motorsports Hall Of Fame & Museum.

Your editor,  
Winona McLean

## You just thought....

You were just thinking that you helped out at some organization. You probably did. What you didn't realize was that with helping out/volunteering you are at the fore front of changing the world. Every volunteer makes a very valuable contribution. The smaller volunteer organizations are even further ahead on many fronts then the large corporate volunteer organizations. You might think how is that possible That is because small community groups do not have a lot of infrastructure to worry about, this keeps their costs low. They are often grass roots with specific ideals. This brings people with valuable expertise toward the cause, together. When Young people become involved, they offer a much higher awareness of the new technology and often own it too. This makes these organizations very efficient. Many small groups are ahead in knowledge when it comes to technology in comparison to the larger organization. Small groups have more flexibility and that leaves an opportunity for input and quick changes in strategy if needed. This means that you as volunteers are the change makers in the world. If you want to see a change : Volunteer. Make your voice heard.

## HAPPY CANADA DAY JULY 1ST

On July 1st, we celebrate the 150th birthday of Canada, and all the great things our nation represents. We're proud of our country and the values it upholds, and we salute the dedicated people in each of our communities who provide opportunities for us to express our pride.

I encourage everyone to take part as we count our blessings and give thanks for this great nation.

## Elgin W.I. Receive Awards

Upwards of 30 people attended the Canada 150 Tea Party, hosted by the W.I. held at the hall.

President Hazelanna Carter welcomed members and guests.

Some lucky ladies won door prizes.

Julie Kean Marks welcomed everyone when they signed the guest book, Canada 150 flags and pins were given out.

Julie Kean Marks held a Canada Day Quiz. This was very informative.

Moranda Vangeest told everyone her idea what it means to be a Canadian Citizen?

What a great story. Moranda spoke about her life in the Netherlands before coming to Canada.

The following W.I. members received certificates of years as a member: Gail Crandall - 17yrs; Pauline Whittle - 16 yrs; Moranda Vangeest - 15 yrs; Linda Jonah - 10 yrs; Winona McLean - 10 yrs.

Following the presentations a brief W.I. meeting was held.

It was noted 7 Grads received cards and gifts from the W.I. group.

Two W.I. ladies attended the one day Provincial Convention in Fredericton.

July gathering at Corn Hill Cedar Cafe.

Meeting to be held at the W.I. Hall

The Elgin eco Association is happy to announce that they are now owners of 8 new kayaks. Thanks to the grant from the Province of New Brunswick. We hope to develop programs around this new feature. It will be a while before we can rent these kayaks out and the right plans to do this has been developed. However they will be used during the summer adventure program.

The summer adventure program is FULL. We would have loved to be able to add more, but space is limited. We are working on a EEA Youth. This will help cover the need that is out there for these types of outdoor adventure programs. This is the same for adults outdoor activities in the Elgin Area. Elgin is a great place to experience the outdoors. The Elgin Eco park has various BICYCLE OBSTACLES

in the park. It also has a beautiful flower garden with a LIBRARY where anybody can pick and / or exchange a book. Lots of children books make the round. It all is FREE. Of course don't forget THE MAPLETON ACADIAN FOREST NATURE PRESERVE this is a gem with many birds being observed nesting this year. The public is asked to let us know when they do spot a 'CHIMNEY SWIFT' flying in the preserve and note where you saw it. This is an ongoing study by Canada Bird.

Swallow like

### •Size & Shape

Chimney Swifts are very small birds with slender bodies and very long, narrow, curved wings. They have round heads, short necks, and short tapered tails. The wide bill is so short that it is hard to see.

### •Color Pattern

They are dark gray-brown all over, slightly paler on the throat. At distance and when backlit against the sky they can appear to be all black.

### •Behavior

Chimney Swifts fly rapidly with nearly constant wing beats, and often twist from side to side and bank erratically. Their wing beats are stiff, with very little flex at the wrists. They often give a high, chattering call while they fly.

### •Habitat

Chimney Swifts nest in chimneys and on other vertical surfaces in dim, enclosed areas, including air vents, wells, hollow trees, and caves. They forage over urban and suburban areas, rivers, lakes, forests, and fields.

### What's Cooking? In Winona's Kitchen

#### BAKED SHRIMP & SCALLOP CASSEROLE

In sauce pan mix  
 7 Tablespoons of butter or margarine  
 12 large scallops (if using frozen thaw first, you don't want the water from them)  
 12 shrimp (raw or cooked, tails removed)  
 5 minced garlic cloves  
 ¼ teaspoon nutmeg  
 Salt & pepper to taste  
 2 Tablespoons each red and green peppers, onion  
 Heat until butter is melted  
 Stir to combine.  
 Place in casserole dish  
 Top with bread or cracker crumbs, about 1 cup  
 Dot with butter  
 Bake at 400 degrees F. for 15 minutes or until scallops and shrimp are cooked to your liking.  
 Top with grated cheese, place back in oven until cheese is melted.

### Raise the Maple Leaf

By Gloria J. Scribner

I've known you thro' the fleeting years  
 I've always called you "home".  
 I've pondered fertile summer valleys,  
 As I dreamed alone  
 By purple fields and golden studded  
 Waves of Autumn corn.  
 And I have no desire to stray  
 From the land where I was born.

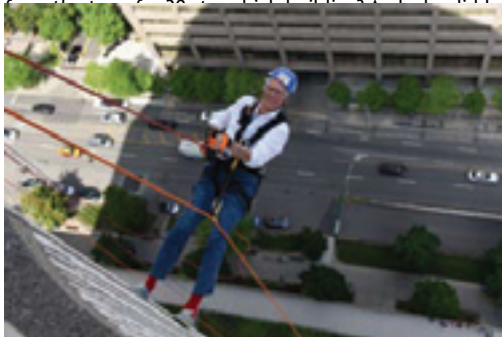

Dominion, under freedom's skies  
 From west to eastern sea.  
 One hundred fifty pleasant years  
 (and half were spent with me).  
 Oh Canada! What promise still  
 Your gift of homeland fair.  
 Thro' storm and strife to hope and life,  
 Forefathers's answered prayer.  
 From mountain range, o'er prairie wide  
 The immigrants relief.  
 We all salute you Canada,  
 And raise the "Maple Leaf".

## Over the Edge: An Experience I'll Never Forget

The Doctor Game - W. Gifford-Jones M.D.

For Release - June 19, 2017

Why would anyone in their 94th year, without consulting a psychiatrist, agree to descend from the top of Toronto's City Hall on a rope? My wife thought I had gone mad. Surreptitiously, I momentarily agreed with her! So what was it like descending (rappelling) from the top of the City Hall? It was a great experience. I'll never forget it.

My son is one of many volunteer WISH Grantors for Make-A-Wish Canada. It grants wishes to children who have life-threatening illnesses. Since 1983 it fulfilled all kinds of requests for 6,800 children. And each year 600 more are granted the wish of their dreams. I discovered that my son was rappelling not only for a great cause but also for his current wish child, Kyle. It occurred that I might join him in this worthy cause.

So what wishes do these children seek? You may have guessed that many young children want to go to Disneyland and meet Mickey Mouse. Some ask for the experience of meeting a fire-fighter. Others who hope to become a ballerina want to meet one.

One wish child experienced an epileptic seizure. Unfortunately, his diagnosis was a life-threatening brain tumour. Until then, he had dreamed of being a naval pilot. However, this dream being impossible, he was granted the experience of landing on an aircraft carrier.

This boy's dream caught my attention. As a boy I had never dreamed of landing fighter planes on an aircraft carrier. But years ago, the U.S. navy flew me as a medical journalist onto the deck of the nuclear aircraft carrier U.S.S. Nimitz during its maneuvers in the Atlantic. I was sent to report on its medical facilities. I'm sure this young boy's heart rate increased, as did mine, prior to landing. He would have had the experience of sitting in the Admiral's chair overlooking the activities of the flight deck, see the surrounding escort destroyers and cruisers and how, by using a flight simulator, he could land one of the fighter planes. He would have witnessed the drama of seeing night patrols taking off and landing on the carrier.

So this boy was on my mind on June 9th as I approached City Hall. I could see people already descending the building by rope and my first thought was "Holy Cow! I'm going to be up there soon!" which left me with a combination of excitement and considerable apprehension.

Once on the roof of City Hall, I was struck by the incredible view of Toronto, possibly too good a view as I considered the height! Then the highly trained staff from OVER the EDGE began fitting my son and me with harnesses. Instructions followed. What to do with hands and feet on the way down, and just as important, what not to do.

I've never listened to instructions more carefully. I hoped the staff monitoring my descent were not tired. I also hoped no critics of my column were present who would love to cut the rope.

Finally with much preparation I climbed cautiously over the top of Toronto's City Hall. Then, with my son beside me, we descended slowly down the wall for the next 20 minutes.

Now that I've landed safely on Terra Firma I can hardly believe it's happened. My hope is that this column will make more people aware of the good deeds of Make-a-Wish Canada. Consider the experiences many of us have had over a lifetime. These children with life-threatening disease are asking for just one single wish. How could any refuse?

So in the end my decision, crazy as it may have been to drop down the side of a tall building in my 94th year, ended well. And as the oldest one to do it, it resulted in a spectacular and gratifying day.

I have also never received a better medal placed around my neck. The medallion reads "I DID IT, ROPE FOR HOPE".

## Celebratory Gardens

of Canada, author and broadcaster. Get his free monthly newsletter at [markcullen.com](http://markcullen.com). Look for his new best seller, 'The New Canadian Garden' published by Dundurn Press. Follow him on Twitter @MarkCullen4 and Facebook.

It's our birthday. Our country is 150 years old. What are you doing to celebrate? If travel is in your future and you are wondering where to go, I have a suggestion: Canada's great gardens.

### The Butchart Gardens

Let's start with the grand daddy of them all. Suffice to say that more people visit The Butchart Gardens, near Victoria B.C. than all public gardens that require paid admission combined. But I don't know that for sure.

What I do know for sure is that this is the most spectacular Canadian garden that you can imagine. Management are meticulous in their maintenance of the place. There are many concerts, night illuminations, Saturday night fireworks, a new (2009) Rose Carousel and Children's garden.

Admission is about \$33 for adults. It is a bargain. When I travel to Britain, to visit gardens, this is a very low fee, indeed. I paid over \$100 Canadian to go to the Chelsea Flower Show last month.

### Tofino Botanical Gardens

While you are on Vancouver Island, why not drive up the east coast and head west about half way up to visit an extraordinary garden in Tofino. Selected by Jane Perrone, the gardening editor for the UK's Guardian Newspaper, as one of the best public gardens in the world.

This garden features 12 acres of shoreline, gardens, forest and ongoing activities. Take your time here and be mindful that his valuable property is part of the UNESCO Biosphere Reserve: the Clayoquot Sound. <http://www.tbfg.org/>

### Annapolis Royal Historic Gardens

When celebrating Canadian history this public garden should top your list. This garden reflects life during a time that we have almost forgotten about: the early to mid 1600's. The design and layout walks you through a rich, historic tale of life as an Acadian in one of the first European settlements in North America.

In addition to the history celebrated, there is a rose, evergreen, azalea and winter garden. Kids are catered to in a big way with special activities throughout. Look for 'Workshops for Kidz' on their website. Admission is only \$14.50 for adults. For details go to [www.historicgardens.com](http://www.historicgardens.com).

### Halifax Public Gardens

This is the finest example of a Victorian style garden in North America. Created in 1867, it has a rich history that pre dates Confederation. 14 acres featuring meandering paths, a gazebo for public performances (of which there are many), giant rhododendrons, amazing water fowl and a great place to people watch in the centre of the city. Free admission. <http://www.halifaxpublicgardens.ca/>

### Montreal Botanical Garden

The Montreal Botanical features extensive greenhouses (with a tropical rain forest), an orchid and Aroid collection, bonsai, a fern collection, lots of educational and fun activities for kids and one darn good walk. Plan to visit the library, a decent restaurant and a special exhibit called 'Space For Life' in the Biodome: a participatory movement and exploration of the planets biodiversity through science, you have to see it. At 190 acres it is a darn good walk too. [www.espacepourlavie.ca](http://www.espacepourlavie.ca) Adult Admission \$20.50.

In Ontario, there are many great gardens worthy of your time and sometimes a small entrance fee. In the City of Toronto, there is High Park (<http://www.highparktoronto.com/>), Allan Gardens (<http://www1.toronto.ca/parks/prd/facilities/complex/41/>), and of course the Toronto Botanical Garden that just gets better every year. <http://torontobotanicalgarden.ca/>

Of course there is only one ROYAL Botanical Gardens in North America, in Burlington/Hamilton, with almost 2,000 acres of formal gardens (including the new \$18 million Rock Garden), nature trails, Coots paradise, extensive greenhouses, a restaurant and more. <http://www.rbg.ca/> Happy horticultural birthday Canada!!!

# "Ask Your MLA" - Ross Wetmore, MLA Gagetown-Petitcodiac

## Bravo once again for New Brunswick's Auditor General Kim Macpherson.

When the people of New Brunswick need a champion of openness and accountability, they can depend upon our Auditor General to defend the interests of the taxpayers. On May 9th, the Auditor General advised the Gallant government's self-created and self-appointed Audit Committee that she would be tackling the property tax scandal.

The Audit Committee was announced last September and consists of the Premier's Chief of Staff, the President of the Treasury Board (Minister Melanson), the Deputy-Minister of Finance, the Clerk of the Executive Council among others; hardly a non-partisan and independent body. The formation of this committee did not get a lot of publicity and many people are unaware of its existence.

In a hastily thrown-together press conference on Monday, June 5th Environment Minister Serge Rousselle revealed that former Justice Joseph Robertson had resigned from the Gallant government's internal review of the property tax scandal. Good for Justice Robertson.

The retired judge had been given a mandate that was designed by those responsible in large part for the scandal. The powers given to Justice Robertson were severely watered down compared to those now available to the Auditor General under the Inquiries Act. In short, he was not given the tools to do a job worthy of his credentials and credibility.

From the time the Premier announced this self-serving inquiry, our leader Blaine Higgs and the Official Opposition have repeated the message that this inquiry was not independent and was reporting to the wrong body, namely the Executive Council. The Executive Council is headed by Premier Gallant, the central figure in the property tax scandal. There was no possible way that the exercise would have the perception of fairness and impartiality to the taxpayers and victims of the scandal. Our criticism was ignored and/or insulted by the government as per their usual practice.

On Friday, May 5th the Gallant government shut down the legislature and ran from the property tax scandal. On Tuesday, May 9th the Auditor General took responsibility for getting to the truth of the matter. We wish her well on her mission and hope that the Premier's actions and involvement will form a chapter of her final report.

The Auditor General's report on the property tax scandal will be presented sometime this fall, as will her report on ATCON.

The problem-plagued Premier and his MLA's have a rough summer ahead. Just lately, the Gallant government's new electronic recycling fee came into force. Many people are viewing this new fee as another hidden tax. Consumers will be hit with a hidden fee of up to \$46 depending upon the device.

Recently, we also learned that our driver's licenses will no longer be printed on the spot at Service NB offices. The Gallant government has joined the other Atlantic Liberal governments and awarded a contract to an Ontario firm to print the licenses. Now, you will no longer walk out of Service NB with your new license, but will have to wait for 10 days or more for your license to be mailed from Ontario. Once again, the Gallant government is sending more work out of province. Add driver's licenses to snow plows, hydro poles, construction work and road salt. When the government ships more work out of province, the end result is more of our workers are leaving the province as well. It's a simple concept that seems to be lost on the current government:

Keep work here, keep workers here.!!

The Village of Petcodiac, in partnership with Ten Thousand Villages, is excited to welcome Festival Inspire to our community this summer from June 27th until July 3rd!

Inspire brings color, culture, and character to the region by putting art in public places, and promoting art for art's sake! The festival transforms the Moncton cityscape for 7 days into a visual wonderland with murals and live art, interactive installations, projection mapping, street performance, circus, music, and more. The murals stick around even longer than the festivities, building a legacy of character, culture, and beauty. The Village of Petcodiac is honored to benefit from the experience of this festival in the form of an Inspired event.

Festival Inspire is a Moncton-based, internationally-reaching, non-profit street arts festival designed to engage and activate the imaginations of all ages in the celebration of all things ART. Inspire brings artists from all around the world to light up the city with magic.

This summer, Inspire is bringing its proactive culture of art in public spaces to the Village of Petcodiac. Dynamic murals replace dull walls that were subject to vandalism or 'tagging', neglect or despair. Everything is created in high traffic, high visibility areas to be experienced by the largest audience possible, at the beginning of the warm months for all to enjoy all summer long. By creating collaboration between local businesses, artists, community organizations and residents, the festival offers long lasting character, energy and beauty, economic growth, increased tourism, and prosperity to the community.

The Village of Petcodiac and Ten Thousand Villages are excited to welcome Festival Inspire to join us in our Canada day line up where Inspire Artist Eva Bracamontes of Mexico will be painting the wall beside the Ten Thousand Villages store front. Stay tuned for details on Eva and how you can meet her while she's in our town for the week!

### 60th Wedding Anniversary Summer Community & Friends Party!

What a great way to see people that you haven't seen in ages, or to meet new friends and neighbours!

William and Beatrice LeBlanc of River Glade, NB, will be celebrating their 60th Wedding Anniversary on Saturday, July 15, 2017. Open house begins at 4:30 pm at 60 River Glade Road and will swing into an outdoor party and dance in the evening. Anyone who plays a musical instrument is invited to bring it along and play a song or two during the "Open-Mike" portion of the evening, starting around 7:00 pm. Karaoke will be available between sets by the band The Shindiggers, who will take the stage around 8:30 pm. Everyone is asked to bring along their most comfortable lawn chair and "Best Wishes" only for the happy couple!

Neighbors, the music may be loud so why not come on over and enjoy it with us?!!

Any questions? Please feel free to call us:

Janice - 872-4435 Wendy - 871-1910

Charlene - 372-5135 Tracey - 961-4900

Donna Cromwell

Amidst the sadness we wish to also celebrate the wonderful woman which we were privileged and fortunate enough to call Mum, Donna Shirley Cromwell, of Petitcodiac as

she left us Saturday, June 10, 2017 at the Moncton Hospital.

All of us live our lives every day to the fullest drawing our courage and moral compass from the lady who never complained and constantly sacrificed herself behind all others. She always had a kind word or an expression of hope.

Her life with cancer and the strength of character she exemplified throughout those many years compelled you to push through all life's complications.

85 years young and embracing the iPad to stay current with her children, grandchildren, great grandchildren and great great grandchildren. This generation of people will sorely miss that influence and light in their lives as will those children that come after as she was and is an unrelenting influence with her silent leadership. Never a disparaging word but only wishes of encouragement and positive faith in people, how different our lives would have been had we not been so blessed to have her show us by example how to love, cherish and embrace the precious time we have.

Born in Petitcodiac, she was the daughter of the late Hugh and Mary (Wilson) Perry. Donna along with her late husband Corey owned and operated the Land & Sea Market in River Glade. She enjoyed knitting and cherished the family get togethers.

She is survived and dearly missed by her children Brian McMackin (Barb), Salisbury, Darlene Hopper (David), Salisbury, Jeffery McMackin (Diana), Enfield N.S., William McMackin (Jocelyn), Moncton, Terri Cromwell (Nancy), Saint John, Coreen Kemp (Bob), Toronto, Ont., Barb Streeter (Marty), Whitby, Ont., James Cromwell (Kathy) Oromocto; special daughters-

in-law Monique and Denise, sister Phyllis Chambers, Petitcodiac; several grandchildren & great-grandchildren, nieces and nephews and beloved canine companion Holly. Besides her parents Donna is predeceased by her husband of 43 years Corey and sister Lillian Hopper.

There will be a private family graveside service held at Maplewood Cemetery, Petitcodiac. Arrangements are in the care of Salisbury Funeral Home (372-4800).

If desired, donations to the Canadian Cancer Society or a charity of your choice would be appreciated by the family.

Roy Cosman

Roy Leslie Cosman, 86 of Havelock passed away peacefully with family at his side on June 19, 2017 at the Jordan Life Care Centre.

Son of the late Lawrence and Julia (Thorne)

Cosman, he was raised by his late Uncle & Aunt, Leon & Edith Ryder. Roy was self-employed as a woodsmen and trucker and also enjoyed the outdoors, hunting and fishing and spending time with family.

He is survived by his beloved wife of 65 years Veta (Carson); children Diane Bannister (Gordon), Janet Taylor (Walter), Catherine Kelly (Carl), Alanna Lounsbury (Doug), Graham (Kelly), Shelley Thorne (Philip), Lori Perry (Kevin); brother Malcolm Cosman; sisters Ernestine Delong, Audrey Shannon (Don); 17 grandchildren and 25 great grandchildren; nieces and nephews.

Roy was predeceased by brothers Allan and Kenneth; sisters Ella Brown, Mary Hough and Madeline Hanks.

Resting at the Salisbury Funeral Home 3350 Route 106 (372-4800), from where there will be visitation Wednesday 7-9pm and funeral Thursday, June 22nd at 11:00am with Rev. Glen McVicar officiating. Interment at the Wesleyan Cemetery in Havelock.

If desired memorials to The Jordan Life Care Centre or a charity of your choosing would be appreciated by the family.

Sincere thanks to Dr. R. Morton and the staff of Jordan Life Care Centre for the care Roy received.

## OBITUARIES

Herbert Carter

It is with grief stricken hearts that the family of the late Herbert S. Carter announce his passing on June 16, 2017.

He is survived by and sadly missed by daughters Wanda Carter, Brenda Edgar

(Robert), and Barb Edgar (Karl) and his two sons Herbie Jr. (Cathy) and Nicholas Brandon (Laurie); grandchildren Chris Carter, Shawn Edgar (Meagan), Kody Edgar, Kyle Edgar (Angel), Alex Edgar and Ashton Edgar, and very special great grandchildren Dawson, Kalleigh, Aleah and Alydia. Predeceased by his wife of 58 years Helen (Killam) Carter and granddaughter Tori Ann Edgar; sisters Annie, Dolly, Florence and infant sister Lena; brothers Robert, Kennie and half-brother Ceril.

He was the son of the late Clyde and Annie (Campbell) Carter.

Dad was a hardworking, loving husband and father who would do whatever he could for his family, friends and anyone who came to him and asked. He spent most of his life working hard with his hands. He started working at a very young age on the farm of Roy Patterson and then ventured out west lumbering in his early teens. Moving back to New Brunswick, Dad was employed in the blueberry fields, and doing bodywork, he also worked in N.F.L. and later in Ontario finally making his roots in Petitcodiac area where he lumbered for several years. He later worked in construction for Norman Rogers before starting his own company Carter's Construction which he kept going into his early 80's. It was also during this time that he owned and operated a general store with his wife Helen as well as them being foster parents to many children.

Dad loved to play cards with his family and friends (which on occasion would suspiciously turn in his favor.) He was very proud of all his grandchildren and great grandchildren and loved and waited for their visits. To them he was known as Papa.

Dad loved to work and that's what kept him so young. One of Dad's other favorite things to do was to take long drives on back roads and now this gives us peace of mind to know that dad's life ended doing one of the his favorite things.

### A Close Shave >>

An elderly man was explaining to his barber that he couldn't get a clean shave due to the creases in his cheeks. It was impossible to shave properly. The barber sat him down in the chair, put on the cape and told him that he could give him a good clean shave using an old tried and tested method. He reached in the drawer and took out a small round wooden ball and explained that all he had to do was put it in his mouth first on one side then on the other and bite hard on it. That will puff out your cheek ensuring a good shave. Says the customer, it's worth a try, let's do it. The senior put the ball on the right side of his mouth and bit on it, then after the barber had shaved that side the chap rolled the ball on the other side and bit on it. After the barber finished shaving him he took out his hand held mirror so the chap could see how the shave turned out. He was quite happy and impressed by the outcome, then he asked the barber, what would have happened if I had accidentally swallowed that ball? Oh, says the barber, no problemo. You could have just brought it back later as many others have!

Let's talk about an "abbreviated period of marital bliss". In 1974 in England, a couple were married by the Justice of the Peace then proceeded directly to their reception. The bride then surprised the groom when she announced to friends and relatives .....This won't work, then vanished out of sight! She was later quoted as saying ....I had my doubts before the marriage but didn't want to say anything to upset him. The double ring ceremony was over in less than 30 minutes! Let the trolling for a new partner begin!!

### People Who Laugh a lot Live Longer

## Hillside Church

I was told last year, there will be no anniversary service this year, due to the fact the church is in ill repair and not safe to have another meeting. There are very few living members left, and being the oldest, I decided to call a meeting to form an investigating committee to see if the church can be repaired enough to be safe to have a few more years of anniversary services. BECAUSE, funds gathered at these yearly services are the main source of income.

With the valuable help of Barb and Barton Ayer, the meeting was held on 20th November 2016.

The investigating committee was formed. They did a COMPLETE over haul of that little church on the hill, I think they went over that little church with a fine tooth comb!!

Meantime, I have had a number of meetings with Ross Wetmore, MLA for Petitcodiac region, who in turn has met with Brian Kierstead, MLA for Albert County. They are to meet with Alaina Lockhart M.P.

This has to do with applying for a grant from the Heritage Fund. If there is a form to be filled out, I have asked Ross Wetmore, if I can fill out that form.

For more information you can contact Lena Clarke at 756-8901 or email me at lenaclarke1927@gmail.com.

## Rural Rides is now a Registered Charity

Rural Rides was incorporated in 2014 with a mandate to provide affordable transportation to those who do not have access to transportation in Petitcodiac, Salisbury, Havelock, Elgin and all points in between with the help of volunteer

drivers. With a sizable grant from ESIC, the service was launched. At that time, we knew there was a need for the service and many had hoped that with the modest fees charged for rides that over time, it would become self-sufficient. Over the past few years through experience, growth and collaboration with other door to door driving groups in the province, two things became evident:

1. Many could not afford even the modest rates of \$.70 per km for rides
2. Rural Rides would never be self-sufficient and would always need grants and donations to continue to meet the transportation needs in the area.

In May 2016, the board of directors voted to establish a subsidized rate for those who qualified financially. Since the introduction of the subsidized rates the number of rides and frequency of use has increased dramatically. The cost of subsidized rides for the fiscal year ending March 31, 2017 was \$8230.07. Rural Rides provided 850 rides last year of which 684 were for medical needs. The remainder were for needs like banking, grocery shopping, food bank access and some social activities. More than 90% of our clients currently qualify for the subsidized rate. Our clientele is primarily seniors as well as some disabled residents and low income families.

We have been fortunate to receive ongoing funding from ESIC and additional donations from The Village of Salisbury, The Village of Petitcodiac, The Salisbury Lions Club, The Salisbury Lions Villa, a sizeable donation in memory of Chris Leaman and donations from local residents. As use of the service continues to increase, the need for funding to subsidize rides will increase as well. Additional sourcing of funding will be an ongoing need. (Pictured below are certificates of appreciation given to financial supporters at the Third Annual General Meeting held at the Salisbury Lions Club on May 30)

Charitable status was applied for in 2014 and was rejected with some suggestions from Revenue Canada. As part of the reapplication process, we fine-tuned our purpose to that of relieving poverty by providing affordable transportation to area residents and relieving conditions associated with aging such as loneliness and isolation by providing transportation to the elderly for medical appointments, grocery shopping and social or recreational programs. Reapplication was made in 2016 and with a few revisions. Charitable Status was received effective April 1, 2017, the beginning of our current fiscal year. Charitable Status allows us to apply for grants we previously could not apply for as a non-profit. Charitable Status also means that when you, a member of the community, make donations to support this worthy cause, you will receive a tax receipt.

Donations can be mailed to Rural Rides, 83 Horsman St, Salisbury, NB, E4J 3M2. Additional information about the service, how to volunteer as a driver or how to register as a client can be found online at ruralridesnb.com, via email at r.r.ruralrides@gmail.com or by calling Kelly at 215-0210

## Rural Rides Celebrates Volunteers

continued from June issue

Through the assistance of the New Horizons Seniors Grant, Rural Rides organized two Volunteer Expos in April during National Volunteer Week; one in Salisbury and one in Petitcodiac. The purpose of the events was to encourage volunteerism, particularly among seniors and to showcase the many volunteers already making our communities a wonderful place to live. The thousands of hours volunteers contribute are the backbone of healthy, vibrant communities. One does not have to look far to see the impact volunteers are having in our area. For those of you who missed the events, information on participating groups is provided below.

### SERVING ALL OF PETITCODIAC AND SALISBURY AREAS:

**Rural Rides** is a non-profit transportation organization that provides affordable transportation to seniors, the disabled and low income families in the Upper Petitcodiac River area. All of our drivers are volunteers but we do reimburse \$.35 per km for mileage. We are always in need of qualified drivers. Our board of directors is also volunteers and welcome new members to the board. 215-2100 <http://ruralridesnb.com>

#### Salisbury Area

**Royal Canadian Legion Branch 31** - You do not need to be in the military to be in the Legion. The legion uses volunteers for many activities through the year including their weekly suppers, Merry Makers, selling poppies and more. Call the Legion at 372-4730 for more information.

**Pine Hill Cemetery Ltd.** located at 2941 Main St. in Salisbury and has been in existence for many years with headstones that date back to the 1860's. The cemetery was incorporated on August 12, 1963. Over the years a dedicated group of volunteer directors have made many improvements including major expansion and beautification projects, construction of a burial vault and most recently new fencing. These projects were made possible through generous donations made by lot owners and Friends of Pine Hill. Pine Hill Cemetery is a non-denominational burial facility and is a registered charity and an official receipt will be provided for all donations. Burial lots are available for purchase. As with any charity volunteers are always welcome. Lawrence Wortman, President

**Salisbury Helping Hands Food Bank** is a non-profit organization that is run totally by volunteers to serve the Salisbury area. We are delighted if someone would like to share their time with us for a few hours each week, month or on a casual call in as needed basis. The Food Bank is open Tuesdays and Wednesdays from 10:00 am to 4:00 pm at 64 Douglas Ave. Salisbury. Volunteers help fill shelves, keep our food bank clean, and prepare grocery bags for our clients. New volunteers work with someone seasoned and there are always two people who staff the food bank during opening hours.

Confidentiality is very important and expected with all our Helping Hands Volunteers.

Our president is Tammy Constantine and we have a board of directors made up of an executive and our volunteers.

We meet the second Monday of each month at 7:00pm at the Food Bank. We can be reached at Salisbury Helping Hands during opening hours or leave a message 372- 9787

**Salisbury Public Library** - The Salisbury Public Library aims to meet the educational, cultural, informational and recreational needs of the community. As part of the New Brunswick Public Library Service, we provide access to a province-wide collection of more than 1.8 million items, 11000 of which are on our shelves. We have 7 public access computers, and offer programming for children, teens, and adults. We are always open to new partnerships and programming- let us know if you have an idea!

We are especially searching for volunteers to offer puppet plays for children, put up posters in the community to advertise library events, decorate our bulletin board, facilitate a French second language conversation circle, and offer one-on-one computer help

**The Salisbury Beautification Committee** is a group of 8-10 community members who work together to beautify the village of Salisbury. Some of our past beautification projects include: planting Marigolds on Main (with help from Salisbury Elementary students), hanging 18 flower baskets along Main and Douglas Street, adding green space and a walkway in front of village office, creating a flower bed on corner of Fredericton Road/Main Street and last year we initiated

a tree campaign and were able to plant 14 maple and linden trees along Douglas Street. We have concept plans drawn up and each year our goal is to maintain our current projects and work towards another phase of our plans.

We are always in need of volunteers. Anyone is welcome to join our committee. Volunteers are also needed to:

- Adopt a flower garden (help with weeding and pruning over the summer)
- Help is needed when we plant our flower gardens this summer
- Work on a committee to fundraise, search for grants and other funding
- Help with our tree campaign

For more information please contact, Karen Stewart 372-9275 or email [karen.stewart@nbcd.nb.ca](mailto:karen.stewart@nbcd.nb.ca) We would love to have you join us!

**Salisbury Lions Club** is part of Lions International and the local chapter has been in Salisbury for 60+ years. Salisbury Lions Club is a Service Club that provides donations and services to the Greater Salisbury area. Lions members volunteer for numerous projects, raising funds for worthy causes. If you are interested in finding out more about Lions membership, talk to any Lion member or contact King Lion Dwight Mann 372-5403.

Salisbury Lions Club, 63 Peter St. Salisbury, N.B. Phone: 372-9132

The mission of all **Boys and Girls Clubs in Canada** is to provide a safe, supportive place where children and youth can experience new opportunities, overcome barriers, build positive relationships and develop confidence and skills for life.

Our impact is measured by the improved life outcomes of each child we touch through our work. With the support of our volunteers, together we have made a visible difference to young people.

Volunteering opportunities: Evening programs through help with crafts, sports, music, and general interacting with children and youth. Volunteer by reading to children in our Early Learning Centre or lending a helping hand to the teachers in the Preschool Program. Our Preschool Program is a kindergarten preparation program. Please contact (506) 372-5873 or [http:// www.bgcsalisbury.com](http://www.bgcsalisbury.com)

**Community Garden** -Ensuring an enjoyable gardening experience for all of the garden community. Our hope is that all gardeners will build a nurturing community that will seek to learn from each other. Garden plots in the Salisbury Elementary playground can be obtained by contacting Karen Rogers at 387-4690. Gardeners are responsible for their own plot and some volunteer work for the overall good of the garden as a whole. Surplus veggies can be donated to the Food Bank.

### PETITCODIAC AREA:

**Westmorland Albert Agricultural Fair** -We are pleased to announce that we are celebrating out 46th year of the Westmorland County Agricultural Fair this August! Our county fair is taking place August 2nd to the 6th, and we have events and entertainment for all ages. Volunteers play a major part in our fair, as everyone who helps plan and run the fair are volunteers. We are always looking for new ideas and new faces to plan our yearly event. If you would like to help out please contact Janna at 506-750-0018. Don't forget to find us on Facebook! See you at the fair!!

**Royal Canadian Legion Branch 41** - You do not need to be in the military to be in the Legion. The legion uses volunteers for many activities through the year including their weekly suppers, Merry Makers, selling poppies and more. Call the Legion at 756-3383 for more information

## Cruising to the Motorsports Hall of Fame

The New Brunswick Antique Auto Club is hosting their annual Jamboree in Sussex. As part of their activities, they will be cruising to the Maritime Motorsport Hall of Fame on Saturday, August 5th, with a projected arrival of 11:00 a.m. Organisers of the event expect to have a large number of participants tour the Hall, learn about the accomplishments of the inductees and discover some interesting automotive displays. A BBQ is also planned during their stop at the Hall.

The New Brunswick Antique Auto Club was inducted into the hall in 2011 and it is quite fitting for the group from different areas of the Province to have this major cruise to the Hall. Locally in Sussex, some of the Club activities includes the Swap Meet for car parts which was held in May, several Cruise Nights, the Flea Market scheduled for August 18 to 20th. Many activities including car shows, cruises are held in various communities in the Province.

Several activities are planned for the Jamboree in Sussex, including a Mural Tour. A Show and Shine will be open to the public, from 12:00 to 4:00 p.m. at the 8th Hussars Sport Center, on Sunday, August 6th.

Photo Caption: Visitors from the Jamboree will be pleased to see Ron Cybulski wonderful display of automotive memorabilia at the Hall as Ron is also a member of the NBAAC.

Photo Caption: A treat to the Participants is the interesting murals in Sussex with several depicting automotive related scenes.
