## 56th Jones Auto Body River Glade International Results

RIVER GLADE, NB - August 16th, 2020) - The 56th Jones Auto Body River Glade International, which took place on Saturday evening, August 15th at Petty International Raceway in River Glade, New Brunswick. In another classic Petty Raceway showdown, Jonathan Hicken (Brudenell, PE) raced to the win after a fierce late race battle with Ashton Tucker (Lyttleton, NB) in the latest tilt between the two cars at the high banked bullring. Cory Hall (Jolicure, NB) completed the podium of the 27 starters in the marquee 56th Jones Auto Body River Glade International Pro Stock 150.

Jordan Veinotte (Porters Lake, NS) was the winner in the AE McKay Builders Late Model Sportsman portion of the 56th Jones Auto Body River Glade International. Support class wins went to Chase Livingston (Springhill, NS - Leisure Days RV Beginner Bandolero), Nathan Langille (Coldbrook, NS - Leisure Days RV Bandolero), Braden Langille (Shubenacadie, NS - Legend) and Cy Harvey (Elmsdale, NS - Heart of a Champion Hot Rod Classics Presented by NTN).

## From the Editor

What a different September this will be. Still so many things not allowed.

Hope your summer was not a complete loss

It was a very hot summer, someone told me it was the hottest summer in 80 years, I said I didn't remember that summer.

I hope all you new gardeners had a good crop and enjoyed doing it. The problem with my garden I didn't have enough water. I did make a bigger garden than usual.

Looking forward to the beautiful Fall leaves.

The New Brunswick election takes place September 14 with early polling booths September 5 and 8.

Remember to take your Voter Information Card with you. If you have moved or your voter information has changed call 1-888-858-8683 to have your information brought up to date. You are advised to do this right away so as not to have problems when you go to vote.

Wishing everyone the very best as they start back to school.

Have an enjoyable Labour Day holiday, and most of all remember to take care of yourselves and all those around you.

Now, it is your civic right to vote, this is the one time you have your say.

Your Editor

Winona McLean

### Historical Tid - Bits Back in the Day of Evan Steeves

Written by the late Mrs. Evans Steeves of Elgin and submitted by Idella Lazar

Most farmers had a few foxes in pens on the farm. They pelted them in the fall and sold the skins. Silver black fox was the popular fur then.

There was a gasoline tank in Goshen where the gasoline was pumped from an underground tank by hand. The gasoline flowed into a glass container and you could see it marked off by the gallon, like a measuring cup. The gasoline tank in the car we had was under the front seat. Both driver and passenger had to get out while being served. I believe the battery was also there. On the steering wheel were two shiny levers - one was a gasoline feed and the other spark. No starters then so the cars had to be cranked by hand. If the car did not start readily, the driver had to walk back to the

wheel and give it more spark. Our first car was open. Curtains were snapped on for cold weather but were not air-tight by any means. There were three pedals on the floor in front of the driver. One was a clutch, one for reverse and a brake. The clutch was to shift gears to get up hills the car couldn't climb when in high. Shifting wasn't all that difficult - just press the pedal to the floor. There was only high and low ahead. All our cars had bulb horns. Chains were used on the two rear wheels when the roads were ploughed to help on ice or snow. Cars had running boards and were easier to get into and out of, even though they were higher off the ground. Those cars were not capable of today's speeds, 30 or 40 miles per hour would be considered fast. What we now call the Trans Canada was the Post Road then. It would be the only one paved - if it was. Mud holes in the spring would be a source of anxiety and it was not unusual to have to be hauled out."

### FALL CLEAN UP (Curbside)

Village of Petitcodiac  
Friday, October 2, 2020

There will be several vehicles performing the task. FERO will pick up appliances, upholstered furniture including mattresses and box springs, wood and metal furniture, carpeting, storm windows. Construction and renovation materials can be left for the pickup only if they are boxed or bagged in small enough amounts to be hand lifted onto the truck. These items should not contain nails or other sharp objects that could pose an unseen hazard to the attendant. FERO will do their best to complete the task in the one day. If disposing of car tires please put out no more than four tires. For additional information, please call 855-3376.

### Southeast Eco360's "Mobile Eco-Depot"

November 4-5, 2020

7 Wheaton Rd., Petitcodiac - noon to 8 pm

You may drop off the following items:

**Appliances (limit of 1 of each type per client)** Fridge, stove, freezer, dishwasher, wall oven, water cooler, microwave, water heater, humidifier, dehumidifier, washer, dryer, BBQ, etc.

**Furniture** - Couch, chair, mattress, box spring, dresser, table & chair

**Small Household Machinery (must be emptied of gas and oil)** Snow blower, lawn mower, whipper snipper, chain saw, etc

**Construction, Demolition and Renovation Waste Construction debris** such as gypsum board, wood, wood deck, windows, doors, shingles, heat pump, water pump, etc. Household Hazardous Waste Batteries, cooking oil, aerosols, paint, light bulbs, fertilizers, chemicals, CFL bulbs, propane tanks, etc.

**Car and truck tires** (max of 20" diameter, limit 8 per customer)

**Brush/Branches** and yard waste Ashes Glass Cardboard and paper Cooking oil Metal

**\*\*No** car parts, gas tanks, residential oil tanks, regular curbside waste or commercial waste. Limit ½ ton truck and Utility Trailer Load

\*Please note that **NO** commercial loads will be accepted. This service is offered for residential waste only.

For more info call 877-1040.

Just a Reminder: As per the village's by-law, dogs are not permitted to run at large and must be on a leash when off the owner's property. Also, if a dog defecates on any public or private property other than the owner's property, it is the dog owner's responsibility to remove it immediately.

## Planners & Procrastinators:

### Rejoice, it is Still Planting Season

Mark Cullen is an expert gardener, author, broadcaster, tree advocate and Member of the Order of Canada. His son Ben is a fourth-generation urban gardener and graduate of University of Guelph and Dalhousie University in Halifax. Follow them at markcullen.com, @markcullengardening, and on Facebook.

There are two types of people thinking about planting in the veggie garden right now: planners, and procrastinators.

The planners are the people whose yields are out of this world, with a planting and harvesting schedule that beginnings with seedlings back in February and continues with cold frames and heat tunnels into December.

Then there are the procrastinators - no shame here. They started out the season with good intentions, and maybe have not yet gotten around to planting anything.

Come together, gardeners - now is a great time to plant for everyone. No frozen fingers sowing seeds into the soil like in early spring, but maybe frozen fingers when it comes time to harvest this crop. That is not today's problem though.

#### Things to Plant in Late August

-The "Tough Greens" - Lettuce, Swiss Chard, Spinach, Kale and Collard greens. You could call these the tough greens because they will make you strong like Popeye, or because they can get tough in texture if allowed to

grow past maturity. We refer to them as the tough greens because they stand up well to cold - with spinach and swiss chard surviving even light frost. In fact, many people report that they become sweeter in the cooler temps as it allows for the sugars to fortify. Perhaps, but no amount of naturally occurring sugars are going to move these greens to the dessert table. Here are some things to consider for late season greens:

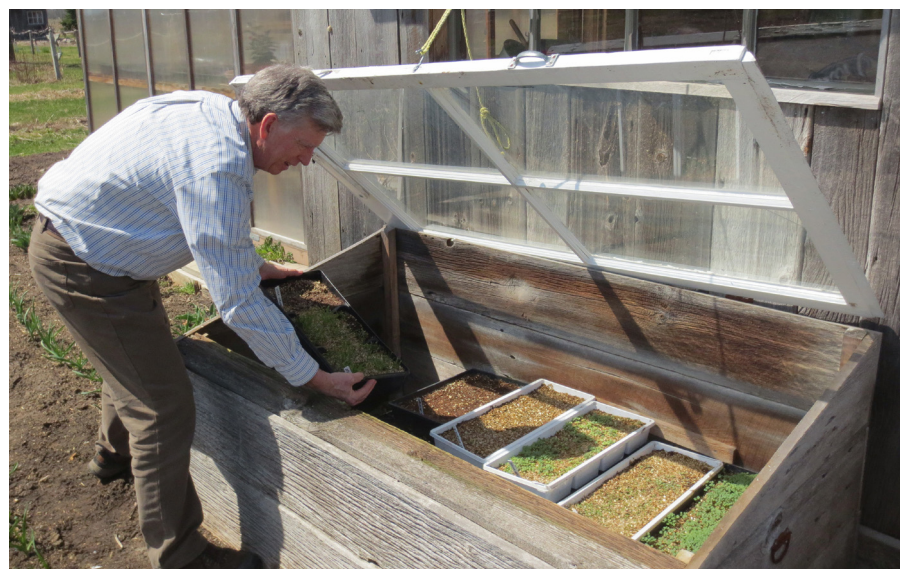

\* For those that are not frost hardy, consider your first-frost date and count back from the number of days to maturity. For example, if your first frost is November 1st, a tender green with 50 days to maturity should be planted at the latest by September 10th.

\* Get an extension. This is a lot more fun than bargaining for an extension on

that assignment, but it can involve an equal measure of creativity - building your own season extender. This can come in many forms, the most practical

of which for home gardeners is usually a cold frame or "grow tunnel". Cold frames sit on the ground with a slightly elevated piece of glass angled towards the south to catch sunlight, creating a mini greenhouse. Challenge your creativity by sticking to leftover building materials, as Mark did. High tunnels are row covers made affordably using greenhouse poly and simple hoops to elevate it off the crop. The greenhouse effect of a well-designed cold frame or grow tunnel can add up to 6 weeks for frost tender crops and keep your frost hardy crops such as kale or radishes going all winter.

-Garlic. You might be asking yourself, "isn't the fresh garlic crop

# ELGIN NEWS!

## Elgin WI News for September 2020

In 1984 the Elgin Women's Institute took on the **HOME TOWN RECIPES** cookbook as a project to recognize New Brunswick's Bicentennial. "Some of them are treasured old family recipes; some are brand new, but every single one reflects the love of cooking that is so very strong in this, our Albert Country home of ELGIN." We would like to share just a couple with you. Enjoy!

### SWEET GARLIC PICKLES

6 cups of white vinegar,  
2 cups water,  
4 cups white sugar,  
¾ cup salt,  
¼ tsp. turmeric,  
2 tsp. celery seed,  
pinch alum,

2 small pieces fresh garlic cloves in each jar.

Heat to boiling. Slice small cucumbers and pack upright in jars. Put in 2 pieces of garlic in each bottle and pour over hot syrup. Seal tight.

### SUNSHINE SALAD

2 envelopes unflavoured gelatin,  
1 cup cold orange juice,  
¼ cup sugar,  
1/2 tsp salt,  
juice of 2 lemons,  
1 can (14 oz.) can pineapple chunks in juice,  
1 can (10 oz) mandarin orange sections (drained),  
1 cup coarsely grated carrots,  
½ cup celery slices (cut in ¼ inch wide pieces).

1. Sprinkle gelatine over cold orange juice.
2. Place over low heat; stir until dissolved about 4 minutes. Remove from heat and add sugar, salt and lemon juice.
3. Drain pineapple chunks. Stir juice into gelatine mixture. Chill mixture to thickness of egg white.
4. Dice pineapple chunks. Stir unto chilled gelatine mixture with mandarin orange sections, carrots and celery.
5. Turn into a 6 cup mold. Makes 8-10 servings.

# Happy Labor Day

## Elgin Seniors Fundraiser

As a fund-raising effort, the Elgin Seniors Club will be hosting an afternoon of local music, to be held Saturday, September 19, 2020 from 1:00pm to 5pm at the Seniors Hall in Elgin.

This will be an outdoor event, so bring your chairs!

Entry will be a \$5.00 min. donation.

Tickets for a quilt, gift basket, basket of preserves and 50/50 will be sold, as well as hot dogs and drinks.

All Covid 19 guidelines will be followed.

It is highly recommended that you have a mask.

Seating in your clusters will be mandatory.

The Elgin Eco Association had a busy time during the summer with the summer camp. This is always a very enjoyable part of our organization.

Our summer student has come and gone. We are always grateful for the summer student grant. These students make a big difference with the help they provide during the summer, making trails and watering the Eco park and help during the summer camp.

As volunteer organizations everywhere, we have big challenges ahead. Mainly because of not knowing if we can hold our annual fundraiser, the Elgin Mountain Bike race. As many other organizations we eventually will run out of funds, to do what needs to be done. We also would have a great start on building our funds for a playground. Most, if not all grants require a fifty percent input from the organization.

This is not the only challenge we face. Vandalism in the Eco Park is another issue. Having a park in your community is a privilege, not every community has or can afford. We have some extraordinary volunteers that do their absolute best to keep all of the park in good shape. A new firepit had been installed with a donation from the girl guides in memory of Debbie Leaman. People unknown to us felt it necessary to make a big fire during a fire ban and defacing the pit with their names. It is also very unpleasant for the people living around this area.

This time of year with the weather cooling off a bit and the flies being less pesky, it might be a great time to take a hike on the Mapleton Acadian trail.

## Havelock RCL #86

4684 Rte. 880 Havelock, 534-8285

Due to the covid-19 pandemic we have made a few changes in our building so please be assured that we are following the New Brunswick guidelines. Our goal is to keep everyone safe.

**Wednesday, September 9th - DARTS** at 8pm. Anyone interested in playing please come to our meeting or contact Robert Richards for more information at 756-9598

**\*\*Exective meeting** is Tuesday, September 15th at 7pm.\*\*

There will be no 200 CARDS starting this fall until further notice!

**2nd Saturday of each month - September 12th BREAKFAST!** Our breakfast is consisting of bacon, sausage, 2 eggs with toast, pancakes, home fries, juice, tea or coffee from 7:30am - 10am for only \$8.00 for adults and children under 10 ONLY \$5.00.

**2nd Sunday of each month** - September 13th at 2 pm is our KITCHEN PARTY featuring:

## Prepare Now to Help with a Second Wave

When the pandemic began in March, nearly everything shut down except that which was essential to our survival - food, medicine, some medical services and the industries that support those needs such as manufacturing, farming and trucking. We at Urban/Rural Rides, also stopped providing transportation until we had safety protocols in place then begin easing back into service by providing delivery of food and medicine. We are now, in addition to deliveries, transporting our clients again for medical purposes.

We encountered some difficulties early on in meeting the needs in our communities. In addition to the restrictions in place because of the pandemic, many of our drivers are over 65 or have existing health issues and are hesitant to continue driving until the pandemic has passed. We also found, because every service was limiting what they were doing, it became very tedious to get police record checks done as the RCMP stations were initially closed to walk ins and stopped during record checks for a period of time. They are now doing record checks again at all the RCMP and Police Stations but some still have restricted hours.

If we get a second wave, we are most assuredly going to need more volunteers. Many of those who stepped up wanting in March and April to help were temporarily out of work due to closures to flatten the curve. Perhaps you were one of them. The unfortunate thing was that at that time, we could not get the proper checks and screening done in a timely manner and those volunteers have now returned to work.

WE NEED VOLUNTEERS. We need volunteers willing to drive clients to appointments while observing proper safety precautions and we need volunteers willing to deliver food and prescriptions to those who self-isolate now and during a second wave.

Volunteers are needed throughout Westmorland and Albert Counties including but not limited to - Salisbury, Petitcodiac, Moncton, Riverview, Dieppe, Hillsborough, Alma, Riverside Albert, Memramcook, Dorchester, Sackville, Port Elgin, Cap Pele, Grand Barachois, Shediac and all points in between.

Volunteer drivers use their own vehicle and are reimbursed \$.41/km. Volunteering as a driver is a great way to meet and help neighbors in the community. Drivers are provided with personal protective equipment to use when transporting clients and doing deliveries.

If you or someone you know has a few hours a month or more and want to be part of a team on a mission to help others get where they need to go, please call 215-2100 or email [r.r.ruralrides@gmail.com](mailto:r.r.ruralrides@gmail.com) for more information. Drivers need to be over the age of 21, have a valid driver's license, have a reliable automobile, carry \$2 million liability (we will reimburse the extra charge up to \$80 per year), sign an oath of confidentiality, clear a police record check, driver's abstract and provide two references.

Kelly Taylor  
Executive Manager, Urban/Rural Rides

## Planners & Procrastinators

con't from pg. 5

just coming in now?". Correct - garlic is planted again almost as soon as it is planted for next year's crop. You could wait and plant it as late as next spring but allowing it to establish before winter will give you bigger, sweeter garlic bulbs.

\* Like anything, with garlic you will reap what you sow - so find yourself some big, juicy bulbs of this year's crop and pull them apart into cloves. Look for "Music" variety, as it is proven reliable. Sort out any small, deformed, soft or diseased cloves and save the best ones for planting.

\* Garlic likes open, sandy soil so if you're on clay, it would be helpful to amend with sharp builder's sand. As a "heavy feeding" crop, garlic benefits from generous amounts of compost, so top dress some of that while you're at it.

\* Make a trench 6-cm (2-3 inches) deep and drop each clove pointy-side-up into the trench 20 cm (7 inches) apart, in rows that are 50 cm (1.5 feet) apart.

\* Close the trench and water deeply, it should only take one deep watering to get going.

\* By fall, you should see green shoots. Cover these with 30 cm (1 foot) of straw mulch before winter. Next year in June, you will be able to harvest the scapes, which are delicious and by harvesting, will increase the size of the bulbs, and this time next year you will be telling all your friends how you ended up with the best garlic crop on the block.

Gardening is something we often do for our future selves - so do your future self a favour by planting this fall's greens or next summer's garlic today.

## Petitcodiac Community Garden

The Petitcodiac Community Garden, a branch of the Petitcodiac & Area Garden Club, was created in June, of like-minded individuals interested in gardening at the Community Garden, located at the end of Maple Street. We applied for a grant from the Department of Social Development, Wellness Branch, for the Community Food Action Grant, and we were notified on June 15th we were successful applicants for the amount of \$5000. The monies were to transform the Community Garden into an accessible space, for learning and community, by building raised garden beds, to aid in accessibility for seniors and those with disabilities, for an outdoor portable kitchen, to supply food to those in need, and provide workshops and events to teach gardening, agriculture and provide the village with a food source. The group has been meeting twice a month with a schedule in place for watering and weeding for five of the seven days.

Things are growing well at the Community Garden, with most of the plants donated. The plot is approximately 150' X 20'. Cucumbers and tomatoes are starting to ripen, peppers, peas, zucchini, pumpkins, potatoes, cabbage, and squash are growing. Beans are blossoming! It will not be long before we have vegetables to donate to the food bank, seniors, or families in need of fresh vegetables. We also have a Seed Library in the works. Many thanks to all the volunteers, who donated in any way, helped to weed,

water, till, whipper snip, plan events, print posters, help with announcements, and attend our workshops etc!

### Workshops Held to Date:

Pest Management "What's Bugging You" with Susan Linkletter was held on July 16th with 25 people attending.

**Raised Bed Workshop** held on Aug 5th, was successful with 17 people attending. This was a hands-on experience demonstrating how to layer the raised boxes and planting.

Aug 25th - Mini Food Demo, bringing fresh vegetables "From the Garden to your Plate" and "Worm Farm" demo, showing the technique of feeding the worms scraps from your garden and showing full cycle of composting and creating fertilizer for your gardens.

Debbie Wesselius donated the herbs and seeds for one of the raised beds.

### Also, in the Works:

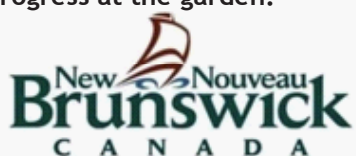

-Oct 3rd - Seed Swap and Pressed Flower demonstration at the Harvest Celebration

-Workshop with Bob Osbourne from Cornhill Nursery - date to be announced.

-September - Canning and Preserving with Faye Lounsbury - date to be announced

-Portable Kitchen and painted picnic table.

**Come to the Community Garden on Tuesdays and Thursdays Weather permitting, from 6:30-8:00 PM for anyone wishing to help, learn or see the progress at the garden.**

Are you or someone you know looking for a space to hold:

- Meetings & Presentations
  - Family Reunions
  - Birthday Parties
  - Showers

Why not check out the **Maritime Motorsports Hall of Fame**.

We have two rooms available for rent.

For more information call 756-2110

## Gagetown-Petitcodiac Rural Riding Communities Need Support

I believe that rural communities are the answer to improving the economy of New Brunswick and Gagetown-Petitcodiac is a beautiful part of the province that never seems to get support. Our whole area punches above our weight with the few resources we are given because we have great people who understand the value of helping each other out and working within our means.

My vision of support for our Riding is Petitcodiac with a new health centre to replace the 40 year old one. When it comes to rural healthcare, no rural resident should ever be deprived of access to healthcare regardless of the time of day.

Developing the region's tourism potential to ensure that the ferry I fought to keep in Gagetown in 2009 remains in service seasonally. I worked in Gagetown in the early 90's for my Uncle Willard delivering fuel. I know how important infrastructure and tourism is to the village of Gagetown

and our whole region.

In Kars, the ferry repair depot must be expanded to allow the fleet of ferries to be repaired here locally instead of Halifax, Nova Scotia, as is currently being done. We need our tax dollars to remain in our province and we need good paying rural jobs.

In Burton there is a need for digital speed signs at the Burton school, and Oromocto High School needs the upgrades previously promised to finally go ahead.

We also need proper cell phone and internet service throughout our entire region.

New Brunswick is a rural province with many, many farms, yet our agriculture minister has allowed the last New Brunswick livestock auction barn to close without offering any assistance to help them remain open. What are all the livestock producers in this province supposed to do now? Gagetown-Petitcodiac is a perfect location for

a livestock auction barn. Gagetown-Petitcodiac is a perfect location for a New Brunswick abattoir. Why must New Brunswick producers be forced to send their animals out of province to be sold or processed? The extra costs for trucking is harming New Brunswick agriculture.

It is obvious, by just driving around, that everywhere in our Riding we need to have our rural roads properly maintained, including bushes being cut out of the ditches, ditches kept cleaned out so that the culverts can properly do their job and get water away.

I would love to hear other people's ideas on what we need to have supported so that our whole Gagetown-Petitcodiac area can not only be a pretty place to live, but a vibrant, economically prosperous place both now and in the future.

John "Jake" Urquhart

# John "Jake" Urquhart

"I am ready to work on the Petitcodiac Health Centre, Evandale Ferry repair shop, Cattle marketing and processing, Tourism Development along the Saint John River in Gagetown, Jemseg and Cambridge Narrows areas and along the Belleisle Bay, and Community/School Infrastructures like completing the Oromocto High School repairs, safety lights and Petitcodiac Regional School welding shop and improve Rural Roads throughout."

**Urquhart**

I was born, raised and still live in the parish of Kars on the Belleisle Bay, where I farm and operate my carpentry business.

My wife Tammy and I have raised three great daughters, and now have our first grandson.

I served on the Kars LSD Advisory Committee in the early 2000's for two terms. In 2009, I was one of six members of the Belleisle Ferry Committee who fought and saved the Belleisle and Gagetown ferries. In 2016, I joined the Belleisle Pool Committee to save the Belleisle community pool. I consider both of these big accomplishments as it isn't easy to change the mind of government, but I have done it twice.

We need to continue to stand up for ourselves, and each other; there is always someone in our community who needs a bit of help. It could be helping a senior get their firewood in, or helping out a family that's in a difficult spot, or a child who could make use out of an old bike in your shed... this is what makes our community.

I am offering to continue to help my community, Riding, and province.

Issues that are important to me are rural healthcare, rural roads, rural infrastructure, family farms, and rural people.

We need to create rural employment and market this Riding, we are in the middle of the three largest populations in our province.

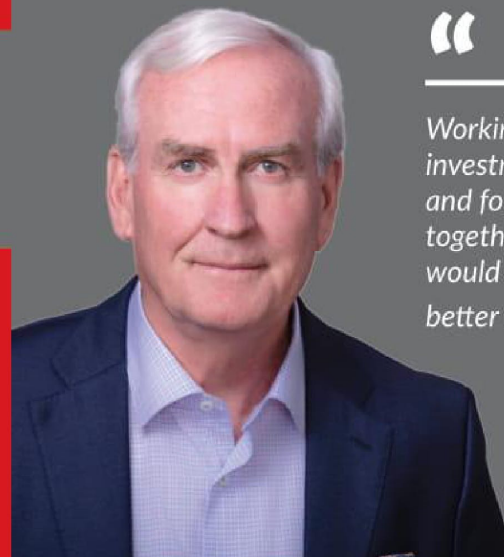

I ask that you put your faith, and trust in me, to represent you, and your best interests. I am asking for your support on September 14th.

Thank you John "Jake" Urquhart

“

*Working together, we need to make the investments, create the opportunities and forge the unity to succeed. Working together with all New Brunswickers, I would be proud to lead our province to a better future.*

All Covid-19 guidelines will be followed. It is highly recommended that you have a mask where social distancing is not possible.

## Liberal Leader Kevin Vickers, Liberal Candidate John (Jake) Urquhart & Gagetown-Petitcodiac Liberal Assoc. Rep. Visit Petitcodiac Village Council

On Wednesday, July 29, 2020, the Petitcodiac Village Council welcomed Liberal Leader Kevin Vickers, Liberal Candidate John (Jake) Urquhart and Gagetown-Petitcodiac Liberal Association Treasurer Bethany Thorne-Dykstra to their regular monthly meeting.

The Liberal guests asked to be placed on the agenda to hear the details of the proposed new Petitcodiac Health Centre to replace the current 40-year old facility and any other issues or initiatives in the area.

Mayor Gerry Gogan and Council explained that a Needs Assessment had been conducted and that nearly 10,000 clients from the Greater Petitcodiac area depend on the Petitcodiac Health Centre for their regular primary care. The Village explained that they have obtained the land (with well, septic and parking lot) adjacent to the existing Health Centre to house the new facility and envision using the old building for the Village Office and community Library.

Liberal Leader Kevin Vickers stated that his mother and sisters are nurses and that not only healthcare, but rural healthcare, is very important to him, growing up in rural Miramichi. He stated that he would like to enhance the nurse practitioners in the province and was shocked by Premier Higgs' announcement to cut the emergency rooms of 6 rural hospitals which would only reduce the Health Care Budget by half of one percent.

Liberal Candidate John (Jake) Urquhart had heard about the proposed new Health Centre and wanted to know all the details. Going to the Village Council was the best way to find out. Being very community minded and

family orientated, he said this is his first priority. He asked questions to get the numbers of people serviced by the Health Centre and other specific details so that he could begin working on it as soon as possible. When Premier Higgs announced that rural hospital emergency room had to close within 14 days, that's when John knew he had to run in the Provincial election. Growing up and living in Kars along the Belleisle Bay, he has only known rural life and the realities of trying to get any services. Attacking rural emergency rooms, treating rural people like second class citizens, John could not sit back and just watch it happen. He could not believe there wasn't even a consultation time with the rural citizens and no alternative plan for these New Brunswickers. City hospitals stated they could not handle any more emergency patients, being overwhelmed already, and the increased travel time was really going to put rural people's lives at risk. Thankfully the Opposition stopped it. John knows that our healthcare system can be improved, but to start removing rural emergency services is unbelievable.

The Village Council also stated their need for help with infrastructure projects like upgrading the Village Garage, better high speed internet and roadwork. Mr. Vickers could not understand why the Provincial government would not pass along the multimillions of Federal infrastructure dollars. Liberal Leader Kevin Vickers committed to work with the Village. "I will commit to working with this area", he said.

Bethany Thorne-Dykstra  
Gagetown-Petitcodiac  
Liberal Association Treasurer

## Endangered salmon return early to Fundy National Park

Fundy National Park's biologists recently found six early returning adult salmon in the Upper Salmon River during a snorkel survey. Biologists are encouraged as seeing fish return to the river in July and early August have been a past indicator of above average salmon returns in the fall. Inner Bay of Fundy Atlantic salmon are an endangered population of salmon being recovered through Parks Canada's Conservation and Restoration program. The returning salmon all spent their early lives living in the

wild of Fundy National Park rivers. They were collected as juveniles, reared to maturity at the Wild Salmon Marine Conservation Farm on Grand Manan Island as part of the Fundy Salmon Recovery project then released back into Fundy National Park in 2019.

A Parks Canada spokesperson will be available for an interview upon request.

Danielle Latendresse

Parks Canada / Government of Canada

## History of Goshen Baptist Church 180th Year Anniversary in 2020

The pandemic of COVID-19 has disrupted our lives in many and huge ways. Families, individuals, businesses, charities and churches have all been affected and we have had to adjust to a "new way of normal" as best as we can. Celebrations have been cancelled or revised in some way. This year we were hoping to celebrate 180 years of faithful service at the Goshen Baptist Church with our annual Anniversary Service but felt it was unsafe to do so with proper distancing and people interacting. Attendees often have not seen each other for a number of years and it resembles a reunion, especially for the seniors. The service is typically held in August and as a substitute we would like to tell you a little about its history. The congregation began in 1840 and the present church was built in 1860. How did it all begin?

After 180 years of history, we reflect back about this little white wooden church, nestled in the valley in the good land of Goshen, built and dedicated in July, 1860.

The surnames of families back then would be Hayward, Stevens, DeMille, Jonah, Graves, Babcock, Geldart, Tucker and Gray which are still visible on the stones in the well-kept cemetery surrounding the church. In 1824 James Hayward, who is buried in the Old Upper Goshen Cemetery, was the first settler. It is said from sources that the name Goshen came from the biblical name in the Bible. Genesis 47 verse 6 says to give Jacob the best land of Egypt, which was the region of Goshen, for his herds and flocks - apparently the best pasture land.

In 1833 Midlands (or Middland) Settlement, or what some call today the Midland Road, was founded - "where the land is partly open but less fertile than other nearby communities". In the 1830's there were enough settlements, families, and interest for local church meetings to be held in homes or a school.

Elgin then was called Upper Settlement and early records of the church go back to 1835. In 1839 First Elgin officially began without a "meeting house", as they called a church back then. Previously, they had travelled to First Baptist Salisbury by horseback or water. In 1837 a Pollet River group began which was called the Second Salisbury Baptist Church. Rev. Joseph Crandall was the founder.

In November, 1840, due largely to the efforts of Robert Smith, a meeting house was completed and in about 1850 First Elgin was given its name. About this time members began to meet in Goshen and they were called the Second Elgin Baptist Church. The population is growing and the first census is in 1851. In 1860 a meeting house is constructed in Goshen and dedicated in July.

On March 17, 1859, James Stevens and wife, Mary E., deeded 2/3 of an acre at "Goshen Corner for a burying ground and site for the Baptist Chapel for the sum of 75 pounds". On May 10, 1861, William Henry Stevens and wife, Mary A., deeded 1/3 of an acre next to the first lot to make 1 acre for the sum of 25 pounds. The trustees in Elgin at that time were George Hayward, Frederick Babcock, Frederick W. Steves, Pharez Constantine and James Hayward. In 1960 the church purchased the former school yard, 1/2 acre of land, from the Elgin School District which is used for an addition to the cemetery.

In those days it would have been a great sacrifice for the pioneer menfolk to leave their time-consuming chores of building homes and barns, clearing land, grubbing roots, growing their crops, gathering fuel for winter, haying or operating mills, etc. to build a meeting house. There are some very heavy beams in this chapel and I know they did not have the benefit of cranes

## The Maritime Motorsports Hall of Fame - Inductee Corner

### CYRIL HALL

*Inducted November 18, 2017*

**Stock Car Promotions/**

**Track Announcer**

Whitney, NB

Avid Race Fan!

Stockcar racing was a large part of Cyril's life.

In 1981 he announced his first two race events at River Glade Speedway. He studied the tapes that were prepared by the Racing Workshop for announcers.

He went on from there to be the announcer you needed at every conceivable Speedway in New Brunswick until 2015 when he retired from Petty International Raceway. He also announced at the re-opening of the newly rebuilt Riverside International Speedway in 2006. Cyril provided announcing and commentary for races shown on local cable channels, written newspaper articles and press releases of weekly racing results, worked car show booths and emceed numerous year end award banquets.

**Words that Describe His Career:-**

**Knowledgeable** – Cyril could likely tell you what make of car every maritime stock car driver ever raced.

**Prepared & Professional** – He was usually seen long before race time working the pits – talking to drivers and crews finding out the latest developments to relay to the fans during the night.

**Dedicated** – 35 years involvement in the sport. His voice has been heard on public address systems at most tracks in the Maritime Provinces.

**Talented** – What Cyril will most be remembered for is his contagious enthusiasm.

### What's Cooking? In Winona's Kitchen

#### ENGLISH MUFFINS

In a sauce pan heat  
1 cup milk until bubbly,  
remove from heat.  
Mix in 2 Tablespoons white sugar  
until dissolved  
Add ½ cup cut up shortening to melt  
Cool to luke warm 105 degrees F.  
Meanwhile in a cup of luke  
warm water add  
1 package of yeast or 1 ½ teaspoons,  
let set to dissolve  
(About 10 minutes)  
Combine yeast mixture to milk  
Gradually add 3 cups of flour and beat  
until smooth.  
Shake on 1 teaspoon of salt  
Add and knead in enough more flour to  
make a soft dough  
Knead and set aside to rise until double  
in bulk.  
Punch down; roll out about ½ inch  
or little better, Cut with cookie  
cutter  
Sprinkle a little corn meal on wax  
paper and place rounds on it.  
Dust tops with corn meal.  
Cover and let rise for half hour.  
To cook muffins  
Heat a greased griddle to medium  
and  
Cook muffins about 10 minutes on  
each side  
Cool then place in plastic bag. Makes  
about 18.

#### Polka Dots

They used to say: To keep at bay  
depression when it's near  
There's nothing like an ironing board  
To smooth away the fear  
Frustration can't defeat you  
If you concentrate, you see  
On a basket full of wrinkles  
Or at least it worked for me  
As back and forth, the motion  
Seemed to take my concentration  
And neatly folded "everything"  
Just vanquished irritation  
Didn't need a Valium then  
No shrink could hold a line  
To my old stack of ironing  
The cotton, summer kind  
Of course, I scorched a thing or two  
And had to bleach them out  
(Forgot to turn the iron down)  
Daydreaming, it's no doubt  
But I must warn you, if you choose  
This therapy of date  
Be careful with those polka dots  
You could hallucinate  
Your eyes may just play tricks on you  
I found it out one night  
My teen-aged son was mortified  
(Blamed mushrooms for my plight)  
He sped, and burnt his motor out  
To drive me into town  
The doctor in emergency  
Just shook his head and frowned  
But in the end they realized  
The mushrooms that I grew  
Were safe, and I had without doubt  
A touch of stomach flu  
While I could never quite convince  
My sons, (and how they talked)  
That "magic" mushrooms were but  
Ironing all those polka dots.

by Laurie Blanchard Salisbury, NB

There are times when sarcasm is just the right choice! In an out of province newspaper, was this ad in the classifieds .... Soda and chair. In good condition. Asking \$ 150. o.b.o. Needless to say, that should have read - Sofa and chair. It was tempting to call and ask.....I'm not interested in the chair but the soda, would that be cream soda by chance and what is the price on it ? I may be a buyer!

It has been reported that there is a shortage of lumber across Canada. One supplier who advertises -- WE'VE GOT YOUR LUMBER , should change that to ... WE HAD YOUR LUMBER BUT NOT 'NYMORE !

I told my suitcases that there will be no vacation this year. Now I'm dealing with emotional luggage.

In an automotive magazine, a couple are about to celebrate their 50th wedding anniversary. Along with the photo, the caption reads ....Jim and Alice are celebrating their 50th anniversary! This couple are numbers matching along with a Marti report and broadcast sheet. They are fully loaded and in original condition, however, their odometers are showing high mileage and the warranty is about to expire.

Thought for the day .....Normal is getting dressed in clothes that you buy for work and driving through traffic in the car that you're still paying for in order to get to the job you need to pay for the clothes and the car and the house you leave vacant all day so you can afford to live in it.

meter social distancing guidelines.

If raining, the Yard Sale will move to  
the church basement. Hope to see  
you there! Rain or shine

## OBITUARIES

Aubrey Eugene Ayer

We are sad to announce that Aubrey  
Ayer, 83, passed away peacefully on the  
morning of August 13, 2020

Aubrey was born August 31, 1937 to  
John and Laurine (Bannister) Ayer in  
Elgin, NB.

He graduated from Elgin Rural High  
School in 1955 and attended Teacher's  
College in Fredericton, NB. His first  
teaching position was in Tabusintac,  
NB, 1956-58, where Edith Joy Beattie  
was one of his Grade 12 grade students.  
They were married on July 3, 1959,  
and settled in Boom Road, NB. Aubrey  
taught English and history at North and  
South Esk Regional High School from  
1959 to 1973, and served as principal  
also. He took summer classes at the  
University of New Brunswick to earn a  
Bachelor of Arts.

In 1973, Aubrey and Joy moved to  
Wakefield, Quebec, where they became  
the administrators of Brookdale Farm,  
a Christian children's home. Always a  
country man at heart, Aubrey enjoyed  
running the dairy farm as well as caring  
for the children.

When Brookdale closed in 1975, Aubrey  
became a Special Education teacher  
of the Ottawa-Carleton Separate  
School Board, working at Frank Ryan  
Intermediate School and then St. Paul  
High School. Special Education was  
a new field at the time, but Aubrey's  
previous teaching experience and his  
patience stood him in good stead.  
Through summer and night classes at  
the University of Ottawa, he completed  
his Bachelor and Master of Education  
and Special Education Certification.  
Aubrey retired from teaching in 1993.  
Aubrey was a founding member of the  
Ottawa Reformed Presbyterian Church,  
and served as an elder for decades until  
his health declined due to Parkinson's  
Disease. He was a member of the Board  
for Ottawa Theological Hall (OTH), and  
enjoyed working in the OTH library.

Aubrey and Joy recently celebrated  
their 61st anniversary. He will be  
deeply missed by Joy, his children  
Shelley (Brian Bond), David (Jacqueline)  
and Steven (Joanna Lynn), and his 19  
grandchildren, 24 great-grandchildren

## OBITUARIES

and was excited to hear of 4 more  
unborn great-grandchildren. He was  
predeceased by a granddaughter, Hope  
Mariposa Ayer.

Aubrey is also mourned by his brother  
Barton (Barbara) Ayer, his sisters, Laura  
(late Vernon) Lewis and Arlene (late Bill)  
Mercer, and many nieces and nephews.  
A memorial service was held at Ottawa  
Reformed Presbyterian Church, 466  
Woodland Avenue, Ottawa, on Saturday,  
August 29th, at 13:00.

**Eileen Steeves**  
1927-2020

Eileen Iva Steeves passed away  
peacefully on August 22, 2020 at  
Monarch Hall, Riverview at the age of  
92.

She was born in McKees Mills to the  
late John and Gertrude (Gesner) Farrell  
on November 8th, 1927.

In addition to her parents she was  
predeceased by her husband Stan  
Steeves (2017) and sister Gladys Botten  
(Dec. 2017).

Survived and missed by her sons Ty  
(Cheryl) and Terry (Nancy); grandchildren  
Chad and Katrina; great grandchildren;  
two nephews and a niece.

Special thanks to all the staff at  
Monarch Hall for taking such good care  
of her the past six years.

Arrangements are in the care of  
Salisbury Funeral Home & Crematorium  
(372-4800). There will be a private  
family graveside service at a later date  
in McKees Mills cemetery.

If desired, donations to a charity of  
choice would be appreciated.

## OBITUARIES

Eddie Bannister  
1937-2020

Eddie T. Bannister, 83, of Moncton, passed away peacefully at the L. J. Jaillet Residence, in Moncton, on Tuesday, August 18, 2020 with family by his side. Born in Pollett River, NB he was the son of the late Thomas and Olive (Berry) Bannister.

Eddie was a retired auto mechanic, working many years for Moncton Chrysler, and later, for CRC RV's. Eddie was very involved in his community, volunteering with Lions Sick Children's Fund Inc. and the Canadian Cancer Society. He was an active member of Foresters, Lions Club, and most especially, the Hillside Baptist Church. Eddie cherished the time he had with his wife. He was so happy to be able to live with her again at the L. J. Jaillet Residence for the last 6 months before her recent passing in July, 2020.

Survived and sadly missed by his sister, Thelma (the late Wayne) Bustin; brother-in-law, Garnet Davis; several nieces, nephews, grand-nieces and grand-nephews, including special nephew and godson, Aaron (Tracey) Smith.

In addition to his parents, Eddie was predeceased by his wife of over 50 years, Freda; siblings, Roy (Ethel) Bannister, Laura Davis, Jenny (Ivan) Wade, and Linda Bannister.

The family would like to express their love and appreciation for Jackie and her staff at the L. J. Jaillet Residence for the dignified care Eddie and Freda received. Jackie always went above and beyond and Eddie absolutely adored her.

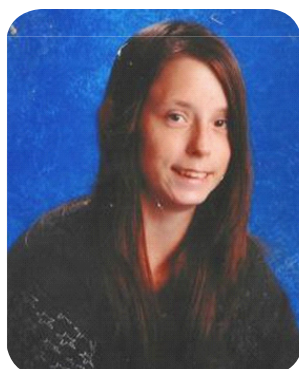

Rest at The Salisbury Funeral Home (372-4800) from where visiting was held on Wednesday, August 26, 2020 from 4 - 6 pm and from where funeral service was on Thursday, August 27 at 1 pm with Rev. Jerry Reddy officiating. Interment was in The Glades Cemetery, The Glades, NB.

If desired, memorials to the Lions Sick Children's Fund or the Canadian Cancer Society would be appreciated.  
[www.keirsteads.ca](http://www.keirsteads.ca)

## OBITUARIES

Jessica LeBreton  
1996-2020

Jessica Lorie-Ann LeBreton, 23, of Moncton, formerly of Havelock, passed away unexpectedly at her home on Monday, August 17, 2020. Born in Moncton, she was the daughter of Gordon (Darlene LeBlanc) LeBreton and Patsy LeBlanc. Jessica graduated from Petitcodiac Regional Highschool. She worked for Autumn Lee Nursing Home. She really enjoyed her work and her time with all the residents there. Jessica was an impressively independent young woman.

Survived and sadly missed by her father, Gordon LeBreton; step-mother, Darlene LeBlanc; mother, Patsy LeBlanc; siblings, Lori-Ann, Jennie Marie and Raymond Clark LeBreton, Christopher and Samantha Wilson; step grandfather, Clark Turner; as well as many aunts, uncles, cousins, nieces and nephews.

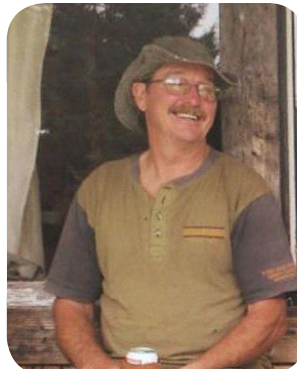

Jessica was predeceased by her paternal grandmother, Edna LeBreton, and maternal grandparents, Alex and Florence (Boucher) LeBlanc.

Family and friends were invited to a Memorial Gathering at The Salisbury Funeral Home, 3350 Route 106, Salisbury West, NB (372-4800) on Tuesday, August 25, 2020 at 1 pm. Interment was in Anagance Cemetery. If desired, memorials may be made to a living memorial or a charity of your choice.

[www.keirsteads.ca](http://www.keirsteads.ca)

## OBITUARIES

Duane Price  
1951-2020

Duane Cecil Price, 69, of Parkindale, NB, passed away unexpectedly on Tuesday, August 4, 2020. Born in Moncton, he was the son of Ethel (Davidson) Price and the late Vernon Price. Duane's happy place was snowmobiling, Don's Dinner and The Camp in the Miramichi. He loved his Harley Davidson and was passionate about his family and his music; his guitars, his drums and his harmonies. He found friends wherever he went and loved to make people laugh. Duane was a jack of all trades, a "hard to handle handsome handyman".

Besides his mother, Ethel with whom he shared a uniquely strong bond, Duane is survived and sadly missed by his wife of over 40 years, Joan Price, daughters; Kendra Bowes (Jessie Nicholson) and their children, Porter, Nixon and Carter; Beth Scott (Nick); Duane Boudreau and her daughters, Celina and Celeste; sisters; Sharron (Ron), Linda (Claude), Glenna (Barry) and brother, Reg (Beatrice), many nieces and nephews.

Arrangements in care of Salisbury Funeral Home (372-4800). A memorial gathering will be held at a later date. There was a private family graveside service at the Parkindale Cemetery. If desired, memorials to a charity of your choice would be appreciated.

[www.keirsteads.ca](http://www.keirsteads.ca)

## OBITUARIES

Dennis Carter  
1973-2020

Dennis Paul Carter, 47 of Colpitts Settlement passed away Saturday, July 25, 2020 at the Moncton Hospital.

Born in Moncton, he was the son of the Alena (Bannister) Carter and the late Robert Carter. Dennis did Janitorial work for Irving and Service Master Cleaning. He liked working on cars, biking and enjoyed camping and looking after his home.

He is survived and sadly missed by his mother Alena; brother Kenneth Carter (Susan Randall) of Petitcodiac; sisters Wanda Wilkins (Jeffery) of Salisbury and Madeline LeBlanc of Alberta; friends and family of Dean and Katherine McCallum and Aunt Lillia Mills. Besides his father he was predeceased by Uncles Vaughn and Donnie Bannister.

Rest at Armstrong's Funeral Chapel, 33 Russell Street (756-3361) from where visiting was held on Thursday, July 30, 2020 at 11 am - 1 pm followed immediately by a Funeral Service officiated by Rev. Stephen Brown. Interment will be in New Elgin Cemetery at a later date.

If desired, donations to the Canadian Cancer Society would be appreciated by the family.

[www.keirsteads.ca](http://www.keirsteads.ca)

## CHURCH SERVICES

**ALL WELCOME!**

Anglican Parish of  
Salisbury & Havelock  
Worship services are back!

We will be gathering at the usual times: at St. Andrew's in Petitcodiac at 9:00 am and at St. John's in Salisbury at 11:00 am. Masks, of course, are highly recommended (we have some at the church if you need one).  
**Everyone's Welcome to attend.**

If you have started your Church Services again and would like them posted please email: [maritimemotorsports@gmail.com](mailto:maritimemotorsports@gmail.com) or phone: 756-2110.

## OBITUARIES

**Nancy Bannister**  
1937-2020

Nancy Elizabeth Bannister, 83 of Havelock passed away on Friday, July 24, 2020 at the Moncton Hospital.

Born in Havelock, she was the daughter of the late Harry and Bernice (Joyce) Plume. Nancy was a graduate of the Havelock High School in 1955 and she went on to become an RNA working in Sussex. She was a member of the Havelock Baptist Church, a Sunday School teacher and a member and past president of the Havelock W.I.

Nancy is survived and sadly missed by her sons Terry (Anne Harvey), Tim Bannister and Trevor Bannister, all of Havelock; brothers Girvan Plume (Carol) of Petitcodiac, Paul Plume (Lucille Cormier) of Cap Pelé, Bernard Plume (Brenda) of Petitcodiac and David Plume (Noanie) of Salisbury; sisters Madeline Prosser of Salisbury and Sandra Steele (David) of Petitcodiac; eight grandchildren; eight great grandchildren and several nieces and nephews. She is predeceased by her husband Weldon (2017) and infant daughter Susan Marie.

Arrangements are in the care of Salisbury Funeral Home (372-4800). There is no visitation by Nancy's request. There was a graveside service at Greenhill Cemetery on Tuesday, July 28 at 1 pm with Rev. Dean MacDonald officiating.

In lieu of flowers, donations to the Havelock Baptist Church Building Fund, the Parkinson Foundation or the Havelock W.I. would be appreciated by the family.

www.keirsteads.ca

## MEMORIAL

**In Loving Memory of  
Delbert Bannister  
1926 - 2019**

On August 22, 2019  
our whold world changed  
We lost a loving & caring husband,  
father, grandfather, brother,  
uncle and friend  
Death changes everything  
time changes nothing  
we still miss the sound of your voice,  
the wisdom in your advice,  
the stories of your life  
and just being in your presense  
So no, time changes nothing  
We miss you as much today  
as we did the day you passed away  
We just miss you  
Love Alice  
Debora, David  
Terry Linda  
Lois, Joyce

con't from pg. 11

### History of Goshen Baptist Church

or the electrical tools of this age. Two hand-cut stone steps done by Warren Babcock still welcome us at the 2 entrances.

The chapel had white plaster walls and ceiling which was covered later with birch veneer in 1903.

The high pulpit built by Rev. H. H. Saunders in the early 1900's is still being used on the platform.

The straight back pews were sold to members to meet the debt and at one time had doors - there is a sample in the church.

We still have one original kerosene lamp at the back of the church.

There were outdoor baptisms in the Kennebecasis River just down the road. At one time the Goshen Church had their own library.

BYPU held meetings there - the wall hanging is still on the front wall behind the pulpit. In 1867 the first offering was made to Acadia Baptist College in Wolfville, N. S.

Many happy weddings have been celebrated here. In 1891 a lavish one was held for Eliza Abigail Stockton and Azor Jonah. Actually, one local family had a wedding here this summer.

Many sad funerals have also been conducted. There was one instance of a husband and wife within one (1) week

of each other. At another time, two brothers were buried the same day. The stones in the surrounding cemetery attest to early deaths of the young. The first cemetery in Upper Goshen at one time was overgrown by forest but is now maintained. The only readable names are Gray, Graves and Hayward. The first Communion Set, which we put on display at anniversary services, was donated by George Hayward who also prepared the Lord's Supper until his death in 1892. His son, Joseph H. Hayward, continued until his death in 1922. In 1893 it was decided that the Lord's Supper would be administered once every 2 months.

In 1893 Lic. H. H. Saunders was paid a salary of \$500 per year.

In 1908 the Pastor was paid \$700 per year with hay for his horses and wood for the parsonage which was purchased in 1888 and located in Elgin. At one time there was a shed for horses beside the church and it wasn't uncommon for men to slip out during the service to check on the horses.

In 1895 the membership of the Elgin, Goshen, and Mapleton fields totaled 375 with three (3) Sunday Schools of 235 members and 19 Sunday School Teachers.

The first Thomas Organ was acquired by the efforts of Mrs. James Steeves - Lena. The first organist was J. B. Babkirk, followed by Lena. My grandmother, Idella DeMille, and others have been organists over the years. We still use a pump organ for our services. Along with playing the notes, you have to remember to pump the pedals.

It is noteworthy that Rev. F. P. Dresser, who pastored 1903-06, baptized 50 new members from the fields of Elgin, Goshen and Mapleton. At the end of his sermons when shaking hands with his congregation, he would pull little packages of candy from the pockets

of his long-tailed coat for each child. What a delight that must have been for them and him!

The Goshen Congregation has completed renovations and improvements over the years including a new foundation, cement basement, windows, furnaces, and inside basement stairs. There is one original rescued window in the basement.

We honor our ancestors from pioneer days who purposed to build this meeting house/chapel/church and we thank the descendants from years past who until quite recently still met every other Sunday contributing their time, talents and energy to keep the doors open. We hold Special Anniversary Celebration Services every year in the afternoon in August.

Who knows, but God, what influences have come from this little white chapel in the good land of Goshen!

Since we are unable to hold this year's celebration, if there is an interest in donations, which go towards church maintenance, you may contact Shirley, a long-time member and treasurer, at 756-2483. Too many of our small country churches have been torn down, left in disrepair, or occasionally renovated to cottages. We lose our history and we need to be reminded of the sacrifice those hard-working pioneers made to have their own meeting house. I think they would be very pleased that their meeting house is still there, much the same as they built it!

Compiled by Idella Steeves/Lazar. This information is open to any corrections or amendments and is from the following sources:

Vera Tucker's History of Goshen, Fundy Folklore by Maimie Widbur Steeves Memories of Yesteryear, the History of Elgin by Marianne Steeves The History of First Elgin Baptist Church by Lee Mitton

### SALISBURY COMMUNITY DAYS '20

The Salisbury Community Days Committee wishes to thank everyone who took part in **#CommunityDaysThrowback**, our virtual Community Days celebration this year. Moving most activities online was an unfortunate but necessary decision due to the Coronavirus pandemic and the importance of continued social distancing. Your participation in these online events was very much appreciated! An additional thanks to the Salisbury Lions Club for their delicious Saturday morning drive-thru style pancake breakfast, and to the Village of Salisbury Department of Parks & Leisure for their ever-popular lobster roll supper, offered via drive-thru this year. Both were delicious! THANK YOU, EVERYONE!

### COVID-19/CORONAVIRUS - VILLAGE OFFICE IS OPEN

Adapting to the COVID-19 pandemic, the Village of Salisbury continues to be open and operational (that is, the Village Office, Department of Works & Maintenance, and Department of Parks & Leisure); however, access is controlled by various means due to the demands of physical distancing and other practices that continue to be insisted upon by New Brunswick Public Health and WorksafeNB.

The Village Office is open, but because of limited space inside and the requirement to have social-distancing, there can be only one person at the office counter at a time (or people, if they are in the same "bubble"), with others having to wait outside until they are called into the office. Because of this, the front door remains locked. Please ring the doorbell for entry and the door will be opened for you. Again, if there is a customer ahead of you, you may be asked to wait a few moments until that customer exits.

It is not mandatory to make an appointment to come to the office; however, if you wish to make an appointment please phone 372-3230.

The Village of Salisbury continues to act on directives from both the Canadian and provincial governments, including the Emergency Measures Organization. Updates to the public will continue to be made via the municipality's website ([www.salisburynb.ca](http://www.salisburynb.ca)) as well as links from the Village of Salisbury Facebook group page (<https://www.facebook.com/groups/828648160647950/>).

Sewer bill payments can continue online by way of Service New Brunswick, CIBC, and Credit Union. If other arrangements need to be made, phone the Village Office at 372-3230.

### DOG TAGS - LATE FEES WAIVED FOR 2020

Regarding the purchase of 2020 Dog Tags, the Village of Salisbury has fully waived the late-fee deadline. This is due to the COVID-19 pandemic.

Village of Salisbury 2020 Dog Tags will remain only \$10 (spayed or neutered) or \$30 (not spayed or neutered).

### To arrange for purchase of a Dog Tag:

- Visit the Village Office. Calling ahead to make an appointment is recommended (372-3230). The Village Office is open Monday to Friday between the hours of 8:30-4:30.

OR

- Leave a message with the Animal Control Officer (at either 378-3627 or [salisburyanimalcontrol@salisburynb.ca](mailto:salisburyanimalcontrol@salisburynb.ca)) so arrangements can be made to purchase a Dog Tag through her.

(NOTE: The original deadline for Dog Tag purchases without penalty was March 31st. It has since been extended thrice due to the Coronavirus and the resulting purchase limitations, and has now been waived outright for the remainder of the current calendar year.)

Director: Holly McNeil

Assistant Director: Donna Hunwicks-Hopper

email: [parks.leisure@salisburynb.ca](mailto:parks.leisure@salisburynb.ca)

Phone: 372-3280

- Return proper maintenance to rural infrastructure
- Emphasis on delivery of High Speed Internet to the riding of Gagetown - Petitcodiac

Ordered on behalf of PCNB candidate Ross Wetmore,  
printed by 6 Colour Copy & Printing, Fredericton, NB.

### Brown Betty

Peeled, cored and sliced cooking apples (such as McIntosh)	6 cups	1.5L
Granulated sugar	3/4 cup	175mL

### Streusel Topping

All-purpose flour	1 1/4 cups	300mL
Brown sugar, packed	3/4 cup	175mL
Salt	1/2 tsp.	2mL
Hard margarine (or butter), cut up	1/2 cup	125 mL

Place apple slices in ungreased shallow 3 quart (3L) casserole. Sprinkle sugar over top.

Streusel Topping: Combine flour, brown sugar and salt in medium bowl. Cut in margarine until mixture resembles coarse crumbs. Scatter evenly over apple. Press down lightly. Bake, uncovered, in 375 F (190 C) oven for about 40 minutes until apple is tender. Serves 8.
