NEW LOCAL BUSINESSES SETTING UP SHOP

NEW HAVELOCK DRIVE-THRU SERVES FIRST CUSTOMERS

Butternut Brew Coffee and Tea in

Havelock is open for business, they are located next to Charlie's General Store and currently running drive-thru only. On Monday, March 15th 2021 Butternut Brew slid open their window and served their first customer, loyal supporter June Cruickshank of New Canaan. Since

then, they have been busy making

delicious treats and brewing coffee for the people in and around Havelock. In addition to coffee, hot chocolate and a wide variety of King Cole teas they serve sandwiches, subs, hot dogs, muffins, cookies, donuts and bagels. There are even options for gluten or lactose sensitive customers. If you know someone in the Havelock area with a birthday or other event coming up gift cards are available and can be used at either Butternut Brew or Charlie's General Store.

Stop by on your way to work or for lunch, open every day of the year except Christmas at 5:30am on weekdays and 7:00am on weekends Butternut Brew is more than ready to serve the hardworking early risers in our community, and closing at 7:00pm every evening those later risers among us won't miss out!

SALISBURY MASONIC LODGE TO BECOME ANTIQUE MALL

The old Masonic Lodge in Salisbury is becoming an Antique/Vintage and

Collectibles Mall. Jazz and Dwayne Mann purchased the Main Street building at the beginning of January 2021 and have plans to turn it into an Antique Mall. The new business will be called Recollections by Jazz Antique Mall. The current Recollections by Jazz shop, located on Mollins Rd, will be relocating to the new Antique Mall where there will

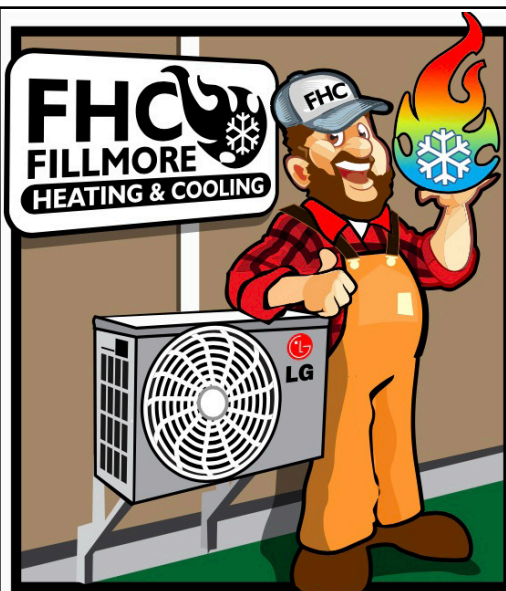

also be retail space for other antique and vintage dealers to sell their goods. Currently there are twelve confirmed vendors ready to set up shop with room for more!

The Masonic Lodge, which was built in 1930 and opened in 1931 is a two-story building with two large rooms, each of which are approximately 1000 sq ft. Highlights of the building include gorgeous woodwork throughout and unique architectural features emblematic of the Masons such as the round windows on the second story. The Lodge, with its rich history and unique characteristics will be the perfect location for customers seeking antique and vintage merchandise.

Recollections Antique Mall is planning to open 1 May 2021, hours of operation will be Wednesday - Sunday, 10:00 - 5:00 pm, closed Monday and Tuesday.

From the Editor

APRIL FOOLS DAY, let's not be the ones being fooled.
Most of our winter was in March so let us hope the April
will be only showers that bring May flowers.

First of all, I want to thank all those that purchased the Pork Dinner take-out in support of the Petitcodiac Historical Society and Maritime Motorsports Hall Of Fame & Museum.

April 2 is a gooey day, Peanut Butter and Jelly Day.

Easter weekend is Good Friday, April 2 and Easter Sunday April 4th. I remember when I was a child, we all got new clothes, that included hat to wear to Church on Easter Sunday, This Easter Sunday we will all be lucky if we can even go to church because of the Colvid.

April 6 is National Nurses Day, a day we should really thank our nurses, doctors and caregivers, this has been a very hard year for them. April 7 is National No Housework Day, maybe we can take advantage of that. Many of you have already purchased your seeds for this season, so hoping our gardens will do well.

Please get your vaccine shot for Colvid to not only help yourself but all your friends and neighbours.

Wishing you a HAPPY EASTER

Your editor
Winona McLean

LOCAL NEWS & VIEWS

MONTHLY BULLETIN

- Local News & Views Monthly Bulletin is published once a month by the Maritime Motorsports Hall of Fame Inc.
- The purpose of the Local News & Views is to inform the general public what is happening in the Hall of Fame, as well as what is coming up with in each community.
- It is also a venue for business to advertise their products and services each month.
 - It is intended to assist all the local Service Clubs in their endeavor to support their communities.
- Local News & Views will tell the stories of Local people as they go about their day to day activities making a positive difference in their communities.

Petitcodiac Councilors McMackin and Pollock both running for Mayor

Hi there! My name is Teri McMackin and I am looking for your support as I put my name forward for the Mayor of Petitcodiac.

While I may not have been born in the village, my partner and I fell in love with this community 8 years ago. Newly married, we were house hunting for something outside the busyness of the city, a place where we could own a home and grow, a place where we could have a TRUE community in every sense of the word and raise a couple of kids in that environment. I had such a deep longing for a close knit place where people knew their neighbours and supported each other. When the realtor told us she found the perfect place in Petitcodiac, she wasn't lying.

We CHOSE Petitcodiac. Though I was not born and raised here, I knew this was where we were going to finally put down some roots. Our family is now complete with our two boys, Ethan and Logan.

Adam (my partner) likes to call me a Career Volunteer and I would tend to agree with him. Volunteering fills my bucket and it wasn't long before I started to get involved in village activities, further cementing my roots in this community. Some of my notable experience and commitments include:

- *The Petitcodiac Inspired Festival
- *Chair of the Petitcodiac Library Board
- *Communities in Bloom
- *Community Awards Night
- *Writing multiple successful grants for community groups and organizations (including \$10,000 for our own Hall of Fame!)
- *Petitcodiac Farmers Market
- *Founding member of the Petitcodiac Historical and Cultural Society
- *Recipient of the Chamber of Commerce Top 20 Under 40 award
- *Founder of the Petitcodiac Happenings Facebook Page

And countless media appearances and publications promoting the Village and area

I could probably (and will probably) write a book about this small community

and how they welcomed me and my family as one of their own. Serving on council these last 5 years has been such a privilege and I am hopeful that the good people of Petitcodiac will grant me the chance to represent you as your Mayor on May 10th.

Thank you!

Please follow my Facebook page "Teri McMackin for Mayor of Petitcodiac", email at terimcmackin@gmail.com, or call/text 506-875-1616.

Dan Pollock

As a long time resident, I take great pride in our Village and Community. On May 10th I am asking for your vote to allow me to serve you as Mayor of Petitcodiac.

Born and raised in Petitcodiac, I am a 1968 graduate of Petitcodiac Regional High School where I met my High school sweetheart and wife of 51 years Marilyn Pollock (MacLeod). We have been blessed with two children and five grandchildren.

After graduation my academic pursuits took me to the Nova Scotia Agricultural College, the University of Maine, New Brunswick Community College and the University of New Brunswick where I attained a Teaching License, two Undergraduate Degrees and a Masters in Special Education.

I began my teaching career at Petitcodiac Regional High School, then moved to Caledonia Regional High School in Hillsborough, JMA Armstrong High School in Salisbury and back to Petitcodiac Regional High School until my retirement. During my career in the education system, I held the positions of Teacher, Department Head, Vice Principal and Principal. I also sat on the board of the New Brunswick Teachers Association for many years and chaired a number of provincial committees.

I became a member of Kiwanis in 1974 and have held various positions such as Secretary, Treasurer, a delegate to National and International Kiwanis

Conventions and five terms as President. I am a long-time member of the Petitcodiac Legion Branch 41 where I served as vice President and Service Officer. I also am an 8-year member of the Petitcodiac Regional School PSSC Committee and have been a driving force for the new Vocational Facility added to Petitcodiac Regional School and am still advocating for the completion of the Welding Shop. I also am an Executive Member of the Petitcodiac Sportsman club and a long-time supporter and member of our local food bank (SPOT). I have been a member of the Petitcodiac Village Council for 2 terms over 9 years. I was Deputy Mayor during my first tenure and was assigned the portfolio of Protective Services (Fire Department, RCMP and Animal Control). I have taken on the Finance Portfolio in my second term. I have served as the Village Liaison with SPOT and the Parent School Support Committee at Petitcodiac Regional School.

If you have any questions, concerns or ideas concerning the future of Petitcodiac feel free to talk to me as I walk the streets of Petitcodiac or contact me at 506-756-1084 or at dan.pollock@me.com

If elected as the next Mayor of Petitcodiac, I look forward to working with the elected Council to create a strategic path for moving forward while maintaining the values and traditions we embrace in our community. As your representative I realize decisions made are not only for today but also for the future and I am confident I can serve you well as Mayor of Petitcodiac. I will pledge to:

Work diligently to maintain our present tax rate and the Level of Service the Village of Petitcodiac is known for.

Work towards revitalizing the Downtown business Association. I will begin

discussions with all the Stake Holders to coordinate business events to promote our own businesses and celebrations within our community.

Continue to pursue the provincial government and Horizon Health for the placement of a new medical center in Petitcodiac. When the new medical center is announced for Petitcodiac, the Village Council will actively engage with the provincial government to purchase the old medical center with the intention of converting it into a municipal building.

Put forth a plan to upgrade the Maple Street Park area with an all-season trail system. Council will designate and identify a sidewalk circuit in the downtown area as an all-season walking trail. (to be maintained as such) Council will pursue a user agreement with Anglophone East School District for the use of school facilities after hours and work to continue to offer and grow the existing recreational programs that we offer at this time.

Continue to maintain and upgrade our streets, sidewalks and sewer system. We will create a four-year schedule identifying upgrades and additions to our village, fire department equipment and buildings. Council will continue to work towards a timely completion of the new works department garage.

Actively pursue the government to designate Petitcodiac as an area to receive ultra-high speed internet for everyone.

Continue to support housing development in Petitcodiac. These developments will produce single-family dwellings, apartments and or duplexes. I will continue to work with the entrepreneurs and developers for the betterment of Petitcodiac.

Thank you

Dan Pollock

Heads Up -
New Speed limit Sign
Petitcodiac

Just a heads up. The provincial government has put up new school zone speed signs between UAP and wino warehouse. The new speed limit is 30kph. Just remember the students walking in that area range in age from 5 years old to 18 years old and the fine is considerably more than just speeding. So SLOW down!

Five Race Tracks come Together To Form Maritime Street Stock Series

By: TIM TERRY

Street Stock teams in the Maritimes will have a little more to race for in their big events in 2021. The five paved oval race tracks between New Brunswick and Prince Edward Island have entered into an agreement to form the Maritime Street Stock Series. The Series will combine five major 100-lap Street Stock races, one at each track, to ultimately crown a region champion for the popular division.

All aspects of each event will be overseen by their respective race track with championship points being tallied. A point fund has been established between the five tracks involved with the top five in points receiving bonus money on top of any single event purses from the races. The Maritime Street Stock Series champion will receive \$1500, second place will take home \$1000, third place in points will earn \$500, fourth place will pocket \$400 and fifth will earn \$350. In total, the top five championship point purse for the Maritime Street Stock Series is worth \$3,750 on top of any individual race payouts. Any additional prizes and marketing partner announcements for the Series will be announced as they become available.

The Series will begin on Prince Edward Island at Oyster Bed Speedway. The 100-lap opener will take place on Saturday, June 12th at 6pm. Oyster Bed Speedway in Oyster Bed Bridge, Prince Edward Island, is the only paved oval in the Province and has been the stage for various major Street Stock races in the past including the David Lambe Memorial/Piston Cup and the Maritime Street Stock Showdown.

Two weeks later, the Street Stock spotlight will head across the Confederation Bridge to Shediac's CENTRE For Speed for a 100-lap feature on Saturday, June 26th at 6:30pm. Home

to the Atlantic Stock Car Championships in October, the 3/8-mile oval is a favorite amongst competitors for its sweeping corners and high speeds. The facility is located in the shadow of the Lobster Capital of the World in Grand-Barachois, New Brunswick.

Teams will have a chance to catch a breath in July before two major events open the month of August. Petty International Raceway plays host to the third race in the Series, the \$5K Stuff Your Stuff Storage Street Stock 100. The high banked bullring just west of Moncton in River Glade, New Brunswick, has been a battleground for some major Street Stock battles in recent years and the Saturday, August 7th event is expected to be one of its biggest in recent years. As previously announced, the winner of the \$5K Stuff Your Stuff Storage Street Stock 100 will receive \$5,000.

From there, the Series will travel just over an hour up the Trans Canada Highway to Speedway 660 on Saturday, August 14th. The Urquhart Construction 100 enters its second year as a mid-Summer event and was won in 2020 by the late Chris Hanley (St. Stephen, NB). The track is located just a short drive from New Brunswick's capital city of Fredericton in Geary.

The Series finale will take place on Saturday, October 2nd with The Very Best Fall Shootout at Speedway Miramichi. The historic oval located in Canada's Irish Capital of Miramichi, New Brunswick, has been a favorite of both fans and drivers alike near the end of the season. The 100-lap feature was won by Logan Power (Riverview, NB) in 2020.

The Maritime Street Stock Series is a continued effort between Petty Raceway, Speedway 660, Speedway Miramichi, Oyster Bed Speedway and the CENTRE For Speed to work together

2021 Candidates for Petitcodiac Village Council!

Gerald (Jerry) Gogan

For those who don't know me I'm Gerald (Jerry) Gogan the present Mayor of the Village Of Petitcodiac. Because of my present health issues I have decided not to run for the Mayors job again but feel I can still be of service to my community and ask your support as I run for Councillor . I have been on council or on committee of council for 32 years and have been involved with other entities that directly involves many hours of committee work ! I presently serve as Chair of the Regional Service Commission RSC7 ,I have as of 2020 finished 20 years as President of Advance Savings Credit Union ,Chair of the Petitcodiac Public Library a number of years , Executive of the Fundy Model Forest , Presently a member of The Petitcodiac and Area Historical Committee, And as you might guess by the picture The Petitcodiac and Area Garden Club ! Iam married to Leslie Perry Gogan for 56 years,we have one son and 3 grand children.I could go on with other involvement with Environmental organizations but will end it here ! I have enjoyed the years of service to our community and hopefully can continue to play a role in the Villages future ! Call me if you have any questions 756-2281 or message me on Facebook !

Dennis Murphy

Hello - my name is Dennis Murphy and I will be reoffering for village counselor in the upcoming municipal election. I am 50 years old and of that time, I've lived in Petitcodiac for 47 years. When I married and we started to think of raising a family, it was never a question that we would do so in this community. There is such a tremendous sense of family and support our little village offers people. I've always had a desire to be involved and that translated early in my family's life to volunteering in sports. I've coached for numerous years - basketball, soccer, 14 years of hockey, and held various positions on our Petitcodiac Salisbury Minor Hockey Club executive from director to vice president. Additionally, I have been involved and sat on the board of directors plus was President for the Petitcodiac Valley Golf Club and volunteered for their junior golfer program.

Nine years ago, I felt I wanted to contribute to something more and chose to run as Village Counselor. I was fortunate to be elected and have immensely enjoyed serving the people of our village and assisting in implementing new programs and improvements. My portfolio as counselor has been the recreational program. During my tenure as counselor we, (and I say we because it takes a team of counselors and village staff to make these initiatives happen not an individual), have made a new soccer field, hired a new rec director, expanded our soccer program, amalgamated a baseball program with Salisbury, had many improvements at the arena - new lights, new heaters, etc. We finished the walking trail along the river. We created new outdoor ice rinks. We started the celebration of summer send off.

If I'm fortunate enough to be re-elected my ideas for future projects include: an outside pickleball court, a new walking/hiking/snowshoeing trail at Maple Street Park, and continue to develop more programs and initiatives to entice people to spend their time in our community. I truly believe if we are able to offer programs to help our residents spend time on things they enjoy, it's beneficial to everyone's mental and physical health.

I thank you for your time in reading this, and pledge to work towards our common goal of continuing to make our community a successful, welcoming and enjoyable place to live and work should I be fortunate enough to be elected again.

Sincerely,
Dennis Murphy

Kent Hoar

Hi, my name is Kent Hoar and I am running for Petitcodiac Village Council in the upcoming Municipal elections. My roots have been planted in Petitcodiac for over 40 years. I always knew I wanted to remain a part of this community and while becoming Lieutenant of our local Fire Department and serving 18 years. A little over 13 years ago I was blessed with a daughter and decided that Petitcodiac was exactly where she would be raised. She continues to feel the warmth of the people, the buzz in the local businesses, and the excitement of the community trails, rinks, etc. Having been a dairy farmer, small business entrepreneur, real estate agent, and father I have learnt the importance of community. Our Community has graciously allowed me to succeed in work and family and now I feel though time has come for me to run for council, so I am able to serve you; the community of Petitcodiac and give back just a piece of what this community has given to me.

Laurie Stewart

For those who do not know me, my name is Laurie Stewart. I have enjoyed the last 5 years in my position of councillor and would like to announce that I am once again asking for your support on a second term. I am very invested in Petitcodiac and its citizens and want to continue to make it the best place to live. My portfolio has been Fire and Police and I have brought forth many changes to improve safety within the village and to add more RCMP coverage.

I try to be as involved as I can being a Member of Kiwanis, President of the Petitcodiac Boys and Girls Club, Director and Treasurer of the Motorsports Hall of Fame, Director of Carlton Fundy Mutual Insurance, Volunteer of Helping Hands Food Bank, as well as being heavily involved with Food Banks NB. This has lead me to be named volunteer of the year 2020 from the village as well as being recognized for stepping up during covid by the government of New Brunswick. With your support I look forward to representing our wonderful Village again.

Peter Saunders

Hi Folks

For those who don't know me, my name is Peter Saunders. I was born and raised in the Village of Petitcodiac on our family farm with my parents Bertha and the late Robert Saunders (Bob), my four brothers, and two sisters. I graduated from Petitcodiac Regional High School in 1982. I have been married to the love

con't on next page

con't from previous page

of my life June Saunders (Lewis) for over 30 years and we have a daughter Kayla.

I have been in the building supply business for over 35 years; first with the Fawcett Family and currently with Kent Building Supplies where I am the Store Manager of the Petitcodiac location.

I have volunteered with the Saint John Ambulance Service as a Medical Attendant and have sat on the Board of Directors for the Petitcodiac/Salisbury Ambulance Service. I have been a member of the Petitcodiac Volunteer Fire Department for over 30 years with various roles; member, Deputy Fire Chief, Fire Chief and now as a retired chief and active member.

I have been a member of Village Council since 2004 and during this time I have served as a Councillor, Deputy Mayor and Mayor.

I presently hold the position as Deputy Mayor and oversee the portfolios of the Transportation and Sewer Departments. I currently sit on committees for the Emergency Measures Operations, Little Bend Housing and the Regional Service Commission - Planning and Solid Waste Divisions.

Petitcodiac is a self-contained community with a full range of services. Over the last few years, we have been

able to maintain the downtown core with the revitalization of existing businesses as well as growth of new businesses and services in our village.

Petitcodiac has seen growth in the housing sector and 2021 looks promising for the construction of new housing developments. With the building and sale of properties, we have had new families moving here which will continue to give our village sustainability for future growth in all areas. They will soon learn what we longtime residents already know - Petitcodiac is a great place to live, work and raise a family. I believe strongly that Council of the day needs to remember that we are at the table to make the best decisions possible using taxpayer's money. This is very important to me as a Councillor and I will continue to work diligently with the newly elected Mayor & Council to ensure we represent the best interests for the community as a whole in decisions for now and in the future. I have decided to re-offer in the Municipal Elections coming up on May 10th, 2021 and I ask for your support in re-electing me as your Village Councillor.

For further updates on new candidates for Petitcodiac, check Elections NB website after April 9th.

ELGIN NEWS!

Little Free Libraries

Are you looking for something to read? Have you discovered the free books at the little libraries in Elgin? Community members and visitors alike are invited to take part in this free book exchange, open 24/7, year-round. When you open the door, you are invited to "Take a book; leave a book." Books for adults can be found in the top section; books for children can be found in the bottom section.

Some titles recently available for your reading pleasure include: The Unlikely Pilgrimage of Harold Fry by Rachel Joyce and Loyalist Rebellion in New Brunswick by David Bell. For the kids, recent finds include: Lucy and Tom's 1 2 3 (picture book) by Shirley Hughes and The Breadwinner (chapter book) by Deborah Ellis.

When the little free libraries were installed in 2016, they were painted by local artist, Fred Harrison. They are located in Elgin at the EEA Park, 1867 Route 895, and at the Elgin Women's Institute Hall, 32 Gowland Mountain Road. This is a joint project of the Elgin Eco Association and the Elgin Women's Institute.

If you haven't already had a chance to explore the Elgin little free libraries, there's no time like the present! To learn more about Elgin Women's Institute, look for us on Facebook.

Havelock RCL #86

4684 Rte. 880 Havelock, 534-8285

Due to the COVID-19 pandemic we have cancelled most activities at our branch but are slowly adding some. Our facebook page is Havelock Legion.

2nd Saturday of each month - April 10 BREAKFAST! Breakfast consists of your choice of bacon, sausage, 2 eggs with toast, pancakes, home fries, juice, tea or coffee from 7:30 to 10am. Adults \$10 and children under 10 only \$5. March's winners are Darlene Corey and Ned from Petiscodiac.

2nd Monday of each month - April 12th General meeting at 8pm, Executive meeting at 7pm.

We have play groups from the Kings County Family Resource center resuming at the Havelock Legion on Wednesdays, every week during school. (weather permitting) Everyone will need to pre-register by calling Ashley at 433-2349 or emailing @ ashley.layden@frc-crf.com Playgroups will run from 10am-11am. Just a reminder that anyone with symptoms is unable to attend and masks are mandatory for anyone 2yrs and up.

Membership - If you would like to renew your membership or become a new member, now is the time and by doing so the legion can continue to provide support to Veterans and their families. Remember the fallen and support our communities. If you would like to renew or join please renew online at legion.ca/member, by mailing payment to the Havelock Legion or by calling Raymond at 756-0556

STAY SAFE EVERYONE!

During the winter months I took the time and built more bird houses. With so much forest being lost, it becomes more and more important to add nest boxes for cavity nesting birds. Most cavities for nesting are found in old and large trees. Much of mixed and old growth forest, where trees come to maturity, is becoming rare. Mature forests are an important part of diversity. In the past years I've placed several nest boxes on our property. It is important to have the nest box openings facing north east if possible. This offers some protection against stormy weather. The early morning sun will warm the birdhouse. Birds do inspect their new found house. It has to be the right size for their brood. Birds will not occupy a dirty soiled birdhouse. The birds will simply avoid it. It is a joy to watch birds coming in the spring looking for available places, to build their nests and raise their young. As soon as the decision of residence has been made, the work starts. Constant flying back and forth from the box, by male and female bird, to build the nest. With some bird species it is the male that is responsible for the nest building. It is then inspected by the female. If rejected the male will try again, until his mate approves the dwelling. All kinds of building material is used. You will find hair, feathers, old dry grass, moss and other material weaved into the nest. Eventually a beautiful soft bed has been created. In that special place the female bird will lay her eggs. Only after some precarious mating on a wire or in a tree. Nature makes sure this cycle continues in perpetuity. Rain or shine, nothing will stop these birds from trying to put another nest of young birds into the sky. After the eggs are laid, in a time frame of a couple days or a week, the birds will sit on the eggs for the needed incubation period. Most bird parents share the duty of sitting on

the eggs. It might be either night or day duty. Or it can be an hourly exchange of sitting on the eggs. The type of bird species will be the determining factor of the incubation period of the eggs. Most small backyard birds or song birds take about ten days to two weeks of incubation. It will take about the same amount of time for the hatchlings to fledge. It might be good to know that in the last half century North America has lost 3 billion birds. The biggest factor is habitat loss and pesticide use. This alone is a reason to help the birds that are left. I am very curious how many of my birdhouses will have occupants this spring.

Weather permitting:

On April 3rd, at 2 pm. we will have an Elgin Eco Association event in the Mapleton Nature Preserve. We will hang at least 10 birdhouses in various areas. We invite interested families to come and be part of this event. Bring a cordless drill and square drill bit.

Mapleton Acadian Nature Preserve update. To all people interested in birds, you might find this information very interesting. It also shows what an amazing feat it is for birds to come back every year to our preserve to nest. Last year the researchers were able to deploy a blackpoll warbler with a radio tag. The latest data from last year showed the bird had made it to Delaware. It showed the flight path all along the coast. This bird was not yet at its destination because they overwinter in South America. We hope more data will be submitted to keep everybody up to date. The blackpoll warbler weighs less than half an ounce. It makes the longest over water journey of any songbird. Nearly 1800 miles non stop over the Atlantic Ocean to its wintering grounds.

HAVELOCK MEMORIAL HALL

Breakfast - Saturday, April 10th from 7:30-10 am. Breakfast will consist of 2 eggs, bacon, ham, home fries, toast, pancakes, tea or coffee and juice all for just \$10 for an adult and \$5 for children under the age of 10.

Kitchen Party - Sunday, April 11th @ 2 pm-5 pm. Come enjoy a great afternoon of local talent. Donation at the door.

Spring Vendor Sale - Saturday, April 17th from 9 am - 1 pm We have lots of great vendors coming such as Scentsy, Epicure, Crafts, Metal Work, Cupcakes and Cakes, Homemade Donuts, Honey, Voxx Socks and more. Come shop local. We will also have a 50/50 board!

Tom's Music Jam - Friday, April 23rd from 7-10 pm Lots of local talent. Donation at the door and 50/50

Maritime Street Stock Series

to strengthen the sport. As the tracks work on scheduling not only dates but divisions that race on those cards to help ease conflict, they are also working on rules packages for various classes. Among those is the Street Stock building rulebook, which has been designed for 2021 any beyond. With these updates, Street Stock teams can travel from track to track without being forced to make major changes to their cars to compete.

For inquiries about individual events in the Maritime Street Stock Series, teams are urged to contact the track that is hosting the race in question. Further information about the individual races, including race payouts, race procedures, ticketing, camping and track policies can be found by contacting the host facility.

“Beeting” Yourself to Increase Good Health

Common Sense Health - W. Gifford-Jones, MD and Diana Gifford-Jones

Would you like to improve your physical endurance? An exercise routine is the answer. Being physically and mentally

active leads to a longer life. But diet can help too. You can start “beeting” yourself to improved health simply by adding beets to your menu. You should also know that nitrates in beets can treat more than one medical problem. Atherosclerosis, thickening of the inside lining of arteries, decreases the flow of oxygenated blood to coronary arteries. This results in anginal pain or heart attack.

For years researchers have known that nitroglycerine eases angina. But they had no idea why it dilated coronary arteries and increased blood flow to the heart.

Then, three U.S researchers received the Nobel Prize for proving it was nitric oxide (NO) that caused arteries to dilate. Early in life the inner lining of arteries processes large amounts of NO. But as we age the amount of NO decreases, often with disastrous consequences.

In 2009, a research team at the University of Exeter in England reported a surprising discovery. They showed that athletes who drank beet juice for six

days improved their physical endurance by 16 percent while cycling. Equally amazing, beet juice was even more effective than physical training!

The active ingredient in beets is nitrate. This becomes converted into nitrite and finally to nitric oxide which is continuously synthesized in the endothelium (the inside lining of arteries). Lay this exceedingly thin layer of endothelial cells on a flat surface and they would occupy an entire soccer field!

Nitric oxide has been labelled the “miracle molecule” as it helps so many diverse medical problems. For instance, since it dilates coronary arteries it can help to decrease the pain of angina and lower blood pressure.

Experiments show that NO also adds lubrication to the circulatory system. After all, it impossible to eat beets and direct them only to coronary arteries. Rather, NO travels to all organs and in the process prevents blood platelets, part of the clotting process, from stick together causing a heart attack. It also decreases chronic inflammation, another factor associated with coronary attack.

Other research shows that NO lowers blood cholesterol, triglycerides, increases good cholesterol and lowers bad cholesterol. It also prevents bone destruction by osteoclasts.

Today, millions of North Americans suffer from asthma due to inflamed, constricted, mucous clogged airways. Part of the problem is pollution and allergies. Experts at Hammersmith

con't on pg. 21

From the Desk of Your MLA

Ross Wetmore, Gagetown - Petitcodiac

At last writing we were hoping the groundhog predictions of an early spring would hold true. Since then, we saw March come in like a lion, leaving it no choice but to depart like a lamb. A month ago, we were facing the uncertainty of March break and the possibility of a COVID outbreak after. Mercifully, the worst did not occur.

On March 8th our province returned to the yellow phase of COVID precautions. This has allowed the elected members of our legislature to gather and continue with the governing of New Brunswick. On March 16th our Finance Minister Ernie Steeves delivered the Budget speech, outlining the New Brunswick government's next fiscal year.

The budget comes at a time when the COVID vaccination program is getting underway and we all look ahead to life more resembling normal later this year.

An examination of the budget with an eye to our communities we find resources being directed toward safer communities and reducing the illegal drug supply; toward addressing gaps in the broadband network and to continue the evolution of information security systems.

Health care delivery and the growing demand for addiction and mental health services all receive needed attention in the budget. It may be years before we understand the impact on COVID on

the mental and physical health on New Brunswickers.

In the budget, we find support for the Bounce Back Program to help support adults and youth 15+ manage low mood, mild to moderate depression, anxiety, stress, or worry; and resources to support recommendations from the Psychologists' Resource Strategy to help address critical shortages in the mental health services sector, particularly in the public sector, including shortages of psychologists in schools, within community mental health teams, and in hospitals.

The budget targets more nurse practitioners and initiatives to connect more New Brunswickers with a family doctor.

This year's budget included a raise for home support workers, community residence workers, special care home workers, and family support workers.

The 'Staycation' program will continue for the 2021 tourism season, hopefully giving a boost to our tourism operators.

The budget invested through the Healthy Forests Partnership to proactively protect forests from the impact of the spruce budworm.

These are but a few highlights from the budget I believed would be of interest. You can view budget information at: 2021-2022 New Brunswick Budget (gnb.ca)

The Maritime Motorsports Hall of Fame Inductee Corner

In Memory of Cyril Hall
Passed away March 18, 2021

CYRIL HALL

Inducted November 18, 2017

Stock Car Promotions/

Track Announcer

Whitney, NB

Avid Race Fan!

Stockcar racing was a large part of Cyril's life.

In 1981 he announced his first two race events at River Glade Speedway. He studied the tapes that were prepared by the Racing Workshop for announcers.

He went on from there to be the announcer you needed at every conceivable Speedway in New Brunswick until 2015 when he retired from Petty International Raceway. He also announced at the re-opening of the newly rebuilt Riverside International Speedway in 2006. Cyril provided announcing and commentary for races shown on local cable channels, written newspaper articles and press releases of weekly racing results, worked car show booths and emceed numerous year end award banquets.

Words that Describe His Career:-

Knowledgeable – Cyril could likely tell you what make of car every maritime stock car driver ever raced.

Prepared & Professional – He was usually seen long before race time working the pits – talking to drivers and crews finding out the latest developments to relay to the fans during the night.

Dedicated – 35 years involvement in the sport. His voice has been heard on public address systems at most tracks in the Maritime Provinces.

Talented – What Cyril will most be remembered for is his contagious enthusiasm.

What's Cooking? In Winona's Kitchen

MAPLE SALMON TOPPED WITH BREAD CRUMBS

INGREDIENTS:

4 salmon fillets, 4-oz each
2 - 3 tbsp maple syrup
¼ cup bread crumbs
¼ cup olive oil
salt, freshly ground pepper

INSTRUCTIONS:

1. In a frying pan use ½ the oil and place the salmon skin side up, fry until bottom side is light brown
2. Preheat oven to 400° F.
3. Put foil in bottom of baking pan.
4. Place salmon in baking pan with skin side down.
5. Brush the maple syrup on salmon, season with salt and pepper.
6. Mix bread crumbs and olive oil in a small bowl. Gently spread mixture on top of each fillet.
7. Bake, uncovered, until fish flakes easily, about 15 - 20 minutes.

Yes, You Can Garden Now

Mark Cullen is an expert gardener, author, broadcaster, tree advocate and Member of the Order of Canada.

His son Ben is a fourth-generation urban gardener and graduate of University of Guelph and Dalhousie University in Halifax. Follow them at markcullen.com, @markcullengardening, and on Facebook.

What spring season was more anticipated than this one? Perhaps in 1919, during the last pandemic, when people were sequestered in their homes for the winter. Sound familiar?

It has likely been over a hundred years since we last approached the season of renewal, spring, with such enthusiasm. Thus, our opportunity to squeeze much more gardening from the month of April than you likely realize. By “squeeze” we mean enjoy, well before what has traditionally been the start of the gardening season in May.

Sow and Grow

Start vegetable and flowers seeds indoors now. Just about all the seeds that you bought a month ago, when we urged you to acquire your supply early due to unprecedented demand (you did that, right? If not, make that job #1 now), can be sown now. Frost tender flowers like marigolds, alyssum, zinnias, cosmos and a host more should be started in the next couple of weeks either under grow lights or in a sunny window. Same with tubers of dahlias and tuberous begonias.

There are many opportunities to sow crops directly in your garden. Onions by seed and bulb, carrots, beets, kale, radishes, Swiss chard and peas can be sown now. Prepare the soil by turning it with a garden fork or spade once, bang the clumps out of it and add lots of compost. For root crops, add generous quantities of sharp (sand box) sand at least 30 cm deep to open the soil up and improve drainage.

Wait a few more weeks for flowers that are cold hardy, as we do expect frost for the next 6 to 9 weeks. Sow calendula (pot marigold), dusty miller and alyssum outdoors any time from April 15 onwards.

Plant. While we wait in great anticipation of the Japanese Cherry blossom show in High Park, with fingers crossed that we will be allowed to access this magnificent display this year, we remind you that all woody, winter hardy plants are good to go for April planting.

If the plant is dormant and leafless when you buy it you know that it is in its natural state, versus forced in a greenhouse. It is important to know the difference. A plant that is in full leaf is soft and susceptible to frost damage. A dormant tree, shrub or rose plant is naturally protected from temperatures below 0 Celsius. It might not be as attractive, but it will transplant more easily.

Perennial divisions from your own garden or that of a friend or neighbour, can be planted now. Again, if you are

On the Road to Emmaus

by Gloria Scribner

We noticed the roses first - planted and

tended with serious gardening expertise (I don't believe I've ever seen such an abundance of flora as in Jerusalem), but what caught my eye and wrenched at my heart was the old olive tree in

the middle of the garden, the Garden of Gethsemane. What's left of the olive trees leaves much to be desired, but "yes" they do live for thousands of years. My imagination ran wild as I recalled the drama and heartache of that long ago night. One man, on death row, abandoned by all who called Him friend - crying alone under the olive trees.

We had arrived at our destination, mercifully after the Easter crowds had disbanded and flown homeward to their varying destinations. Our way was clear, our paths uncluttered by the tourist hordes, and we could linger and ponder while we once again listened to those old familiar narratives from the gospels, as our leader "John" shared the story of the resurrection, giving it more meaning and clarity than ever before. We stood beside the ugly rock face Golgotha (The Place of the Skull), grotesque now, distorted after centuries of wars, earthquakes and erosion. We descended carefully along a hillside and over a footbridge spanning a trickling stream, on down to the ancient cave

with the rolling stone beside it. Lilies waved along the path and roses spread their scent round the queue of pilgrims each awaiting his or her turn to step into the cavern where for two thousand years bodies have been laid to rest, embalmed with spices, sweet smelling herbs and tenderly wept over - the sepulcher of the Arimathea family, whose tomb was lent by Joseph for the Messiah. I wonder if Joseph really knew in his heart that Jesus would only need it for a couple of nights. I believe he did! Because you either believe or you don't.

Inside were three cots hewn from stone, and outside the believers waited to pay homage. As I stepped back out into the bright sunlight I imagined the angel's voice: "He is not here - He is risen".

As our little group congregated to board the bus we pondered our destination. "Would the 'Emmaus' road be crowded with tourists?" Approaching the remnants of the past we found ourselves the only group destined on that day to walk the ancient road. As our feet touched the old, well-imbedded stones, we passed foundations of what was once ancient buildings of a long, long ago thriving community. We felt as though time had wizzed by like the fast-forwarding of a movie-reel and after wars, earthquakes and centuries there was nothing left. Or was there?

As we neared the edge of "the town that once was" we realized that just over the hillside grapes grew in abundance and "life" was in them, maybe as it was on that morning so long ago when lilies bloomed and my Master walked "barefoot perhaps" along that remnant of Roman occupation who little knew they had paved the way for the "King of Kings".

Two thousand years later, believers pause in awe beside the Emmaus Road. Skeptics snicker, doubters shake their heads, but believers "know" - because the heart that is true never forgets.

Yes, You Can Garden Now

shopping for perennials and they have soft green foliage or flowers, it is best not to plant them yet as the new growth is frost tender. But a dormant hosta or rhubarb root is safe. This is the perfect time of year to move most herbaceous perennials around your yard or divide the mature ones and give away the divisions.

Prune fruit trees. Apples, peaches, plums, cherries: most fruit trees respond best to an early spring pruning. Open up the crown of a maturing fruit tree by removing the tangle of branches in the middle and allow the sun and wind to filter through the crown of the tree. This will maximize the fruit bearing potential. The fruit that you harvest will be larger, on average, with pruning. Most hobby gardeners are too shy about pruning fruit trees.

As a rule of thumb, we remove up to one third of the growth, concentrating on the upright growing water sprouts and the criss-crossing branches in the interior of the tree. A great website for more information about fruit trees is <https://orchardpeople.com/>.

Perennial food plants. Asparagus,

grapes, raspberries, strawberries, and the like, are best planted in April, while they are dormant. Buy strawberry plants as one year old roots and plant in compost-rich soil about 30 cm apart. Raspberries are usually sold as rooted cuttings, about 30 cm high. Plant them out about 50 cm apart.

It is early April. You can grow now.

**APRIL SHOWERS**

"Rain, rain, rain, rain, RAIN!" said Barbara, unhappily.

"Why must we have so much rain?"

It rained yesterday and it rained the day before that!"

Her sister Mary laughed.

"The little raindrops have a lot of work to do.

They must hurry and finish before the sun comes out again," said Mary.

Barbara ran to the window. "They are not working.

All they do is fall from the clouds to the ground."

"Oh, but they have a big task to do.

They must soak the ground and soften it.

Then the tiny seedlings can begin to grow.

They must furnish a lot of water for the thirsty trees.

They must wash away the untidiness left by the winter snow.

They must make the air fresh for the start of the new season," said Mary.

Barbara said, "Goodness me, I did not know there was so much work for the raindrops." She watched the rain.

"You are right, Mary. Everything that looked dirty and dried up after the long winter is washed clean and fresh," said Barbara.

Then she added, "But the raindrops better hurry the sun is peeking around a cloud now."

Mary said, "Yes the sun has a big spring time job, too.

He must warm the air coax the plants to wake up after their long winter sleep."

Anglophone Rights Association of New Brunswick

It appears there are some MLA's within our Legislative Assembly that are ill informed as to what the Anglophone Rights Association (ARANB) is and what they advocate for. This is surprising given the availability of media and online resources. With the very important upcoming Official Languages Act (OLA) Review, we want things to be clear with you the public, as well as the Government.

Anyone who perpetuates the notion ARANB is opposed to bilingualism is attempting to avoid meaningful dialogue that may lead to a fair and equitable resolution of the language issues.

To achieve harmony and ensure fairness for both the Anglophone and Francophone communities in New Brunswick, implementation of the OLA needs to be addressed and Act amended.

These amendments must ensure fair and equitable participation in the public service for both Anglophones and Francophones in New Brunswick.

We need to establish and put in place a fair and reasonable language proficiency level expectation for employment, as well as, update language testing processes and procedures to bring the grade 12 intermediate proficiency level requirement, in line with the employment proficiency levels required

by civil/public service.

According to Statistics Canada 2019, in the Anglophone School system, grade 12 proficiency testing, only 1616 of 5873 students took the French language proficiency test. Only 420 obtained a level of Intermediate (2) or higher. NB government dictates an Intermediate plus (2+) level for employment.

So, 291 students reached an employment qualifying level. At best, only 7% of all grade 12 students in 2019 achieved an employable level.

It is noteworthy that even those who obtained an employable level will be retested upon application of any bilingual position.

Any applicants not having levels required and are applying for public service work now and those already in the civil service currently are impeded in either getting hired or getting a promotion.

Statistics Canada in 2016 has indicated, only 16 % of Anglophones in New Brunswick are bilingual. Leaving very few Anglophones with the opportunity to get public service employment.

The government needs to initiate and facilitate meaningful discussions with Anglophones and Francophones that will lead to resolutions of the divisive issues to create a better balance and future for all New Brunswick. This is what the OLA review is about. Good to

Save today for more tomorrow.

While there's no shortage of demands on your money, now's the time to build a strong foundation for the future.

Let's talk about your options.

know what is being talked about.

Any New Brunswicker has the right to have input at the table for the Official Languages Act (OLA) review to express concerns and solutions to the issues of how the OLA is currently being implemented and what changes could be put in place. There will be a link on the government website in the near future for all to access to complete an OLA review submission. We hope you

will participate.

The Official Languages Act affects ALL New Brunswickers.' A fair balance is needed to allow for all New Brunswickers to stay, work, play and thrive here.

Job Posting

The Maritime Motorsports Hall of Fame and Museum
is now accepting applications for a SEED Student.

We are now accepting applications for 1 student for a **Tour Guide and Archiving Assistant**.

Be a full-time student (high school - grade 12 only, university or college) in the current academic year (2020/2021) and, be attending a post-secondary institution (university or college) full-time in the fall of 2021.

Duties include: registration, documentation, research, locating, and safe handling and storage of artifacts and entering data into the Archives New Brunswick A to M database. Assisting in the preparation of artifacts for exhibits; delivering museum tours; performing office duties related to collections.

Candidates must be willing to work some weekends. The job will be 12 weeks, starting anytime after May 1, but ending September 3, 2021. Bilingual would be an asset but not necessary.

Please submit a cover letter and resume with the names and contact information of three references to:

Maritime Motorsports Hall of Fame

5 Hooper Lane

Petitcodiac, NB E4Z 0B4

Or by email to maritimemotorsports@gmail.com

Applications will be accepted until April 26, 2021, with interviews to be conducted soon after. We appreciate all applicants, however, only those selected for an interview will be contacted.

Comedy at Large

by Laurie Blanchard Salisbury, NB

An author in a book I read, writes about cereals and the surprises that came in them many years ago. He says that he came from a large family. He had many brothers and by the time he got to the cereal box in the cupboard, whatever prize had been inside was gone and sometimes that included the cereals. In days gone by, prizes in cereal boxes would inspire your childhood fantasies. In today's world, you get cheesy stuff. When you open a box now, you get some flat piece of thick paper that you unfold. Inside is a picture of a duck. Move the tab and his ears wiggle. Big deal !! It's a case of fowl play.

An acquaintance shared this story with me. He said that many years ago, when he was a bachelor and had been on social assistance for a while, he often lived on Kraft Dinner, sardines and 3 day old bread. He said that he wore pants that were so thin, that when he sat down on a dime, he could tell if it was heads or tails ! Not to be outdone, I asked him ...so, when you sat on that dime and it was tails, could you feel the Bluenose? His reply ...no, no, no ! It was taking on water !

On one page of an automotive magazine was this car for sale ... 1949 Oldsmobile 2 door sedan delivery. Nothing unusual you may think? You'd be wrong. They proclaimed....1 of 1 built by G.M. ! Very rare ! ?Well now, you betcha it's rare ! They only built 1. Where else are you going to see one? nuff said .

PEOPLE WHO LAUGH A LOT LIVE LONGER

Approaching Spring

by Gloria Scribner

It's as though an unseen hand has scattered once again
A field of seed and nurtures it with sun and gentle rain
While streams of melted snow come forth from hills and forest glade.
As sunbeams lay out welcome mats to every bashful shade
And love is borne unseen as plans escape the Father's heart
And oh the joy as we His children get to share a part
We thank Him for his faithfulness, we'll plant our garden row
And maybe hold a little hand and watch an angel grow
We'll clean our dusty winter house and throw the windows wide
And hear the song of chickadees in praises just outside
We breath our sighs, re-energise, throw off old inhibitions
And pack them all away with winter coats and hats and mittens
Freedom soars on eagles wings and sails aloft on high
And it's as though the Painter splashed out dreams across the sky
Of sunbeam gold and green of leaf where soon will bud the rose
A blushing cheek, a rainbow hue and freckles on a nose
In spring I think of angels and I dream of second chance
To wipe the tears away and join my maker in the dance
As twirling into spring again, He says "Now take my hand"
"And don't let go - I'm going to show the world I'm in command"
And all of nature seems to hearken under his control
And oh! The miracle He works leaves gold-dust on my soul
For love is golden, spring is love, and faithfulness and spring
Come round again reminding us how dear we are to Him

THANK YOU

The group Abba, one of Ron's favorites had a beautiful ballad, "The Way Old Friends Do". The lyrics "in times of joy and sorrow, we can face it together the way that old friends do" ring so true as we have faced the loss of a dear brother and friend. We offer our sincere thanks for the many acts of kindness and friendship expressed through phone calls, sympathy cards, memorials placed, food drop offs and the sharing of fond remembrances. Saying good-bye to a loved one is always difficult, journeying through a month long hospital stay and funeral services without visitation due to the pandemic could have added another degree of hardship, but with the support of Ron's dearest friends we know he passed away feeling loved. Thank you to all those who provided love and friendship to Ron and who continue to be there for us.

And think of him as living
In the hearts of those he touched,
For nothing loved is ever lost
And he was loved so much.

Sincerely
The Keith Family and Louise

MEMORIAL

Douglas Bruce Crossman

We think about you always
We talk about you still
You have never been forgotten
And you never will.

The Crossman Family

OBITUARIES

years, he got involved in the sport as an announcer and spent 35 years behind the microphone. The excitement in his voice was borne out of a sincere love for the action on the oval, and his voice was heard at tracks throughout the Maritimes. He was honoured as an inductee to the Maritime Motorsports Hall of Fame in 2018 for his contributions to the sport.

He was generous to a fault, always willing to help someone in need of a ride, some cash or just a listening ear. He occasionally delivered sermons, and had a love for Christ and scripture. It is with this saving Hope that he knew his passing would only be a temporary parting of ways.

Until they meet again, he will be missed by his loving wife of 52 years Marilyn (Tingley), his sons Mike, Jim, daughter Sue, grandchildren Murray, Kayla, Emily, Holly, Sasha, Jericah, and Nathan and great-grandson Aaron. He is also survived and will be missed by Sister Marion (Gerry), Sister-in-Law Esther, Brothers-in-Law Ralph (Donna) and Roger, Sisters-in-Law Gloria (Herbie), Joyce (Jerry), Marlene (Bob), and Janet. He is also survived by his Aunt Orpha and many other family and friends far too numerous to list by name.

Cyril was predeceased by his beloved son Jeff, his parents Murray and Muriel, his sisters Geraldine and Sharon, brother Vernon, Sister-in-Law Bonita, and Brother-in-Law Mark.

Family received friends and relatives at the Salisbury Funeral Home, 3350 Route 106 (372-4800) on Monday, March 22 from 2 to 4 and 6 to 8 pm with Covid-19 restrictions in place. A private family service took place Tuesday, March 23 with Rev. Dr. Terry Atkinson officiating. Interment at Middlesex Cemetery at a later date.

If desired, memorial donations to the Cornerstone Community Church would be appreciated by the family at www.keirsteads.ca or send to 530 River Glade Road, Wheaton Settlement, NB, E4Z 3W3. www.keirsteads.ca

OBITUARIES

Cyril Hall
1948 - 2021

It is with mixed emotions that we share that Cyril Murray Hall passed into the presence of the Lord on Thursday, March 18, at the age of 73.

Cyril was born February 19, 1948 in Petitcodiac NB. Growing up on his parents' dairy farm he learned the importance of hard work. He enjoyed going on milk deliveries with his father, and eagerly looked forward to stopping for treats along the way. He also grew a rich sense of humour which he carried throughout his life. Most importantly, it was in a household that chose to serve God first that his faith was fortified.

Cyril's true passion was stock car racing. He lived and breathed the sport and knew nearly every detail about the history of drivers and their cars, both locally and back to the origination of NASCAR and beyond. Family vacations were often centered around racing somewhere, usually the Oxford 250 in Maine. Purely a fan in his younger

OBITUARIES

E. Alice Crandall
1929 - 2021

E. Alice Crandall of Forest Dale Nursing Home Inc, Riverside-Albert, NB, and formerly of Mapleton, NB, passed away at the home on March 16, 2021 at the age of 91.

Born in Kinnear Settlement on May 25, 1929, Alice was the daughter of the late Hazel (McCully) and Hartley Colpitts. She was a life member of the Elgin Women's Institute, Mapleton WMS and member of the Elgin Baptist Church. Of the many notables, she and Dad (Henry) welcomed friends and family to the farm in springtime to enjoy all aspects of the maple syrup season from helping to tap in, to gathering sap, sugaring off, and tasting the sugary treats.

Predeceased by her husband Henry in 2007, she is survived by HazelAnna Carter (Reid), June Crandall, and Rickey Crandall (Paula) all of Mapleton and residing on the family farm. Grandchildren include Kandice Carter, Mackenzie Carter (Leanne) both from Elgin, Paul Easterling of Maryland, US, Joshua Easterling of Kentucky, US, Joanie Crandall of Alberta, and Jaret Crandall of Ontario, and nine great-grandchildren. The only surviving sibling is her sister, Ena Thorne of Petitcodiac.

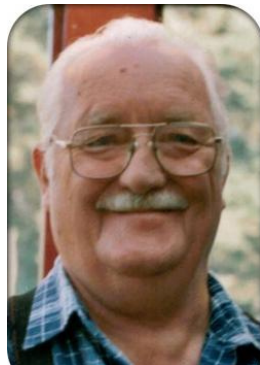

Arrangements are in care of Salisbury Funeral Home, (506-372-4800). There will be no funeral or visitation at this time. A Celebration of Life, and Committal at The Elgin Cemetery will be held at a later date.

The family would like to thank the staff of Forest Dale Nursing Home for their kind and compassionate care given to Mum over the last three years.

www.keirsteads.ca

OBITUARIES

Geoffrey Coldrick
1928 - 2021

Geoffrey Elliot Coldrick, 92 of the Jordan LifeCare Centre passed away Sunday, March 7, 2021 at his residence.

Born in Liverpool, England he was the son of the late Leonard and Hilda (Collinson) Coldrick. Geoffrey worked as a Cable Technician. His hobby was building model railroad trains and he also enjoyed woodworking. He spent three years in the British Army after World War II.

Geoffrey is survived by his daughters Karen Mann (Dwight), Salisbury, Kim Whitney (Bruce), Toronto, ON, Wendy Coldrick, Australia, Christine Burke (Michael), Kelowna, BC and Anita Tompkins (Drew), Kelowna, BC; sons Jason Schick, Montreal and William Schick (Michelle), USA; grandchildren James, Matthew, Samantha, Jennifer, Brandon, Danielle, Ashley, Travis, Kelsey, Kayla, Alicia, Michelle, Ashley, Sonja, Nicole, Natalie and Samantha and six great grandchildren and several nieces and nephews. Besides his parents he was predeceased by his wife Helen and brother Neville Coldrick.

There was no visitation or service by personal request. Arrangements are in the care of Salisbury Funeral Home & Crematorium (372-4800).

Special thanks to the staff at the Jordan LifeCare Centre for the care given to Geoffrey.

If desired, memorials to the Alzheimer Society would be appreciated by the family.

OBITUARIES

Hilda Graves
1931 - 2021

Hilda Luella Graves (Dimock) May 13, 1931 - March 5th, 2021

Today, with heavy hearts, we are announcing the passing of our beloved mother, grandmother, and great-grandmother Hilda Luella Graves (Dimock).

Hilda lived her life to the fullest. She was born in Havelock, NB, on May 13, 1931, to the late Leland and Mary Dimock (Thorne). She was predeceased by her husband Elton and her brother Horace Dimock. She quietly passed away in her home with her two daughters by her side on March 5th, 2021, after a lengthy battle with cancer.

She was a long-time member of the West Lane Baptist Church and a member of the WMS. Her faith was an anchor and helped her through many difficult times. She was the rock of our family and now she is home with her Lord and Savior.

She retired in her 60's and filled her free time with traveling around the world, knitting socks, sweaters and mittens for her family and hats for premature babies at the hospital and mittens for students at Beaverbrook School. She enjoyed doing puzzles and traveling out west to spend time with her two great-granddaughters Zoë and Prudence.

She leaves behind a son, David (Irina) Graves residing in Portugal; two daughters, Sheila Bampton, residing in Moncton, and Susan (Phillip) Anthony, residing in Quispamsis. She also leaves behind granddaughters, Amanda (Jonathan) Milke, Jennifer (Bryan) Arseneau, Julia Anthony, Jessica (Jonathan) Grimes & Rebecca (Adam) Dempsey. She was survived by five great-grandchildren.

There was a private family service, with Covid-19 restrictions in place, at the Salisbury Funeral Home (372-4800) on Tuesday, March 9, 2021 with Pastor Scott Ryder officiating. Interment at Greenhill Cemetery, Havelock at a later date.

If desired, memorials to West Lane Baptist Church, Greenhill Cemetery or a charity of choice would be appreciated by the family.

www.keirsteads.ca

OBITUARIES

Ronald Keith
1951 - 2021

Ronald Everett Keith, 69 of Petitcodiac passed away at the Moncton Hospital on Friday, March 5, 2021.

Born in Havelock, he was the son of the late Wallace and Doris (Leaman) Keith and grew up in a family of 8 siblings on top of Powell Hill.

Ron had a 30 year career at NBTel, where he worked along side great comrades many with whom he formed life-long friendships. In retirement he enjoyed seasonal camping at TNT, playing golf, listening to music and playing crib with Louise since his move to Petitcodiac in July of 2020. Being able to help people with projects and have fun was his mission. He also loved cruising the roads in his Mustang convertible with the Abba tunes on repeat and his wonderful dimpled smile fixed in place.

He is survived by his son Nicholas; grandson Isaiah; brothers Richard (Joan) and Dale (Heather); sisters Patricia MacLeod (Rick), Marlene Keith and Judy Keith; sister-in-law Carol Keith; former first wife Donna Keith; cherished friend and neighbour Louise Fletcher and several nieces and nephews. Besides his parents he was predeceased by his wife Heather (Broad) in 2017 and brothers Larry and Roger.

There was a private family service, with Covid-19 restrictions in place, at the Salisbury Funeral Home (372-4800) with Rev. Stephen Brown officiating. Interment at Maplewood Cemetery at a later date.

If desired, memorials to the SPCA or charity of choice would be appreciated by the family.

www.keirsteads.ca

OBITUARIES

Stella Lewis
1923 - 2021

Stella Grace (Dobson) Lewis passed away at the Moncton Hospital on Monday, March 1, 2021, after a period of failing health. She was 97 years of age. Born June 28, 1923, to the late Wesley and Jessie (Lewis) Dobson.

She was born and lived the very most of her life in Mont Eagle, NB. She was a member of the Second North River Baptist Church when she sang in the choir. She was a member of the Women's Institute, Women's Missionary, was CGIT Leader, volunteered at the K.E. Spencer Memorial Home, a member of the church bowling league and a long-time member of the Moncton Farmer's Market.

She leaves behind her beloved husband of 77 years, Freeman; son, Reid; sister-in-law, Joyce Lewis; and many nieces and nephews.

Predeceased by her son, Orval Freeman; sisters, Shirley Dobson, Edith Munn, Viola Lutes, Freda Palmer and Eva Calhoun; brothers, Kenneth, Paul, Rosco, Ken, George and infant James Dobson.

There was a private family service at The Salisbury Funeral Home on Friday, March 5, 2021 with Pastor Keith Lewis officiating. Covid-19 restrictions in place. Interment will be in Mont Eagle Cemetery at a later date. If desired, memorials to the Mont Eagle Cemetery or a charity of choice would be appreciated.

Allen Dunfield
1956 - 2021

Allen Russell Dunfield, 64, of Salisbury, NB passed away at his home on Saturday, February 27, 2021. Born in Moncton, he was the son of the late Rev. Clinton and Inez (Thompson) Dunfield.

Allen was a member of the Cornerstone Community Church, a faith community that was very important to him. He enjoyed music, car shows, and was a

OBITUARIES

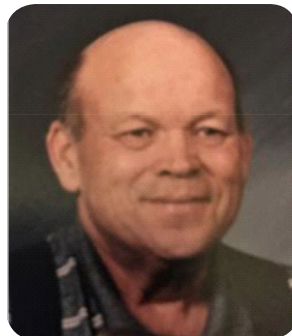

big fan of the Moncton Wildcats. He was well known in his community, and enjoyed walking, socializing, and going to yard sales. Allen truly believed the best of everybody.

Survived by his sisters, Margaret (Kevin) Adams of Little Britain, ON, Carol Dunfield of Ottawa, ON; brother, David (Sharleen) Dunfield of Carp, ON; uncle, Gordon Dunfield of Moncton, NB; nieces, nephews, and grand nephews. He will also be missed by many friends in Salisbury, Boundary Creek, and the surrounding areas.

Arrangements are in care of the Salisbury Funeral Home and Crematorium (506-372-4800). Due to Covid-19 restrictions, family and friends will gather for a memorial service at a later date with interment in Fair Haven Memorial Gardens, Moncton, NB. If desired, memorial donations to the Cornerstone Community Church, or the Canadian Cancer Society would be appreciated.

www.keirsteads.ca

David Demont
1949 - 2021

David Flemming Demont, 71, of Moncton, formerly of Harewood, passed away at the K. E. Spencer Memorial Home on Sunday, February 21, 2021. Born in Moncton he was the son of the late Basil and Harriet (Stewart) Demont.

David was a John Wayne type that guarded his feelings more fiercely than a box of Ganong's chocolates. He did however love to joke and tease with everyone, especially with his nieces and nephews. He grew up working in the woods alongside his family and loved to go hunting in the fall. His favourite pastimes were browsing the Money Saver for classic cars and trucks and drinking too much coffee with friends at Tim's. He would have loved to get to know his granddaughter had it not been his dementia and COVID 19 restrictions.

Survived by his daughter Theresa Demont (Sean MacCready); granddaughter, Quinn MacCready; wife Helen Demont; brother, Karl Demont; many aunts, nieces and nephews.

Predeceased by sister, Marie Harrison; brothers, Sheldon, Jimmy, and Lloyd.

Arrangements in care of The Salisbury Funeral Home (506-372-4800). A graveside service will be held at a later date. If desired, memorials to Stop Spraying NB would be appreciated.

OBITUARIES

Sylvia Landry
1964 - 2021

It is with deep sadness the family announces the passing of Sylvia Landry on March 4, 2021 after a brief illness. She passed peacefully at the St. Paul's hospital palliative care unit in Saskatoon, Sk at the age of 56. Sylvia was born September 12, 1964 to parents Eva Rogers and Elmer Landry, she was the stepdaughter of Everett Rogers. Born in Hamilton Ontario raised in Mannhurst, New Brunswick. She is survived by her mother Eva Rogers, sisters Terri Landry (Toronto, Ontario) and Susan Poirier (Blaine Lake, Saskatchewan) daughter Rebecca (Scott) of Fredericton and grand daughter Melody of Fredericton, Son Robert of Ontario Predeceased by material and paternal grandparents, father and stepfather, sister Elizabeth and son Earl. Sylvia attended the PRHS (now PRS) high school where she met her life long friend Michelle Crosby Marr Gilmore who will miss her dearly. She will also be missed by her special friends Earl and Theresa Smith. She was a member of the Havelock Legion for a time, though she attended several churches, her favorite was the New Cannan Baptist Church where she made many friends. She will be sadly missed by her friends at her forever home as well as Maria and the staff of Meil Care Home in Saskatchewan. Donations in her name can be made to any mental health program or charity of your choice. A celebration of life will be held in New Brunswick at a date to be announced.

Meet the 2021 Municipal Candidates for Salisbury

Rob Campbell

Salisbury Councillor Rob Campbell will be running for Mayor in the upcoming Provincial Municipal Elections. Rob, his wife Tracy and daughters Nadia and Livy are longtime residents of the Village.

"I understand the challenges and the opportunities for our Village and will ensure a long-term vision and strategic plan is not only put in place but as well available to the community as part of transparent government. I believe in setting goals and bringing accountability to the role where I plan to bring approachability, transparency, open-ness to change and being a voice that will speak up for Salisbury to the position if elected "said Campbell

Campbell is heavily involved in the community sitting on the Village of Salisbury's action committee for the last six years, served as Chair of Trustees for Salisbury Baptist Church, Winter Carnival Committee, Beautification Committee, President of Salisbury Minor Basketball, coached teams at the Middle School as well as the provincial basketball programs here in the Village. In December 2020 Rob helped drive a very successful and fun shop local campaign in Salisbury that not only helped local businesses, but as well helped drive Community pride and lifted people's spirits.

"Our community is a vibrant regional hub and service provider, with enormous potential. We are moving in a positive direction with strong business and population growth potential, that will require vision, and strategic planning to maximize the opportunity. Leadership will be important to position the Village as a destination of choice for both new business and residents while maintaining the elements that make Salisbury unique. "I hope you elect me as that Leader and Mayor in May" stated Campbell.

For further updates on new candidates for Salisbury, check Elections NB website after April 9th.

Stephanie Thorne

Hi there! My name is Stephanie Thorne and I am running for Salisbury Village Council in the upcoming Municipal Elections.

I was born and raised in Salisbury and have loved calling it "home" for the past 36 years. My husband and I were married in 2009 and we are the proud parents of 6-year-old Leslee. I am a Certified Professional Accountant and currently work as a Chief Financial Officer.

One of my core values is to help where there is a need. This value has led me to volunteer in many different areas within our community. You may have seen me coaching soccer in the summer or co-leading the Junior Choir at the Salisbury Baptist Church. I also sit on various committees that I am passionate about, including the Salisbury Elementary School (SES) Parent School Support Committee, the SES Playground Committee, and the Salisbury Community Days Committee. This core value is also why I am running for Salisbury Village Council. We have seen vacancies around the Council table for far too long. I believe we need a full Council of passionate individuals who not only want to see our community grow, but who also have a vested interest in issues that matter. If elected, I will fight for our schools, encourage community programs, and promote local businesses. I will listen to your concerns, communicate with transparency and act as your advocate sitting at the Council table.

Furthermore, I believe that it is time for the Village of Salisbury to, once again, have a strong female voice at the table who is willing to question "the way things have always been done". It is time for fresh ideas, new perspectives, and energetic enthusiasm to make Salisbury not only an inviting place to live but also an exciting destination for visitors looking for a friendly place to shop, eat, and play.

As we head to the polls on May 10th, I am asking for your support. I have loved this village my whole life, and I would be honored to represent you as Village Councillor.

Jason Gallant

I have been a resident of Salisbury since the year 2000. My wife & I made the decision to move home from Ontario to raise our family. My wife - Jill (Anderson) was raised and attended school in Salisbury, while I'm originally from Sussex. I have grown to love Salisbury and I'm proud to call it home. I know my leadership qualities and experience in the corporate setting will help propel our Village to the next level. I am a Dad of 3. I currently sit on the PSSC as chairperson for SMS/JMA Armstrong High, and have actively worked on the committee for several years. In the past I was a Volunteer Firefighter with the Salisbury Fire Department and for a period of time was the President of the Riverview Skating Club. Looking forward to being a voice on Village Council. #VoteJayinMay

Alex Morton

Alex Morton, a Boundary Creek father-of-three, is running to represent Subdistrict 9 on the Anglophone East School District Education Council (DEC). Morton currently chairs the Parent School Support Committee at Salisbury Elementary School. He is also chair of the Royale Greater Moncton Santa Claus Parade and a board member of Atlantic Wellness Centre.

A Category Sourcing Manager at Atlantic Lottery Corporation, Morton sits on the company's Diversity and Inclusion Committee and is well known in the local community as an avid triathlete. He grew up in Riverview, earned his engineering degree at Waterloo University, and is a graduate of the MBA program at the Rotman School of Management at the University of Toronto.

"Beeting" Yourself to Increase Good Health

Hospital in London, England, report that NO helps to maintain a biochemical balance in the air passages, decreasing inflamed airways.

Another major problem worldwide is the epidemic of Type 2 diabetes. This disease causes insulin resistance, making it hard for glucose to enter cells. High blood sugar gradually destroys the circulatory system triggering a series of problems, the big one atherosclerosis. Decreasing the amount of blood to organs results in blindness, kidney failure, leg amputations and heart attack. NO helps to control these problems.

What can you do to increase NO? Losing weight and exercising boost NO levels. But people with unhealthy endothelial cells may have diminished nitric oxide bioactivity as compared to those in good health.

So why not improve the diet with foods rich in nitrate? Adding more beets is good advice. Other foods with a high content of NO include leafy green vegetables such as spinach, wild radish, kale and swiss chard.

You don't like any of these vegetables? Try dark chocolate and wine. Both increase NO. But remember moderation.

If you are interested in a safe, natural supplement, then NEO40 is yet another option.

SPRING DIET

It's fun I know
To mix within the dough,
Samples we must try
Or, we think we'll surely die.
At tasting we're a pro,
We just simply can't say no.
To Diet isn't fun
Because food we'd have to shun.
But diet we must,
In me you'll have to trust.
Let's think of it as a game,
And soon they'll have to,
Ask our name!

Salisbury Happenings

Village of Salisbury News

MUNICIPAL ELECTIONS TAKE PLACE ON MAY 10TH

There is still time if you are considering offering your name for a position on Salisbury Village Council.

New Brunswick municipal elections take place on May 10th, and in the Village of Salisbury there are six positions available - a mayor and five councillors. **Nominations close on Friday, April 9th at 2pm.**

Everything you need to know about running or voting in this election can be found at the Elections NB website (www.electionsnb.ca) under "Local Government Elections."

RESUMES BEING ACCEPTED FOR SUMMER JOBS

The Village of Salisbury is accepting resumes for Summer job opportunities within the Department of Infrastructure and Public Works, the Department of Recreation and Wellness, and the Village Office.

Please submit your resumes to the Village, either:

- in person from 8:30am to 4:30pm, Monday to Friday at the Village Office at 56 Douglas Street
- by email at vilsalisbury@nb.aibn.com
- by fax at (506) 372-3225
- or by regular mail to: Village of Salisbury, 56 Douglas Street, Salisbury, NB, E4J 3E3

NEW DEPARTMENT DIRECTOR AMONG ORGANIZATIONAL REBRANDING

The Village of Salisbury would like to introduce Jarrett Crossman as Director of Recreation and Wellness! Jarrett brings with him education and experience in municipal recreation management and will be an excellent addition to our staff. Please join us in welcoming Jarrett!

Meantime, in effort to update and clarify roles and responsibilities within the community, the Village of Salisbury has remodelled its organizational structure with new names for its departments.

As mentioned, Parks and Leisure is now known as the Department of Recreation and Wellness, providing recreation and leisure programming for all age groups from youth to seniors.

Works and Maintenance is now known as the Department of Infrastructure and Public Works, responsible for all municipal infrastructure including transportation, wastewater services and maintenance of municipal buildings, facilities and parks/playgrounds/trails, and continuing under the leadership of Director of Infrastructure and Public Works, Jason Coyle.

GARBAGE - SPRING SPECIAL PICK-UP (ROADSIDE) * WITHIN VILLAGE LIMITS *

Village of Salisbury Spring Special Pick-Up Day is scheduled for Monday, May 3, 2021.

Any items residents wish to have picked up must be placed at roadside. Please be sure to have items at the curb early, as pick-up can commence anytime after 5:00am.

- Appliances/Furniture,
- Lumber and yard waste must be bundled and tied in 4ft. lengths,
- Tires (Limit of 2 per household),

X NOT ACCEPTED - Batteries, paint products, chemicals, propane tanks, and other hazardous materials.

MOBILE ECO-DEPOT (HOUSEHOLD HAZARDOUS WASTE)

Southeast ECO360's "Mobile Eco-Depot" will be at the Salisbury Baptist Church, 3128 Main Street on: Wednesday, May 12th & Thursday, May 13th from noon-8:00pm both days.

VILLAGE OF SALISBURY SEWER BILLS - END OF INTEREST-FREE PERIOD

The sewer rate for 2021 in the Village of Salisbury is \$305.00 per unit, unchanged from 2020.

Interest working out to 2% per month is added to all overdue sewer accounts, calculated from the billing date in January. The first application of this interest took place in March and will continue on a monthly basis for the rest of the year.

Meantime, Salisbury By-Law 45, Relating to the Collection of User-Charges for the Sanitary Sewerage System, allows for disconnection of services on overdue accounts. The full by-law can be found on our website, www.salisburynb.ca. Arrangements for overdue account payment plans must be made.

2021 SALISBURY DOG TAGS - LATE FEE IN EFFECT AS OF APRIL 1

As of April 1st, late fees will be in effect for 2021 Village of Salisbury Dog Tags. Factoring in this \$15 increase, registration fees as of April 1st will be:

- \$25.00 for spayed or neutered dogs; or
- \$45.00 if not spayed or neutered.

Every owner of a dog(s) over the age of three (3) months shall have such dog(s) vaccinated against distemper and canine parvovirus and must repeat this process every two (2) years thereafter.

Every owner of a dog(s) over the age of four (4) months, shall have such dog(s) vaccinated against rabies and every three (3) years thereafter.

In order to buy a dog tag, you must show an official receipt from a licensed veterinarian hospital with the breed, colour and name of dog showing on receipt, as well as the veterinarian hospital tag number.

*** NO ONE WILL BE ISSUED A DOG TAG WITHOUT THE OFFICIAL RECEIPT. ***

As of April 1st, tags will only be available at the Village Office, 56 Douglas Street.

Meantime, New Brunswick SPCA is assuming the 2021 Animal Control duties for the Village of Salisbury. Please direct any dog-related complaints or inquiries to NB SPCA at 1-877-722-1522.

OPEN FIRES PROHIBITED

A reminder that the lighting of ANY open fire to dispose of dry grass, brush, hay, straw, leaves, buildings, construction materials, automobiles or garbage in the municipality is **PROHIBITED**. Any fires must be in approved appliances only (see Salisbury Fire By-Law (By-Law No. 48) to be extinguished and are authorized to issue tickets as they may deem necessary to enforce this By-Law. By-Law No. 48 can be read in its entirety at www.salisburynb.ca (under the tab Inside Your Village Office (By-Laws)). This Fire By-Law also follows the direction of Provincial burning advisories/bans.

The COVID-19 pandemic has changed the way our JMA Armstrong High School senior basketball players experienced their final year of 'ball. While the traditional end of year recognition may look a little different this year, one thing remains the same: these players are about to embark on an exciting new chapter of their lives filled with new adventures, new challenges, and new growth. Salisbury Petitcodiac Minor Basketball Association would like to take a moment to recognize our 2020-2021 graduates:

Senior Girls - Rochelle Pierre, Mia Blakney, Charley Coates, Caity Allen, Alyssa Wilson, and Lucy Kidney.

Senior Boys - Izaak Savoie, Ty Landry, and Gabe Piercey.

They have all made our basketball family proud in the way they have conducted themselves on and off the court. As Abraham Lincoln famously said, "The best way to predict your future is to create it." Good luck to all of you, the future is bright.
