Get Vaccinated

Vaccines help protect you and the people around you. The more people who are immunized against COVID-19, the harder it is for the virus to spread. This will save lives and lead to the lifting of restrictions.

Vaccines are safe and effective. By saying "yes" to vaccination, you are helping to protect yourself, your family and your community against COVID-19.

To book an appointment go to www.gnb.ca/bookavaccine or If you are unable to book a clinic online for a Horizon or Vitalité clinic, call 1-833-437-1424.

Urban/Rural Rides can help provide
transportation to vaccine centres
in your community

Do you need
Transportation to
get the vaccine?

Help get people vaccinated for COVID by
volunteering as a driver!
Call 962-3073 for more information

Call 962-3073 to book a ride to your
COVID Vaccine appointment.

CANADA DAY IN SALISBURY TO BE A VIRTUAL EVENT

In light of the ongoing COVID-19 pandemic, our "Salisbury Celebrates Canada Day" 2021 event, normally held in Highland Park, is CANCELLED.

Instead, like last year, we shall mark the occasion virtually; that is, online in a way that will still allow us to share our collective pride in being Canadian in this, the 154th year of our nation!

Check out the Village's Facebook group page for the details:

<https://www.facebook.com/groups/162048112616060>

Meantime, with all the progress made as of late in New Brunswick's coronavirus recovery plan, we are very confident that Canada Day next year will be back to normal!

We wish you health and happiness!

From the Editor

July 1st -Enjoy your Celebrations for Canada Day! Take precautions and keep safe.

It is also, National Postal Worker Day. Did you know that in 1755 the first post office in Canada opened in Halifax?

July, so much time to make up, family to see, places to go that we didn't know we missed so much until we couldn't do it.

School is out for another term, graduations, although different, is finished. It is a time you will remember. Now as your life changes and you plan and look forward to what comes next in your life, remember, only you can make it happen. Congratulations and good luck.

The Maritime Motorsports Hall Of Fame Museum is open from 9:30AM to 4:30PM Monday through Saturday for you to tour. Take a walk-through memory lane. See stockcars that raced, a dragster, a pull tractor, just to name some that are here.

Enjoy your vacation and maybe plan to take some short trips around New Brunswick, there is so much to see and visit. For information stop in at the Petitcodiac Tourist Information center at the Motorsports Hall and pick up the NB information.

Here are a few special days for July you might want to

July 2nd - International Chicken Wing Day, and World UFO Day.

July 3rd - International Plastic Bag Free Day

July 11th - National Cheer Up the Lonely Day

JULY 21st - Global Hug Your Kid Day

July 24th - Drive-Thru Day

July 30th - Cheesecake Day

Have a great July!

Your editor,

Winona McLean

LOCAL NEWS & VIEWS

MONTHLY BULLETIN

- Local News & Views Monthly Bulletin is published once a month by the Maritime Motorsports Hall of Fame Inc.
- The purpose of the Local News & Views is to inform the general public what is happening in the Hall of Fame, as well as what is coming up with in each community.
- It is also a venue for business to advertise their products and services each month.
 - It is intended to assist all the local Service Clubs in their endeavor to support their communities.
- Local News & Views will tell the stories of Local people as they go about their day to day activities making a positive difference in their communities.

Women's Institute - Meets second Tuesday of the month at 1:00 pm. Call Blanche at 756-2011 for more info.

The Pantry Community Food Hub would like to introduce our new Manager, Alison Lounsbury. Alison will be the friendly

and helpful point-of-contact for food producers, volunteers, and customers at the store. She brings her experience and passion for relationship-building and customer service to the project, and we are looking forward to everyone meeting and getting to know her.

The Pantry is set to open its doors in July with locally produced food and merchandise. The shop will offer a selection of healthy food products, affordable food, and education surrounding processing and preserving food. Some of the selection that will be offered includes whole wheat, spelt pastas, and flours from Speerville, Armandale Dairy products, sauces, cheese, dried fruit, gluten-free & dairy free options, fruits, vegetables and meat from farms and homesteads in the Petitcodiac and surrounding

areas. We will also be carrying some beautifully handcrafted products from local makers.

With the collaboration of vendors and volunteers, The Pantry will also be organizing the Petitcodiac Farmer's Market. The first market is set for July 10 and will include a free worm compost workshop to teach how to reduce household food waste and receive the best and easiest compost for your garden. Both worms and compost will be available for sale after the workshop. Look forward to new and past vendors, and delicious food, waffles, vegetables, eggs, plants, crafts, and more.

The Pantry Community Food Hub is an initiative run by The Petitcodiac Mennonite Church in the former Ten Thousand Villages store at 55 Main Street. The project has a threefold mission to offer locally produced food, affordable food, and to reduce food waste.

If you would like to sell your products in the store or farmer's market, volunteer, or have any questions at all, do not hesitate to reach out to Alison at 863-3123 or info@pantryfoodhub.com

Village Council News

The Village Council and I would like to thank all of the citizens of Petitcodiac who participated in our last municipal election.

The new Village Council of Petitcodiac was sworn in on June the 9th with a four year mandate. Regular Council meetings will be held on the last Wednesday of every month at 7:00pm. Our first meeting was also held on June 9th at the Village Office. The first order of business was the assigning of Departments with Deputy Mayor Saunders heading the Works Department, Councillor Robinson heading the Finance Department, Councillor Murphy heading the Recreation Department, Councillor Stewart heading the Protective Services Department, Councillor Gogan heading the Environmental Department and Mayor Pollock heads Local Governance.

Council voted to apply for a grant through Infrastructure Canada for a new ice plant and Zamboni for the arena. This is a lengthy and complicated

process which we are presently working to complete. We are very hopeful for success.

Council voted to hire Maritime Enforcement Services Inc to update and enforce the village by-laws.

Council would also like to pass along best wishes to the Pantry Community Food Hub, soon to open in the previous 10,000 Villages building. The pantry will also be responsible for the Petitcodiac Farmers Market.

Council would like to remind everyone to check out the Community Pool schedule. The Pool is open for the summer!

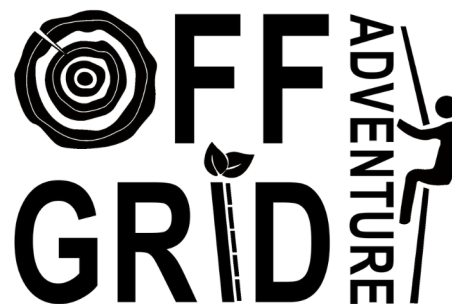

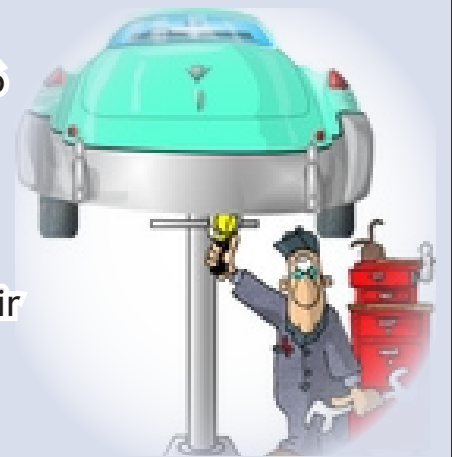

Council would also encourage you to read the Green Paper On Municipal Reform. Please Google gnb/greenpaper

Council would like to say THANK YOU and BEST WISHES to the A&k Café for their services to our community.

From Sea to Sea

By Gloria Scribner

Yesterday I held Canada in my hands as I knelt by the seashore and let her sands, warm and smooth, run through my fingers while I packed her sodden grains into walls for a castle and dug a little moat around its base, put a twig and a leaf triangle atop its tower and watched my "Union Jack" dance in the sea breeze.

Yesterday I drank from a clear, pure woodland stream and watched the sunlight sparkle on her ripples, keeping time with the songbirds, fish splashes and the rustle of poplar leaves laughing in a warm July breeze.

Yesterday, when I was young the days were longer, grass greener, skies bluer and tomorrow a long, long way off.

Yesterday we celebrated "Dominion Day" and little country schools reminded us that A MARI USQUE AD MARE stressed that "He would have dominion from Sea to Sea". Yesterday in Canada.

Today I inhale the potent sea breeze wafting her essence, salty, and spiced with an accent old as time of sea-shell, lobster, jelly-fish and "awesome". I hold a starfish in my hand while my granddaughter digs a little trench in the sand to house the tiny hermit crab.

Today I watch and ponder the receding pond (so like my hair-line) and try to remember when I didn't need this store-bought bottle of water in my hand to quench my summer thirst.

Today I search for children in trees, listen for laughter and giggles, but the winds carry only the "click, clicks" of their cellphones, tablets, and "games

that people play".

Today I hear the heartfelt beat of drums and cries of the youth as elders resurrect the old legends of their people. I hear the sombre footfall of ghosts of pioneers fading into the mists as bells still ring in our church towers, adding a sweet cacophony of worship as their timbre joins the prayers emanating from mosque and temple alike.

I swallow understanding tears and long to embrace the would-be overcomers and the colours of my Canada take on a hue of camouflage and rainbow as I struggle with wrinkled hands to hold the maple-leaf aloft; when out of the crowd of celebrants reach other hands to add their strength, black hands, children's hands, tattooed hands, women's hands, and my heart cries out as her banner waves gloriously above us all: "Oh Canada - What took you so long?"

Tomorrow, I'll hold Canada in my heart; with all her scars, warts, wrinkles, and uncertainties she'll wave her little flag. Her winds may die down as her silky emblem hangs limp and only sirens pass the word along, but a rainbow of hope spans a growing metropolis. Oh Canada - You were loved, and hated, and built with dreams, and prayers, and verigated seeds of brotherhood and sisterhood and all likelihood - the common good will re-build and rise again, because our children will remember, learn from yesterdays mistakes and catch the torch for a new tomorrow, and God willing, "He shall have dominion from sea to sea!"

Comedy at Large

by Laurie Blanchard Salisbury, NB

A friend of mine told me of a small coffee shop in the town where he lives and the owner has a reputation of setting traps. He said that on the sales counter, there is a long oval and deep tub full of water and a small sail boat floats in it. It is set up as a trap and if a new customer inquires about what that represents, he or she is told....well, when you're in business serving customers day in and day out. you gotta have a FLOAT !! Oh yeah! HOOK - LINE- SINKER !

An automotive chum in Nova Scotia just celebrated his 77 th birthday. He commented that there were enough candles on the cake to go and do some welding ! Yeah ... show me those steel girders!

I recently went to the post office to purchase more stamps. I told the clerk that I would like to have 3 - 10 stamp cards. She asked ...would you like the ones with the scenery or the ones of Queen Elizabeth ? I replied --- the one's with the scenery please. She reached up on the wall and saidOh my, I only have 2 cards of the scenery ones left. I said, that's OK, I'll take a card of the Queen stamps. Maybe that will help her pay for her next meal ! Do you detect a slight air of sarcasm? Well, it's like the gorilla glue commercial ---OF COURSE !!!

When the pandemic is finally over, will people be having bottom of the face reveal parties ? Let's take off that mask !

PEOPLE WHO LAUGH A LOT LIVE LONGER

Invest Now For Later Bounty

Mark Cullen is an expert gardener, author, broadcaster, tree advocate and Member of the Order of Canada. His son Ben is a fourth-generation urban gardener and graduate of University of Guelph and Dalhousie University in Halifax. Follow them at markcullen.com, [@markcullengardening](https://www.facebook.com/markcullengardening), and on Facebook.

Summer arrived on June 21st. Did you notice? Your plants did. The days shorten and generally temperatures rise, while less rain falls.

This is a cue to gardeners to turn attention to certain time-honoured tasks that maximize flowering and harvest potential. Here is our list for end-of-June gardening chores:

1. **Stake and tie.** Tomatoes, climbing roses, clematis, anything that grows up but needs support, needs it now. Mark uses a metal spiral stake to support his tomato plants as they do not require anything to make them grow upright. Just twist the main stem of the plant around the spiral. Prune out the suckers on tomatoes for best fruit production.

2. **Prune.** The first flush of new growth on evergreens and shrubs has produced a lot of lanky looking plants. They look a bit like us right now, in need of a haircut. If your winter hardy plants have finished flowering this is the

perfect time to prune a cedar hedge, lilac, forsythia, juniper, Japanese maple: virtually all evergreens and shrubs.

3. **Fertilize.** Hungry plants tell us when they need nutrients with yellowing leaves or stunted growth. Now is the best time of year to add a season-long fertilizer to the surface of the soil or spread a five-to-seven-centimeter layer of finished compost over the root zone. Containerized plants need additional nutrients this time of year. Look for a slow-release fertilizer product that delivers a mild solution to the root zone with every watering.

4. **Japanese beetles.** The scourge of many gardens in July is the Japanese beetle. One of our most asked questions early in summer is how to control them. There is no easy way. But the most effective method is to hang a pheromone trap, in a tree or on a fence. Beetles are attracted to it and fall into the trap. It is like Fatal Attraction, the movie, without the Hollywood hype. Be sure to empty it out at least every couple of weeks to avoid a bad smell.

5. **Control insects and disease** on fruit trees. We use a combination of End All and garden sulphur for an environmentally responsible combo that slows most problems of this nature to an acceptable level. Non-chemical pest and disease control is not a panacea. Slightly blemished fruit is perfectly palatable and tasty.

6. **Deadhead spent flowers.** The flowers on your veronica may have come and gone but the potential to flower again is there if you deadhead them: remove the spent flower before it goes to seed. The energy that the plant would use to produce seed is channelled into producing more flowers, later in the season. This is the result of a desire on the part of the plant to reproduce. Flowers were created by nature to attract pollinators which enable the plant to produce seed and make more plants. It is a primal thing. Many perennials and annuals produce flowers in response to deadheading this time of year, including Shasta daisy, columbine, foxglove, petunias, geraniums, and marigolds.

7. **Sow and plant for kids.** Fast-growing bush beans, radishes, carrots, and beets are sown by seed now for a harvest in a few weeks. A fast-growing flower or food-producing plant gives kids a lift, catches their attention and teaches them a thing or two about the natural world.

This is also a good time of year to do less.

Cut your lawn at least 7 to 10 cm high and less frequently as temperatures rise and rain falls less frequently. Do not fertilize it during a drought or prolonged period of heat.

Water only the parts of your garden that demand it and water less frequently but deeply. Watering once a week for a couple of hours is plenty for most flowering plants. Allowing the soil to dry about 6 cm deep between applications encourages deeper roots and more drought-resistant plants. A little effort now equals bounty later this summer.

New Name! New Look!

Rural Rides started in the Salisbury/Petitcodiac region in 2015 and has continued to grow ever since. In 2017, a pilot project was undertaken in partnership with Tele-drive Albert County and the Volunteer Centre of South East New Brunswick to expand service to the Tantramar region. That expansion was a success and was quickly followed by a second pilot project in 2018 under the name of WA Transpo to complete the expansion of services to all of Westmorland and Albert Counties with the three established groups working together.

Over the past couple of years, the benefits of working together have far outweighed the value of having three separate organizations serving sections of the same counties. Some of the clear benefits of amalgamated service have been - economies of scale, the ability to employ one common ride coordinator to respond to requests for transportation for the entire region, a unified accounting system, a better distribution of tasks amongst staff based on their strengths and experience, service provided in both official languages, service provided to the entire region and a stronger voice advocating for the transportation needs in South East New Brunswick.

With any new organization, there are growing pains and milestones to be completed along the way. The name "WA Transpo" never really seemed to fit what the service is and was often mistaken for a trucking company. The plan early on was to change the name as soon as charitable status was received. Charitable status was granted in November 2020. The process of selecting a new name soon followed. Three strong candidates that translated well in both languages were voted on by the board. The name selected was "Urban/Rural Rides - Transport Urbain/Rural". This was not a big change for

our clients and volunteers. We had begun answering the phone with that name when the full expansion pilot started in 2018 - in part to clarify that we were providing service in both urban and rural areas, and because it was extremely cumbersome to list all three organizations every time the phone was answered.

The name and logo are a true testament to the spirit of collaboration and cooperation amongst the three groups. Urban represents the service provided by the Volunteer Centre of South East New Brunswick. Rural Rides for the service provided by Rural Rides in Salisbury, Petitcodiac and Tantramar as well as the service to the rural areas of Albert County provided by Tele-drive. So, our new identity going forward, brings together a piece from each group that contributed to getting us to this point.

A tremendous thank you to all the respective boards who did the ground work in each area establishing a volunteer driving service and all the volunteers, past and present, who are the backbone of the program. The Urban/Rural Rides board is comprised of representation from each of the three programs' boards - Rural Rides, Tele-drive and the Volunteer Centre, as well as representation from municipalities we serve.

Your door to door volunteer driving program is here to stay. The name may have changed but the mission remains - to provide affordable transportation to those who need it. If you would like to volunteer as a driver or need help with transportation, please call us at 962-3073 or email us at r.r.ruralrides@gmail.com.

What's Cooking? In Winona's Kitchen

STRAWBERRY SWIRL

Sprinkle ¼ cup white sugar over
2 cups sliced fresh strawberries
And let stand for 20 minutes.
Drain and reserve the juice.

Chill berries

In a sauce pan boil 1 cup of water and
add 1 package of Strawberry -flavored jello,
Stir to dissolve. Remove from heat,
Fill a cup with the reserved juice and enough ice to fill the cup
Add to jello. Chill until just beginning to jell
Combine 2 cups of Cool Whip
3 cups miniature marshmallows
Let set while jello is being chilled
Beat slightly jelled jello until foamy.
Add berries and cool whip, stir mixture,
Chill until set.

NOTE FOR STORING STRAWBERRIES:

Fresh strawberries do not store well. The best way is to place unwashed berries in a colander or open basket in refrigerator so air can circulate around them. Do not remove stems until ready to use. Use as soon as possible.

Sudoku

7	4							8
			1		6	9		
9			3				6	2
		7		5		8	4	
	5	9		4		7		
5	9				7			3

8							9	7

The objective is to fill a 9x9 grid so that each column, each row, and each of the nine 3x3 boxes (also called blocks or regions) contains the digits from 1 to 9.

Answers on page 9

ELGIN NEWS!

Summer is here.....so the calendar says. Have you noticed that summer seemed to arrive a little early? We have been blessed with nice weather to plant vegetable and flower gardens. People seem eager to get outside to engage in activities that remind them that life can get back to normal. And, we will get there!

One of the outcomes of the Covid-19 pandemic has been the influx of people moving to rural communities. New properties are being built, houses are being bought sight unseen and also larger properties with farmland and acreage are finding new owners. Most of the people are relocating from various parts of the country and beyond.

Elgin is no exception to this phenomenon. The Elgin WI has begun delivering "Welcome to Elgin" packets. These information packets are being delivered to newcomers to our community. They contain information about businesses and services along with clubs and organizations. Please contact 756-8353 for more information.

As many of you know the Women's Institutes in New Brunswick were organized in 1911, as was the Elgin Branch. On our 100th anniversary

in 2011 we established the EWI Hall Restoration Memorial Fund. The Fund is still ongoing and has contributed to our ability to renovate and restore the historic Hall (built around 1900). Much has been done to ensure that The Hall remains an important part of our community and heritage. On June 26 our branch celebrated its 110 anniversary. Memorial/Donation Cards are available by phoning 756-2531 or any branch member. Please consider this special fund when honouring a loved one or marking a significant occasion. Finally, we would like to remind you that the Little Libraries (lending library) are regularly maintained with the addition on new books for all age groups. They are located on the grounds of the WI Hall and the Elgin Eco Park. Be sure to check them out.

For Home and Country!!

The Elgin Eco Association had a great month. We have mulched the heritage garden. Our summer students have started working on trails and the garden. We were able to have a barbecue at the Maritime Motorsports Hall of Fame. This endeavor made \$500 for the playground structure in Elgin. We are continuing to raise money for the play structure. This is no small feat. We need everybody on board to make this happen. As of this writing we have well over \$9,000 dollars raised. We like to send a special thank you to those that already have so generously donated funds or volunteer time. The bottle collection is also still ongoing. People can drop off their returnable bottles at 36 River Road. When we have enough for a load we will bring them to the recycling place.

And of course summer camp is starting up in July. We have the info on our Facebook page, but you can also contact Angela Silverthorne at 756 2891. It is definitely one of the highlights of the summer.

Soon enough August comes around and we will see Elgin Day return this year on August 15. This year the EEA plans to do

a BBQ fundraiser for the playground. We hope many more people consider donating to the playground fund. The structure will be an asset to young and old. Young children will have new challenges to explore, while parents can enjoy chatting and the kids play. It will be a finishing touch to our park. It really takes a village to raise a child. With all things going well considering Covid 19, we will start thinking and working toward our annual mountain bike race.

Start training everybody if you plan to participate.

Do not forget to visit our beautiful Mapleton Acadian Forest Nature Trail. Enjoy your summer and we hope to see some of your children at the summer camp. It will be from July 7 to 28 once a week. Please note the Hotmail account mvan_geest is no longer in use due to being hacked. If you like to reach Moranda van Geest please use farmingjoys@gmail.com.

Sorry for the inconvenience.

Petitcodiac Area Garden Club

With the start of summer comes bustling gardens and new colors every day! With the risk of frost officially past, gardeners, including your friends at the Petitcodiac & Area Garden Club, have been finishing their planting, watching for pests like cutworms, and keeping their gardens watered. Around the village, lots of gardening activities have been taking place. On May 29, the Annual Perennial Plant Sale fundraiser was held with great success! With all of the donations that came in during May, the sale raised \$1656, with most shoppers passing through in the first couple of hours. Congratulations to Marj McMurray who won the draw for the Perennial Planter. Club volunteers gathered again on June 5, to help refresh the gardens at the Maritime Motorsports Hall of Fame. Planting took place at Victory Park, along with a new addition this year. The Butterfly Garden was planted by volunteers on June 21. This garden was inspired by the Butterflyway Project that challenges individuals and communities to help pollinators find food. It will be exciting to watch all these gardens grow and blossom.

The Club has been planting more than just beautiful flowers. With an early start to planting this year, there are now 22 rows of vegetables planted in the Community Garden. Everything from beans and peas to corn and sunflowers. In the raised beds, we have an herb garden and two beds of potatoes. In addition to the Community

Garden, nine 20 x 40-foot garden plots have also been planted by community members. What a harvest season it will be at the Community Garden this year! You will find volunteers working on the garden each Wednesday from 6:30 - 8:30 pm. Feel free to stop by for a chat and pull a few weeds while you're there.

July will see the Club volunteering with the village by planting flowers as part of the annual beautification. There will also be new gardens going in at the entrance to the Holmes Brook trail very soon. And one of our most popular events, the Annual Garden Tour, will take place on July 25, 1pm - 5pm. For more information on showcasing our garden, reach out to Karen Hall-Middleton or Cathy Drury as soon as you can. Tickets will go on sale July 11 and will be \$10 each. Be sure to keep an eye on our Facebook page for details of locations selling tickets, as well as how you can purchase a ticket online.

Please be assured that for your safety and well-being that all COVID-19 guidelines and requirements will continue to be followed this gardening season. For the latest news and upcoming events such as the Annual Garden Tour, join our Facebook pages Petitcodiac and Area Garden Club.

For more information on any of our activities or to join our team of volunteers, call Cathy Drury 756-2068 or Karen Hall-Middleton 756-8824.

Yours in Gardening, Petitcodiac & Area Garden Club

From the Desk of Your MLA

Ross Wetmore, Gagetown - Petitcodiac

The week of June 14th brought a collective sigh of relief for many people in our province.

On June 15th it was announced we had achieved the 75% COVID vaccine first-dose required to enter the first phase of our path to green. A day later we were glad to learn that we had hit another vaccine milestone allowing our province to enter the second phase of our path to green, a phase which brought a welcome lifting of restrictions on our truckers and rotational workers among other changes for families and friends. We now have our eyes on phase three-the final target. A lifting of all pandemic protocols and a return to green. To achieve this, we must hit the target of at least 520,047 first doses and 520,047 second doses. Our target date is New Brunswick Day, August 2nd.

Already, our province has begun to reopen to the rest of the country. All Canadian travellers who have had at least one dose of a COVID-19 vaccine

are allowed into New Brunswick without needing to isolate. I am hopeful the people of our tourism industry will see a steady increase in the flow of traffic from both inside and outside our province.

Again, this year the Explore NB Travel Incentive program will be offered and has been extended to visitors from the Atlantic provinces

The program provides a 20 per cent rebate on eligible expenses of up to \$1,000 that are made while making an overnight stay in New Brunswick. Travel can take place between now and Oct. 31 and applications will be open from July 5 to Nov. 30. Last year a lot of New Brunswickers benefitted from this program while discovering there is no place like home.

As we head into summer 2021 I would encourage you to get vaccinated to protect yourself, your loved ones and help return our province to green. Thank you.

Havelock RCL #86

4684 Rte. 880 Havelock, 534-8285

Our Facebook page is now Havelock NB RCL Br.86 veterans, families and community

2nd Saturday of each month -July 10th BREAKFAST! Breakfast consists of your choice of bacon, sausage, 2 eggs with toast, pancakes, home fries, juice, tea or coffee from 7:30 to 10am. Adults \$10 and children under 10 only \$5. Winner of the free breakfast is Charles Clark.

2nd Monday of each month - There are no General meetings for the months of July and August. Executive meeting at 7pm.

The play group from the Kings County Family Resource center will be back again in September

Membership - If you would like to renew your membership or become a new member, now is the time and by doing so the legion can continue to provide support to Veterans and their families. Remember the fallen and support our communities. If you would like to renew or join please renew online at legion.ca/member, by mailing payment to the Havelock Legion or by calling Raymond at 756-0556.

We hope everyone has a safe summer.

THE CANADA DAY PICNIC RACE

The children of the Jones family were excited about the Canada Day Picnic that they were invited to attend. It was to be a large picnic, now that Covid-19 was nearly gone, there would be dozens of people attending.

"There will be races and contests," said Jerry. "I am a fast runner, and I might win a running race."

His brother, George, always had a big appetite. He said "If there is a pie-eating contest, perhaps I will win."

Big sister Jane said, "If there is a ball-throwing contest for girls, I know I will be able to toss the ball for a long distance."

Baby brother Rob did not say anything. His legs were not very long, so he knew he could not win a running race. He liked to eat, but his mouth was not big enough to win a pie-eating contest. Rob thought, "I will have fun watching the others." The Jones children were in all of the races and contests, but not one of them came in first, except the baby brother, Rob. Rob was in a "Lobster" race. The smallest children put their hands on the ground, and ran backwards on their hands and feet.

"They look like lobsters," laughed Jerry.

"And Rob, our own little lobster-brother, crawls backward the fastest of all," said Jane.

Rob had a big, broad smile on his chubby face as he carried home his picnic prize, a sand pail and shovel.

Life insurance

EXPLAINED

Life insurance is a tool that helps you protect the people that you love most. It can help ensure that what you've worked hard to build will continue to support those you care about after you're gone. It's about financial security, for you and for your family.

Protect your family's future. I can help.

Carl Livingston started stockcar racing on dirt tracks in 1966 thru 1968 in a 58 Desoto, competing at Freetown Speedway, Covehead and Charlottetown Speedways. In 1985 Carl was one of the first cars in the long line-up waiting to get in the pit gates at the newly built track, Raceway Park in Oyster Bed Bridge. He competed in Street Stock and Modified, winning multiple triple wins and finished 3rd in modified points in 1987, and was given an award for "Dedication to the Sport and Sportsmanship" by the track. Carl also raced at East River Speedway in Dunstaffnage, PEI in 1987-1988 and made a few trips to the mainland to compete at River Glade Speedway, NB, James River, and Scotia Speedworld NS. 1989/90 raced with the MASCAR Tour. When Carl retired from driver due to health reasons he became owner/sponsor for his son Kent from 1992-2007, winning the Modified Championship in 1996. He was co-owner of Livingston Welding helping many racers over the years, from designing and building innovative trailers, to always helping racers by welding up many parts of broken race cars, but rarely wanting anything for helping keep many racecars on the track.

Salisbury Legion

New Business Hours-

Friday & Saturday- opens at 4pm

Closing- depending on foot traffic

We follow Covid Rules and Nasks are Mandatory!

For more updates please follow us on our Face Book Page. Tks for your support!

Friday Night Suppers are now done until September 24th. We hope you all enjoy your summer.

Come and join us every Saturday from 8am - noon for our Farmers and Artisans Market! There is home baked goods, crafts, knit hats and hand made reusable bags, beaver tails , fresh vegetables , gluten free breads and sweets and so much more. Come and check out our local vendors and see what they have to offer. See you all there.

Come out and support our “ Raise the Roof Fundraiser We are selling tickets on a chance to win a “ mini split” and it includes the cost of installation. Tickets are \$20 each or 3/\$50. What a buy!!! We are only selling 500 tickets so get yours

now before they sell out. The draw date is November 17, 2021. You can get your tickets at the Legion during business hours, also at Dan’s Damages and at Aaron’s Coffee Shop Tks for your support!

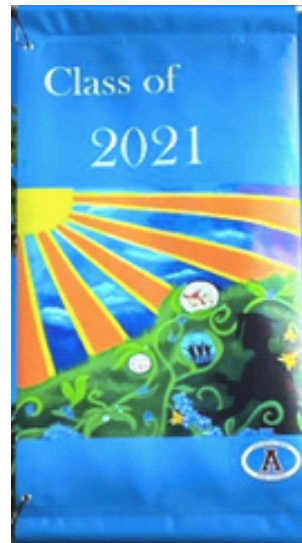

We at the Legion want to say a big “Thank You” to all who have supported us during this difficult time. Without your support we would not have made it this far. We hope that you all have an amazing summer and Please Stay Safe! Follow us on our Face Book Page for updates and any new events that may be happening.

On behalf of the Royal Canadian Legion - Branch 31, Salisbury, NB we want to send a big shout out to these two cadets, who have helped us at events for years, Adelia Lockhart and Katy Doucette to say CONGRATULATIONS on your Graduation! We are all so proud of you. Your hard work and determination has paid off. May the next letg of your Journey take you to places that fill your heart with Happiness and Pride! We wish you both the very Best.

2021 JMA Grad Banner

The JMA 2021 Grad Banner is now proudly displayed on Douglas Street, in front JMA/SMS School. The banner was designed by grade 12 Art students. Thanks to SMS/JMA Art teacher, Mrs. Caroline Humar-Barrett for her assistance and support with this project and to Jason and Trevor at Salisbury Works Department for hanging the banner. Congratulations to all 2021 JMA graduates!

parent volunteers for helping with the planting this year. Thank you to Jarrett Crossman, Director of Recreation and Wellness, for assisting with the watering.

2021 Salisbury Beautification Tree Campaign

The gift of a tree is a wonderful way to honour or remember a loved one, to commemorate a special event such as an anniversary, birthday, or Mother’s or Father’s Day. Some families may choose to plant their own ‘family’ tree or local businesses may wish to participate by sponsoring a tree. Over the past four years, we have planted over 30 mature trees along Main Street and Douglas Street. The deadline for ordering a tree this year is June 30th, 2021. Trees will be planted late summer and we will have a tree dedication event in early fall (depending on COVID 19 restrictions at that time).

If you would like more information about ordering a commemorative tree, please call Karen Stewart 372-9275 or email karenstewart0909@gmail.com

Hanging Baskets

24 hanging flower baskets have arrived and are now adorning Main Street, Douglas Street and River Road. We hope you enjoy the brilliant purple, fuchsia and pink petunia baskets this summer.

Marigolds on Main

Marigolds were planted in various areas along Main Street on June 4th. Many thanks to SES Kindergarten classes, K teachers (Mrs. Dillon, Mrs. MacDonald, Mrs. Trevors and Mrs. Landry), K Educational Assistants, and

THANK YOU

The family of the late Helen Beaman, would like to sincerely thank all who sympathized with us on our recent loss.

We offer heartfelt thanks to the many friends, family, and neighbours who called, gave messages, dropped off food, sent cards of condolences, and made charitable donations in Helen's name, for which we are truly grateful. A special thank you to the nurses, doctors and staff at the Moncton Hospital (unit 5100), and also those at the Jordan Lifecare Centre the same. The tender loving care was much appreciated.

Also, a very special thank you to Dr. Richard Morton for all you have done for Helen, as well as the family. You went beyond your practice, to show love, kindness and compassion, for which has been greatly appreciated. May God richly bless you.

Thank you to Pastor John Tremblett for the timely message, and to those who participated in the service to make it so special.

We also want to thank all of you for the prayers that was offered for Helen and all of the family. We have so much to be thankful for. God is so faithful. Praise be to His Name Job 1:21
Lastly, special thanks to staff and management at the Salisbury Funeral Home for your sensitive and professional care.
The Beaman Family

OBITUARIES

Mildred Simpson

1949 - 2021

Mildred Katherine Simpson, 71, of Colpitts Settlement, passed away at the Saint John Regional Hospital on Monday, May 31, 2021. Born in Boundary Creek, she was the daughter of the late Harold and Florence (O'Brien) Jones.

Mildred was a member of the Salisbury Royal Canadian Legion Branch #31. She enjoyed playing darts, games, puzzles, going for drives in the fall and especially enjoyed knitting.

Survived and sadly missed by her daughters, Katherine (Robert) Wilson, Cherry (Stuart) Gladstone, and Florence (Dale) Deveau; sons, Harold and Raymond; brother, Douglas Jones; five grandchildren; two great-grandchildren; many nieces and nephews. Besides her parents, Mildred was predeceased by her husband, Douglas, and sisters, June MacCallum and Edith Gautreau.

Arrangements are in care of The Salisbury Funeral Home (372-4800). A Graveside Service was held at The Five Points Cemetery on Friday, June 4, 2021 at 11 am with Rev. Bill Parks officiating. Covid restrictions in place. If desired, memorials to a charity of your choice would be appreciated.

Thank you sincerely to everyone who helped to make my 90th birthday such a happy day for me. Special thank you to Heather Keith and my many sisters in "Iota Chapter, Beta Sigma Phi" for hosting an outdoor coffee party in my door yard.

Thank you also to my neighbors, friends for all the cards, phone calls and gestures of friendship extended to me on my birthday, it all made me feel very happy and loved.

Sincerely Pauline Howatt.

OBITUARIES

Edward "Ned Hoar
1936 - 2021

Edward "Ned" Wayne Hoar, 85, passed away at the Moncton Hospital on Monday, June 21, 2021.

Born in Moncton, he was the son of the late Francis and Marie (Bishop) Hoar. Ned spent over 40 years with the Lounsbury Company. After his retirement he was employed selling cars at Clark's in Sussex, retiring (reluctantly) a few years ago due to ill health. He enjoyed travelling with friends, especially cruises and in later years he enjoyed his Saturday morning breakfasts with the guys.

He is survived by his wife of 60 years Marilyn (Ogilvie), son Kent and granddaughter Myah.

There was a private family graveside service at Maplewood Cemetery. Arrangements are in the care of Salisbury Funeral Home (372-4800).

If desired, memorials to The Friends of the Moncton Hospital or Kidney Foundation would be appreciated.

www.keirsteads.ca

Hanford Bannister
1935 - 2021

Hanford Whitfield Bannister, 86, of Petitcodiac, passed away at The Moncton Hospital on Wednesday, June 9, 2021. Born in Petitcodiac, he was the son of the late Currie and Bella (Mann) Bannister.

Hanford was an employee of Fawcett's Lumber Company for over 46 years. He was a member of the Petitcodiac Baptist Church, CUPE Local 166, and former volunteer of The Petitcodiac Fire Department. Survived and sadly missed by his daughter, Mary Bannister; sons, Herb and Kevin; brother Arnold Bannister and several nieces and nephews. Predeceased by his wife Gertrude; son John; sister Betty and brother Weldon.

Rested at Armstrong's Funeral Chapel, 33 Russell Street, Petitcodiac, where visiting was held on Sunday, June 13, 2021 from 6- 9 p.m. with Covid restrictions in place. A Family graveside service and interment will be held at the New Elgin Cemetery. If desired, memorials to SPOT or a charity of your choice would be appreciated.

OBITUARIES

John Brubacher
1935 - 2021

John Martin Brubacher, 86, of Petitcodiac, passed away at the Moncton Hospital on Monday, June 21, 2021, with family by his side. Born in Hawkesville, ON, he was the last surviving child of six born to the late John and Leah (Martin) Brubacher, and beloved husband of the late Lorene (Good) Brubacher.

John and his wife were founding and well-loved members of the Petitcodiac Mennonite Church. John lived a life shaped by his faith, showing love and compassion to family and strangers alike. John was incredibly multi-talented, and more often than not, created his own employment opportunities, taking initiative wherever he saw a need. His various vocations included tile drainage equipment operator, proprietor of a gift and stationary store, pastor, carpenter, maintenance and janitorial worker, director of Opal Inc. (home for mentally challenged adults), care home operator for mentally challenged adults, and real estate agent. He also offered a lot of volunteer time to his church and community including volunteering with Ten Thousand Villages, Mennonite Disaster Service, Opal Inc., SPOT and Rural Rides.

John was devoted to his family. He is survived and sadly missed by his children, Doug (Lee-Ann), Ottawa, Donald, Petitcodiac, Franklin (Donna), Petitcodiac, Sandra Bunnett (David), Havelock and Mark (Selena), Moncton; adoring grandchildren, Kelvin, Clyde, Alexandria, Jeremy, Kyle, Ryan, Marta, Jacob, Daniel, Chloe, and Emily; great-grandchild, James; and many nieces and nephews.

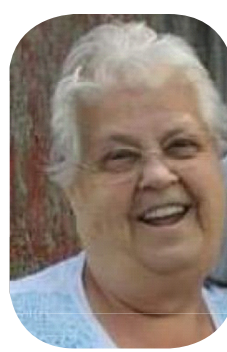

In addition to his parents and wife, John was predeceased by his siblings, Abe, Elias, Mary, Leah and Susanna. Rested at the Petitcodiac Mennonite Church, 285 Old Post Rd, where visiting was held on Friday, June 25, 2021, from 7 - 9 pm. Funeral Service was at the Petitcodiac Baptist Church, 121 Renfrew Street, on Saturday, June 26, 2021 at 2 pm with Rev. Gordon Driedger officiating. Covid restrictions in place. Interment in Maplewood Cemetery. Arrangements in care of The Salisbury Funeral Home (372-4800).

If desired, donations to Mennonite Central Committee would be appreciated.

OBITUARIES

Pearl MacLeod
1944 - 2021

It is with great sadness that we announce the passing of Pearl Edith (Parlee) MacLeod 76, on Friday, June 11, 2021.

Born in Kinnear Settlement, she was the daughter of the late Jack and Marjorie (Dobson) Parlee. She was a member of the Second North River Baptist Church and the Second North River Womens Institute. Pearl was retired from MacLeods Special Care Home, Salisbury. She enjoyed knitting and loved time spent with her family, especially her granddaughter and great grandchildren.

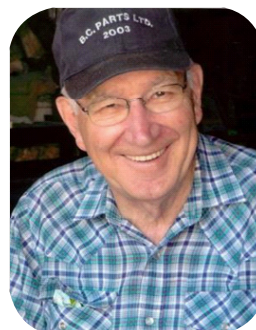

She is survived by her husband of 52 years Allan; granddaughter Tabatha Mitton (Stephen); great grandchildren Zachery, Isabella and Dawson; brothers Dale (Stephanie), Frances (Jean), Freddie and Roger; sisters Irene, Clara and Debbie (Bill) and several nieces and nephews. Predeceased by her daughter and son-in-law Tracy and Michael Mitton; brothers Harold, Donnie, Carlton, Melbourne, Hartford and Nelson and sister Mabel Hicks.

Rested at Salisbury Funeral Home, 3350 Route 106 visiting was Monday, June 14 from 7 to 9 pm. There was a private family service with Pastor Dennis Smith officiating and Covid restrictions in place. Interment will be at Monteagle Cemetery. The service can be viewed on the Salisbury Funeral Home Facebook page.

If desired, memorials to the Monteagle Cemetery Fund would be appreciated.

www.keirsteads.ca

Malcolm Wortman
1938 - 2021

On June 10, 2021 we lost a wonderful husband, father, grandfather, great grandfather, brother, uncle and friend, Malcolm Fenwick Wortman, 83 at the Jordan LifeCare Centre.

Born on April 28, 1938 in Moncton, he was the son of the late Ross and Ardella (Ward) Wortman.

OBITUARIES

Malcolm was a hard worker. He worked at Blakney Concrete and Gordon Concrete until 1966 when he began work at CNR until his retirement in 1994 as a heavy equipment operator.

Malcolm loved to travel both in Canada and the U.S.A. to the steam shows. He loved to garden, hunt, fish, snowmobile, four-wheel, motorcycle, blue grass music, making maple syrup and country drives, especially in the spring to see the deer. In later years he looked forward to camping at "the lot" with the family. Malcolm was a fixer. If it was broke, he could probably fix it.

He courageously fought the debilitating effects of Parkinson's disease for several years.

Survived and sadly missed by his wife of 66 years Joyce (Gibson); daughter Kathy (Duaine Lewis), granddaughter Tammy Horsman (Darren), great granddaughters Hannah and Hailey, granddaughter Melissa Steeves (Craig), great grandchildren Elizabeth, Cameron and Jessica, granddaughter Cara Lewis (Greg Prowse); son Bruce (late Debbie, 2012), granddaughter Dawn Russell (Mark DeJong), great grandchildren Claire, Evan and Morgan, granddaughter Ashley Wortman (Frank Newcomb); son Todd (Joanne Butland), grandchildren Mike, Lindsay and Stephanie; brother Cecil (Elaine); brother-in-law Ken Gibson (Charline); sister-in-law Pamela Gibson and several nieces and nephews. In addition to his parents, Malcolm was predeceased by his brothers Vernon and Donald and sister Elva MacDonald.

Rested at Salisbury Funeral Home (372-4800) there will be a private family service officiated by Pastor Keith Lewis, with Covid restrictions in place. Interment at Boundary Creek Cemetery.

The service can be viewed on the Salisbury Funeral Home and Crematorium Facebook page.

The family wish to thank the awesome staff at the Jordan LifeCare Centre for their marvelous care that Malcolm received during his stay there.

If desired, memorials to the Boundary Creek Cemetery would be appreciated.

www.keirsteads.ca

OBITUARIES

Christina Boyd
1934 - 2021

Christina Marie Boyd, 86, of Moncton, NB, passed away at The Moncton Hospital on June 10, 2021. Born in Petersville, NB she was the daughter of the late Frederick and Lenora (Brown) O'Neill, and beloved wife of the late Reid Boyd (1997).

Chris joined the Air Force as a young woman and met her future husband at her first posting. Together they enjoyed military life and raised a family of four while living at numerous locations across the country. After Reid retired, they settled in River Glade, NB and started new careers as market gardeners. They were fixtures at the Moncton City Farmer's Market for many years. Later, they opened Boyd's Greenhouse in River Glade and were well known for their beautiful flowers and bedding plants. When Reid died in 1997, Chris moved to Aurora, Ontario where she lived with her daughter Catherine. She moved back to her home province in 2007 and resided in Moncton until her recent passing.

Chris loved her husband and her family and was very proud of her five grandchildren. The walls of her homes were always covered with photos of her favorite people. She enjoyed romance novels, playing cards and bingo and never missed an opportunity to go dancing. She was always ready for a party and happy to hear a good joke. She will be greatly missed by her family and her friends.

Survived and sadly missed by her children, Tina Kennah (Scott), Andrew Boyd (Linda), Stephen Boyd (Margaret), Catherine Carmosino (Gino); grandchildren, Carolyn, Michael, Christiana, Sarah, Phoenix; siblings, Rose, Anna, Robert, Cecelia; many nieces and nephews.

In addition to her parents and husband, Chris was predeceased by siblings, Teresa and Vincent.

Family and friends are inviting to a time of visiting at The Salisbury Funeral Home, 3350 Rt 106, Salisbury West (506-372-4800) on Saturday, August 28, 2021 from 1 - 4 pm with Covid restrictions in place.

If desired, memorials to The Heart and Stroke Foundation, The Alzheimer's Society or a charity of your choice would be appreciated.

www.keirsteads.ca

OBITUARIES

Ronald Hicks
1931 - 2021

Ronald Earle Hicks, 89, of Havelock, passed away on Tuesday, June 1, 2021 at the Moncton Hospital. Born in Havelock, he was the son of the late Donald and Irene (Atkinson) Hicks.

After graduating from the former Havelock High School in 1948 he graduated as a motor mechanic from Technical school. He worked for Dryden motors as a mechanic, and then Canada Cement Lafarge for over 45 years, beginning as a physical tester in the laboratory, moving on to welding, then retiring as a machinist. He was a faithful member of the Havelock United Baptist Church, serving in the past as Deacon, Sunday School Teacher, Trustee and Tyro Leader. Ronald was a founding member of the Havelock Flying Club, and over 48 year volunteer with the Havelock Fire Department. A quiet, thoughtful man, he was always willing to fix almost anything in his shop when a neighbor came calling.

Ronald is survived and sadly missed by his beloved wife of 38 years, Ruby (Keith-Thorne); step-children, Wade (Janet) Thorne, Angie (Norman) Mitton, Kerry (Nancy) Thorne, Julie (Vic) Loewen, Shelley (Rob) Northorp, Robin (Anne-Marie) Thorne; 15 grandchildren, seven great-grandchildren; brother, Brian (Jennifer) Hicks, nieces and nephews.

Besides his parents, Ronald was predeceased by his brother, Alan (Margaret), and a niece, Sheila.

Arrangements are in care of The Salisbury Funeral Home (372-4800). A Celebration of Ronald's Life will be held at The Havelock United Baptist Church and will be announced when Covid restrictions ease. Interment will be in Greenhill Cemetery.

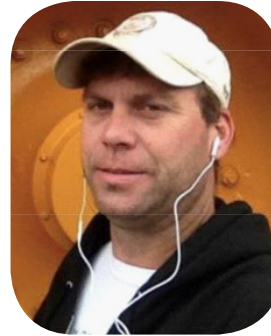

If desired, memorials to the Havelock United Baptist Church or the Greenhill Cemetery Fund would be appreciated.

www.keirsteads.ca

OBITUARIES

James Crawford
1972 - 2021

James Walter Crawford, 48, of Petitcodiac, passed away at his home on Friday, June 4, 2021. Born in Plaster Rock, he is the son of Mary Toner (the late Arnold) and Murray Crawford.

James was crane operator for Chark Trucking in BC; a job he really loved and was very skilled at. He also drove truck, travelling often with his faithful canine companion Chloe, who predeceased him. He made his home on both the east and the west coasts of Canada, forging many strong relationships along the way.

In addition to his parents, James is survived and sadly missed by his brother, Malcolm (Cara) Crawford; nieces and nephews, Tasha (Jeff) Frenette, Alex (Ashley) Crawford; great nieces and nephews, Bryson, Kayden, Mia and a baby girl Crawford on the way; former partner, Tami Khalembach; her children, Stephen, Jake, Tanner, Braeden, Spencer; many aunts, uncles, and cousins.

Predeceased by an infant brother, Paul Murray Crawford.

Arrangements in the care of Salisbury Funeral Home (506-372-4800). Family and friends will be invited to celebrate James' life when Covid restrictions ease. Interment in Stickney Cemetery at a later date.

If desired, memorials may be made to the Canadian Cancer Society, SPCA, or (as James would say) the empty pocket fund.

www.keirsteads.ca

Helen Beaman
1944 - 2021

Helen Florence Beaman of The Jordan LifeCare Centre, formerly of Prosser Brook, went home to be with her Lord and Savior on Wednesday, May 26, 2021 at the age of 76. She was born in Corn Hill on December 23, 1944 to the late Ora and Bertha (Harper) Dunfield. After attending teachers college in Fredericton, Helen went on to teach in various schools in the Petitcodiac area.

OBITUARIES

She then met and married Paul Beaman in 1971, when they took over the family farm in Prosser Brook and raised a family of four boys.

She was a faithful member of The Salisbury Baptist Church and a Dominion Life Member of the Baptist Women's Missionary Society. She was involved in church ministries including youth group, Sunday school, Pioneer Girls, Little Lights program, and was always willing to cook and serve for any occasion.

Homelife was always busy on the farm; raising four active boys, raking hay, and filling countless bottles of maple syrup. She loved entertaining at the sugar camp and feeding the masses; especially serving her famous brown bread. There was always room for one more around the table. She enjoyed working in her flower garden and always loved when her family got together, especially her precious grandchildren. Family reunions and Labour day camping weekend for turkey supper were favourite occasions.

Survived by her beloved husband of 49 years, Paul Beaman; sons, Frank (Natasha), Stephen (Sherry), David (Debbie), daughter-in-law, Angela Sturgeon; grandchildren, Madelyn, Weldon, Aaron, Caleb, Ezekiel, Kali, Annessa, Natalia, and Nathan; brothers, Guy (Betty), Vaughn (Shirley); brother-in-law, Tennessee Schwetz; and several nieces and nephews.

Besides her parents, Helen was predeceased by her son, William (2003); two angel-babies; granddaughter, Jorja Beaman (2005), two sisters, Sarah Lounsbury (Floyd), Irene Schwetz; and brother Everett (Marlene).

Rested at Salisbury Funeral Home (372-4800) from where visiting was held on Sunday, May 30, 2021 from 2 - 4 and 6 - 8 pm. Covid restrictions in place. There will be a private Family Service and interment in Prosser Brook Cemetery. You can view the service on The Funeral Home Facebook Page. If desired, memorials to the Salisbury Baptist WMS, the Prosser Brook Cemetery Fund, or a charity of your choice would be appreciated.

Job 1:21 - The Lord gave, and the Lord has taken away. Blessed be the name of the Lord.

Salisbury Happenings

Village of Salisbury News

NEW VILLAGE OF SALISBURY COUNCIL SWORN IN

On June 14, 2021, the new Council of the Village of Salisbury for 2021-2025 was sworn-in. Pictured Left to right are: Councillor Nathan O'Brien, Councillor Stephanie Thorne, Mayor Rob Campbell, Councillor Sarah Colwell, Councillor Jason Gallant, and Deputy Mayor Doug Hamer

SALISBURY VOLUNTEER FIREFIGHTERS PRESENTED WITH 15-YEAR PINS

Two members of Salisbury Fire Rescue have been presented with the New Brunswick Fire Services Long Service Certificates and 15-Year Pins in recognition of their volunteer dedication to the community. On behalf of Fire Marshal Michael Lewis, Salisbury Mayor Terry Keating recently made the presentations to Firefighter Stephen Stevens and Lieutenant Curtis O'Brien.

COVID-19 - IMPACT ON VILLAGE OPERATIONS

All Village of Salisbury departments are open for business, but due to the pandemic there are access restrictions in place to ensure physical distancing.

Face masks continue to be mandated as directed by New Brunswick Public Health.

REMINDER - PAYMENT DUE FOR SEWER BILLS

The sewer rate for 2021 in the Village of Salisbury is \$305.00 per unit.

Interest working out to 2% per month is added to all overdue sewer accounts, calculated from the billing date in January. Interest was added in March, April, May and June, and will continue on a monthly basis for the rest of the year.

2021 DOG TAGS

Due to late fees going into effect on April 1st, dog registrations in the Village of Salisbury now cost \$25.00 for spayed or neutered dogs; or \$45.00 if not spayed or neutered.

In order to buy a dog tag, you MUST prove up-to-date vaccinations by way of an official vet receipt.

Salisbury Animal Control is provided by New Brunswick SPCA, who can be reached at 1-877-722-1522.

SALISBURY COMMUNITY DAYS 2021

Due to the impact of the Coronavirus pandemic on the planning of events, the majority of Village-organized Community Days activities will, like in 2020, be online this Summer.

While the window of dates for Community Days is August 19-22, specific scheduling of events or activities, including virtual, is unconfirmed at this time - but stay tuned in the coming weeks for details!

Best Wishes to the Class of 2021

Hi, everyone! My name is Rob Campbell and I am the new Mayor of the Village of Salisbury.

As my first official act as Mayor, I was asked to do a video to congratulate and provide greetings on behalf of Village Council and staff for the 2021 Graduating Class from JMA Armstrong High School to be played at the Sussex Drive-In Theatre on Wednesday, June 23, 2021 as part of the graduation ceremonies where they received their diplomas.

It was certainly humbling and an honour to do so, as I have watched so many of these graduates grow up here in the community into the young adults and future leaders they are today, and am friends with many of their parents and coached many in sports. I graduated from Sussex Regional High School and spent so many weekends at that same drive-in theatre and to be there, albeit virtually by video, to help celebrate a Salisbury graduating class in my hometown as my first act as mayor of one of New Brunswick's fastest growing communities seemed very fitting and gratifying.

My message to the graduates was very simple and one that I tell anyone and everyone I speak with: Salisbury is a vibrant and thriving community, not just because of the beauty of our area, such as our river and trails, the recreation and leisure activities, the great businesses that we have, or the proximity advantage we have being central to the cities, and close to Nova Scotia, PEI, and the Greater Moncton Roméo LeBlanc International Airport - and, in fact, we are closer to many areas of Moncton and can get there faster than people living in the city. Year over year, families move here, our population grows, and new businesses open and those are certainly some of the reasons.

However, in my opinion the main and biggest reason we are so vibrant is our people, the 2021 Graduating Class included, who I watched do incredible things in the community and around Atlantic Canada over their 12 Years at JMA Armstrong and many of whom will continue to do so over their lifetimes, as well as past JMA Armstrong graduates who went out into the world and then eventually came back to raise their families, as entrepreneurs to start businesses, and to volunteer in the community. Many graduates will find success out in this world, which may mean they need to move away from Salisbury, and that's okay -- many have done so and are well-known leaders in

other parts of Canada and the world who still are ambassadors for Salisbury, tell others about our community, and for whom it is always home. Salisbury is and always will be about the people, like the friends, parents and family of the graduates who were in the audience who make this home and who make this a special place.

So my first official act as Mayor was a video and certainly not what I was expecting 16 months ago when I originally announced that I was running for Mayor. No one could have expected how the world and events would change. I had always expected to be there delivering the Mayor's remarks in person and celebrating with the graduates, and at first I was a little disappointed. However, these graduates have taught me a valuable lesson that we should always find positives and ways to make the best out of what life serves us. I truly believe this graduating class is stronger and more resilient from what they have experienced and the obstacles COVID-19 placed in front of them, that they simply pushed aside and found new ways to celebrate and experience their graduation year. Look out for the great things they will achieve in the future, as nothing will stop this group of grads or get in the way of their goals and dreams.

On Monday evening, June 21st, ahead of the graduation, the grads and their parents demonstrated just how creative they were to ensure that our grads had a chance to celebrate their graduation in their home village. I was thrilled to watch in person the 2021 Graduating Class Parade drive up Main Street from the Legion in their fancy vehicles led by our volunteer firefighters and the RCMP, where they finished off on Douglas Street for pictures in their prom formal wear and a Grand March as a graduating class. The graduate banners lining Main Street were an added meaningful touch. It was very special to see this community come together to celebrate with the graduates and show them what a caring, loving community we are.

To the 2021 Graduating Class from JMA Armstrong, their parents and families: congratulations on behalf of the Village of Salisbury as you head out into the world, keep Salisbury in your hearts, and we will be waiting to hear all of the great stories from you and your families of how you are doing and all of the amazing things you are all accomplishing. Please stay in touch.

Mayor Rob

New Restroom Facility to be Built at Highland Park

Some more information regarding the construction in 2021 of a new restroom facility for the Village of Salisbury's Highland Park:

In order to service the water demands for both this new restroom facility and the adjacent splash pad (for which the mechanisms are contained in the building), two new wells had to be developed at Highland Park this year. This was necessary due to the states of failure of two wells that had been developed there at the time of the splash pad's original installation, which was done with the intention that the wells drilled in 2016 would complement an existing older well at the site. However, one of those 2016 wells had completely collapsed, while there were numerous deficiencies associated with the other. Neither could be serviced or repaired.

The ongoing development this year of the two new wells at the park, along with the planned installation of a new

submerged holding tank for the splash pad, in addition to the construction of the restroom facility, will prevent the Village from operating the existing restroom and splash pad this season until the new projects are finalized by the fall.

With regards to the old restroom, the reason for such unusual operation times in the past was due to both water supply and the building's form of construction. It was unheated and uninsulated, so the entire facility had to be winterized in the fall and commissioned once again in early summer. The Village could not activate the water supply at the restroom and splash pad until it could be absolutely certain that freezing temperatures were behind us.

As for the new restroom building (see conceptual image above), its design will implement an access control system which will automatically permit and prevent entry to the restroom areas based on hours of operation. The facility is designed to be as vandal resistant as possible.

This project is funded in large part through the federal Gas Tax Fund (GTF) program, supported by a municipal contribution as well as previous local fundraising efforts.

In the meantime, arrangements have been made to have a porta-potty brought to Highland Park on June 11th.

Food Preservation Day by Elgin Women's Institute

Elgin Women's Institute Hall
32 Gowland Mountain Road, Elgin, NB

Saturday, July 24, 2021

Drop in any time between 1:00 and 4:00 pm

Are you interested in learning how to preserve your own food?
Come and learn about Food Preservation topics such as:

Dehydrating Food

Pickled Beets

Making Sauerkraut and

Everything Rhubarb

Special guest: The Pantry Community food Hub

Door Prize!

Take-home snacks will be provided

Enjoy the day free of charge

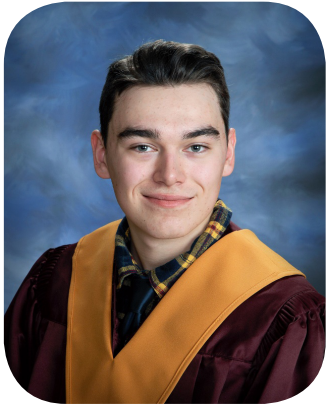

Covid-19 protocols will be followed

Everyone Welcome!

Funded by the Government of Canada's New Horizons for Seniors Program

con't from pages 10 & 11
