## ELVA KELSO GREER INDUCTED INTO THE NEW BRUNSWICK COUNTRY MUSIC HALL OF FAME

Growing up in Penobsquis, New Brunswick, her family was always involved in music. At the age of twelve, her brother Howe McPhee taught her to play guitar. Elva's family sang and played music together on a regular basis. Music has been an everyday part of her life, playing for birthdays, anniversaries, house parties and shows at local halls - any excuse to get together for a tune.

Over the years, Elva has been involved in organizing and performing at many music benefits. She has also sung for many funerals and played at seniors

homes in the local area.

Elva fondly remembers the fun times she had with her music students while giving lessons on beginner guitar, keyboard, fiddle, piano, mandolin and dobro. She always shared her enthusiasm for music with her students.

In 1968, Elva joined the Sussex Town and Country Orchestra, sharing the stage with many talented musicians and forming lifelong friendships. They travelled throughout New Brunswick playing many shows and always having a wonderful time. From 1975 to 1987, she was the Orchestra's acting secretary.

Elva spent many wonderful weekends taking part in the open mic music at Jim Smith's "Old Mill Bluegrass Campout" at Lutes Mountain, NB.

August 15th, 1998, she traveled to Saint John, New Brunswick for the NB Old Tyme Fiddle Orchestra concert (founded by Winston Crawford & Jim Gerrior), where one hundred fiddlers performed.

With the help of friends and son Len Kelso, Elva has recorded three CDs, which include some of her

compositions.

Elva and her husband ran jam sessions from Salisbury to Petitcodiac. After his passing in 2014, she continued the sessions until 2020 with the help of Clayton Magee, Ken Campbell, and many wonderful friends and family. Other jam sessions where she has played back up include Sussex, Havelock and Penobsquis.

Elva has attended many NB Fiddle Association programs and potluck suppers with Ivan and Vivian Hicks and always looked forward to being a guest on the Gary Morris Valley Jamboree show in the Sussex area.

She hopes this shows how much music was and still is a big part of who she is and thanks all who helped along the way.

## From the Editor

We had some really nice days in October. Fall was always my favorite season of the year, so many beautiful colors, the temperature is more comfortable. But there is a lot of work preparing for the winter months., with things to be put away, markers to be put in so the snow plough driver knows where things are, spring bulbs planted, and winter activity items brought out, maybe bigger sizes, repaired, and waxed, lots to do.

In New Brunswick, Sunday, November 6<sup>th</sup> at 2:00AM Atlantic Daylight Time, the clocks are to be turned back to 1:00AM, Atlantic Standard Time.

November 11<sup>th</sup> is Remembrance Day, or the other common name for this day is Armistice Day, is a federal statutory holiday in New Brunswick. This day marks the date and time when armies stopped fighting World War 1. On November 11<sup>th</sup> at 11AM in 1918. The wearing of the poppy before and on Remembrance Day shows respect for the Canadian troops.

Remember the Municipal Election being held at the Maritime Motorsports Hall of Fame & Museum, 5 Hooper Lane, Advance Polls are Saturday, November 19<sup>th</sup> and Monday, November 21<sup>st</sup>, from 10AM to 8PM both days. Election Day is Monday, November 28<sup>th</sup>.

A very important event for the Maritime Motorsports Hall of Fame is happening on Prince Edward Island on November 18<sup>th</sup> & 19<sup>th</sup>. This will be our 14<sup>th</sup> and 15<sup>th</sup> Induction Ceremonies, with a total of twenty more new inductees being added to the already 140 honoured. Each recognized for their outstanding contributions to, and achievements in, Maritime motorsports. If you would like to attend this important ceremony you need to get your tickets right away, before they sell out at the office at 5 Hooper Lane, Petitcodiac.

Most major cities of Canada have a Santa Claus parade in November, for the pre-Christmas season. This brings out the family to see the floats and of course, Santa Clause. Another common Christmas event is all the Christmas Bazaars being held in November and December at the different local organizations. Wishing all the hunters a successful hunt, if not have fun!

### THE BIG BLACK BEAR

Benny, the Big Black Bear, shivered as a cold wind blew up the valley. "Here I am, cold and tired and lonesome," said Benny to himself, "And I'm not settled for the winter. I do believe I'm too tired to hunt for a good place to sleep."

Benny moved towards a cozy cave he knew about, under the roots of a big fallen tree. But then he yawned and scratched his ear.

As Benny sat on the hillside and dozed, the cold wind grew stronger. Then the sleet began to pelt Benny. The wind became so strong that it began to howl. It ruffled the long black hair of Benny's coat, that made Benny very cold.

Suddenly the sleet came so fast that Benny could scarcely keep his eyes open to see. All at once he became frightened. He started scrambling through the bushes toward the cave that he knew about.

By luck he found it in spite of the storm. He dived into it and rolled around among the leaves until he had a deep, warm nest made. Then, out of the biting storm. He fell into his deep winter sleep.

That storm ended, but more storms came and went. The winter snows grew deeper and deeper, but Benny slept all the long winter.

## PETITCODIAC AND DISTRICT FIGURE SKATING CLUB

### WHAT IS CANSKATE AND PRECANSKATE?

Have you ever wondered what Precanskate and Canskate is? Do you have a child that has seen figure skating and wants to do that? Or wants to play hockey, ringette or speed skate? Or just to be able to skate recreationally with friends? If so, then Precanskate and Canskate are the programs for them.

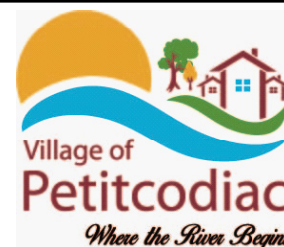

Precanskate is aimed at preschoolers and uses play based activities to encourage independent movement on ice. The goal of Precan is to get the skaters to learn how to get up all by themselves when they fall, then how to move forwards, backwards and turn. The basics of skating on their own. They might not move fast (yet), but they learn to fall and then how to get up. And then they are moving! It is always impressive how fast the precan's get moving once they learn that falling down and getting up are easy.

Canskate then works to build the skills needed to take a skater into

hockey, ringette, speedskating or figure skating. Skills like forward and backwards crosscuts and edge control, Skills are grouped under Agility, Balance and Control. Circuits are set up for skaters to practise the different elements. Skaters then receive ribbons and badges for successfully mastering the different skills.

Which brings us to this - while the skaters are in groups, they are assessed and progress independently. We have two professional Skate Canada certified coaches on the ice with our Precan and Canskaters. The coaches are assisted by a number of older skaters from the club who volunteer as Program Assistants (or PA's). If you come a little early for Canskate, you can even watch your PA's out practising their own skills.

It is never too late to sign your skater up. If you are not sure, come to the arena and watch sometime. Or contact us through Facebook.

# Employment Opportunity

The Village of Petitcodiac is looking to hire an individual to operate our sidewalk plow for the upcoming winter season. This is a part time on-call position with the possibility of employment continuing into the summer months. Individual must have their own transportation and be able to work long hours. Experience is an asset but not necessary as we are willing to train.

Applications can be mailed, emailed or dropped off at the village Office: PO Box 2507, 63 Main Street, Petitcodiac, NB E4Z 6H4 [vop@nbnet.nb.ca](mailto:vop@nbnet.nb.ca)

## PETITCODIAC PANTHERS PREVAIL

The Petitcodiac Regional School golf team captured the NBIAA provincial "A" high school golf championship title at Covered Bridge Golf Club in Hartland.

Chase Burgess fired a team low of 75, along with Cole MacPhee (79), Mark Arsenault (80), Heath Mann (95), Myles Colpitts

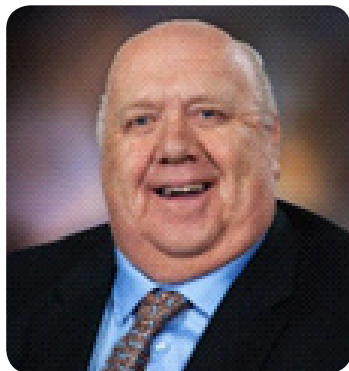

(97), and Oliver Colpitts (100). The team total of 329 was just 6 strokes better than Southern Victoria High School (335) and 26 strokes better than 3rd place Samuel de Champlain (355). Other participating schools included Caledonia Regional High School, Nackawic High School, Sir James Dunn Academy and Polyvalente Roland Pepin. Burgess captured the bronze medal in the individual scoring behind Ty Dickson (71 and birdie on the first playoff hole) from Southern Victoria and Kehlan Munroe (71) from Rothesay Netherwood School.

# Municipal Election Candidates - Community of Three Rivers

These candidates have provided their information as a public service, this list may not be current at the time of reading, please check the Elecitions NB website at: <https://www2.gnb.ca/content/enb/en/local-government-elections.html> for updated information as the campaign progresses, and further information. for information from Salisbury's Candidates please see pages 20-21

**PETER SAUNDERS**  
for Mayor

For those who don't know me, my name is Peter Saunders. I was born and raised in the Village of Petitcodiac on our family farm with my parents Bertha and the late Robert Saunders (Bob), my four brothers, and two sisters. I graduated from Petitcodiac Regional High School in 1982. I have been married to the love of my life June Saunders (Lewis) for over 30 years and we have a daughter Kayla.

I have been in the building supply business for over 35 years; first with the Fawcett Family and currently with Kent Building Supplies where I am the Store Manager of the Petitcodiac location.

I have volunteered with the Saint John Ambulance Service as a Medical Attendant and have sat on the Board of Directors for the Petitcodiac/Salisbury Ambulance Service. I have been a member of the Petitcodiac Volunteer Fire Department for over 30 years with various roles; member, Deputy Fire Chief, Fire Chief and now as a retired chief and active member.

I have been a member of Council since 2004 and during this time I have served as a Councillor, Deputy Mayor and Mayor.

I presently hold the position as Deputy Mayor and oversee the portfolios of the Transportation and Sewer Departments. I currently sit on committees for the Emergency Measures

Operations, Little Bend Housing and the Regional Service Commission - Planning and Solid Waste Divisions.

We are currently seeing big changes in the structure of our communities. Local Governance Reform has brought together Elgin Centre, Elgin Parish, The Village of Petitcodiac and a portion of the LSD of Salisbury forming the new Community of Three Rivers. Although a challenging process, the result will see more of our population with government representation and will give them a say in the decisions made in their communities. I believe this new partnership will bring together resources that will make Three Rivers a great place to live, work and play.

I believe strongly that Council of the day needs to remember that we are at the table to make the best decisions possible using taxpayer's money. This is very important to me and if elected I will continue to work diligently with the newly elected Council to ensure we represent the best interests for the community as a whole in decisions for now and in the future.

If elected, I look forward to working together for a vibrant and sustainable community.

I have decided to re-offer in the Municipal Elections coming up on November 28, 2022 and I ask for your support in electing me as your mayor.

Thank You

**TERI McMACKIN**  
for Councilor-At-Large

Hi there! My name is Teri McMackin and I am looking for your support as I put my name forward for a position on the municipal council, at large.

Our family of four has called this community home for nearly a decade and has grown along with it. After the last several years, it has only become more apparent the deep desire we all have to feel connected and belong. With municipal reform just around the corner, it's imperative that we retain our sense of identity, continue to build our community, and adapt to changing landscape.

I believe that every single person plays a role in community building and that everyone has something to contribute. Having served a term on the municipal council, I understand the delicate balance of the following province-appointed budget and restrictions with advocating for the initiatives and funds that will allow us to thrive.

With work on the medical center underway thanks to nearly a decade of work from previous councils and dedicated volunteers, my focus will

be on other infrastructure development and projects such as a new library and updated recreational facilities. While these are provincial responsibilities, local governments have a responsibility and an avenue to push on behalf of their communities.

I am encouraged by the willingness of other candidates to put their names forward, understanding that the reform will pose additional challenges and (at times) frustrations. Serving as an elected official in this time will be unlike any other time in our history and I am up for that challenge.

I encourage you to follow my Facebook page [www.facebook.com/TeriMcMackinPetitcodiac](https://www.facebook.com/TeriMcMackinPetitcodiac), email me at [terimcmackin@gmail.com](mailto:terimcmackin@gmail.com), or call/text 506-875-1616. Thank you!

**JUNE CRANDALL**  
for Councilor - Ward 3

My name is June Crandall. I am running for Councilperson for Ward 3 in the Community of Three Rivers.

I grew up in Elgin Parish and attended Elgin Elementary School and Petitcodiac Regional High School (now Petitcodiac Regional School) graduating in 1971. I moved to the US over 44 years ago but returned home to Elgin when I retired in October 2020. I immediately joined my local Women's Institute where I now serve as the Secretary/Treasurer, and I am a member of the Elgin Eco Association. I continue to serve the community as a Board Member on the Southeast Regional Services Commission (SERSC) to which I was elected in June, 2021. Additionally, I serve on the Public Security Sub-committee of the SERSC. Finally, I currently serve on the Community Advisory Committee for Salisbury, Petitcodiac, Elgin and surrounding communities.

I attained a Masters and Bachelor's degrees in Criminology and Criminal Justice in 2000. I spent 17 years in social science research as a Study Director and Project Manager at a large research firm in Maryland. The main focus of my research was intimate partner violence, substance use and abuse, and children's mental health. My work on Government-funded contracts was varied and challenging which, I

believe, prepared me well to take on the challenges of serving my community.

I want to be your voice; to represent you. So many changes have taken place with more to come but I will work hard to get answers you deserve.

**ANGELA SILVERTHORN**  
for Councilor - Ward 3

Hi, my name is Angela Silverthorn. As a candidate for Ward 3, I look forward to becoming your voice on the council for the Community of Three Rivers. My husband Will and I moved to the community of Elgin 25 years ago to start our family. Over the years, we have grown to love this area and its people. Our lives have been busy with our careers and raising our boys Kent and Bruce.

In the early years, I spent my days teaching school and traveling throughout the Maritimes shooting archery. I also was involved with coaching my sons' hockey teams. As the boys grew older, I began volunteering for the Elgin Eco Association.

I have continued teaching kindergarten, riding and building bicycle trails and helping to raise money for the Elgin Eco Association which brings active, outdoor activities to our community.

My political life began last year when I volunteered to serve on the Local Service District of Elgin Center. Little did I know that substantial changes were coming to the local systems. With community input, we decided that Elgin center would become part of the Community of Three Rivers. I have enjoyed this process and look forward to the growth that is possible for our area. But the work has just begun. I look forward to bringing all these communities together, while ensuring that the existing communities keep their individual identities. It is essential that we keep our existing amenities but also gain what we can from being a larger community.

I look forward to collaborating with other community members to make the community of three Rivers a wonderful place to live.

## Village Council News

I would like to pass on some heart felt "THANK YOU'S" for the exemplary work done by the Arena Staff and Councillor Dennis Murphy. They have worked tirelessly to have the arena up and running as soon as possible this season. There have been a number of comments both positive and negative concerning this year's arena start up. I would like to point out most of the facilities and programs available to us in Petitcodiac are the results of people getting up off their chairs and banding together to fill a need. Case in point, is the Petitcodiac Valley Golf Course, the Petitcodiac Arena, the newest soccer field, the PRS Playground, the Motor Sport Hall Fame, The Westmorland County Agricultural Fair, SPOT and the Petitcodiac and Area Garden Club, to name a few. It is your right to have an opinion and to voice that opinion. I just urge you to have the correct facts before doing so.

Councillor Murphy has also informed us the hiking and walking trails at Maple Street are now flagged by colour. A new sign with a map of the trails will be erected at the community garden with the distances of each trail marked on the map.

A large Petitcodiac thank you to McCully Landscaping for the tremendous job they did on the outdoor rink. The large outdoor rink at the Maple St. Park is almost completed. The Village will be erecting two poles, two lights (donated by Lymburner Electric and Bird & Stairs) and installing a liner for the rink. They also are purchasing a new Changing Building from Rayborn Jorgensen to be placed beside the new rink.

Congratulations to the Petitcodiac and Area Garden Club for receiving another Grant for approximately \$1000. This money will be used to put drainage in the lower part of the community garden.

This year's Remembrance Day program at the Petitcodiac Regional School will be held on Thursday, November 10. The Royal Canadian Legions' November 11 Remembrance Day service will consist of a church service at the Baptist Church, laying of the wreath at the cenotaph followed by a Legion dinner.

The speed bumps within the village will soon be removed (Whether you are for them or against them) to allow for proper snow plowing.

A reminder of winter parking regulations for the Village of Petitcodiac will come into effect in November. This means that there is to be No Parking on the Village Streets from Midnight until 7:00 am.

The village now has a new John Deere post hole digger. It was difficult to talk it into working with an old Massey Harris tractor but all of the complications and demands have been worked out. Both the old tractor and the new post hole digger are working fine together.

As you know there will be a municipal election for the new entity of the Community of Three Rivers. There are three opportunities to vote, 2 advance polls, one held on Saturday, November 19 and one on Monday, November 21. Election day is Monday, November 28.

Prospective candidates may obtain their papers online at Elections NB, at the Village Office or the Municipal Retuning Office at 720 Coverdale Rd., unit 120, Riverview. Nomination papers for all positions must be submitted to the Municipal Returning Office before 2:00 pm Friday, October 28, 2022. Please exercise your Right to Vote during this Municipal Election.

We will be electing one councillor from each ward and one at large for a total of four councillors. A new Mayor will be elected by an at-large vote. This new Mayor and Council will take over from the existing council on January 1, 2023. All details of Wards and Community Boundaries can be found online at Elections NB and Local Governance Reform NB, [www.gnb.ca](http://www.gnb.ca).

**\*\*SAVE THE DATE\*\*** The Annual Petitcodiac *Festival of Lights Parade* will return for 2022 on Friday, Dec 2nd!

We welcome the return of the Holiday Light Tour, watch for details!

Mobile Eco Depot (hazardous waste, appliances, electronics, etc.) is at 7 Wheaton Road, Petitcodiac NB on Nov 16th and 17th from 12noon till 8pm.

# DID YOU KNOW? | ONLINE CRIME REPORTING (OCR)

**Online Crime Reporting** gives New Brunswickers, in RCMP area of jurisdiction, an alternate way to report certain non-emergency crimes without calling the police, or visiting a detachment.

Online crime reporting is not meant to replace other forms of reporting crime. Always call 911 in an emergency. RCMP non-emergency line is 1-888-566-RCMP.

## HOW DOES IT WORK?

- The easy-to-use website guides you through a series of questions to give police information about your incident.
- At the end, you will receive an email confirmation with an incident number and a report, which can be used for insurance purposes.
- The entire report takes about 15 minutes.

All reports submitted via OCR are reviewed by the RCMP, and are entered into the RCMP's record management system.

A police officer will contact you if more information is required.

## WHAT CAN I REPORT USING OCR?

- Mischief/damage to property under \$5,000
- Theft under \$5,000 (Including theft of bicycle and theft from vehicle under \$5000)
- Lost property

## WHY SHOULD I USE OCR?

- Available 24/7.
- No need to visit or call a detachment.
- Provides report that can be used for insurance purposes.
- Contributes important information to assess crime trends.

## DO NOT USE OCR IF:

- Stolen property includes firearms, credit cards, or personal identification (e.g. driver's licence or passport).
- The value of stolen or damaged property exceeds \$5,000.
- There are witnesses or video evidence of the crime.
- Incidents that do not meet the criteria for OCR are directed to the RCMP's non-emergency line 1-888-566-RCMP.
- Call police or 911 immediately if the incident is still in progress, or if it is an emergency.

## OFF GRID ADVENTURE

## LOOKING TO LOWER YOUR HYDRO BILL?

### SOLAR PANEL INSTALLATION SERVICES

We at Off Grid Adventure run our home by 9 solar panels and a 60 ft. wind turbine that we installed ourselves 3 years ago. Increased energy costs do NOT affect us at all.

Are you looking to lower your energy bills with alternative energy or maintain power during storms?

We can help install solar panels for your home, shed, or camp! Contact Mike at 506-688-2831 to find out more.

### BIRTHDAY PARTY TIME!

Looking for a fun place to celebrate your child's birthday?

Our Adventure Park is a perfect place for kids to play, run and discover nature, all while having fun!

What we offer is use of the Adventure Park (rock climbing wall, ropes course, etc.), a guided hike of our trails. A family pass is \$30. That's for a family of 5. Or its \$10 per person.

You are welcome to bring your own food & munchies which can be stored in our fridge or inside our kitchen. We provide hot chocolate, coffee after fall & winter hikes. If you wish to do s'mores, we put on a fire for roasting marshmallows (all weather dependent).

Contact Salma at 506-688-2831 or message us through Facebook to book your party now!

### WINTER CAMP THIS YEAR!

Campsites are still \$40 per night, come with free firewood and access to the Adventure Park.

Starting November 1, our Off Grid Trailer will be \$120 for the winter season. This will include 1 full propane tank per 24-hour rental period to be used for heat and the propane stove.

Our washroom/shower log cabin right beside the trailer has hot water now! So, enjoy a warm shower, wash your dishes inside the cabin.

The trailer during the winter will be switched to dry camping (no water in the tanks). Come experience the winter in our campground!

**OUR LOCATION:** 16 Mill Road in Anagance. Exit 223 off of Hwy-1. Follow us on Facebook (Off Grid Adventure) or Instagram (off\_grid\_adv) for photos and videos with latest updates & upcoming events. Unplug to unleash the adventurer in YOU!

URBAN/RURAL RIDES looks to create partnerships with companies for extra ways to show our appreciation to our volunteers. Through our partnership with National Tire Distributors, Carl Killam was the fifth driver to win \$1000 worth of tires donated by NTD. Carl has donated countless hours over the past few years to helping others access medical appointments and other life needs changing lives one ride at a time. He was very excited to receive his new studded top of the line winter tires so he can continue to help others safely this winter and beyond.

## From the Desk of Your MLA Ross Wetmore, Gagetown - Petitcodiac

Our annual season of beauty provided breathtaking views once again.

The fall leaves generally last a couple of weeks, three if we are lucky, before they are conveniently dropped down for our raking by the wind or rain or a combination of those two.

Thanks to those folks who have taken to social media and shared glorious scenic images taken from high ground as they explore New Brunswick's fall beauty. I am sure these are especially appreciated by those whose wheeling days are behind them. A little help igniting the memory can do wonders. It would not take much to close one's eyes and smell the fall leaves, cooling engines and a lunch cooked over open-flame. Good for the soul.

A drive through rural New Brunswick would suggest the fall harvest is down mostly to corn and beans.

I am hoping to hear that there has been an overall good season, ample supplies are laid up and that come Candlemas Day February 2<sup>nd</sup>, people will have remaining 'half their wood and half their hay' as a variation on the old saying goes.

It's also great to see we had another successful pumpkin harvest, as orange regiments of future jack-o-lanterns and pies may be seen all

over the riding, standing several deep, awaiting carving and pie-making.

Watching as a child's initial revulsion transforms into enthusiastic punkin-gutting is one of those time honoured rites of rural parental passage. Makes for some fun photos as well.

On October 16th a ceremony was held in Fredericton at the Hugh John Flemming Forestry Centre to honour our former Premier's late wife Aida. Readers of my vintage will remember Mrs. Flemming as the founder of The Kindness Club. The club promoted the message 'Be Kind' to animals, as well as people and to respect the environment. The club was founded in 1959. 63 years later, her cause of kindness and environmental concern continues. Over the many years, as the cost of everything has increased, the cost of being kind remains the same.

At next writing, the fields for the November 28 local government elections will be set. Thank you to everyone who has offered to serve.

As you may be aware, Elections NB mailed incorrect information to 260,000 New Brunswick households, advising there are no elections when in fact there are. The Elections NB website is reported to have the correct information. If you are uncertain, their toll-free number is 1-888-858-8683 (VOTE).

## Mix-up creates confusion

Mix-up creates confusion for some voters on where local government elections are taking place next month

FREDERICTON (GNB) - Residents preparing for local government elections next month in their communities may receive a letter this week from Elections New Brunswick mistakenly indicating they are not having an election. While others, not having an election in November, may get the opposite message.

A mix-up in the name on files sent to the vendor who printed the content and packaged the envelopes for Elections NB resulted in over 260,000 households being sent the wrong election message. "The mistake, introduced after the files were sent to the supplier, was not caught by us during the proofing process," said chief electoral officer, Kim Poffenroth. Information about the Nov. 28 local government elections is available on the Elections NB website. In addition, Elections New Brunswick is publishing an insert next week in all the daily newspapers and flyer bags, delivered to people's homes, indicating where elections are taking place and all of the positions up for election.

"Voters who live in areas having an election will be sent voter information cards by us in mid-November, indicating when and where they can vote," said Poffenroth.

The communities listed below are not having elections. They were either not impacted by the municipal reform or the number of voters in the local government

increased by less than 15 per cent.

- Belledune
- Campobello Island
- Dieppe
- Fredericton
- Fredericton Junction
- Grand Manan
- McAdam
- Memramcook
- Miramichi
- Moncton
- Neguac
- New Maryland
- Quispamsis
- Riverview
- Rothesay
- Saint John
- Tracy
- Upper Miramichi

Residents in the rest of the province, including those living in unincorporated rural areas, will have some form of election.

Elections New Brunswick has a call centre open now to answer questions from voters or candidates about the November elections and to allow people to update their voter information. The call centre will be open Monday to Saturday and can be reached at 1-888-858-8683 (VOTE).

### Beaman Reunion September 25, 2022

At the Beaman Reunion held on September 25th, there were approximately 50 visitors. Everyone had a good time and there was plenty of food for everyone with a pot luck supper.

Paul & Cyril Beaman were recognized for their many years, (perhaps 20) for hosting the Beaman Reunions in the past. Gift certificates were presented from Foodland and Shell Service Station.

Also, recognized for their many years of working to make this years reunion and past reunions a success, were three sisters - Linda Arbeau; Nancy Best and Sheila Mullin. They were also presented with gift certificates from Foodland and Shell Service Station. \*(whose grandmother was a Beaman).

Bobby Steeves, a very special cousin whose grandmother was Lena's mothers sister, also a Beaman was there.

### Happy Retirement Burton

Cement Cartage, would like to congratulate Burton Keith on his well-deserved retirement.

On April 30, 1979, Burt joined the Cement Cartage team, taking over as shop supervisor on January 1, 2001.

Over the past 43 years, Burton has seen so many changes within the company and industry. He has seen many different trucks, trailers, configurations and technologies change over the years and has had to keep up to date on the latest models. No matter what time of day or night Burt was always available to assist with what was needed, he was our go to person in the shop and more. His hard work, commitment and dedication are worthy of admiration. We were always confident and comforted in knowing that whatever task Burton was faced with, that it would indeed be looked after. His knowledge and unwavering commitment will be greatly missed.

Burton's last day was September 30, 2022.

On behalf of everyone at Cement and Albany Cartage, we would like to wish Burt all the best in his retirement.

VILLAGE OF PETITCODIAC, NEW BRUNSWICK ACHIEVES 4 BLOOMS  
THANKS TO THE SCHOOL STUDENT GARDEN

VICTORIA, British Columbia, October 22nd, 2022

The Village of Petitcodiac received a rating of 4 Blooms and a special mention for The School Student Garden during the 2022 National/International Symposium and Awards Ceremonies in Victoria, British Columbia. The Village of Petitcodiac participated in the Up to 6,000 Population category along with Chipman NB; Melfort SK and St. Paul AB. The community also received an Outstanding Achievement Award for the Scotts Youth Involvement Award.

Over the summer, trained volunteer judges travelled to participating communities to evaluate the overall contributions of municipal council and departments; industry; businesses and the private sector - including volunteer efforts - regarding the following criteria: Community Appearance, Environmental Action, Heritage Conservation, Tree Management, Landscape and Plant & Floral Displays.

Following their evaluation, volunteer judges Colleen Stockford and Lucy Chang wrote: "Petitcodiac has a new school garden! The students participate hands-on for every aspect of the project - from seeding in the on-site greenhouse to transplanting out the mature seedlings. Once the beds are fully planted, excess seedlings are made available for sale to the community. This spring, proceeds from the sale were used to purchase benches for the garden so that people could come, sit, relax and take advantage of the therapeutic ambience that the garden exudes. This fall, the students will learn how to can the garden produce and donate a portion of that to those in need. The students are very proud of their accomplishments and are looking forward to participating in this outdoor garden for years to come!"

All those involved in the Communities in Bloom program can be proud of their efforts, benefitting all of society by providing real and meaningful ways to mitigate climate change

**1942... Eighty years ago**

about loved ones, and the news was not always good.

Canadian citizens by this date in the War were used to rationing. They knew how to live with limited supplies of products like sugar, coffee, shortening (lard), gas and any materials needed for the War effort. Children collected scrap metal. They were taught how to identify aeroplanes from the shape of

other prairie provinces and supplies and men and women for the War in the Pacific.

Early in 1942 Petitcodiac added another aspect to the fight. The Waterbury Machine Shop, Main Street, Petitcodiac was leased by the Canadian Government for the purpose of producing defence equipment for the War effort. Lawson Machine Works held the contract from the government to manage the plant. Mr. Gordon Lawson managed the plant and Mr. Storey was sent from England by the torpedo manufacturer to serve as inspector for the final product.

Employees, approximately 20 to 25 men and women, trained as machinists at vocational Schools in Moncton and Saint John to work in the plant.

They produced, amount other war materials, an item called a Servo Motor.

This was used by the Canadian, British and American Air Force to control the depth of a torpedo in the water after it was dropped from a plane. The depth determined where on a ship, below the waterline the torpedo would strike.

Because of the plant's location and the vital materials produced there, men and women served in the Air Raid

Patrol to provide security for the plant, rail lines, bridges and roads.

These men and women were often World War One Veterans. Saboteurs were always a possibility because there were sympathisers for the enemy living in Canada.

The men and women who served as Air Raid Wardens or worked in this plant and thousands of others across Canada are not to be forgotten for their Service to their country and the War effort.

The War Plant operated until 1945, when it returned to being a busy machine shop.

World War II was raging in Europe and in the Pacific.

The Village of Petitcodiac was a busy centre of many activities. Families whose loved ones were overseas fighting; sons, husbands, daughters, brothers or sisters were anxious for news of the War.

Letters and postcards were shared if they contained any information

the wings of planes flying overhead.

Community fund raising activities for War bond Drives were frequently held.

#### Wartime Sugar Savers

These practical, wartime recipes have been "tested and approved" in Canada's Kitchen. Some are old, some are new, but all are voted good. Designed to stretch your sugar ration, each recipe calls for only a moderate amount of sugar. For example, in each of the dessert recipes, not more than ½ a cup of sugar is used.

Butter rationing has been taken into account in these recipes. A few of them call for the use of small amounts of butter, but it is only included where the butter flavour is especially desirable.

#### Tips to Save Sugar

- Don't experiment with your sugar ration ...use tested recipes.
- Add sugar to stewed fruit after cooking and while it is still warm, you will find less will be needed.
- Bake the sweeter fruits in the water in which they have been soaked, little or no sugar will be needed for sweetening.
- Use a plain sugar syrup (equal quantities of sugar and water boiled until sugar is dissolved) or one from canned fruit to sweeten cold drinks, if sugar is used in hot beverages stir until it is completely dissolved.
- Add raisins to cooked cereals for a change, this saves sugar in sweetening.
- Watch where the sugar goes in your home, how much is used in cooking, on cereals, tea, coffee, cut down where it is needed least.

THE "FALLEN"

by Gloria Scribner

The trees stand, bare and grey. Leaves have mostly all fallen. We scan the skies for clouds of oncoming tempest. Winds carry with them a hint of sleet. Bones chill at the thought of bleak November, and coats and scarves are the fashion of the day. Fields are bare and hunters drag the "deer apples" into the clearing. Off in the thicket, nostrils pick up the scent and wait. If only they knew the price their young ones would pay for that temptation.

We stand at the grey stone monument, and death stands with us, as cold and limpid as the crimson poppies that form a familiar circle. A lonely trumpet cries in the mid-morning tribute, and once again the heart is reminded of the awful price men pay for imaginary peace. Wars were fought, and won (depending on your homeland, religion, the colour of your skin, or your language). Whether or not you won or lost depends on the uniform you wear.

Wars are fearful events. To take up arms a "do or die" situation of the "kill or be killed" possibility. In the "defence" of loved ones, we must become an "offence" to humanity. It's not so difficult to justify the taking of a life, unless in so doing, our own or that of our children are not at stake. As moral people we wave the banner of seeming godliness, of consciousness and humanity, but when push comes to shove, standing on the tracks is not an

option. Wars are fought to gain control. Control means power, and power is a "dangerous" commodity. Power becomes treachery if unbridled, just as freedom becomes paranoia. Nothing is ever enough, if someone has more. The one with the most toys doesn't win, because he has to build bombs, and rockets, and technology to stay on top, and oh how we've abused the good earth the Lord gave us. Cutting into its sod was never enough, even though the harvests have coloured the land in gold and scarlet. The sun comes up every morning and the moon at night, yet man made satellites hang among the spacious networks of God's handiwork, and radio active dust threatens to destroy the soil, air, and water. Satisfaction is like fool's gold, and peace is only a word.

We have spent centuries of tears and blood and good intentions and loyalty on every hand to justify the means by the outcome, but nothing satisfies though paid for in life-blood.

The human heart is so insecure in its jealousies that the competition has been out of hand since Cain killed Abel, and there's someone in the darkness snickering, "I've killed your son". But the battle was won at Calvary. The skirmishes are merely Satan's attempts to get even. Don't be afraid "There will be wars, and rumours of wars", but the end is not yet. God is still on His throne. And He isn't going "anywhere"! Yet!

## ELGIN WOMEN'S INSTITUTE

What is WI? We are - Women of Integrity - Women Inspired

The 2022 calendar is beginning to wind down for the Elgin Women's Institute in terms of events. It has been a very busy year in spite of the ever changing restrictions and recommendations due to the pandemic. The flu will always be with us and so we must take care to make ourselves and others safe.

The EWI planned events with caution in mind. We opened the hall early in the year and held a successful indoor yard sale. Several private events were held including a wedding, celebration of life, family reunion and kids day camp.

Elgin Day was a fun community event with many people attending events at the EEA Park and The Hall. Eleanor Goggin gave an interesting talk on the early years of Elgin while our friends, neighbours and guests enjoyed ice cream sundaes. A kid's craft contest was very interesting showing that we have lots of talented kids in our area. We held our annual fall turkey supper by takeout this year with hopes that we can resume to inside dining next year. Stay tuned for upcoming plans.

Our monthly meetings have been packed full of planning and preparing along with lots of laughs and good

friendships being nurtured as we work together. The following is the mission statement of the Women's Institute movement.

We are women working for positive change: 1. To help relieve poverty. 2. To Help improve health and safety. 3. To provide education for all and to enhance life skills. 4. To promote community connections and cultural pride.

Many have expressed interest in what the WI is all about ....how we function....when we meet....how much does it cost to join....who can join....can I come to a meeting without joining? Great questions! The Elgin WI meets at The Hall (32 Gowland Mtn. Rd.) once a month on the third Thursday at 7 pm. Women of all ages and backgrounds are eligible to join. Please consider coming to a meeting to find out for yourself, and to meet women who are welcoming and inspiring. We are not a political or religious group but instead we believe that we all have thoughts, ideas and skills to offer to enhance the lives of rural women. Call Zaheera at 756-8247 or Hazelanna at 756-2531 if you have any questions.

WI Motto - FOR HOME AND COUNTRY!

# ELGIN NEWS!

What a day it was, the 19<sup>th</sup> annual mountain bike Marathon in Elgin. For the Elgin Eco Association it's always the highlight of the year, a day where the entire community can be involved. The participants were very pleased with our trails and commented on the good signage. It was an excellent day for cycling and we hosted 178 mountain bikers. You can see photos and videos of the event on our Facebook pages "Elgin Eco Association" and "Elgin Mountain Bike Race"

Now it is up to us to make next year's 20<sup>th</sup> anniversary of this event the best mountain bike marathon in all of Atlantic Canada! We are working to find the best way to promote this event to the world. We are challenging ourselves to make it the best community bike event Elgin has ever seen. It will take a community to pull it off, the EEA is hoping you will offer your skills to make this happen to our organization. Volunteers are the backbone of our everything we do!

Besides the bike race, many new trees were planted last month on the Mapleton Nature Preserve. 1000 red spruce, 1000 eastern white pine, 600 eastern hemlock and 400 red oak were

planted to achieve a density of 2500 trees per hectare with uneven spacing so it won't look like a plantation. The Mapleton Acadian Forest Trail at the preserve is still very popular for hiking. It is one of the few wild undisturbed wood hiking areas people can enjoy. And yes there are wild animals there!

The Elgin Eco Park has benefitted from the playground update for children to enjoy. We were also able to add extra benches and picnic tables to the park. We would like to remind people to keep their dogs on a leash and pick up after them, we have installed some signs as a friendly reminder that it is a public place.

Now you are once again in the know about Elgin Eco Association.

We have decided to change our meeting dates back to the first Thursday of the month (but no meeting in December). **Our next meeting, and the last of the year will be Thursday, November 3<sup>rd</sup> at the Elgin Women's Institute Hall (32 Gowland Mountain Rd) starting at 7pm.**

We hope to see you there and become part of all our adventures. It will soon be winter and skating will be on our minds.

## Our Canadian Flag

by Gloria Scribner

The flag ripples faster the higher the breeze  
And waves from the pole just as proud as you please  
No matter the weaving, the colours will fly  
As nations achieve their own place in the sky  
With pride in our nation, the land of our birth  
She salutes from the spire as she waves to the earth  
They carried the flag, bought with blood sweat and tears  
In conquest as victory erupted in cheers  
The flag is a product of weaver, but see  
Her colours become what we want them to be  
No matter the hue, blue, crimson, or white  
The "Maple Leaf" flying is dear to my sight  
Take pride in her emblem. Work hard for your own  
Run circles until the oppressor's o'er thrown  
Be brave and be noble. No counterfeit brag  
Can ever replace our "Canadian" flag

Our Pantry Kitchen Team has been staying busy preparing delicious food in our licensed kitchen to sell at the store, including yummy homemade soup and tomato sauce, perfect for November weather! ## OBITUARIES

Lloyd Duncan Gillies  
1936-2022

It is with sadness the family announces the passing of Lloyd Gillies, 86, of Portage Vale. Born in Petitcodiac, he was a son to the late Errol and Tina (Henry) Gillies.

Lloyd and Joan made their home and spent their lives in Portage Vale for the past 57 years. Dairy farming was his passion and it showed in the way he kept his farmland groomed and pristine, even into his retirement and later years. He was a well-respected man in the community and by all who had the pleasure of knowing him. He was always there to lend a helping hand to a neighbour and friend in need. Lloyd loved his family and was proud of each one of them. He will be deeply missed by all.

Lloyd is survived and sadly missed by his wife, Joan Gillies; his sons, Brent (Lisa) Gillies and Steven (Debby Jackson) Gillies; his brothers: Les, Rae (Carole) and Donnie Gillies; sister in law, Donna Gillies; his grandchildren: Tara, Chelsie, Kyle and Riley; step grandchild, Tyler Friars; his great grandchildren: Brooklyn, Axel, Jerri as well as several nieces and nephews.

Besides his parents Lloyd was predeceased by his brother, Roy Gillies and sister in law, Carolyn.

Arrangements have been entrusted to the care of Salisbury Funeral Home, (372-4800) from where visitation was held on Thursday, October 13 from 7-9pm with a service held the following day, October 14 from Salisbury Funeral Home at 10:30am with Rev. Brian McArthur officiating. Interment will follow in Portage Vale Cemetery.

If desired, donations may be made to the IWK, SPCA or to a charity of the donor's choice. Online condolences and donations may be made at [www.keirsteads.ca](http://www.keirsteads.ca)

## OBITUARIES

Allison Roderick Murray  
1931-2022

Allison Roderick Murray, 90, of Petitcodiac, passed away at the Jordan LifeCare Centre Sunday, October 2, 2022.

Born in Moncton, he was the son of the late Roderick and Susan (Dobson) Murray. Allison had his own business in Logging & Construction, starting Murray Woodlands in the early 1950's, which his family continues to operate. An outdoorsman, he liked four-wheeling, snowmobiling, mowing lawns and plowing snow. Allison also enjoyed a good kitchen party with music. He was a member of the Petitcodiac Baptist Church.

He is survived and sadly missed by his wife Inez; his children Kevin (Corina), Burton (Beth), Stephen, Gordon (Brenda) and Carolyn Murray; thirteen grandchildren; several great grandchildren; sister Sylvia Atkinson (late Floyd); step-children Debbie O'Neil, Evelyn Holt, Brian and Greg Tingley and many nieces and nephews. Besides his parents Allison was predeceased by his first wife Evelyn Murray.

Resting at Salisbury Funeral Home, 3350 Route 106 (372-4800) visiting will be Wednesday, October 5 from 6 to 8 pm. The funeral will be held at Petitcodiac Baptist Church Thursday, October 6 at 2 pm with Rev. David Woodworth officiating. Interment in Maplewood Cemetery.

If desired, donations in memory of Allison to the Heart & Stroke Foundation, Friends of the Jordan LifeCare Centre or a charity of choice would be appreciated by the family.

## OBITUARIES

Grant Winston Colpitts  
1940-2022

The Chicago Blackhawks have lost one of their most dedicated and loyal fans. Grant Winston Colpitts passed away at the Albert House Hospice in Moncton on September 18th, 2022. Grant was born on November 20th, 1940, to the late Leigh and Annie (Fenton) Colpitts.

Grant is survived by his loving wife of 56 years, Janet (Wilkey); his two sons Jay (Lori) and Barry (Sheila); four grandchildren, Sam, Tanner (Caroline), Trae (Holly) and Haden; two step-grandchildren, Brianna and Cassidy (Tyler); two great step-children, Isabella and Jordan; three sisters, Eleanor (late Paul) Thibodeau, Clara (late Gordon) Black, and Neva (Gus) Norman; brother-in-law John (Norma) Wilkey and several nieces, nephews and cousins. He is predeceased by his three brothers Robert (Eva), Maurice (Jacqueline), and infant Conrad.

Grant grew up on a farm in Salisbury NB. He was the youngest of seven children. After graduating from the Salisbury Regional High School in 1958, Grant moved to Truro to attend the Nova Scotia Agricultural College. He went on to complete his Bachelor of Science at MacDonald College in Montreal in 1965.

Grant started his career with the NB Department of Agriculture in Moncton as an assistant Agriculture Representative. Later, he moved to Fredericton to become an Agriculture Representative. In 1972, Grant returned to his home farm in Salisbury to work with his father, Leigh. Together they raised fox, mink, dairy and beef cattle. Grant was involved in many organizations that promoted agriculture over the years. He was the president of the NB Federation of Agriculture. He was the vice-chairman and a charter Member of the NB Dairy Producers Association. He was also involved with Milk Management, NB Fur Farmers Association, Canadian Fox Breeders Association, and the Canadian Agricultural Institute. Grant was also interested in politics. In 1978, he took time away from the farm to run as the Liberal candidate for the County of Albert. He loved meeting new people during this endeavor. Grant also volunteered in the community with the Salisbury Lions Club, the Salisbury Fire Department and a life-long active member of the Salisbury United Church.

Grant became an instructor with the NB Community College in Woodstock with the Agriculture Department.

The connections and friendships he developed during these twelve years were important to him. He enjoyed running into former students or fellow instructors.

In 2001, Grant retired and returned to Riverview to concentrate on his honey-do list, spend time at the lake with family and friends, and participate in lively debates over coffee with friends. Grant was young at heart and his humour and wit made him a great storyteller.

Grant's family would like to thank the staff at the Driscoll unit and the Moncton Hospital for their compassion and care. They would also like to express their gratitude to the caregivers at the Albert House Hospice on Pleasant Steet. Their professionalism and empathy provided comfort during a difficult time.

Arrangements have been entrusted to the care of Salisbury Funeral Home from where the family will receive relatives and friends on Sunday, September 25, from 1:00 - 5:00pm with a Celebration of Life service at Salisbury Funeral Home on Monday, September 26, at 11:00am with Rev. Stephen Brown presiding. Masks recommended.

Donations to the Friends of the Moncton Hospital Foundation or Albert House Hospice would be appreciated.

Online condolences and donations may be made at [www.keirsteads.ca](http://www.keirsteads.ca)

Siegfried Storz  
1932-2022

It is with heavy hearts the family announces the passing of Siegfried Storz, 90, on October 8, 2022 at the Moncton Hospital.

Born in Germany, he was a son to the late Raimund and Rosa Storz.

Siegfried is survived and sadly missed by his wife, Ruth Storz of The Glades; his children, Petra Storz and Robert Storz; his 5 grandchildren and 6 great grandchildren.

Besides his parents Siegfried was predeceased by his son, Jurgen Storz.

Arrangements have been entrusted to the care of Salisbury Funeral Home, (372-4800). A funeral service for Siegfried will be held on October 23, 2022 from the Moncton Seventh Day Adventist Church, 161 Salisbury Road, Moncton, NB, at 11am with host Pastor David James and Officiant Pastor Metard Salomon.

If desired, donations made to The Moncton Hospital would be appreciated by the family. Online condolences and donations may be made at [www.keirsteads.ca](http://www.keirsteads.ca)

Roger Noel Steeves  
1952-2022

It is with great sadness that we announce the passing of Roger Noel Steeves on October 6, 2022. Born December 12, 1952, he was the son of Mina (Ritchie) Steeves and the late Lotan Steeves. Besides his beloved mother he is survived by a brother, Dana Steeves, many special aunts, uncles, cousins and friends.

Born and raised in Lower Coverdale, he and his family later relocated to Hillgrove to buy a hobby farm where he could pursue his passion for his love of horses, finally residing in the village of Petitcodiac.

Roger was a career employee with CNR. He and his brother owned "Two Brothers Dining Room" in Petitcodiac in the 90's. He and partners also operated "Headline Concerts" promoting many large Country Music artists to the Maritimes. In his later years Roger was able to enjoy traveling with his RV and attending music concerts and festivals.

Arrangements have been entrusted to the care of Salisbury Funeral Home, (372-4800), where visitation will be held on Thursday, October 13 from 6-8pm and a funeral service will be held in the chapel on Friday, October 14 at 3pm with a reception to follow. Interment at Maplewood Cemetery, Petitcodiac.

If desired, donations made to the Maplewood Cemetery or to a charity of your choice. Online condolences and donations may be made at [www.keirsteads.ca](http://www.keirsteads.ca)

## Thankfulness

As Canadians we have already celebrated our Thanksgiving. Our neighbors to the south will be celebrating soon. It is important to be thankful. Thankful people are generally nicer to be around, and some studies say they live longer. But how deep does our typical thankfulness go?

If you are in a group of people and ask the question "What are you thankful for?" around the room, you will get the standard answers "Family", "Health", "Friends", etc. These are good things, and we should be thankful for them.

I challenge you to go deeper. If you are a Christian, you may be tempted to separate the "Spiritual" and the "Worldly" blessings. Possibly, you may be thankful for the "spiritual" blessings and maybe just accept the "worldly" ones as the efforts of your own hands. Sometimes we may even try to "hide"

the worldly blessings from God, thinking that if He knew we had them, He might take them away.

Here is a way to deeper thankfulness. Understand that God enjoys giving. That includes the worldly things. But we distort the focus that the gift was meant to bring. Our North American culture is very blessed from a worldly perspective. Probably more than any culture in history. But we are also very far from God. It is because we have fallen in love with the gifts, instead of the Gift Giver. We have become spoiled children who expect our parents to shower us with toys and presents and we don't give any love in return. In fact, we have become the children who rebel against the parents who gave the gifts.

Do you have good things? Be thankful, but don't fall in love with the gifts, and be ready to share them with others. Fall in love with the Gift Giver

**ROB CAMPBELL**  
for Mayor

Rob Campbell will be running for Mayor for Salisbury in the upcoming Provincial Municipal Elections on November 28, 2022.

Rob is a long-time resident of the Village of Salisbury. "I understand the challenges and the opportunities for our community and area and will ensure a long-term vision and strategic plan is not only put in place but as well available to residents as part of transparent government. I believe in setting goals and bringing accountability to the role where I plan to continue to be approachable and open to change while championing our community and our people if elected," said Campbell. Rob is the current Mayor of the Village of Salisbury, holding the role since 2021, and serving previously on council prior to that and will bring the required experience for this role.

Campbell over the years has been heavily involved in the community sitting on the Village of Salisbury's Parks and Leisure action committee for six years, served as Chair of Trustees for Salisbury Baptist Church, sat on the Villages Winter Carnival & Beautification Committees, Co-Founded, and served as President of Salisbury Petitcodiac Minor Basketball, coached teams at the Middle School as well as the provincial basketball programs here in the Village. Currently Rob sits on the Regions Horizon Health Community Action Committee, the Board of Directors for the Southeast Regional Service Commission, is a member of the Salisbury Lions Club and sits on the Board of Directors/Executive for Basketball New Brunswick.

Rob has helped drive successful and fun shop local campaigns and passionately promotes the businesses and people in Salisbury and area that he believes has instilled a sense of community pride as we continue to show we are a small community that does BIG things. Examples of this are Salisbury being named New Brunswick's most active community by the national organization Participaction. "Our community is a vibrant regional hub and service provider, with enormous potential and we will continue to grow,

however this will require continued vision, execution, and leadership. Our area is moving in a positive direction with strong business and population growth potential, that will require strategic vision, planning and execution to maximize the opportunity.

The newly elected Mayor should have the ability to showcase our area as a destination of choice for both new business and residents while maintaining the elements that make Rural Salisbury unique. "Experience and Energy will be critical now more than ever as we bring this new community together and work with the province on some significant changes over the next several years that are all part of several Province of New Brunswick Reforms happening simultaneously. Experienced leadership that understands the challenges and opportunities will be important to the mayor position in the new Community of Salisbury. I have that knowledge, experience and have built the necessary relationships to navigate our community through these significantly important years ahead to ensure that our best interests as a community are represented at the provincial government level," said Campbell.

Having someone who understands what is required, as well as the relationships at all government levels will be critical. "I am passionate about our community, and I hope you elect me as that Leader and Mayor in November" stated Campbell.

**JASON GALLANT**  
for Councillor-At-Large

Jason Gallant was first elected to Salisbury Village council in May 2021. Since then, his understanding of local government has grown exponentially, and he has discovered a passion for serving his community.

Jason's leadership qualities and experience in the corporate setting will help propel Salisbury to the next level. He is a dad of 3 and previously sat on the PSSC as chairperson for SMS/JMA for several years. In the past, he was

a Volunteer Firefighter in Salisbury and served as the President of the Riverview Skating Club.

Jason has been a resident of Salisbury since the year 2000 when he and his wife Jill (Anderson) made the decision to move home from Ontario to raise their family. Jill was raised and attended school in Salisbury, and while Jason is originally from Sussex, he is proud to call Salisbury home.

Over the course of the next 3½ years, these are key priorities for Jason, if re-elected.

1. Municipal Reform. On Jan 1st, Salisbury's boundaries will increase, with many other phases of reform to follow. Specifically with Regional Service Commission reforms, Jason will work diligently to ensure the Town of Salisbury receives the services they will be paying for.

2. Municipal Water System. In 2022, Council approved a refresh of a 2009 water feasibility study. To continue the pace of our region's growth and ensure our volunteer Fire Department has reliable access to water, Jason intends to ensure the new council takes definitive action on that report.

3. Retaining our Rural Advantage. With our LSD neighbors joining Salisbury, Jason wants to ensure that the rural way of life is respected and that residents have an advocate around the council table. Additionally, as Salisbury grows, we want to maintain our rural nature and avoid becoming a suburb of the city.

On November 28th, please consider re-electing Jason Gallant.

**JOHN WIEBE DYKSTRA**  
for Councillor - Ward 1

I am dairy farmer located in Lewis Mountain. I farm with my wife, and three children.

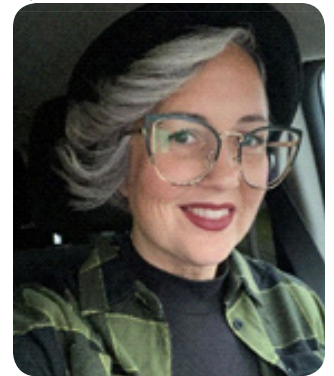

I have lived in Ward 1 my entire life other than attending the Nova Scotia Agricultural College in Truro to obtain a BSc in Agricultural Business.

I am running for Ward 1 because I am concerned with higher taxes pushed onto the rural wards without an increase in services. I am also concerned with the village bylaws and zoning being pushed

out onto rural areas.

This is a good opportunity to have our voice in municipal government heard and I look forward to being able to pass along your concerns to the village council.

**SARAH COLWELL**  
for Councillor - Ward 3

I am a proud wife and a mother of three teens (14, 15 & nearly 16). I have volunteered for the SRS Breakfast Program and have sat on the former Salisbury Parks and Leisure Action Committee. I have managed various local sports teams where you will also find me driving the school sports bus. I am the current President of the Salisbury Petitcodiac Flyers Minor Baseball Association and Vice President of the Salisbury Petitcodiac Minor Basketball Association. I will always advocate for youth opportunities in the community, they are our future!

In my recent ~18 month term, the momentum from current council was strong. Over the course of the last term several items were addressed (Progressive discussions on development; potential ATV road access bylaw; hiring a CAO; purchasing land for a new fire station; etc.). Considering the, then, all new council I am proud of the results of our efforts. Now, with that said, there is much more to be done! I hope to keep pushing the needle on topics remaining stagnant far too long.

I pride myself on doing things with the right intentions. Though, I also believe having a seat at the table does not earn me the inherent right to make decisions. If re-elected, I plan to promote various forms of public consultation and follow-through with transparency. As we

**NATHAN O'BLENIS**  
for Councillor - Ward 3

For the past 18 months it has been a privilege to represent the residents of the Village of Salisbury as a Councillor! The current Council, Mayor and Staff have all been fantastic to work with. I am optimistically looking forward to the new challenges that will face the next council as we grow into the Town of Salisbury.

My wife and I are lifelong residents of the Town of Salisbury, I grew up in Boundary Creek, and have lived in the village for the past 17 years. I graduated from JMA in 2001 and from ABU (now Crandall) in 2005 with a Business degree. My portfolio has been Parks & Trails and Solid Waste, where we have secured new playground equipment for the Shanea Street playground and made some small improvements to each of our local parks. I have also represented council on the elected officials committee for municipal reform, working to ensure that the interests of the residents of the current village are protected.

Among the many objectives for the new council, I feel that the following need to be the top priorities in the coming term. 1) Continued work toward developing a municipal water supply, allowing us to grow our business community. 2) Replace the current Fire Station at the location purchased on Main Street, allowing for expansion. And 3) Maintain and improve the infrastructure within the Town of Salisbury.

As a councillor, I strive to be unbiased in each decision, evaluating all the information provided, asking pertinent questions and making thoughtful, informed decisions for the Town of Salisbury. I believe the municipality must be transparent and encourage frequent communications to our residents.

Please vote to re-elect Nathan O'Blenis as a Ward 3 councillor on November 28th! I am always available to discuss any questions or concerns.

**STEPHANIE THORNE**  
for Councillor - Ward 3

My name is Stephanie Thorne and I am running in the upcoming Municipal Elections as Ward 3 Councillor for the new “Town of Salisbury”.

I was born and raised in Salisbury and have loved calling it “home” for the past 38 years. My husband and I have been married for 13 years and have a beautiful 8-year-old daughter, Leslee. I am a Certified professional Accountant and currently work as a Chief Financial Officer.

I have had the honour of serving the residents of the Village of Salisbury for the past year as Councillor and it has been one of the most rewarding experiences of my life. Over the course of the past year, I have had the privilege of working with our community volunteers and not-for-profit groups, collaborating with a neighbouring municipality to share services, and working with Village staff to create internal efficiencies.

2023 will bring great change for Salisbury as our municipal boarders and population grow. I believe residents of Ward 3 deserve strong, fair, enthusiastic, and experienced voices representing them around the Council table. I believe I am one of those voices and as we head to the polls on November 28th, I am asking for your support.

I have loved this village my whole life, and I would be honored to represent you as Ward 3 Councillor!

**JOSEPH D'ETTORE**  
for Councillor - Ward 4

Joe is 4 years removed from a very successful 40 year career with RBC, where he retired as Director of the RBC Contact Centre. He enjoys hunting, ATVing and is an avid woodworker. For the last 1 1/2 years he has been Chairman of the Coverdale Parish Local Service District and held a seat on the Regional Service Commission. During this time he has also been a member of the Transition team for the newly formed

Town of Salisbury.

Just prior to retirement he was Chairman of the Province's committee that lead to establishment of the province's 211 Helpline.

If elected Joe has publicly committed to Ward 4 residents to protecting the rural way of life, advocating for fiscal responsibility, working collaboratively with the Mayor and council to plan and execute initiatives to benefit all residents, keeping residents up to date on what is happening and being available to meet with them to hear their needs, suggestions and concerns. You can learn more from visiting the “Town of Salisbury - Ward 4” Facebook site.

Joe, his wife Deb and their family have lived in Upper Coverdale for 14 years. They have 7 children and 5 grandchildren. He can be reached at 506-588-5958 or at atvnonno@gmail.com

**PAULA-MARIE MATHER**  
for Councillor - Ward 4

Hi, I'm Paula-Marie Mather, aka Mammy and I want to represent ward 4 for the town of Salisbury in the upcoming Fall elections.

I am a semi-retired Veterinarian currently working part-time at Oulton

College as an instructor for the Veterinary Technician program.

I have been married to Scott Mather for 36 years. We have 2 children, Annie Rickard and Shawn Mather. Annie and her husband Justin have 2 children, Cash 7 and Charlie 4 who love to visit Mammy and Diggy and interact with their cats, chickens and bunnies on their 4 acre homestead.

I have been a volunteer for the village of Salisbury for 3 years. During this time, I have worked on the beautification committee, activity worked on the trail network, assisted with the community days supper and the Terry Fox run. I have taught fitness for the village for a year and still instruct one day a week. During ParticipAction month I contributed many hours and believe I was instrumental in Salisbury being awarded the most active community in New Brunswick. My husband and I were vendors at the Salisbury Farmers market.

As your counsellor for ward 4, I want to preserve our rural way of living. I want to work towards Salisbury building a recreation center/rink. I want to improve the infrastructure of walkways and sidewalks to make Salisbury a safer place to walk, run or bike. I also want Salisbury to be awarded the most active community in Canada through ParticipAction.

If you have any questions, want to know more about my goals, or other issues you would like to see addressed, please contact me at mather9002@hotmail.com or on Facebook at “Elect Paula-Marie Mather”.

## RESIDENTS OF "NEW" SALISBURY GO TO THE POLLS ON NOVEMBER 28TH

As part of Local Governance Reform in New Brunswick, residents of several new government entities will be returning to the polls later this Fall.

This includes those who will call the Entity 33 region, "Salisbury," home.

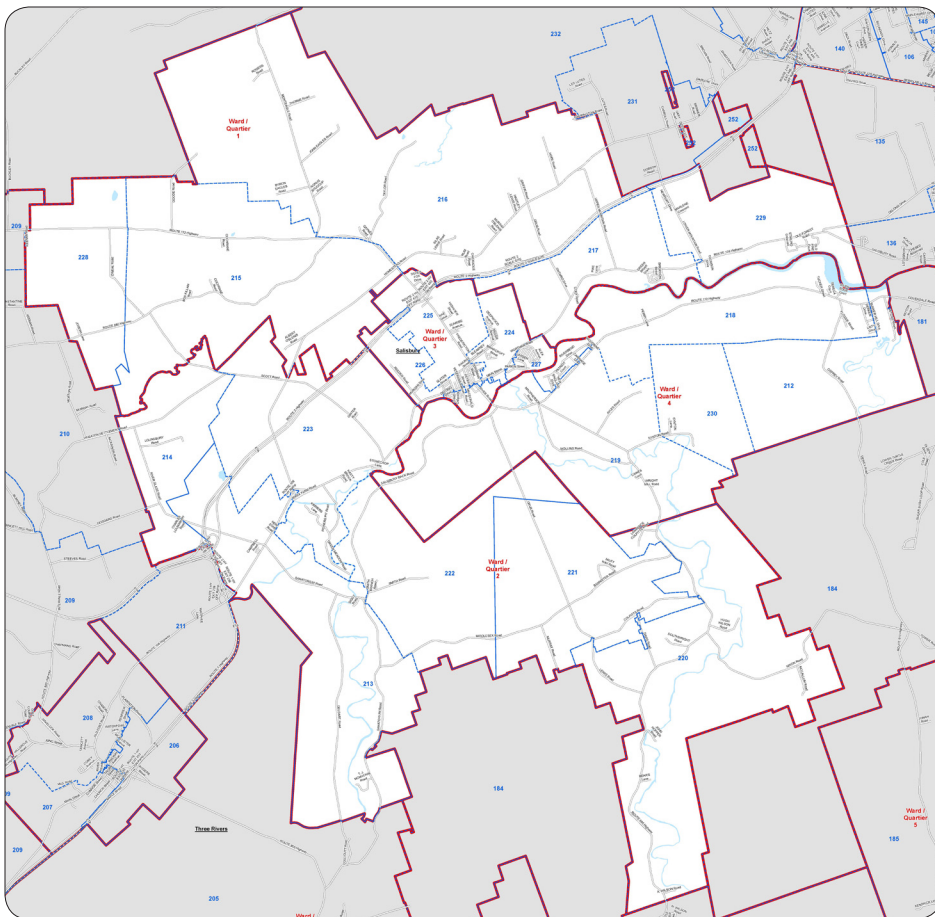

Up for election for Salisbury will be the positions of: Mayor, one Councillor in each of Wards 1, 2 and 4, three Councillors in Ward 3 (the current Village), plus one Councillor-at-Large - eight seats in total.

For more information on this upcoming vote, visit the Elections NB website: <https://www.electionsnb.ca>.

In the meantime, if you have a question about the province-wide local government reform process and how it impacts the Salisbury region, please direct your email to [village@salisburynb.ca](mailto:village@salisburynb.ca).

At the Village of Salisbury website (<https://salisburynb.ca/>) under News & Updates > Government Reform, there is a Frequently Asked Questions section which will continue to be added to.

The new governance model for the region is scheduled to take effect on January 1, 2023.

This detailed Ward Map is available at: <https://www.electionsnb.ca/content/dam/enb/pdf/maps-cartes-2022/municipalities-municipalites/Salisbury.pdf>

## Salisbury and Petitcodiac Welcome UNB Nursing Students

Third-year nursing students from the University of New Brunswick will be providing community nursing and health and wellness education in the villages of Salisbury and Petitcodiac this Fall.

This group of nine Licensed Practical Nurses, who are pursuing a Bachelor of Nursing degree, collectively bring 60+ years of nursing experience to our communities.

Look for UNB Nursing students at community events, local schools, and retirement residences.

They will be hosting a wellness fair on Saturday, November 26 at Salisbury Baptist Church, tentatively scheduled for 9:00am-1:00pm.

## HUNTING NOT PERMITTED WITHIN SALISBURY VILLAGE LIMITS

Please be advised that it is an offence under Village of Salisbury By-Law No. 22 to be involved in the act of hunting within the municipal boundaries of the Village of Salisbury.

Violators will be prosecuted.

## OVERNIGHT WINTER PARKING REGULATIONS GO INTO EFFECT NOVEMBER 1<sup>ST</sup>

From By-Law No. 23 - A By-Law to Regulate Traffic:

For the purpose of snow removal, no person shall stand or park a vehicle on any highway within the Village of Salisbury between the hours of 1:00am and 7:00am from the first day of November in any year until the first day of April in the following year.

## 2022 SALISBURY TERRY FOX RUN RAISES OVER \$1800

The Village of Salisbury Department of Recreation and Wellness hosted another successful Terry Fox Run on Sunday, September 18.

Raised was \$1,808.15 for The Terry Fox Foundation through a combination of online donations, donations on the day of the Run, donations collected at Salisbury Elementary School and from Grade 5 classes at Salisbury Regional School, plus the proceeds from Terry Fox Run T-shirt sales.

The annual event was held at the Wetland Trail adjacent to Highland Park.

## LIGHTING OF OPEN FIRES PROHIBITED

A reminder that the lighting of any open fire in the municipality is prohibited.

Any fire must be in an approved wood burning appliance as outlined in the Village of Salisbury's fire by-law (By-Law No. 48, which can be read in its entirety at [www.salisburynb.ca](http://www.salisburynb.ca)).

Salisbury Fire Rescue reserves the right to order any fires that are not in compliance to be extinguished.

It should be noted that the fire by-law follows the direction of Provincial burning advisories/bans.

## COVID-19 TEST KIT PICK-UP LOCATION

As of Sept. 1, the New Brunswick Department of Health has included the Salisbury Village Office at 56 Douglas Street as a registered pick-up site for COVID-19 test kits.

To acquire a kit, YOU MUST PRE-REGISTER VIA THE FOLLOWING LINK: <https://www2.gnb.ca/content/gnb/en/corporate/promo/covid-19/about-covid-19/testing-tracing.html#1>

Test kits are not available by general drop-in.

Anyone picking up rapid tests must present an email confirmation of their appointment.

Thank you for your understanding and cooperation.

The Village of Salisbury is pleased to be partnering with the Department of Health to provide this important service.

## NATIONAL DAY FOR TRUTH AND RECONCILIATION

The Village of Salisbury joined other governments from coast to coast in observing the National Day for Truth and Reconciliation.

The "Every Child Matters" flag was flown at 56 Douglas Street, while the municipal building was also lit up in orange to mark this important day that honours the children who never returned home and Survivors of residential schools, as well as their families and communities.

As stated on the Government of Canada website, "public commemoration of the tragic and painful history and ongoing impacts of residential schools is a vital component of the reconciliation process."

September 30 was also Orange Shirt Day, raising awareness of the impacts of residential schools.
