## From the Editor

As I write this the sun is shining, and the grass is so green, it is hard to believe Christmas is so close. This is such a busy time of year for some. Then I think of the people that are suffering with the cold, the wars and this is not a happy time for them. May I suggest, that as you are shopping, you make a donation to an organization that is collecting to help those in need.

All the Christmas decorations, with the green grass, reminds me of Florida, there they even lay their lights on the ground.

The Maritime Motorsports Hall of Fame induction, held in November, was a very successful event. It is so amazing that the Maritimes has so many accomplished motorsport individuals.

Starting the 1st of January, the Hall of Fame will be closed Saturdays, Sundays, and Mondays until the 1st of June, unless by appointment.

To all the children, teachers and bus drivers, enjoy your time from school.

To everyone Merry Christmas, Happy Holiday and a Very Happy New Year!

From your editor,  
Winona McLean

the Team of Geoff MacLeod, Megan

hosted a breakfast in support of the PRS  
Drama Team New York Trip. Jim Stark,  
Breakfast Chairperson, reports that  
we rounded up the breakfast profits  
and donated \$2,000 to the Drama  
Team. Thank you to all the suppliers

**25th Anniversary of the Community War Museum**

1998 to 2023, 25 years of Collecting, cataloguing, identifying, researching and displaying the nearly 10,000 artifacts that have come into the possession of the Petitcodiac Community War Museum.

In the fall of 1997 Shirley Urwin visited the Bathurst Legion Museum and returned with the idea to place a small display at Legion Branch 41 in Petitcodiac. Shirley met with then Branch Secretary, Cathy Drury and they, together with other members of the community and Veterans, looked to see if there was any interest in opening a Museum in the vacant rooms, located in the upstairs of the building. There was a lot of interest and at a general meeting, early 1998, it was passed as a motion that the upstairs of the building be made available to the Museum.

But first there was a lot of work to be done, years of "clutter" needed to be cleaned out and items donated to the Museum had to be catalogued and listed with the donors' information. After many late nights, donations of display cases and a lot of heavy lifting and plenty of dust, plus the discovery of some unusual artifacts (many of which involved a lot of laughter), the Museum opened its doors November 11th, 1998.

From that time until 2006, Shirley Urwin stayed involved in all of the activities of the Museum. However, following a family member's health issues she was not able to continue with volunteering as actively, so decided that she would stay on and support in other ways.

A huge thank you goes to Shirley and the numerous others who helped in the beginning, whether it was transporting donated display cases from Moncton, picking up recycled glass to be used for shelving, hanging pictures, or helping with setting up displays, many people were involved. A lot of local students can count the Museum as their first job. Thank you all.

We soon realised that a great majority of the items being brought into the Museum were more related to the Community itself than to the Military. These items were, and still are being

added to the display time line and include paintings, maps, pictures, box shooks and many other things that made our Community what it is today.

After being approached by the then Village of Petitcodiac, it was decided to become the conservators of local history. The Community War Museum thanks the Community of Three Rivers for your continued support.

## From the Desk of Your MLA Ross Wetmore, Gagetown - Petitcodiac

A year ago, we were awaiting the arrival of winter and Christmas 2022. It sure doesn't seem like a year has passed.

As we flip the calendar page to December, we will look back at a rather unremarkable November, where weather is concerned. Except for that one beautiful warm day that seemed more like August or September.

I don't remember what the weather forecasters predicted for last winter's long-term forecast. I see this winter they are forecasting a lower amount of snow than the normal 30-year average. They point to El Nino as the culprit. El Nino is a term that sprung into common use in the 1980's. It's all very scientific. A long time ago, the scientific method of weather forecasting challenged the natural art of weather predicting and the two disciplines have sparked lively conversations ever since. Who among us isn't familiar with the height of hornet's nests predicting snowfall. Or a harsh winter predicted by an abundance of acorns, tough apple skins or thick corn husks? Likewise, we all know thin onion skins carry the good news of a mild winter. How many generations depended on the pig's melt or spleen, for an accurate long-

term weather prediction? This artistic predicting method had a drawback, in that it was only accurate for a 200-kilometre radius from where the pig lived. It took a lot of pigs to put together a national weather forecast. But enough about the weather, since we have no control over what is to come.

We do, however, have control over what is to come for our families, friends, and communities in the run-up to Christmas 2023. It is the busiest time of the year with fun events for everyone. On December 1st the Santa Claus Festival of Lights Parade will kick things off for the month. Christmas in Petitcodiac is Thursday December 7th, the same day, Salisbury has their cookie crawl. The Petitcodiac Legion will host Christmas Paint Night on December 13th. The Community of Three Rivers 2023 Holiday Lights Tour will be held on Friday December 15th from 6-9 pm. These are but a few of the happenings over the coming weeks.

I hope you and those you love will have a fun and joyous Christmas holiday season. When we next communicate, it will be to ponder what may come our way in 2024. Until then, please help the less fortunate and surround yourself with kindness.

# ELGIN NEWS!

## ELGIN WOMEN'S INSTITUTE

Over the last year, the Elgin WI has been busy!

The first few months of the year were spent discussing the direction of 2023 in terms of upcoming annual fundraiser events, how to improve the curb appeal of our beloved Hall and making some minor affordable improvements inside the building.

The Global Women Walk the World event fell on Earth Day this year and so a combined effort to organize a community walk was one of the highlights of the year. Women Walk the World is held annually in April to show solidarity for rural women globally whose lives are plagued by oppression, poverty, violence and marginalization.

A successful rummage sale in May allowed us to make a donation to a qualified non-profit organization for disaster relief where most needed.

With the help of warm spring weather we moved on to improving the curb appeal of The Hall. Thanks to a

donation from a local hardware store and a WI member the front space of our Hall looks great with the addition of soil, mulch and perennials.

Elgin Day at The Hall was a lot of fun and a great success with displays of "Making Maple Sugar the Old Way", Antiques Roadshow", and "Elgin History". Of course, the ice cream sundaes were a hit, especially with the kids from all age groups!

By fall we had enjoyed a mixture of food, fun and fundraising. It was our pleasure to cater to the anniversary event of the Women of the Wilderness (WOW).

Next event was the annual Turkey Supper followed by the Fort Folly Habitat Recovery salmon release.

This two day event culminated in a ceremonial salmon release and the gathering of honoured guests and all those involved in the coordinated efforts to restore the salmon population in our local watershed areas.

For Home & Country!

News from the Elgin Seniors Club!

As the community prepares for the winter season, and the advent of the Christmas season, the Seniors Club held one last grand finale for the fund raiser season. We are pleased with the amount of baked goods and crafts that shoppers enjoyed and purchased. We sold cakes, cookies, bread, brownies, pies, baked beans, chilli and tons of craft items. Sorry if you missed it.

Another Jamboree will be held at the Elgin Community Center on December 2, from 2 to 4:30 pm.

Music will feature Eddy Poirier and a few others. The Seniors will be providing and serving food for everyone. Come and have some fun.

As of November 18, the summer/fall flea market closed for the year. Keep an eye out for all fresh items in the spring.

The Elgin Seniors Club would like to take this last opportunity for 2023 to express our sincere thanks to the entire community and to the surrounding area that supported our various fundraiser events throughout the year. No question... you all make it possible to serve you. Thank you.

Last meeting we started out with a debrief of this year's bike race. This, our twentieth anniversary race, was very successful, hosting more racers than ever before in categories from 10km all the way to the 120km mountain bike marathon. While the race was still fresh in our minds we went over what went well and what can be improved to make our twenty-first annual race (and beyond) better and better.

With the bike race behind us for the year we went on to take care of some less exciting, but still very important business. Our organization

bylaws have not been updated in quite a while, and with municipal amalgamation some wording needed to be changed. We took the opportunity to carefully go over the document. At our meeting in January we will have a special meeting to vote on the proposed update, all members get a vote.

Looking forward, December's meeting will be a celebration! Everyone who has ever volunteered for the EEA is invited to the Elgin Community Centre (at the Fire Hall) for a pot luck dinner. To RSVP or for more details email President Angela Silverthorn at [angelasilverthorn@gmail.com](mailto:angelasilverthorn@gmail.com)

**Upcoming Events:**

- December 7th, 6:30pm at the Elgin Community Centre - Volunteer Appreciation Pot Luck Supper
- January 4th, 7:00pm, Special meeting to vote on proposed bylaw update

Are you or someone you know looking for a space to hold:

### Frenzy

by Gloria Scribner

The approach of December or "year's end" is like an oncoming parade of once a year celebration, from Hanukkah to Christmas, from frenzied shopping to decorating, partying, wrapping, writing cards, baking, cleaning, preparing for the inevitable snowstorms and shovelling. Yes, December is not a month for the lazy or the procrastinator. The oncoming festivities just won't wait, so ready or not, concerts will happen, visiting will be a must, especially if there's a care home in your community, craft fairs, bake sales, everyone availing themselves of the opportunity to raise a little money for any and every cause under the sun. But it can all get a bit overwhelming in this fast-paced world in which we live. No matter how much we work, and give, and run ourselves ragged, there's always another cause, or fundraiser, or performance to attend to cheer on the players. It's a wonderful thing to be loving and caring and to have the energy, means, and presence of mind and heart to avail yourself of any and every opportunity to serve, but somewhere amid the crazy camaraderie, din and demands, it is so very important to pause and make a mental list of our priorities.

So often I think we can be guilted into giving what we don't have to give; Be it energy, time, a listening ear with the seeming obligation to solve all the world's problems in a single season; To house, feed, cheer-on, grieve with, accommodate and physically labour, denying ourselves

sleep, or even rest while feeling shame and guilt for every nap, every calorie, and every time we're outdone by someone else's accomplishments, accolades, or opportunities, we have to come to terms with the fact that God gave us one life. We can't squeeze ten lives out of one just because someone has guilted us into a corner. We can't drive down High Street and feel guilt because a hundred men and women are living on the sidewalks. We can care, we can share, but we can only bear the burden of our means, not put ourselves in a mental state when God has better plans for us all. Our job as citizens of the community, the home, and the church, is to love and care as the good Lord gives us the means. Even the Lord Jesus didn't heal everyone, didn't work twenty-four hours a day, and wring his hands with worry, but He encouraged us to be the best we could be, and leave the rest to Him. Eat, sleep, laugh, cry if you must (and don't be ashamed of your tears), but love out of genuineness, not out of guilt, for we're not slaves but free, and have every right to use the common-sense God gave us without guilt. So, enjoy the celebration of God's wonderful gift to us, and share a smile where it's needed, a cup of tea "hot enough to warrant no haste in its drinking," and a listening ear with an open heart, with no solution in the offing other than heartfelt assurance of prayer and confidence that God and I are in this together. Merry Christmas, Happy Hanukkah, and "Don't underestimate the small stuff!"

### New Brunswick lung cancer patient raises alarm of silent cancer causing gas in homes

*NB Lung urging awareness and testing of homes for a leading cause of lung cancer*

NB Lung urging awareness and testing of homes for a leading cause of lung cancer.

Angela Stief Lea of Havelock New Brunswick is a health conscious, non smoking 57 year old physiotherapist who recently received a terminal diagnosis of lung cancer. Faced with a prognosis of just a few months, she is using her newfound knowledge of lung cancer-causing radon gas to raise awareness in the small community of Havelock.

Radon gas is naturally occurring and is in all homes in Canada at varying levels. New Brunswick, based on its geology, has some of the highest rates of dangerous levels of radon in the country. You can't see, taste, or smell radon, but you can measure it.

Once high radon is found with a home radon test, simple renovations are effective at removing the radon from the home. This mitigation work can prevent lung cancer. Angela is urging her friends, neighbours, and relatives to test their homes, and wants everyone in the community to be aware of this silent cancer risk.

"On average, one in four

New Brunswick homes has dangerous levels of radon" said Melanie Langille, President and CEO of NB Lung. Langille, an environmental scientist by training continued to say, "The bedrock in New Brunswick is high in uranium, which releases radon gas. This gas is radioactive, and when it is breathed in, the radioactivity causes physical damage to the lungs which can lead to lung cancer. Lung cancer caused by radon is preventable." Testing is the only way to know if radon is in your home. Angela Stief Lea said, "We can't be living in beautiful New Brunswick and be ignorant of this lurking danger."

NB Lung will be launching a radon lending program later this year, consisting of information and a short term digital radon detector that can be checked out from community partners across the province including selected libraries and community health centres. The objective of this program is to further raise awareness of the common risk of radon exposure.

According to Statistics Canada, 16% of lung cancer cases in Canada are attributable to radon exposure.

## Petitcodiac Area Garden Club

Happy December!

As we get ready to turn the page on 2023, the Petitcodiac and Area Garden Club is filled with gratitude for the continued support from our community. Thank you to the Community of Three Rivers for their ongoing support, those who donated plants for our annual sale, community partners, local businesses, and of course, our Volunteers who play important roles in the continued success of our Club - whether big or small, together we are making a difference in our community.

Also heartfelt thanks to Karen Hall-Middleton, who through her continuing leadership and determination brings Gerry Gogan's vision and passion into everything the Garden Club does.

Of course, gardeners will garden as long as possible and members Karen Hall-Middleton and Cathy Drury were happy to plant 130 spring bulbs in the round bed by the Great Canadian Dollar Store. These bulbs were purchased by the Community of Three Rivers and will be a great welcome to Spring! Also, be sure to look for the Train Park to be

decorated for the Holidays in the coming days.

Planning for 2024 projects has started and throughout the winter, we will be sharing more details on next year's plans both here and on our Petitcodiac Area Garden Club page. Please stay in touch and be sure to share pictures of your beautiful poinsettias and Christmas Cacti.

We wish you and your families the Happiest of Holidays, Merriest of Christmases and a Wonderful New Year filled with Love, Joy, Peace, and Gardening.

Warmest thoughts and best wishes

### \$20,000 worth of Prizes at Petitcodiac Legion's 30th Annual Diamond Ring Dinner

With a sellout crowd of 150 ladies, the Petitcodiac Legion #41 celebrated their 30th annual ladies diamond ring dinner extravaganza . Cheryl Hopper was again our singer extraordinaire serenading us with tunes we could all sign along with. Blanche Prince was our first number out and Blanche was presented with a beautiful diamond and ruby ring. Since it was our 30th, a pearl ring was the prize of choice for the 30th number pulled. Freda O'Blenis was the lucky winner and will wear this ring proudly. We pushed through \$20,000 worth of prizes this year thanks to the generous support of 120+ businesses and/or individuals. Our deepest thanks and appreciation to all who donated. Lana (Weir) Manuge was the winner of the top prize....a diamond ring donated by Jagoe Jewellers with appraised value of \$1,900. Thank you to all who contributed, donated, or helped in any way. This event has maintained

its popularity because of the hard work of the committee....Charlene McCully, president of Royal Canadian Legion #41; Diana McKnight; Freda O'Blenis; Audrey Thorne; Cathy Drury; Bonnie MacAuley; Susan Kaye; Phyllis Taylor; and myself, Marilyn Pollock. The committee met the week after the diamond ring to evaluate our successes and failures.....both are top secret and can't be revealed here. However, there was one decision made that will be important for the waiting list folks. For NEXT YEAR ONLY we will

be offering "draw tickets" to the first 50 people on the waiting list. These tickets will be \$10 less than the regular tickets and will entitle the holder to the prize draw only...not the meal, not the auxiliary draws, not physical presence. While we cannot accommodate everyone, we are trying to be innovative and hope

this will allow others to be part of the gift draw. This is for one year only, if we get significant pushback from our regular ticket holders (or any others) we will discontinue this initiative. Thank you for understanding our position as we try to make this event somewhat more accessible to more ladies.

**Virtual Drop-In Centre - Urban/Rural Rides Continues To Expand Community Services**

RESIDENTS AT GRASS HOME, RIVERVIEW, ENJOYING AN ON-SITE PRESENTATION

Urban/Rural Rides' most recent initiative includes hosting "Virtual Drop-in Centres" in Southeast New Brunswick.

Urban/Rural Rides wanted to help address the needs of older adults experiencing social isolation, mostly in rural areas, and even more so since the pandemic. The focus was to connect these individuals virtually and in person to help with isolation by attending

presentations relating to topics of interest.

As

a funding initiative from the Government of Canada's New Horizons Seniors Program, they have been holding virtual and in-person meetings with residents of senior homes and complexes in various communities.

They were very pleased to have Caledonia Residence in Hillsborough partner with them as a pilot project for this community initiative. Meetings were held virtually and in person once a month with a topic of discussion that was of interest to the participants. Topics included Health and Wellness, Cooking with Spices, visiting Mini Horses and taking a virtual journey to visit penguins in the Falkland Islands.

Grass Homes in Riverview were very welcoming with the on-site presentations. They have already scheduled another visit in the coming months.

After the on-site meetings, discussions continued with the residents, including sharing refreshments. As the meetings continued, it became evident that older adults much prefer meeting in person or having the opportunity to view a recorded presentation in a group setting or as an individual at their convenience.

Urban/Rural Rides was very fortunate to have Parker Barriault as a summer student who visited with several presenters and recorded topics of interest.

Video recordings will be available on the following platforms: URR website, [www.urbanruralrides.ca](http://www.urbanruralrides.ca), under the section "Video Library" - coming soon!, on Facebook <https://www.facebook.com/urban.rural.rides> or on YouTube, at <https://tinyurl.com/virtualdropincentre> Nursing and special care homes can also request Urban/Rural Rides do a virtual, in-person, or zoom presentation.

KIRSTIN SHORTT, PAST PRESIDENT OF URBAN RURAL RIDES, PRESENTS HER VIRTUAL JOURNEY TO ASIA.

Urban/Rural Rides is a transportation program providing drives to seniors and low-income families for medical appointments and food bank access. Urban/Rural Rides continues to expand, and service areas now include Southeast NB, the Greater Fredericton area, Western Valley, Northwest NB, and the Fundy Region. Transportation is available Monday through Friday. ## Winter Night

by Gloria Scribner

It's quiet where the night-falls  
When the moon climbs up the trees  
A rustling hush when evening stirs  
The crumpled maple leaves  
It's "tired" time and yawning  
Heads are heavy with the day  
Where stars above the awning  
Watch us as we kneel to pray  
It's "dreaming" time on feathered down  
On beds that beckon slumber  
Attic mice give their "all clear"  
As "scratching" pantries plunder  
A cloud sails over my verandah  
Breezes stir the branch  
Naked limbs dance 'round the chimney  
Soft snow-flakes enhance  
A country night where shadows pass  
Like ghosts o'er yonder windrow  
As foraging, four-footed beasties  
Play beneath my window  
Somewhere in the haunted wood  
A wolf, a lonely hunter  
Howls his vict'ry to the pack  
To come and share the plunder  
Safer when the night falls  
When the moon sails o'er the trees  
And plays above the swirling hours  
Of wonders such as these

## THE SMALL FIR TREE

Once upon a time there was a small fir tree. It grew near many other big fir trees. When it was almost Christmas time, people began to come for the bigger trees, to take home for their Christmas tree.

The bigger trees said to the small tree, "You are too skimpy a little tree. No one would want to hang ornaments on you."

The small fir tree hoped someone would choose him. But no one did. Finally, all the other trees were gone, and the little fir tree stood all

alone. He was sad and lonely.

One day a group of children found him.

A little girl Martha, exclaimed in an excited voice, "This tree is just what we are looking for."

Danny a tall boy said, "We will call it the birds' Christmas tree. I will hang this crumb basket on a high branch."

Everyone of the children had brought a Christmas present for the birds.

The birds found their Christmas tree and the little fir tree was the happiest of them all.

## ***Comedy at Large***

by Laurie Blanchard Salisbury, NB

We have often seen signs in the entrances of commercial buildings, be it post office, grocery stores, hardware stores, etc, that read CAUTION WET FLOOR. When those floors aren't wet, the sign should read ... DRY FLOOR - GO NUTS!

Humpty Dumpty is sitting on a cement wall and the hen on the ground says to him... I've warned you many times... keep sitting on that wall and something bad will happen to you, but what do I know... I'm only your mother!

When a man's house went up in flames with no hopes of saving it, he watched as the firemen tried in vain to save his greenhouse. One firefighter tried to console him saying... we couldn't get the plants out but we did water them.

## **NASCAR Returns to Riverside in '24**

Riverside International

Speedway will host the NASCAR Canada Series in 2024, marking the return of North America's top stock car racing sanctioning body to the 1/3-mile high banked asphalt oval. NASCAR has a long history at Riverside, dating back to 1975, with its most recent visit in 2019.

Two NASCAR Canada Series championship points races will highlight a multi-day Canada Day weekend celebration. The first is on Saturday, June 29 and the second is on Sunday, June 30.

This will be a Riverside Signature Event created so the facility becomes a destination for the long weekend. Located on 100 acres of property adjacent to the Trans Canada Highway 104 in James River (17km east of Antigonish), Riverside is the largest permanent outdoor entertainment complex east of Quebec. With seating for 8,000+ and campsites for 800+, the hamlet of James River could easily exceed the population of Antigonish during the event creating a positive economic impact for the region with direct and indirect financial spinoffs.

I'M FREE

Don't grieve for me for now I'm free,  
I'm following the path God laid for me  
I took hsi hand when I heard him call,  
I turned my back and left it all  
I could not stay another day,  
To Laugh, to love, to work or play  
Tasks left undone must stay that way,  
I've found that peace at the close of day  
If my parting has left a void,  
Then fill it with remembered joy  
A friendship shared, a laugh, a kiss,  
Ah yes, these things I too will miss  
Be not burdened with times of sorrow,  
I wish for you the sunshine of tomorrow  
My life's been full, I've savored much,  
Good friends, good times, my loved one's touch  
If my time seemed all too brief,  
Don't lengthen it now with undue grief  
Lift up your heart, rejoice with me.  
God wanted me now, He set me free.

THANK YOU

The family of Ken Carty would like to thank everyone for the visits, cards and donations in memory of Ken. Your stories, love and laughter has meant a lot to us. Also, we would like to say a special thank you to Extra Mural for all of the support given so we could keep Ken at home where he wanted to be. We cannot express enough how much this meant to us.

THANK YOU

Gerald Clayton Jones  
1941-2023

The family of Gerry Jones would like to send a heartfelt thank you in appreciation for the support shown at Gerry's Celebration of Life held on November 6th at the Salisbury Funeral Home. It was heart lifting to see so many caring faces from the past and present. Your presence helped make a difficult day much easier for us and it is much appreciated. An equal thank you is extended to those who were unable to attend but instead chose to show their support with a kind card or phone call. Additional thanks to those who donated to a food bank or charity of choice; your donation will help those in our community get through a tough period.

The professionalism and empathy shown to the family by the staff of the Salisbury Funeral Home eased our reluctant journey of saying goodbye to Gerry and we are thankful for this support.

We would be remiss to not mention the heroes working in the Acute Care and Internal Medicine departments of the Moncton Hospital. Gerry received great care professionally rendered with compassion. We are thankful for the staff's efforts to keep Gerry as comfortable and free from pain as possible during his weeklong stay. We certainly are blessed there are individuals in this world that dedicate their professional lives to the support of others in their time of dearest need.

Carol, Darin, Sean,  
Brittney, and Bethany.

## OBITUARIES

**George Fawcett**  
1929-2023

Surrounded by his family, George Coleman Fawcett passed away on November 11th at age 94. Born to Henry and Olive (Thorne) Fawcett in Butternut Ridge, New Brunswick, George spent his childhood in both Petitcodiac and Miramichi. He graduated from Rothesay Collegiate School in 1947 and studied Commerce and Finance at Mount Allison University from 1947 to 1949. While at Mount A, George agreed to be set up on a blind date and, in turn, met the love of his life, Roberta Alcorn.

George and Roberta were married in 1951 and built a home in Petitcodiac on a lot of land George had dreamed of owning since he was a child. Together, they created a life of love and devotion - to one another, their family, and their community.

George and Roberta enjoyed travelling, making friends wherever they went, and would return from each trip saying, "There's no place like home." Their home was one filled with warmth, music, and laughter as they loved hosting gatherings of family and friends.

While Roberta passed in 2009, George's devotion to, and support of, his family remained his top priority. With them, he shared his love of fishing, photography, horses, hockey, and Boxer dogs. He often travelled considerable distances to visit his youngest son, adult grandchildren, and their children and loved to attend any event that his grandchildren and great-grandchildren were involved in.

George's values of family and community were also evident throughout his career. His father, Henry A. Fawcett, founded a lumber and building supply business in 1931. George joined him in 1949, making it a family business - one George continued for another 60 years. George's sons began working with him in the 1970s and supported his vision of creating sustainable economic growth and development for a community that he loved dearly. H.A. Fawcett and Son expanded to multiple entities of complementary businesses. At its peak, these businesses provided employment opportunities that supported more than 250 families in Petitcodiac and surrounding areas.

George was a dedicated citizen of his hometown community. He fulfilled

his desire to serve and support others through various roles as a lifetime member of St. James United Church in Petitcodiac, and by working on countless community projects and initiatives with dear friends, including the construction of the Petitcodiac Arena. He made significant contributions to numerous local, regional, and national boards and committees in the health sector, education sector, and forest industry. In 2002, George was honoured to receive Queen Elizabeth II's Golden Jubilee Medal, awarded to Canadians who made "outstanding contributions" to their community and Canada.

While George will be remembered for many things, his family will remember him for his unwavering support and dedication to them, his joyful outlook on life, and the gratitude that was deeply rooted in his soul. They will also remember his incredible hospitality, especially at the cottage in Portage Vale - where George and Roberta resided for 50 summers - fishing, riding horses, and hosting sleepovers with his grandchildren where he served each one a bowl of Heavenly Hash ice cream before bed.

George will be missed by his four sons: Robert (Carol) of Smith's Creek, NB, Tim (Sharon) of Petitcodiac, NB, Henry (Marion) of Petitcodiac, NB, and Eric (Sharon) of Caron, Saskatchewan; grandchildren Cole Fawcett (Kelly Dolan), Kelten Fawcett, Lauren Fawcett, Jenna (Paul) Sherburn, Katie (Josh) Prescott, Karla (Christian) O'Brien, Kris (Brittany) Fawcett, Rae Ann (Craig) Nickel, Paige (Nathan) Manley, and Josh (Katelyn) Fawcett; great-grandchildren Celeste Sherburn; Ella, Emerson, Lennon, Maisie, and Annie Prescott; Leo and Luc Fawcett; Jack O'Brien; Oliver and Clark Nickel; Owen, Austin, Quinton, and Brooklyn Manley; Cheyenne, Kamden, Addison, and Lillie Fawcett; along with many nieces, nephews, grand-nieces, grand-nephews, and members of his extended family.

Besides his parents and wife of 58 years, George was predeceased by his beloved sister, Mona Phyllis (Fawcett) Tingley, of Moncton, NB. He is survived by his sister-in-law, Dottie Alcorn, of Braintree, MA, USA.

Arrangements have been entrusted to Salisbury Funeral Home, 3350 Route 106 (506)372-4800. Visitation was held on Sunday, November 19th, from 2 PM to 5 PM at Salisbury Funeral Home. A private family funeral service and interment will be held at a later date.

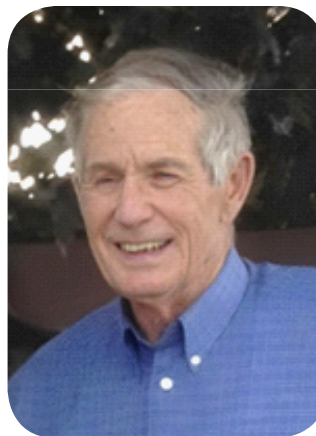

For those considering memorial donations, the family suggests Diabetes Canada, Friends of The Moncton Hospital Foundation, Alzheimer Society of Canada, or a charity of the donor's choice.

## OBITUARIES

## OBITUARIES

**Lee MacLeod**  
1929-2023

Lee Austin MacLeod, 94 of Havelock, passed away peacefully surrounded by his family on Tuesday, October 24, 2023 at the Jordan Life Care Centre. Lee was born on May 3, 1929 in Second North River to the late Charles and Daisy (Lewis) MacLeod. He attended school in Harewood until Grade 8 when he left school to go to work.

He met the love of his life, our Mom, in December 1945 and they were married in 1948. They had 71 married years together.

He held and did many jobs including working in the woods, trucking, a city bus driver, and construction. Trucking played the major role in his life. In the early 70's he was part of the formation of A&M Transport in Havelock then in 1976 he went out on his own and was self-employed for many years. Later on in the 80's a group of fellow truckers launched Kingsco Transport to haul material from the new mine. Dad was part of the Original Six. We believe, however he was happiest in the woods, whether it was at the end of the power saw or in the Christmas Tree lot.

In addition to his work, he contributed immensely to the lives around him. He maintained an outdoor rink in Havelock for many years for the community. He worked on the committee for the addition to the Petitcodiac Arena in 2008. He also served his community as a deacon and Sunday school teacher. If you asked him, he would say his biggest success was his family and his faith in God. His life was changed forever over 60 years ago when he became a Christian.

He is survived by their children Jean Arsenault of Salisbury, Richard MacLeod of Kinnear Settlement and his wife Patricia, Jacqueline Steeves of Havelock, Jill Corey of Harewood and her husband Steven, daughter-in-law Kathy (Kay) MacLeod, eleven grandchildren Tammy, Matthew, Tammy Lynn, Goldie, Geoff, Tim, Jessica, Melissa, Andrew, Daniel and Deanna, fifteen great grandchildren and six great-great grandchildren. Also survived by sisters Donna MacLeod, Marilyn Pollock (Dan), sister-in-law Myrtle Steeves and many nieces and nephews.

## OBITUARIES

Predeceased by his wife Christina (2020), infant son Gary (1950), son Brian (2012), son-in-law Phillip Arsenault (2017), sister Phyllis Steeves and brothers Norman, Malcolm, Garnett, Lewis, David and Wayne.

We would like to thank the staff of the Jordan Life Care Centre for their kindness to Dad and all of us.

There was a visitation at the Salisbury Funeral Home on November 1, 2023 from 4:00pm-7:00pm. There was a private family service with interment at Kinnear Settlement Cemetery. Arrangements are in the care of Salisbury Funeral Home, 3350 Route 106 (506-372-4800).

In lieu of flowers, donations to the Jordan LifeCare Centre, Havelock Fire Department, S.P.O.T, Havelock Baptist Church Building Fund or Friends of the Moncton Hospital would be appreciated by the family.

**Are you Important?**

*Dave McPherson, Pastor of New Canaan Baptist Church, Route 112*

We live in an age of high suicide rates and depression and other social challenges. So that persuades me to think that this is a very important question to ask: "Am I Important?" And it should be expected that there is a true answer.

And there is a true answer, and a good one. Every human being is made in the image of God. We are not derived from the animal kingdom, as the evolutionary theory still teaches and is unable to prove.

If you are human and reading this, you have value and you are important.

How important are you? Well, you are important enough to die for! Did you know that? And more than that. The God who created you loves you so much, that he sent His Son, Jesus Christ, to this earth as a baby boy. That is what the Christmas story is all about, except that the Cradle of Bethlehem was the pathway to the Cross of Calvary.

Christmas is a time we celebrate the coming of Jesus as that baby boy, but the real work was done on the Cross of Calvary. That is where Jesus took upon himself all my failures, weaknesses, and

the messed-up junk. And after he took that stuff on and died at the hands of the Romans, he rose from the dead three days later. Why? Because He loves the people with failures, with weaknesses and messed up lives, like me, and you too.

You and I are so important in the eyes of Jesus that he was willing to show that Love by taking on our bad stuff, and then giving us His good stuff.

His love is so strong for you and me that he wants to have a relationship with us, here and now, and for eternity. And He saw to it that we could enjoy that relationship, which was broken because of our bad stuff, by coming down to our level and taking on the judgement that we deserved.

That is Love. That kind of love shows how important and valuable you are.

Jesus just asks that you trust in what He did for You. He is not asking you to earn it, because you and I can't. But that's OK. That is how Jesus is. His love is freely given. We just need to accept it and trust in it.

I hope that this Christmas season you will learn how important you are.

### **Corn Hill Nursery One of Four Sustainable Farms in New Brunswick Featured in *Depth of Field: Films About Farming* Presented by the National Farmers Union**

New Brunswick is known for its breathtaking landscapes, and now, it's gaining recognition for a different kind of beauty, the beauty of sustainable agriculture. Four exceptional farms: Corn Hill Nursery, Toasa Cooperative, La coopérative ferme terre partagée, and Ferme Marcel Goguen, will be showcased in the captivating short documentary series, *Depth of Field: Films About Farming*.

The series *Depth of Field: Films About Farming* will take viewers on a journey through these farms, highlighting their sustainable practices, challenges, and the positive impact they have on the environment and local communities. These films offer a glimpse into the world of sustainable agriculture and celebrate the beauty of farming in the Maritimes.

"Learning the history of the province through these farms was a fascinating experience. Having the perspectives of farmers from multigenerational farms, co-operative structures and even a nursery will show the viewer the depth and breadth of farming in New Brunswick," said Sarah Douglas and Tamer Soliman, March Forth Creative, the filmmakers of *Depth of Field: Films About Farming*.

Our local Corn Hill Nursery will be

featured in the series. Corn Hill Nursery is family owned and operated for more than 40 years. They grow and sell a complete range of hardy plant material suitable for northern gardens. Serving both wholesale and retail customers, they are one of the largest production nurseries in Atlantic Canada, located in the gently rolling hills of Kings County, New Brunswick, approximately 30km from Sussex or 15km from Petitcodiac. Their Cedar Café was opened in 2000 and runs seasonally from May until October.

For the complete press release visit the National Farmers Union of Canada website at <https://www.nfu.ca/four-nb-farms-featured-in-depth-of-field-films-about-farming/>

## Update on New Salisbury Fire Station

During the Special Council Meeting of November 2, 2023, a significant milestone was reached for the upcoming Salisbury Fire Rescue Station. During the meeting, Salisbury Town Council authorized an application to the New Brunswick Municipal Capital Borrowing Board (MCBB) for a 20-year term for the construction of the new building. The authorization requested from the Borrowing Board, which serves as the borrowing authority, is not necessarily the building or overall project costs, and was requested to be \$7.5-million.

In light of reaching this milestone, the Town has published a webpage related to the project, including renderings of the proposed Facility:  
<https://salisburynb.ca/new-fire-hall/>

## Salisbury 2024 Municipal Budgets

The Town of Salisbury has approved and submitted its 2024 General Operating and Utility budgets to the Province. The 2024 property tax rates amongst all sub-units in the Town are as follows, pending approval from the Government of New Brunswick:

Sub-Unit	Local Government (Town) Rate (per \$100 assessed value)	DTI (Special Provincial Levy) (per \$100 assessed value)	Total Rate (per \$100 assessed value)	Increase in Cents (and %)
Salisbury (V)	\$1.1599	N/A	\$1.1599	\$0.1082(10.2%)
Coverdale (LD)	\$0.6335	\$0.4115	\$1.0450	\$0.0991 (10.4%)
Salisbury (LD)	\$0.6346	\$0.4115	\$1.0461	\$0.0975 (10.2%)
Moncton (LD)	\$0.6394	\$0.4115	\$1.0509	\$0.1051 (11.1%)
Elgin Parish (LD)	\$0.6388	\$0.4115	\$1.0504	\$0.1046 (11.0%)

The increases address inflationary impacts, adjust municipal operations to the realities of Local Governance Reform, and address funding gaps in critical municipal services and assets.

Meantime, Town Council has also approved the 2024 Wastewater Charge for those connected to the Wastewater (Sewer) system under the jurisdiction of the Town (i.e., those within former Village of Salisbury limits). The 2024 user rate will increase to \$400 per unit. For the last two years, the Utility has been in a deficit position due to aging infrastructure and increasing repairs.

The finalized 2024 General Operating Budget and Utility Budget can be viewed in-full online at [www.salisburynb.ca/municipal-office/budget-financial-information/](http://www.salisburynb.ca/municipal-office/budget-financial-information/). In the event of modifications from the Province, the Town will upload the finalized budget(s) upon approval.

**Cooking with Kids!**

Salisbury wants to help young people not only learn their way around the kitchen, but also how to stretch their food dollar when they're out on their own. Cooking with Kids connects middle- and high-school students with adult and/or senior mentors for weekly cooking classes after school at the SRS Cooking Lab, focusing on how to prepare healthy and tasty meals while also getting the most out of their food budget. This basic skills and food literacy program stems from recommendations contained in the 2014 Community Health Needs Assessment for the Petitcodiac-Salisbury area, addressing the fundamental issue of nutrition and food security.

Also incorporated with this teaching program is an initiative called "Soup for Seniors" in which young people will learn how to prepare various soups from scratch with the finished products to be delivered to seniors in the community who live alone. There are three different five-week courses planned for Cooking with Kids.

This Town of Salisbury program is being led by the Department of Recreation and Wellness with a number of community partners, made possible by a grant from the Provincial of New Brunswick's Community Food Action Program.

## Country Christmas Concert

On Sunday, November 19 our first Country Christmas Concert was held. We had a full house! Chris Bell and her singing elves entertained us with a variety of Christmas and Country songs. The new heat pump kept us all warm while tapping our toes to the melodies.

Our singers were: Jenny from Jenny & The Macs, Donny Carpenter, Molly, Claudette Allen, Renee, Justin Bannister, Tom Rogers, and Chris Bell. We raised \$419.50 to help maintain our 100-year-old building, thank you all!

Here are few photos from our event:

We wish you all a memorable and restful Christmas and New Years! Make memories with your family & friends!

Join us in 2024! Our Potluck lunch meetings are held the third Friday each month at 12 noon. We have a potluck social lunch, then our quick meeting. Come join in the fun at 13 Mill Road (Anagance Public Hall) in Anagance, anyone 50+ is welcome to check us out!

If you have any questions, comments, ideas let Salma know! Phone - 506-688-2831, email - salma@offgridadventure.ca or drop by her home! 16 Mill Road, Anagance.
