MONTHLY BULLETIN

Calling All Racing Fans and Motorsport Enthusiasts!

With the weather warming up things are starting to get busy here at the Maritime Motorsports Hall of Fame. After our regular monthly meeting April 2nd is our Annual General Meeting, where we will inform everyone what we've done this past year, and decide on a direction to go in for the next year. Also we will decide on which maritime motorsport legends we will induct into the hall of fame next November.

Big news in Motorsports is the 50th anniversary of the Radical Speed Sport car show where you can see over 300 street rods, street machines, custom cars, race cars, trucks and motorcycles at

the Moncton Coliseum. Our booth will highlight the restored truck of inductee Steven Patriquin. Be sure to stop by our booth to say hello! On your way to see us, be sure to keep a look out for the booth for the River Glade Speedway 60th anniversary, they will have Mike Kyle's vehicle in their booth. There is a lot of excitement about River Glade Speedway's re-boot race this summer, if you were a fan of stock car racing at River Glade, stop in to see their booth at the show to buy your merchandice before race day!

Our other big event for April is our annual side-by-side draw which will be held Saturday April 27th. Be sure to get your tickets for your chance to win a brand new Honda Side-by-Side, even if you don't win the grand prize, you just might win more cash than you put in.

If you're interested in Motorsports, or just getting involved the community come on out to one of our monthly meetings. They are always the first Tuesday of the month, we start

COME SEE MMFOF INDUCTEE STEVEN PATRIQUIN'S TRUCK AT OUR BOOTH AT RADICAL SPEEDSPORT

the meeting with a social lunch (always excellent fare). Give us a call or send us an email to let us know you'll be here for lunch Thursday April 2nd at 11:00am.

MIKE KYLE'S RACE CAR WILL BE AT THE RIVER GLADE SPEEDWAY BOOTH

"Our People Make a Difference"

From the Editor

Now that the March holidays are over, April promises to be a very busy month, here at the Maritime Motorsports Hall of Fame & Museum. First of all, for every one, is the 2024 Eclipse on April 8th. Depending where you are, the total eclipse will be at a different time; for instance, in Fredericton it will start at 4:33pm and last for 2 minutes and 17 seconds, but in Miramichi it will start at 4:34pm and last 3 minutes and 8 seconds. REMEMBER: do not look at the sun without proper eye protection. If you do it could cause loss of eyesight. Be careful.

April 2nd, is our regular monthly meeting and of course the lunch that goes with it, all members are welcome, or even if you are thinking of becoming a member, and want to learn more about us.

April 14th, at 1:00PM is our Annual General Meeting (AGM). Prior to the meeting there will be lunch. This will also give you a chance to meet and greet before the meeting, also up-date your membership or to become a member. All members are urged to attend. It will be so great to see everyone, your input is very important. We could use some fresh ideas.

On April 19th, 20th, and 21st, I hope to see many of you at the Radical Speed Sport at the Coliseum in Moncton. The Maritime Motorsports Hall of Fame has a booth again this year, so drop in and say hello!

April 27th is the livestream of our draw for the Honda side-by-side. There is still time to purchase your tickets!

The Hall of Fame Banquet Room is also available to rent for meetings, celebrations and educational services.

Our business hours for April are Tuesday to Friday 9:30am - 4:30pm.

From your editor,
Winona McLean

Giving back to the Community

Pictured far right is Byron Berry a representative from Petitcodiac/Salisbury Minor Hockey Club who generously donated towards the purchase of a Skate Assist to be used at the ODR (outdoor rinks).

Also in picture is Evan & Lisa Jardine along with their two boys who own and operate Maritime Blower Repair Inc. who also offered to purchase a Skate Assist for the ODR. Earlier in the season Evan & Lisa donated a new shovel and sliding sled. Evan & Lisa talked about how much their boys enjoyed using the outdoor rinks and are happy to help.

The ODR may be closed for the season, but we will be ready for next year. The Community of Three Rivers want to Thank You for your donation to help with improvements at Maple Street Park.

Community Garden

It is that time of year when the snow disappears, and we start thinking of the growing season.

Community of Three Rivers has a large Community Garden that is fenced in, has a water source, wheelbarrow, various tools, and will be tilled and ready for planting. Generally, the garden will be ready for planting in June, weather permitting.

At Maple Street Park at 42 Maple St. in Petitcodiac we have a unique opportunity for you to plant your own personal garden. We have three options:

1. Raised gardens 4x8 (limited availability)
2. 10'x40' ground plot
3. 10'x20' half ground plot

Sign up at the Municipal Office (63 Main Street Petitcodiac) and pay a \$10 key deposit that will be refunded when you return your key at the end of the season (first come, first served). Call to reserve your spot, 506-756-3140.

ELGIN NEWS!

Elgin Eco Association

Thank you to our rink crew. It was a great year for our outdoor rink. We are a small group of volunteers, with a large tarp to be put away. Please watch for our post asking for help to wrap up the rink.

We ask that you not drop recyclables at the park but to drop them off at 137 River Road in the tent marked EEA.

Summer camp will be happening again this year. The camp is for children 9 to 14 that would like to experience the outdoors. We will be swimming, cooking, and kayaking.

Our annual general meeting will be happening in May. Your input is very valuable and coming to the meetings is the best way to get your ideas and opinions heard. If you are new to the community, it is a great way to meet community members.

For those new to our community. We are a small group of community minded people, who work together to offer outdoor activities. We have mountain bike trails and walking trails. We maintain the park and organize activities for our families. We are always looking for volunteers to help. We are not asking for a long-term commitment. Just an hour here and there to help with our association.

Our next meeting will be April 4th the Elgin Senior Citizens Club at 1866 route 895, Elgin. At the next meeting we will be discussing the following topics:

- 1) Election of board members
- 2) EEA Membership
- 3) Planning for our mountain bike race
- 4) Summer camp
- 5) Summer activities at the park.
- 6) New business

Here we go... the time has changed and spring is here! We are looking forward to the spring, summer and fall Senior's sponsored activities with great anticipation for 2024. We will start off with the annual Spring Tea. This year the tea is April 27th from 2pm to 4pm. We are serving delicious sandwiches, tasty sweet treats, coffee, tea, water, and punch. Cost is \$10 per meal and any donations beyond that are very greatly appreciated. Make sure you call June

Crandall at 506-756-8443 or Brenda Martin at 506-456-2369 to let us know you are attending. We are looking to serve between 60 and 65 individuals. Bring your spouse and friends. See you soon!!

Then in May look for information on the grand opening of our annual summer Flea Market. This year the Flea Market will be better than ever. Some items will be priced for sale while others will sell by donation.

Other events to look forward to this year are the Annual Jamborees, a Community Bake sale, and other collaborative events with the Elgin Women's Institute. We look forward to seeing many of you throughout the upcoming months! Happy spring!

ELGIN WOMEN'S INSTITUTE

Approaching the end of the fiscal year encourages reflection. Our last meeting of the year is near, and my thoughts turn to the members of the Elgin Women's Institute. The membership comprises of women who have long roots in the Three Rivers community, alongside those who have severed theirs to be transplanted. And it is at our W.I. gatherings, where we "meet each other face to face; without self-pity and without prejudice" (Mary

Stewart's Collect), that the newcomer can begin to build the ties of friendship and forge new relationships. This interaction between long-time residents who bring the history and traditions of this region and new members with their own experiences and cultures is like the mixing of metals. Just like forging of metals, personalities may clash, but through the hammering and firing, the blend is stronger and helps us meet the

cont. on next page

Elgin WI: cont. from prev. page
challenges with which we are faced.

And so, as we approach our new year, we look to encourage new membership so that we can “strive to touch and know the great human heart common to us all” (Mary Stewart’s Collect). Meeting once a month, we plan for future events that will hopefully be enjoyable to all and to provide a space to get to know and learn from each other.

Activities like our Annual Potluck Friendship Supper and Year-End Holiday Supper where we don’t hold a formal meeting allows us to experience different cultures through food and be entertained. The annual Fall Turkey Supper creates an opportunity for community members who have left to return and reconnect with family and friends they have left behind. Our regular meetings allow members to learn and educate through Convenorships on topics such as Agriculture & Aquaculture, Health, Home Economics, Legislature and more. Topics that touch us all in our rural lives.

And we get to share and explore skills unique to each of us. Whether it is in writing or storytelling, cardmaking or sewing, computer literacy or graphic design, we all bring something to the table. The EWI is a group that can adjust itself to the needs and desires of its members. It is what you bring to the table that is important so that we may “take time for all things” (Mary

PETITCODIAC KIWANIS NEWS

Petitcodiac Kiwanis is going strong with lots of things on the go. In the last couple of months, we have been pleased to support the Winter Carnival with supplies for the BBQ, the Figure Skating Club for their Ice Show, plus we donated \$1,000 to Petitcodiac Regional School’s Dragon Boat Team.

The Arena Canteen is wrapping up a successful year with March 30th being the last day of operation for the season. We continue to receive words of appreciation from visiting hockey teams for having a canteen in operation. Thank you to everyone who has supported us over the last six months.

Several events are on our calendar. On April 9th we are hosting our annual **Farmer’s Night!** If you or family members are farmers (dairy, beef, chicken, sheep, vegetable, bee, etc,etc) come and join us at the Petitcodiac Legion at 6:30pm for a complimentary dinner, special speaker and an opportunity to visit with fellow

farmers. This is our Thank You to those that keep us fed. April 20th and 21st will see Flyball Dog Show back at the Arena and we will be supporting it with having the Canteen Open. On May 10th wrestling returns to the Arena and the Canteen will be open that night as well.

Now we move to the Legion for a couple of events. Trivia is back on Friday, May 3rd at 6:30. Our Trivia Master, Rick Brown, is working on his question list as I type this. Perfect time to get together with family, friends or co-workers for a fun evening as well as supporting Kiwanis, contact Rick at 506-756-2198. May 4th we will host other Kiwanis clubs for an area meeting with a visit from our Lieutenant Governor. On May 11th we will be holding our annual Spring Breakfast. Net Proceeds for this breakfast will be donated to the Petitcodiac Legion Roof Repairs. See Trivia and Breakfast Notices in this edition of the Local News & Views.

Four Congregations Join Hands to Build Cornerstone Community Church

In a testament to unity and community spirit, four local churches, namely Wheatons Settlement, The Glades, Middlesex, and River Glade Baptist, have embarked on an extraordinary journey towards amalgamation. Through a shared vision and unwavering commitment, these congregations have joined hands to form Cornerstone Community Church. This is not just a merger of buildings; it's a coming together of hearts and minds to create a place where everyone feels welcome.

congregation. We want this to be a place where everyone—regardless of background, belief, or circumstance—feels valued and embraced.

Whether it's swinging a hammer, painting a wall, or simply sharing a cup of coffee and conversation, there's a place for everyone to get involved. We'll be updating our website, www.cornerstoneltd.org, and our Facebook page regularly to let you know when and how you can lend a hand.

Right now, we're in the middle of building our new church building. We've got the basics done—the foundation, walls, and roof are up. But this isn't just about having a fancy new place. It's about creating a space that everyone in the community can use and enjoy.

Looking forward, we are filled with excitement about the ways in which our new building will allow us to better serve our community in Jesus' name. From offering support to those in need to providing a space for worship, fellowship, and outreach, our doors will be open wide, ready to welcome all who seek the love and grace of Jesus Christ.

To make this happen, we're inviting folks from all walks of life to lend a hand with the construction. Whether it's putting up drywall or giving the place a fresh coat of paint, we want people to get involved. We believe that this will be a great way for our new neighbours to get to know us better. From the beginning, the vision for our new church has been clear: to create a welcoming space that extends far beyond the boundaries of our

Remember this is not just a brick and mortar building offering a space for worship but also a space for our communities to gather, foster friendship and support to one another. As such, if you have a heart for service, we will welcome any assistance you may give us as the building reaches completion. It may be helping to paint or simply sweeping the floor, we appreciate all involvement and welcome you with open arms.

Comedy at Large

by Laurie Blanchard Salisbury, NB

I was told a story of a man and his wife who were invited to a family gathering (pot luck supper). This lady's husband had not seen his cousin for a few years, so they decided to go. As the story goes, his distant cousin was a relatively good person, however, he was somewhat on the redneck side. At the gathering, about 25 people were in attendance. When the meal was over, his cousin's wife was about to clean up the dishes and her husband said to her...I'm going to volunteer to dry them. She replied, ok thank you, but first wash your hands. He said to her, no no, they're clean as far as I know! She shot back...c'mon Fred, I saw you picking your nose a few moments ago! His comeback...so what, there was nothing in there! Yes indeed, that's redneck.

Here we go again...another typo! In an automotive magazine, was this ad in the classifieds...1963 Chev Impala coupe. 283 cu. in., automatic and in good original condition. Call with best offer. Selling "do" to illness. Me wonders what illness he wasD O - I N G? Diabetes, hernia, severe arthritis? Hopefully not all at once!

A man tells his co-worker...my best friend Mike ran off with my wife yesterday! Oh no, says the worker, how long has he been your best friend? Comes the reply...since yesterday!!! Self explanatory!

PEOPLE WHO LAUGH A LOT LIVE LONGER

**From the Desk of Your MLA
Ross Wetmore, Gagetown - Petitcodiac**

People around our province and across Canada are celebrating the perfect season of UNB's Varsity Reds Men's Hockey team. The team, consisting of players from around New Brunswick and all across Canada, achieved a perfect 30-0 regular season record, and played shutout hockey through the playoffs to win their second consecutive David Johnson University Cup title and 10th national championship of all-time.

will be my last session of parliament as a sitting member of Legislative Assembly as I will not be re-offering for re-election in the fall 2024 election. I will continue to serve the constituents of Gagetown Petitcodiac until then.

This perfect season was skipped by legendary coach Gardiner MacDougall in his 24th season at the helm of UNB's men's hockey team. Like many New Brunswickers, I have a UNB Red's connection near to my heart. A check of the 1945-46 roster will show my father, Bev Wetmore on forward. Watching the pinnacle of a national hockey program, brings to mind the hockey journey each player traveled.

I have had the good fortune of being elected as a member of the legislature of New Brunswick since September 21st, 2010, re-elected in 2014, again in 2018, and once again in 2020. I have the honour to sit in government, official opposition, and as a member of the executive council as Minister of Agriculture, Aquaculture and Fisheries. I believe the Higgs minority government of 2018-2020 was the best government I have served in. The people of New Brunswick have truly blessed me with these honours.

From the tiniest Tim Bit getting a treasured medallion, to hoisting a championship cup, each journey involved countless volunteers and sponsors along the way. As minor hockey season winds down, I would like to recognize and thank all the coaches, managers, parents and sponsors who keep minor hockey alive in our communities.

None of this could have happened without the great support of the voters, the many volunteers, many who became friends, my constituency staff. To them I say thank you.

In closing, I recently shared a message on social media that I would like to share with you: On March 19th, 2024, the fourth Session of the 60th Parliament of New Brunswick opens with the last throne speech of the Blaine Higgs government before the next scheduled general election of 2024. This

The support of my wife Margaret and family has been steadfast and unwavering. Thank you for your love and support.

Once again to the voters, to my supporters, volunteers, friends and family, thank you for your friendship and support over the years. This is not the end but another step in our journey called life. I wish you all the best in the future.

Thank you.
Sincerely, Ross

Petitcodiac Area Garden Club

Hello Gardening Friends. After taking a break during the Winter months we are excited to be back as gardening is just around the corner. It is wonderful to see the days getting longer again and although it is still quite cool, Spring has arrived, and the sunshine is bringing the warmth we have longed for during long winter days.

Just last week, I took a walk around and noticed some greenery poking through the soil in my flower gardens. As sure as the sun rises, we know plants will come back to life, and yet it brings the same joy and excitement every time it happens - Spring never disappoints! As your gardens come back to life, please share a photo on our Facebook page and share the joy.

Again this year, The Community Garden is offering 11+ ground level plots (10' x 40', which can be halved to 10'x20') and 9+ accessible raised beds. Although last year was very, very wet, it is a new year brimming with hope of a great growing season. Once the ground dries, the fenced in plots will be tilled and you will have access to all tools you need to tend to your garden. The only cost to use the Community Garden is the \$10 gate key fee that is refunded when you return your key at the end of the season. Plots are available on a first come basis, so be sure to stop by the Village Office and reserve your plot and receive your key.

Mark your calendars for the Annual Plant Sale being held May 25 from 9 am to 12 pm. This is one of our biggest events of the year and you will want to be there early for the best selection. If you are splitting perennials,

please consider donating them to the Garden Club. We are also looking for pots of all sizes (including the ones that are used when purchasing bedding and vegetable plants). The proceeds from this sale are used to maintain and purchase tools for the Community Garden, host the Open Garden event, and assist local organizations with maintaining their gardens. Plants and pots can be dropped off at Cathy Drury's at 2 Smith Street, Petitcodiac or if closer, Karen Hall-Middleton's at 430 Blakney Road. If you require your plants to be picked up, please call Karen's cell at 506-750-1844 to arrange the date.

There are so many benefits to gardening and joining your local Petitcodiac and Local Area Gardening Club. How do you feel when you drive around Petitcodiac and see the beautiful plants and flower in places like the Train Park, Veterans Memorial Park, and along Main Street? The Garden Club helps with all of these and more. Gardening is simply good for your mental and physical well-being. Being part of our garden club just makes it even better and we would love to have you join our Club.

For more information on getting involved, reach out to Karen Hall-Middleton 506-756-8224 or Cathy Drury 506-756-2068. You can also keep up to date with our activities on Facebook at Petitcodiac and Area Garden Club.

OBITUARIES

Edna Blakney
1951-2024

Edna Blakney, 72, of Salisbury passed away peacefully on March 1st, 2024 at the Moncton Hospital holding her granddaughter Mia's hand as she slipped away. She was born in Havelock on July 5th, 1951 the daughter of the late Harry and Flora (Campbell) Thorne.

Edna's life was her family. She married Gerry and together they started their family. Her boys were her everything and she was always there for them as they were growing up. Even when they were trying her patience at times they knew she would always be on their side and have their backs. Then the boys started families of their own. The grandchildren were Edna's pride and joy. They made her heart full. She enjoyed taking the girls, Mia and Charli shopping and always going a little over budget. She just wanted all her grandchildren to have whatever they wanted and was known to spoil them. She would watch them play sports and was the loudest cheerleader in the stands. Her grandson, Dylan, raced his motorcycle, even if she held her breath as he rode, she would cheer him on. She and Gerry enjoyed times at the campground with family. Having fun times and always a lot of laughter, Edna was always game for anything and had a great sense of humour. "You will live on in our hearts forever"

She will be deeply missed by her husband, Gerry Blakney; her boys, Daryl Blakney (Amanda) and Terry Blakney (Kristy) both of Boundary Creek; her treasured grandchildren, Mia, Dylan and Charli; her sister-in-law Barbara Thorne and several nieces and nephews. Besides her parents Edna was predeceased by her brother Johnny.

Arrangements have been entrusted to the care of Salisbury Funeral Home, 3350 Route 106 (506-372-4800) where family received relatives and friends Wednesday, March 6 from 6 pm - 8 pm. Private graveside service in Five Points Cemetery at a later date.

If desired, donations to Diabetes Canada, Cancer Society or charity of choice would be appreciated by the family.

OBITUARIES

Theresa Kierstead
1947-2024

It is with sadness the family announces the passing of Theresa Kierstead, 76, at the Moncton City Hospital on March 5, 2024. Born in Harewood on July 24, 1947 she was a daughter to the late Raymond & Rosie (Carr) Wilson.

Theresa worked as an Educational Assistant in her working years. She also enjoyed reading a book, cooking and knitting as well as taking drives in the country.

Theresa is survived and sadly missed by her daughters: Connie (Jarvis) Lockhart of Havelock, Sharon Shannon of Barnsville and Daisy (Andrew) Totten; her son, Daniel (Darlene) Kierstead of Saskatchewan; her brother, Donald (Diane) Wilson of Salisbury; her 10 grandchildren, 2 great grandchildren and several nieces and nephews.

Besides her parents, Theresa was predeceased by her husband, Stillman Kierstead; her brother, Victor; her sisters, Shirley, Vivian, and Mabel.

Arrangements have been entrusted to the care of Salisbury Funeral Home, 506-372-4800. A graveside service will be held at a later date from the Salem Cemetery.

If desired, donations made to the Diabetes Association or a charity of the donor's choice would be appreciated by the family. Online condolences and donations may be made at www.keirsteads.ca

Spring from the Blahs

Well, spring is upon us. We are coming out of a winter that was mild and just sort of "Blah". Nothing special about it. Enough snow to be inconvenient, but not enough for many winter sports. Along with that feeling of "Blah", we read about one political party bashing another. "Blah". One economist tells us things are getting better and another economist tells us we are heading for disaster. "Blah". The price per barrel of oil is low, but the price at the pump is high. More "Blah".

It is easy to want to disconnect from all the tiring "Blah". And it is probably better to do so some days.

But is there more to this life than just the "Blah"? From personal experience I can tell you there certainly is. Contrary to popular thinking and teaching, our lives do have meaning, purpose, and value. Our lives are not an accident, and neither is our amazing planet. As humans, we are made in the image of the infinite and amazing God who caused the existence of all things. And this creator God has given us a book where we can discover more about ourselves and Him. And as we read more about Him, we will soon discover that he is not the author of "Blah", but of Joy. Psalms 16:11 says that God shows us the paths of life and fills us with Joy in His presence. He loves us so much that he sent his Son to save us. He tells us there is a plan and He is in charge and determines the beginning and the end of all things. But the current force of "Blah" in this world tells us we are evolved accidents heading for disaster and we are the only hope to save us from ourselves. The force of "Blah" is trying to distract us from seeing the truth by keeping us stuck in a soup of "Blah".

This world is a beautifully created part of God's handiwork. As springtime comes and beauty starts to reveal itself again as our planet gets "reborn", take the time to spring out of the "Blah" and seek the truth about your own value and love that the Creator has for you. He is eagerly waiting to be found by you.

Walk Around the Block - Part 4

by Cathy Drury

Directly opposite the hotel property, corner of Old Post Road and Lower Main Street was a tannery. It was run by Ralph Perry and William Colpitts in 1868. Mr Colpitts left the business and it was sold to William Fowler and Mr Wesley McLeod who would sell his share of the business to G. Fred Fowler and Ed Fowler.

A few years later the business was again sold, this time to Wesley Lowery who operated the business until 1909 when it closed.

The tannery was located in the Village due to the abundance of oak trees. It was the inner bark from these trees that was harvested by peeling the outer layers of bark away and scraping the inner bark which was crushed or chopped and soaked with water to make a "bark tea".

Hides were first fleshed; flesh removed, and scraped, then soaked in the tea. Heavier or thicker hides were soaked in this mixture for nine to twelve months, resulting in a very soft, waterproof leather. Thinner hides were soaked for three months, once the colour of the "tea" was soaked through, the hides were then oiled and worked with tallow or lard to make a sturdy, soft leather. For tougher leather, used for harnesses or belts for machinery the hides were treated with animal brains and water.

After the tannery closed the building was used as a barn and delivery horse stable.

The next use for the building was as a harness makers shop, operated by Teddy Drysdale. When this business closed the property owned by E.C. Rice, a local lawyer, was sold to W.H. Pollock.

1946 saw the next construction start on the site of the former tannery. Lloyd Pollock and his father W.

H. Pollock were the inspiration for the construction of a movie theatre and auditorium, with a capacity of 350 seats.

In the spring of 1946 A. Stewart Construction of Sussex broke ground for the building. Local men Parker W. Reynolds, Lloyd Pollock, and Albridge Henry were the carpenters. Building supplies came from H.A. Fawcett and son.

The projector operators had to be licensed, with the first projectionist being Don McIvor. Lloyd and his son Bill received their licences as well.

The building contained a full basement in order to pass fire regulations which was equipped with a cement floor.

With World War II over business soon boomed. Cost of a movie at the time of opening was 39 cents, with 9 of those cents being an amusement tax. Movies played Monday to Saturday, no movies on Sundays.

Matinees for children cost ten cents. 25 cents bought a seat, a bottle of pop and a bag of chips. Mrs Pollock was often seen helping the children with hats, mitts, scarves, coats and boots. She often ran the ticket booth.

Besides movies there were amateur nights before a movie played. A lot of famous people played there, including the country singer Hank Snow. Santa was a Christmas time visitor as well.

In May of 1949, Eva Pollock opened a beauty salon in a ground floor section of the building.

1953 saw the installation of a bowling alley under the theatre. It was noted that the pin setters (young men or boys, nothing automated at that time) were of two kinds. The quick kind or the black and blue kind.

In the mid 1950s the advent of Television caused a decline in audience numbers. The theatre licence was sold in 1955 to a Nova Scotia company.

The fate of the theatre and the building will continue in next months News and Views.

Last month we reached (lower) Main Street, where in 1913 a large foundry had been built by Messrs. J.P. Waterbury and Sons.

Our next stop was at the site of the former Burlington Hotel. The Hotel was first built as a private home in 1881 by Mr James Killam. After he passed away in 1885 the home went to his brother in law David Jonah who ran the Hotel under the name Temperance House. He operated it until 1902 when it was sold to Mr George W. McAnn. The name was changed to the Burlington Hotel.

Following McAnn, proprietors were Mr. T. Graves, Mr Charles Keith and Mr. Bev Coates. Mr P.B. Reynolds purchased the hotel in 1925 and leased it to his son Hurd who then operated it for several years. During those years the Hotel was advertised as "On The American Plan" \$3.00 per day, Free Garage Service. The Hotel catered to the commercial and tourist trade, and the telephone number was "58"

In 1955 Lloyd Pollock bought the Hotel and ran it until approximately 1966. The Hotel had a reputation as a Top Rate Hotel and hosted celebrities, politicians and businessmen.

The Hotel was torn down in 2017, after being sold to M. Ramsey. The corner lot stayed vacant for several years and is currently undergoing a face lift as a future park to be known as Burlington Park.

Heart Strings

By Gloria Scribner

Where are the little ones I used to know?
 How did they disappear? Where did they go?
 When I still needed to just have them here
 Warm little needy ones, wiping their tears
 For then I was needed and they were so young
 Not realizing "the lullabies sung"
 Were only in season for such a short while
 Where are the songs he so loved as a child
 And where are the cheeks of the small baby girls
 That sunbeams left kisses upon, and the curls
 Of small "cherub" children and freckle-faced boys
 All men and women now, gone are the toys
 Of the ambitious dreamers. And I hardly know
 Where are all the children, oh where did they go?
 And where is the laddie who laughed till he cried?
 The youthful young man, pledged to be by my side
 Until death do is part? Oh, I know where he's gone
 But heaven is far away, and it's been long
 Since I've heard his voice and his step on the stair
 When will come someday? I'm barely aware
 Of passing ones treading the ongoing years
 Of laughter and dreams and of hopes and the fears
 The old ones have laid down the reins and the plough
 But nothing prepared me for what I feel now
 For "love" is a two-edged sword I'm afraid
 Twisting my heart at the point of its blade
 But time is my garden, and roses I've sown
 Now go on without me to bloom on their own
 And the "oak" that I leaned on is hewn from the glen
 But destiny doles out the way of all men
 Oh what I'd give to be youthful and free
 Needing no safe place but my Mama's knee
 Or Daddy's old voice to be singing me home
 Where are the most gentle souls that I've known?
 I look around me and "love" answers me
 "They're there in your heart, where they wanted to be"

BUTTERNUT VALLEY

Butternut Valley Council Meeting

The Butternut Valley Council meeting for April will take place on Thursday, April 11th at 7pm at 4561 Route 880, Havelock, NB. Committee of the whole will take place at 6pm. All are welcome!

Did you know that we are on Facebook? You can find us at: [Butternut Valley Rural Community!](#)

Waste Reminder! Just a reminder about what goes in the green (organics) bag! Please remember to remove the organics from the plastic/container first. (See the graphic above for tips!)

April 8th - Solar Eclipse

What is a total solar eclipse? It's when the moon completely covers the sun. This is a breathtaking phenomenon and on the afternoon of April 8th the upper part of Butternut Valley is in the path of total eclipse! (Canaan, Cherryvale, Youngs Cove etc) - please check online for interactive maps/times. If you are not directly in the path, don't worry, you'll still see a pretty cool sight, with just the faintest sliver of the sun exposed. Grab a lawn chair and find somewhere to watch (or just view from your back yard) - you won't regret it!

What do I need? Staring at the sun without protection will cause temporary or permanent damage to your eyes. In order to watch the eclipse safely, you need ISO certified eclipse glasses. Don't worry, we have you covered! Please check our facebook page to see where Butternut Valley residents can pick up their glasses! Quantities are limited.

Warning: ensure glasses are not damaged or scratched before use, staring at the sun without protection may cause temporary or permanent damage to eyes, always supervise children using the glasses, know when it is safe to remove eclipse glasses - never remove them when looking directly at the sun, put the eclipse glasses over normal eye glasses (not under), know how to properly clean and care for the eclipse glasses

When you're done with your glasses, don't throw them out, because we are in for a partial eclipse in March of 2025!

A couple of significant dates in April:

April 7th is World Health Day

This day is to raise awareness about a critical public health issue and inspiring action towards a healthier world. Remember, even small efforts can contribute to progress. You can: participate in local events, advocate for policy changes, and prioritize your own well-being

You can play a role in building a healthier future for yourself and your community.

April 22th is Earth Day

The Earth Day theme for 2024 is "Planet vs Plastics"

This powerful theme focuses on raising awareness about the dire consequences of plastic pollution on our planet and its inhabitants Some ways you can help are: eliminate single use plastics, embracing reusable alternatives, recycling and composting

Salisbury Happenings

SALISBURY 250

2024 marks 250 years since the Salisbury area was permanently settled. Over the course of this year, each month will be filled with themed events, celebrations, history, heritage and more!

March focused on our local history of Organizations and Businesses. Like many communities, Salisbury has seen the shift in the small business market over the years. From being the heart of a booming fox fur industry, to local entrepreneurs starting their small businesses, Salisbury has almost seen it all! Although we've watched the business community flow and flourish over the years, there are some who have deep roots in Salisbury and have impacted the way we operate today. In addition to these long-standing entrepreneurial spirits, there are many organizations found within Salisbury that have contributed significantly to the development of the community. With youth programs, volunteer organizations and established institutions, a helping hand has never been too far away.

During the past month through our "Tour the Town" Passport campaign, we explored the local entrepreneurs found within Salisbury. We learned about the evolution of our business centre, discovered more about our organizations, and provided residents an opportunity to support local. Our Salisbury 250 theme in April is "Agriculture."

For more information on the 12-theme calendar and everything Salisbury 250-related, visit our web page: <https://salisburynb.ca/salisbury-250/>

Salisbury Town Council Chooses New Deputy Mayor

Councillor-at-Large Jason Gallant is the new Deputy Mayor of the Town of Salisbury. Town Council unanimously approved the nomination of Councillor Gallant at its meeting held on February 12, 2024. The nomination put forth by Councillor Thorne was seconded by Councillor Phyllis Bannister. Councillor Bannister had completed her one-year term as the first ever Deputy Mayor for the Town of Salisbury (incorporated in 2023 following New Brunswick municipal reform) and was thanked by Council for her service in that role. Councillor Bannister will continue to represent the residents of Ward Two, as she has since January of 2023. Deputy Mayor Gallant is currently in his second term as a municipal councillor. He was first elected to Salisbury Village Council in May of 2021.

Salisbury To Recognize Valuable Contributions Of Volunteers

As part of National Volunteer Week (April 21-27, 2024), the Town of Salisbury is pleased to be hosting its second annual Volunteer Awards Banquet. This event is intended to recognize the many contributions made by volunteers in the Salisbury area. As part of the April 25th event recognizing community groups and volunteers, the Town will present five awards selected by the Volunteer Awards Committee based on a call for nominations. The Town has launched the nomination process, which will remain open until April 5, 2024.

Residents, organizations, and those who are familiar with individual(s) who have made an impact through volunteering in Salisbury are encouraged to nominate them online for consideration for an award. Additional information and the nomination form can be found online at <https://salisburynb.ca/volunteer-awards/>.

At the 2023 Salisbury Volunteer Awards Banquet, held at Royal Canadian Legion Branch 31, awards were presented to David and Bonita Miller (Volunteer of the Year), 580 Hugh Campbell Air Cadet Squadron (Organization of the Year),

Skyler O'Brien (Youth Volunteer), Stephen Stevens (Volunteer Firefighter of the Year), and Fran Bowdridge (Decade of Dedication).

Dogs Must Be Kept On Leashes In Public

A reminder to those with dogs that Highland Park and the Wetland Trail in Salisbury are NOT "dog parks;" that is, dogs MUST be kept on leashes as is the rule for all public spaces in the former village. Allowing your dog to run loose is a violation of By-law No. 41 (Animal Control By-law). The Town of Salisbury, and especially the wildlife, thank you for your understanding with regards to this. New Brunswick SPCA provides Animal Control services for Salisbury. Please direct any dog-related complaints or inquiries to New Brunswick SPCA at 1-877-722-1522. For information on stray or lost dogs, visit the New Brunswick SPCA Animal Protection Facebook page - <https://www.facebook.com/newbrunswickspca>.

...Meantime, a reminder to residents of Ward 3 (former Village limits) who own dogs to please purchase your dog tags! As of April 1st, a \$15 late fee is in effect.

Registration fees are:

For spayed or neutered dogs \$10 + \$15 late fee = \$25

For dogs not spayed/neutered \$30 + \$15 late fee = \$45

In order to buy a dog tag you must show an official receipt from a licensed veterinarian hospital proving your dog's vaccinations (eg. rabies) are up to date. Dog Tags can be purchased at the Municipal Office located at 56 Douglas Street.

Overdue Sewer Accounts

Salisbury By-Law No. 45 (the Former Village of Salisbury By-Law, which remains in effect for Ward 3 residents), Relating to the Collection of User-Charges for the Sanitary Sewerage System, allows for the placement of court judgments (liens) and/or the disconnection of services on overdue accounts. Arrangements for payment plans with respect to delinquent accounts must be made. The complete by-law can be read at www.salisburynb.ca.

Since March 2nd, interest has been applied to any overdue Salisbury sewer accounts (again, this is for the municipal sewer system in the former village). Interest is 2% per month and is applied at the beginning of each month to all overdue accounts dating back to the January billing date. The 2024 sewer rate is \$400.00 per unit.

Spring Clean-Up Time!

During the year there are two or three, depending on in which Ward of Salisbury you live, special bulk solid waste collections. These special roadside pick-ups are for items that would not normally be collected with regular household waste each week, such as: appliances, furniture, lumber and yard waste (tied in 4' lengths), tires (limit of two per household) and other large items. (NOTE: Hazardous materials including chemicals, batteries, propane tanks, paint etc. are not to be put out for any form of roadside collection and must instead be taken to the Mobile Eco Depot when it comes to the community.)

Springtime special bulk collection dates:

- Monday, April 29 - Former Village of Salisbury (WARD 3)

Hazardous Waste Drop-Off / Mobile Eco Depot

Southeast Eco360's Mobile Eco Depot will be in Moncton and Riverview this month. They will be at Moncton Coliseum (377 Killam Drive) on Wednesday, April 3rd and Thursday, April 4th from noon-8:00pm both days. Two weeks later, they will be set up at Riverview's Operations Center (300 Robertson Street) on Wednesday, April 17th and Thursday, April 18th (same hours). Mobile Eco Depot's next visit to Salisbury will be on May 8th-9th. For more information on this service, which travels to a different community each week to operate as a drop-off location for hazardous waste and bulk solid waste items, visit them online at www.eco360.ca.

Ensure Your Weekly Garbage Is Accessible

Weekly collection of garbage works best when we as homeowners ensure that the collector, who is often working alone on the garbage truck, can easily and safely access the garbage bags that we place roadside. If the bags are in a receptacle or bin, please ensure that the correct bags are in there. The growing popularity of permanent-style bins at the ends of driveways has resulted in a few concerns:

- 1) Some residents are treating these bins as personal dumpsters by putting all bags in them each week, regardless of colour. Please ensure that the bags to be collected that particular week are on top and are easily accessible. It is not the collector's job to sort through your bin.
- 2) Ensure that these bins do not fall into disrepair. There have been cases of broken boards and exposed nails, which are a safety hazard for the collector.
- 3) Please keep the bins clean, as they can attract pests. Rats nibbling on bin contents have been reported.

For more information on waste, specifically the collection calendar and a guide for three-bag sorting, refer to www.eco360.ca/residential-program.

Open Fires Prohibited In Former Village Limits

Residents of Salisbury Ward 3 are reminded that the lighting of ANY open fire to dispose of dry grass, brush, hay, straw, leaves, buildings, construction materials, automobiles or garbage in the municipality is PROHIBITED. Any fires must be in approved appliances only. Salisbury Fire Rescue reserves the right to order any fires that are not in compliance with Salisbury's Fire By-Law (By-Law No. 48) to be extinguished, and are authorized to issue tickets as they may deem necessary to enforce this By-Law. By-Law No. 48 can be read in its entirety at www.salisburynb.ca/municipal-office/by-laws. This Fire By-Law also follows the direction of Provincial burning advisories/bans.

STRAWBERRY ICE CREAM CUPS
Put a Chocolate wafer in 12 extra-large cupcake papers and place in muffin pans. In a large bowl mix 4 cups vanilla ice cream 1½ cups of thawed frozen whole strawberries, well drained. Reserve juice. Freeze for about 1 hour, until slightly firm.

Make sauce - combine in a small bowl:
1 tablespoon white corn syrup
3 tablespoons reserved strawberry juice, makes ¼ cup. Set aside

Next: Scoop about ½ cup of the ice-cream mixture onto each wafer. Now, spoon 1 teaspoon of the sauce over the ice-cream in each cup. Freeze until solid. Remove from freezer about 10 minutes before serving
