## Community of Three Rivers Mayor Peter Saunders Honoured!

On October 5th, during the Banquet of the Union of Municipalities of New Brunswick in Fredericton our Mayor Peter Saunders received the Arthur Slipp Municipal Leader of the Year Award.

This award honours a Municipal leader who demonstrates extraordinary commitment to improving residents' lives and the community's overall well being. This leader is a role model, inspiring their colleagues and constituents alike, with visionary thinking, innovative ideas, and determination to create lasting change.

For over twenty years, Peter Saunders has devoted himself to public service, holding various roles in Council of the Village of Petitediac and now the Community of Three Rivers. As a Councillor, Deputy Mayor, and Mayor, his vision and leadership have guided us through challenges and triumphs alike and his commitment to the welfare of all citizens is truly admirable. An example would be the dedication and persistence he showed to bring a new medical center to the Community of Three Rivers. He has also spent over 30 years in various roles as a member of the Petitediac Fire Department as a volunteer firefighter, Deputy Fire Chief, and Fire Chief.

Peter Saunders' legacy will be one of leadership and commitment to the betterment of our community. His compassion, integrity and tireless work ethic have earned him the admiration of many and the respect of all.

Congratulations Mayor Peter Saunders!

## From the Editor

October had some really nice weather, the first frost at my house was October 16, but I still have flowers outside. Fall is such a pretty time of year, but then there are so many leaves on the ground.

It is that time of year to get the snow tires on, ice salt and all the outside summer things put away. Get your Christmas lights up while it is still a little warmer.

To all the deer hunters, may you have good luck! But if you don't at least have fun and be careful.

I think this has been the longest racing season; I do think that all they have left is their banquets.

WOW, the clocks are to be turned back 1 hour to local standard time on Sunday, November 3rd, at 1:00am.

November 11, Remembrance Day "Lest we forget." The day to remember all of the members of the Armed Forces and their families.

This year's Maritime Motorsports Hall of Fame Induction is being held November 16 at the Fredericton Inn, Fredericton. Tickets are available at the office in Petitcodiac. The New Brunswick inductees are James MacPherson, Petitcodiac; Dave O'Brien, Boundary Creek; Moncton Hog Chapter NB, Moncton; John Durepos, Grand Falls; Harold Parker Jones, Cambridge-Narrows.

2024 Santa Claus Festival of Lights Parade will take place on Friday, December 6, 2024. Registration for the parade is available by contacting Natalie by calling 506-756-0289 or by email to [threeriversnb.rec@gmail.com](mailto:threeriversnb.rec@gmail.com). ### Public Opinion

Today my war on disrespect continues as I do battle against unnecessary noise and excessive speed.

Maritimers pride themselves in being down home, friendly and relaxed folks. Until it seems they get into their vehicles. Heaven knows Harleys are loud enough. But here it seems that folks of all ages get some sort of rush or thrill from souping up everything from their heavy duty pickup trucks to 15 year old Toyota sedans and even some family friendly Dodge Caravans. No vehicle is immune. And for many there seems to be no speed limit here.

Add to that mix the young children/teenagers driving incredibly loud 4-wheelers and dirt bikes on main downtown streets and throughout neighbourhoods. Not to mention their unsafe driving, failure to obey traffic rules, cutting across private property and even pulling wheelies on the main street with neither the driver nor passenger wearing helmets. The parents of these kids can't possibly be that blind.

Dirt bikes and 4-wheelers belong on a trail not in downtown or in neighborhoods and they should NOT be

driven through the town to get to the trail!

All these vehicles collectively contribute to an unsafe and very noisy town environment. In a community with a high percentage of elderly residents, its just mind boggling that these people don't seem to understand that old folks watching tv or playing cards shouldn't have to be interrupted by those obnoxious noises invading their lives day and night.

All these things would not be tolerated in any city anywhere else but unfortunately the lack of police presence here is no deterrent to these lawbreakers. The cat's away the mice will play. However real good people don't need the police to behave properly.

Loud vehicle noises and excessive speed are nothing but incredibly selfish behaviour. Time to re-evaluate that supposed down home maritime friendliness. Think about your neighbours. Put your mufflers back on your vehicles and slow down. And keep the off-road vehicles off road.

This is a town not a racetrack. Time to show some respect.

# ELGIN NEWS!

### News from the Elgin Seniors Club

Wow it has been a busy summer for the Elgin Seniors Club. We hosted the summer flea market (thank you all for your support) but in the early summer we opened the summer activities with our Annual Spring Tea. Further, the Seniors Center supported the Connectivity for Seniors Classes during the summer months, held our Cold Plate Takeout supper, opened the Center for the Bike Race breakfast, and began the Adult Health Screening Clinics in October, finally, the Annual Jamboree was held at the Elgin Community Center. Throughout all these activities we continued to meet regularly on the 3rd Monday of each month. As we roll into the cooler/wintery months we continue to support the Elgin Women's Institute and the Elgin EEA to hold their monthly meetings at the Center. But we still have a few activities yet to come!!!

#### REMINDERS:

The **Adult Health Screening Clinics (AHSC)** are back in Elgin. The first of three clinics was on October 2 from 1 to 4pm. This is very exciting because Horizon Health is very much understanding the needs of the community and willing to support these innovative efforts. Make sure you mark your calendars for the **next 2 clinics on November 6 and December 4**. The services will be expanding to

include pediatric health assessments (age 0 to 18), footcare assessments, and respiratory health assessments. Additionally, flu shots and covid vaccines will be available. The addition of these services is confirmation that Horizon Health is listening. Be sure to take advantage of the added services. The nurses administering these additional services are fully licensed while pursuing their Registered Nursing degree. Call me (June Crandall) at 506-756-8443 if you have any questions.

**Announcing the flu clinic** at the Elgin Seniors Center on **November 1 from 9 to 11:30 am**. Horizon Health will be there for you. Be sure to come to the Screening Clinic for your flu shot if you miss this date.

Finally, the **Annual Bake and Craft Sale is on November 9 from 9am to 3pm**. Contact June at 506-756-8443 or [junecrandall1205@gmail.com](mailto:junecrandall1205@gmail.com) if you have crafts and baking to sell. This is a great opportunity for everyone.

**ALL OF THE ABOVE EVENTS ARE AT THE ELGIN SENIORS CENTER, 1866 ROUTE 895, ELGIN.**

If you wish to join the **Elgin Seniors Club**, our meetings are **every 3rd Monday** of the month. We meet shortly before noon to prepare a noon meal which we share, and which include lots of laughter and conversation. Our meeting begins shortly after lunch. The Seniors Club is open to individuals over age 50! The Seniors Center, where we hold our meetings, is at 1866 Route 895.

### Elgin Women's Institute So What Happens Next?

After a brief history lesson on the beginnings of the Elgin Women's Institutes (EWI/EIW) in New Brunswick, we moved on to find out that greater Elgin very quickly jumped onboard to continue to grow and support the area in terms of agriculture which was one of the main industries at the time. With the establishment of the Agricultural Society (prior to 1900) and the formation of the EWI in 1911 people were given the opportunity to have a voice and share in the future of community.

**Agriculture** continues to play an important part in our rural communities of the Three Rivers Municipality. This theme was carried out at Elgin Day 2024 with various demonstrations and presentations of food canning and dehydration, etc.

The annual fall **Turkey Supper** was very successful with a sold out crowd on September 28th. **THANK YOU** for purchasing tickets and for any donations of food, etc. Upkeep on community halls has become a huge concern in terms of maintenance, upgrades and repairs, etc. so we are

appreciative of your support. Our facility has held a very wide range of events over the years and will continue to make improvements with your support. Please check out our **Facebook page (Elgin Women's Institute)** to see what is going on and to reach out to us for information. Rentals are a good part of our ability to stay viable.

As the result of some funding we have been able to hold events on healthy aging and healthy living. Stay tuned as we continue to offer these free programs to our community. We are also interested in hearing from our young families on what we can offer you to make our rural area a better place to live and grow.

Food preservation and preparation is of great interest to us and we look forward to working with everyone to share ideas. Our kitchen space is well equipped to hold teaching programs, etc. Please reach out to the Elgin Women's Institute/Inspiring Women to talk about your ideas as we work together **FOR HOME AND COUNTRY**.

October 5, we hosted the 21st Elgin Mountain Bike Race. This is the biggest fundraiser for Elgin Eco Association. Money raised goes to trail and park maintenance, and EEA programming. Racers come from all over the maritime provinces and as far as British Columbia, and Maine. Racers of all ages compete to win a medal in the 10km, 20km, 40km, 80km and 120km races. Because the 120km is a gruelling race 25 male riders and 3 female riders are rewarded with a belt buckle.

A huge "thank you" goes out to all the volunteers who made the race an enjoyable and safe event. The riders enjoyed the trails and the meal to follow. This year we had over 30 volunteers helping make the race a success.

We are looking for a secretary to take minutes of our meetings. We meet the first Thursday of each month for an hour. Please come out and help our association keep our records straight.

If you are interested in getting to know all that happens at the EEA, visit our website at [elgineconb@gmail.com](mailto:elgineconb@gmail.com) or our Facebook page.

**Our next meeting will be held at the Elgin Senior Citizens Club, 1866 Route 895, Elgin. On Thursday, November 7 at 7:00. All are welcome.**

Agenda items will include: bike race wrap-up, membership, budget review, and next steps for the coming year.

PROCEEDS IN SUPPORT OF COMMUNITY PROJECTS

### THE WISHBONE WISHES

A few days after Thanksgiving, Bob said to his sister Ellen; Look at what I have!" In his hand was a thing shaped like the letter V upside down.

"Ooh! A wishbone!" said Ellen. "May I wish with you?" Bob held out the wishbone. Ellen took hold of one side of it.

"Hold it way down at the end," said Bob.

"All right," said Ellen, "but let's make our wishes before we pull." Both of them thought quietly for a moment.

Then Bob said: "Remember, the one who gets the big piece of the wishbone also gets his wish." They began to pull. The wishbone bent until it was pulled almost straight. Still, it did not break. Bob and Ellen stopped pulling. After a moment, Bob said: "Let's try again."

This time they pulled more quickly. As they both jerked at the wishbone, it broke in two places. Bob and Ellen were left holding pieces which were exactly the same length. "Neither one of us gets our wish," said Ellen. "What did you wish for?"

I wished for a car," Bob answered. "What did you wish for?"

"I wished for a box of candy as big as I could carry." Said Ellen.

Then they both laughed. "Maybe it's a good thing we didn't get our wishes," said Bob.

### Maritime Motorsports Hall of Fame & Museum

Inductee of the Month

## Nickerson Family

(Don, Norma, Barry, Glenn)  
Builder/Competitors Karting

Inducted November 18, 2006

It all began one Saturday in 1984 when a friend brought a gas-powered race kart to the Natal Day soapbox car race. The next Saturday, they had bought a Margay Kart from Hubbard track owner, Winston Shatford. Barry, sixteen, raced it in the Senior Class and Glenn, fourteen, raced it in the Junior Class. Since then, they have had multiple Maritime and Club Championships and great success at the National level. Don and Norma became very much involved and were two of the founding members of the Atlantic Motorsports Karters Association. Norma - Treasurer and Don - Technical Director. Beside looking after the money, Norma spoke at the drivers meeting to make sure things were organized. Don operated Don’s Kart Pit Stop and made sure the racers had the parts they need at the track. He has been called “Grand-Daddy of Atlantic Karting”.

*Be sure to drop by the museum this month to see the Nickerson Family's display*

Hi from The Pantry!

Is it really November already? It's sometimes hard to believe how fast the days and months go by. We had a lovely October at The Pantry. There were many familiar faces who stopped by and grabbed something for their Thanksgiving dinner. We so appreciate everyone who supports our organization, even if it's just buying one item, or telling a friend about us, every bit makes a difference to our small business. Special thanks to everyone who ordered our Thanksgiving Chicken Dinner. Be sure to keep an eye out for The Pantry Kitchen Menu, we offer different meals, fresh salads and treats every week.

We are always looking for new local producers to work with and showcase their products.

New this month is Degenhardt's European Sausage & Schnitzel. A pack of Sausage is only \$5 and Schnitzel is \$8.

Leafy Gains Protein Cookies are also back in stock. These cookies are vegan, gluten free and packed with tons of fibre and protein.

Don't forget we have local ground pork for only \$3.15/lb and free run eggs for \$4.75

Sussex Valley Vegetable Farm dropped off some Stew Packs the other day too which are always a hit!

Many customers have been enjoying the PEI handpies! There's always something new to try!

With the holiday season approaching quickly, we are currently searching for fun new gift ideas for our local gift corner. If you know someone who might be interested in working together, send them our way! Please don't hesitate to reach out too if you have some free time and would like to volunteer! We have fun and it's great to work together to better serve our community.

Wishing you all a lovely November and hope to see you soon at The Pantry!

### Jordan LifeCare Foundation Golf Tournament

The Jordan LifeCare Foundation recently held their annual golf tournament with a full field of 20 teams. Businesses, service clubs, families, and friends raised almost \$17,000 for the needs, care and comfort of the Jordan LifeCare Residents. When the scores were all calculated the RW Industries team of Rick Howatt, Barry Colpitts, Shane Wilson, and Brent Matheson were the winners. Our service club plaque went to a Salisbury Lions team with Shawn McNeil, John Bos, Brodie Lewis, and Doug Hamer.

A point of interest...between Salisbury Lions and Petitcodiac Kiwanis, they combined to make up 25% of our golf teams. Definitely a testament to the name of SERVICE clubs.

Our Gary Buchanan plaque winner (name will be etched as 2024 winners) was the Modern Construction team of Mike Chambers, Shawn Dwyer, Chris O'Brien, and Jack Black. Thank you to all participants as well as Petitcodiac Valley Golf and Country Club for working with us on this major fundraising project.

### Fall Fashion Show

by Gloria Scribner

The dancing shadows play around the old grey cellar wall  
Where England Asters blue as sky reach out their limbs of fall  
And golden rod wait for the morning sun to cast her rays  
Across the world as she comes gently sailing past today  
A shower of crimson leaves are in the morning by the tree  
And squirrels dart competing, "Hey guys, leave a few for me"  
And soon the quiet hush of dawn is stirred to shades of fall  
And oh! the gown she's wearing, fit for any formal ball  
So intricate at early dawn with webs across sunlight  
Where dots of blue and lavender enhance the pristine sight  
No tailor less enchanted could unwrap the woven gem  
Of once upon an autumn day from collar to the hem  
With flaring skirts of cornsilk, and tuxidod chocolate brown  
As cattails on the satin bog bows low and doffs his crown  
The world's an autumn festival, all here for just awhile  
And at the farewell party all the countryside's in style  
With flashing shards of shooting stars to velvet nighted bliss  
Where sunrise waits across the way to greet him with her kiss  
A sunny day, not far away, a cloud with silver lining  
Along the autumn runway strolls the seasons fall refining  
Sunset tiptoes over hillside, down the homeward way  
Up the lane across the foot-bridge, night replaces day  
A harvest moon is in full bloom, just riding round and high  
and that first star I wished upon is in the eastern sky  
The faithful pair are always there, the "world turns" while among  
The promises God made, the autumn leaves, and winter comes

### Moonbeams

by Gloria Scribner

The harvest moon hung low in the night sky. It cast its orange glow over the cornfield like a giant pumpkin almost at arms length. I remembered other harvest moons when the oatfields, ripe with golden grain, bent in the silence of a cool August night, heavy with ripened seed just waiting for the thresher. I remembered the weekend evenings of the owl and the hawk, and darting bats in the eaves of the barnloft. Mothers beware!

Autumn nights were meant for dreaming. Cool crisp-apple nights, rustling the crimson leaves crackling on the bow while late-to-bed youngsters hung on to the last shreds of moonlight, campfires, cornboils, and clambakes if you owned a waterfront haven. But weekends were free time, time to

gather in, not just the harvest, but the last visible shreds of the todays that would never come again. The hay was in, the oats were stoked in the field, and the old folk prayed no rain would come until after the Lord's Day, so the thresher could do its job.

Under the moonlit sky while the galleon cast its beam across the homeplace, boots sat in pairs outside the porch door, quiet came down, and the old dog lay on the mat twitching his ears in the shadows, guardian of the homeplace, on duty while the lights in the windows dimmed and silence came down.

And we were young. Moons were things to dream by. Shooting stars were things those dreams were made of, and nary a one was wasted.

## Remembrance Day

November 11th, we stop, pause and remember all those men and women who over the years have sacrificed so much, including their lives, to keep our country free.

Many are remembered by their family members and friends.

Many are remembered by total strangers who want to show the Respect they deserve for their sacrifices.

Recently the picture and some items of a young man who lost his life in World War One were brought into the Three Rivers Community (war) Museum.

After reading the information that was brought in, Museum staff decided to try to get more information on this person. Why this person you might ask?

The young man, John May, was killed in action only 23 days before the war ended. On October 17th, 1918 just 23 Days before the Armistice was signed November 11th 1918. We looked at it and thought, 23 short days. Who was this man and what was his story?

We knew he was a member of the Royal Newfoundland Regiment but we wanted more information.

We found that he was from Pilley's Island, Twillingate District.

He turned 18 on October 5th of 1917.

He left his home and joined up on October 31st, 1917

He stated at the time he had his Father's permission.

His occupation at that time was Fisherman, his father Frederick May was a blacksmith.

His religion was listed as Salvation Army

He was 5 feet, 4 inches tall, (162.6 cm)

Shortly after his enlisting a letter was sent by his mother, November 2, 1917, to protest her son's enlistment. However since he was of age, 18, there wasn't anything that could be done.

John May left Newfoundland, his home, December 11th, 1917 on board the S.S Florizel. He was posted with the 1st Battalion of the Newfoundland Regiment.

On October 17th, 1918 John May, aged 19, soldier, son, brother and fisherman was killed in action. He is buried at Terlincthun British Cemetery, 1 mile from Boulogne France.

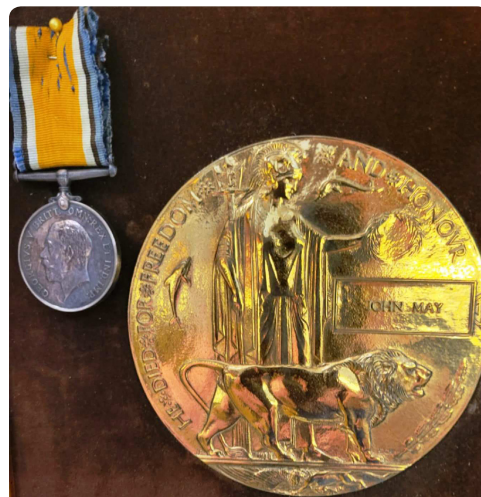

The Memorial plaque, known as a Dead Man's Penny was sent to his father September 27th 1921.

His final wages of 39.89 were forwarded to his family September 5th 1919. The money paid to John May averages out to .11 cents per day.

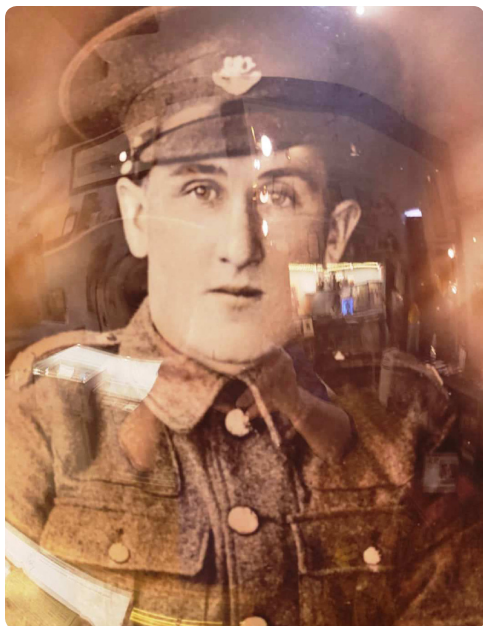

John May served as a soldier approximately 352 days. 23 days from peace.

Remember this man, and all those who like him gave everything for his Country and Freedom.

Always Remember them, Respect their sacrifice, not just on Remembrance Day.

PTE JOHN MAY WW1 KILLED ON OCTOBER 18TH 1918, 23 DAYS BEFORE WW1 ENDED

Petitcodiac Area  
Garden Club

Goodness it is November already! It is amazing just how fast Summer flies by! But here we are after a beautiful October wrapping up the gardening season. There may be a few gardeners with bulbs, garlic or onions to set out and with the mild Fall there's still time.

As this article is being written, the sun is shining, the air is warm, and the trees are dressed in their fiery cloaks of red, orange, and gold, like nature's own masterpiece, reminding us all of the blessings of living where there are four seasons.

The Community Garden has wrapped up for another season and on all accounts, it was very successful. This year approximately 375 lbs of food was harvested, which although lower than past years, was still very much appreciated by everyone who enjoyed the fresh produce. The reason for the decrease in "weight" is potato bugs. Over the past several years, the Potato Bug population in the garden exploded and were not just destroying the potatoes, but many other vegetables. Our garden is insecticide free, so to bring

the population under control, a decision was made to pause growing potatoes. It was great to see all our raised beds in use this year and wow, they were bountiful. Efforts are underway to add additional raised beds next Spring, as the demand grows each year.

As we move into November, our thoughts are with our veterans and those currently serving. The Petitcodiac and Area Garden Club is pleased to play a role in maintaining Veterans Memorial Park that serves as a reminder of the deep history of service in Petitcodiac and surrounding areas. Did you know that each local Legion must purchase their poppies? Our donations, as we pick up a new poppy are used to cover these costs, with all remaining funds designated solely for veteran services in our community.

Finally, the Petitcodiac Garden Club and Community Garden thanks our volunteers and the ongoing support from the Community of Three Rivers, local businesses, and by those who support our events. It is truly amazing what a group of caring and dedicated people can accomplish.

Happy 90th Birthday  
from the

What's Cooking?  
In Winona's  
Kitchen

**PICKLED BEETS**

This takes 8 cups of ready beets. Clean and wash beets. Cook them until tender, size will determine how long it takes to cook until tender. Drain and put cold water on them, 2 or 3 times. The skin will slip off very easy when you rub them with your hands. Cut off any bad marks. If beets are small leave them whole, if larger cut into pieces.

Make a syrup:

- 4 cups white vinegar
- 3 cups white sugar
- 1 teaspoon whole cloves or ½teaspoon ground cloves

Bring to boil and add ready beets. Simmer 15 minutes. Put in steril bottles and seal.

### Alert Ready!

In October at the annual Union of the Municipalities of New Brunswick Conference, members of Salisbury Town Council had the opportunity to meet with the Assistant Commander of the RCMP, DeAnna Hill, and Senior RCMP staff. During this meeting, recent Alert Ready messages in the Salisbury area were discussed. The RCMP shared helpful information on when an alert is issued, and what grounds the RCMP use to determine if an active situation warrants an alert. The New Brunswick RCMP are undertaking a public education campaign on the Alert Ready Program. **Hughie Taylor**  
1950 - 2024

It is with profound grief that the family of Hughie Taylor, of Wheaton Settlement, N.B., announces his passing at the Moncton Hospital on October 3, 2024. Born in Moncton, N.B., Hughie was a beloved son of the late Fred and Marjorie (Lewis) Taylor.

Hughie will be deeply missed and forever remembered by his devoted wife of 40 years, Anna; his sons Stacey (Marsha) of Petitcodiac, Scott of Wheaton Settlement, and Jeremy of Salisbury; and his cherished siblings, Martin (Cheryl) of Salisbury, John (Cindy) of Salisbury, Allan (Cathy) of Salisbury, Joanne of Salisbury, and Susan (Danny) of Salisbury. He leaves behind treasured grandchildren: Shelby (Kevin) of Petitcodiac, Ryley of Moncton, Taylor of Petitcodiac, and Lauryn of Moncton; as well as great-grandchildren: Jackson, Amilia, and Alexa. He will be fondly remembered by his brothers- and sisters-in-law, nieces, nephews, and the many dear friends and co-workers who were such a valued part of his 74 years. An incredibly talented craftsman, Hughie built exquisite pieces of wooden furniture, which now sit in homes across the country, a testament to his skill and artistry. He found joy in reading, working in his garage, and spending time with his closest friends. Whether sharpening band saw blades, watching online auctions, or enjoying farming shows on YouTube, Hughie embraced a life filled with simple pleasures. Above all, he adored his family—his wife Anna, whom he playfully teased, and his grandchildren, who brought him endless joy.

Hughie's retirement years were spent doing what he loved: making axe handles, collecting jackknives, and talking tractors. His constructive advice was always appreciated, and he remained content in his shop, immersed in the hobbies and conversations that made his days full.

**Donna Colpitts**  
1946 - 2024

It is with sadness that the family announces the passing of Donna Colpitts, 78, of Colpitts Settlement on October 15, 2024. Born in Salisbury, she was a daughter of the late Alfred and Irene (Bleakney) Carr.

Donna is survived by her children Darrin (Lisa), Vicky (Derrick), Aricka (Roger), Jodi (Darren) and Travis; her grandchildren Danielle, Alexandria, Taylor, Vanessa, Hayden, Jacob, Noah, Savannah, Jaxen, and Chase and great grandchildren Chatham and Tilly.

Donna was predeceased by her husband Roy and her grandson Brody. Mom always put her children first. Whether it be the wonderful Christmas' with all the presents under the tree or getting new clothing for school. She made sure we all had everything we needed.

Mom's love for animals was widely known. She would take any cat or dog into our house and call them her own. God forbid she caught someone abusing an animal!!

Donna was involved in the Moncton Fur and Feather Club. Her and Dad loved going to the shows talking to her club friends and hopefully winning a trophy or plaque. She also involved her four oldest grandchildren with the club. They enjoyed it as much as their grandparents did.

There will be no more calls looking for recipes or questions about long lost relatives.

You're at peace now, say "Hi" to Dad and Brody for us all.

There will be a private service held at a later date.

If desired, Mom would have loved donations made to PAWS (SPCA) Animal Shelter, Abandoned Cat Rescue or Karma Cat Rescue, or a charity of the donor's choice would be appreciated by the family.

**Reginald Alban Thorne**  
1932 - 2024

It is with heavy hearts the family of Reginald Alban Thorne announces that Reg passed away peacefully at home after a period of failing health on Monday morning, September 30th, 2024, with his family by his side.

Reg was born in Salem, N.B. on September 13th, 1932, to Lee and Josephine (Lackie) Thorne and just recently celebrated his 92nd birthday. Reg was a special man, special to his family, to his friends, and his business associates. He grew up in the Salem, N.B. (Havelock) area and moved to Hamilton, Ontario in 1956. He was employed by Consolidated Bathurst for 28 years, returning to Petitcodiac in 1983. During these years in Ontario, he owned a number of rental properties in the Hamilton and Grimsby area and continued this practice upon returning to N.B. Reg and Dareth purchased the Greenside Motel in Saint Andrews, N.B. in 1987. In 1999, they purchased a home which became the Liz-Mic B & B in Saint Andrews and, as they say, "the rest is history". Reg truly enjoyed the tourism industry for the next 25 years and made many friends with both industry members and friends who returned to their establishment year after year. Reg was a good, honest, well thought of businessman. As one fellow tourism operator in Saint Andrews said when notified of his passing, "He was a wonderful man." Reg and Dareth travelled extensively during these years and enjoyed many happy memories of these long winter trips.

Reg met and is survived by his wife, lover, and best friend, Dareth Elizabeth Ryder Thorne in 1955, and they

He is also survived by 2 brothers, Lee Thorne and his wife Marg of Fergus, Ontario, and Deverne Thorne and his wife Doreen of Petitcodiac, N.B.; his sisters K. Dolores Mills (Morton), Havelock, N.B. and Janet Austin (late Harold), Kingsport, N.S.; his sisters-in-law, Debbie McAllister (late Wayne), Saint John, N.B. and Alda Ryder (late Roy Bryant), Havelock, N.B.; as well as many nieces, nephews and good friends.

There was no funeral by Reg's request. A private family burial took place at Fair Haven Memorial Gardens, Moncton, NB.

For those who wish, remembrances and/or donations may go to the Kidney Foundation or the charity of the donor's choice and would be appreciated by the family. Donations and remembrances may be forwarded through [www.wallacefuneralhome.com](http://www.wallacefuneralhome.com).

## Don't fail to Share

1 Peter 3:15 *"But in your hearts revere Christ as Lord. Always be prepared to give an answer to everyone who asks you to give the reason for the hope that you have. But do this with gentleness and respect"*

By the time you read this, the Provincial election will be over. A federal election may be looming and our neighbours to the south will be headed for the polls. And there will probably still be conflicts in the world around us, as countries fight with each other.

Because of this conflict, some people talk about how we must be in the "End Times" and that Christ should soon return. That is possible, but as Jesus put it, it's none of our business. (My paraphrase).

Mark 13:32 says *"But about that day or hour no one knows, not even the angels in heaven, nor the Son, but only the Father."*

But what Jesus does make our business is that we are to be ready. Luke 12:40 says *"You also must be ready, because the Son of Man will come at an hour when you do not expect him."*

We, as servants of Jesus Christ, are to be ready, and being ready means making use of our time wisely.

This includes our sharing the good things that we have, both in our physical things and in our spiritual things. Both are important and work together. And the sharing is to be done out of our love for Jesus and for the people we are sharing with.

If the message of the gospel is true, then the eternal destiny of every human being rest on their relationship with Jesus Christ and their trust in Him.

How can you and I not share that message with those around us? It is the most crucial message we could give them. A message of hope in a world that is full of despair.

We are well into the fall season and headed toward Christmas and then a new year that may look uncertain to some. As Christians, let's give someone hope today by sharing our faith in Christ with them.

The Town of Salisbury is, once again, proud to partner with Royal Canadian Legion Br. 31 on the Legion's continuing Veterans Banners program. Banners commemorating military veterans, past and present with connections to the Salisbury region, have been installed on poles along Main Street, Fredericton Road, and River Road. In year-three of this program there are now over 100 banners, each sponsored by family and friends, designed by Goggin Signs & Graphics, with the Town taking care of installation.

As well, the Legion will host its annual Remembrance Day Ceremony on November 11.

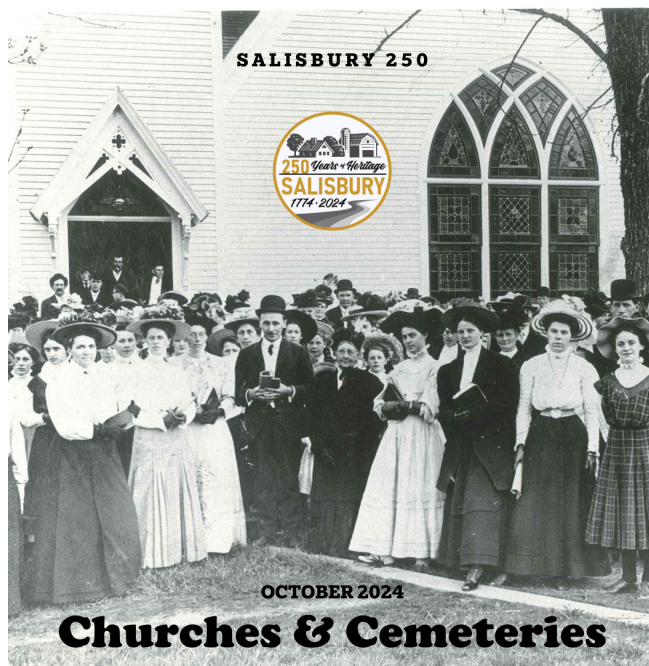

Meantime, the November Salisbury 250 theme will be Veterans.

## Salisbury 250 Focused on Churches and Cemeteries in October

Arriving from Yorkshire, many of the first permanent settlers of Salisbury were members of the Church of England; though, the first protestant church in the area was Baptist. Following shortly thereafter, United, Anglican, and Roman Catholic churches were erected within the Village as well. The first Baptist Church was a log cabin built about 1800. Due to its early presence, it is believed that many of the Yorkshires adopted this faith, as the Anglican Church wasn't constructed in Salisbury until 1887.

The establishment of the Baptist Church is largely due to Rev. Joseph Crandall. To read more on him and his impact in Salisbury, visit our Salisbury 250 Banner Program webpage here: <https://salisburynb.ca/salisbury-250-banner-program/>. Pictured here is the church choir in front of the new church hall that was built in 1900, taken around 1910. R.A. Brown (also listed in the banner program) was the choir director and can be seen in the front row holding a book. The United Church in Salisbury was first constructed in 1849 and was originally located where the Salisbury Pharmacy is today. The Roman Catholic Church was constructed in Salisbury either before or during the 1850s. The name, St. Jude's, was chosen as it was originally thought hopeless to even consider having a Catholic Church in Salisbury, leading to naming the church after the patron Saint of Hopeless Causes, the Blessed Saint Jude. There are also many cemeteries in the area; though, it is unknown which is the oldest. According to George Taylor's History of Salisbury book, there are three on the Salisbury Back Road, all believed to be in use in the early 1800s and probably before. These include the Pioneer Cemetery, the Burnt Hill Cemetery, and a private family burial ground. Other private burial grounds in Salisbury include the Wright family cemetery (on the Salisbury Road) and the Parkin family cemetery (off Parkin St.). Today, there are almost over a dozen churches in the area, along with several cemeteries.

### Trail Counter Data for Highland Park and Wetland Trail

The Town of Salisbury has partnered with the Fundy Biosphere Region to collect data using trail counters at Highland Park and Wetland Trail throughout July and August. This helps us understand how our beautiful outdoor spaces are being used and ensures we continue to provide the best experience for all visitors.

Here are some takeaways from the trail counter data:

- Average daily trail use was 92 people
- The park was most used at 7:00 PM
- The busiest days of the week were Saturdays, Sundays, and Mondays
- The busiest day was July 1 (Canada Day) at 446 counts
- Nearly 6,000 users between July 1 and August 31

Thank you to everyone who enjoys these trails and contributes to keeping our parks active and vibrant!

### Trees Planted Through Partnership with Tree Canada

In recent weeks, the Town of Salisbury has undertaken tree planting in select locations across the municipality with funding support from Tree Canada. This includes planting of 12 trees (four red oak, four greenspire linden, and four red maple) in Spring Garden subdivision in a central greenspace off Roxboro Court. This Summer, the Town formally acquired this land from the Provincial government. We look forward to consulting with residents in the months ahead on potential uses for this space in the future. Additional trees have been planted at Highland Park with select trees remaining to be planted in the coming weeks. The Town would like to thank Tree Canada for their partnership and financial support towards this year's tree planting efforts!
