From the Editor

Easter weekend here in our local area weather was quite nice, if you take out the wind. The shocking thing that happened was that Pope Frances passed away on Easter Monday, after being seen on Easter Sunday doing his duties, seeing people.

Thanking everyone that stopped by our booth at the Radical Speed Sport show.

The Petty Autofest is planed for Sunday, June 1 st , vehicle placement will begin at 9am. Registration is by donation. Last year was the largest show that has been since the beginning of the show in 2006.

We at the Local News Views wish all of the Mother's, Grandmothers and Mother-in-Laws a Very Happy Mothers Day, May 11th!

Finally, the extension on the Museum is nearly finished, it will make room for more displays, that are waiting for their new home.

May means that the racers are getting underway for the summer. Exciting News: 2025 COMBINED INTERNATIONAL Petty Raceway / River Glade Speedway **AUGUST 23, PETTY INTERNATIONAL RACEWAY • AUGUST 24, RIVER GLADE SPEEDWAY COMBINED EVENT, INTERNATIONAL OVERALL WINNERS DETERMINED AT RIVER GLADE SPEEDWAY.** This race originated at River Glade Speedway in 1965 and has only missed 1 year since its beginning. The race was moved to Petty Raceway when River Glade Speedway was not operating.

May 19th is Victoria Day. This can be a busy weekend as many open their cottages for the summer, some plant their gardens while others do sports.

From your editor,
Winona McLean

Motherhood

by Gloria Scribner

I could well have entitled this "The Ides of March" because I was born at the end of March and was always a dreamer, with good intentions but like so many other moms, life happened!

I'd have seen the world but my apron strings were tied to my priorities.

I'd have remained single but someone smiled at me on a cold February night and I married him.

I'd have walked a runway but maternity clothes weren't really in vogue.

I'd have run a marathon but was too busy chasing after 12 children.

They were my marathon.

I'd have become a singer but my voice was tied up in lullabies.

I'd have loved to dance in a ballroom but my kitchen became the only ballroom I ever needed and my children's giggles my orchestra.

I'd have owned an elegant, 5-star restaurant but my daughters were the only stars I needed in my kitchen.

I'd have been a heroine in a page of history but my sons were my heroes.

I'd have married a millionaire but someone's blue eyes and contagious laughter was enough.

I'd have sailed the seven seas but just observing a little boy with a paper sailboat was all I ever needed for my dreamboat.

I'd have been a diplomat and travelled

'round the globe on peace keeping missions but "keeping the peace" at home, or trying to, was so much more challenging.

I'd have studied medicine but was too busy putting Band-Aids on little knees and kissing their owies to take the time.

I'd have become a pharmacist but the fields and woodlands were calling my name and my "little ones", baskets in hands, tugged at my heart to "come and pick berries and mushrooms and greenery and dig roots", the healing kind. And of course "kisses" made every hurt better.

I'd have been a politician, but my 12 member debating team held me hostage.

I'd have been a preacher but fell far short of the necessary requirements. My congregation was mostly in diapers with food on their faces and time on their hands (as well as dimples) who demanded answers to the whys, whats and whens that I could never completely answer - so I took their hands and watched as they let go of mine, and went off to be the best they could be, and I looked in a mirror one day and realized, I was too old, and too tired, but I'd have been a great something.

Then I realized I am a Great grandmother and that's more than enough for me.

All Proceeds to be Donated to the Salisbury Legion

PETITCODIAC KIWANIS NEWS

During the month of April, Kiwanis donated \$1000 to Petitcodiac Regional School Dragon Boat Team and also \$500 to the Petitcodiac Regional School Junior Prom.

On March 25th, we were pleased to host the owners of Beltone Sussex, Josh and Celia Hayes, to show our gratitude for their continued support of our annual Seniors Christmas Dinner. Beltone Sussex has donated the turkeys for our dinners since the start of the dinner five years ago. Along with dinner, we watched the Kiwanis Senior's Christmas Dinner video, which shows just how much goes into this dinner. (Video is available on our Facebook page.)

On April 5th, our arena canteen was open for the Petitcodiac Figure Skating Club's ice show "Cheers to 50 Years".

On April 15th, we hosted our annual Farmer's Night, at the Petitcodiac Legion. Many of our local farmers attended the event, which included a roast beef dinner and guest speaker, Mayor Peter Saunders. This is an annual Kiwanis event which pays thanks to our farmers for their contribution to our tables and community.

On April 26-27, our Arena canteen was open for the Flyball Tournament, featuring many amazing dogs.

As always, our arena canteen is open

PICTURED LEFT TO RIGHT: SUSSEX BELTONE OWNERS, JOSH & CELIA HAYES, WITH KIWANIS PRESIDENT LEN DUNFIELD

not only during the hockey season but also special events at the arena. Keep up to date by checking our Facebook Page.

As this issue goes to print, we will have hosted our Trivia Night on May 2nd. It's always an entertaining and competitive evening! Check our Facebook page for the event summary and winners.

Just around the corner:

From May to mid-June on Wednesdays, our Arena canteen will be open during Ball Hockey. Our canteen offers everything from hamburgers, hot dogs, fries, onion rings, poutines, chips, chocolate bars, pop and more. Hours will be announced.

On Saturday, May 10, we will be having our Spring pancake breakfast at the Petitcodiac Legion. Proceeds will support the PRS Class of 2025. Breakfast goes from 7:00am until 10:00am. Cost is adults \$10, children(5-12) \$5 and children under 12 are free. Breakfast includes pancakes, sausages, eggs and more. Tickets are available from Kiwanis Members or at the door.

Graduation is fast approaching. If you know someone who is graduating from Petitcodiac Regional School in 2025, they can get information about Kiwanis Scholarships from their guidance counsellor.

The Kiwanis Club of Petitcodiac is always looking for new members. If you're looking to give back to your community while meeting new people and having some fun, give Kiwanis a try. Join us at one of our biweekly Tuesday meetings to see what we are about. Check out our Facebook page (Kiwanis Club of Petitcodiac) to see pictures and info on our events. I'm having a garage sale next week. Please don't come if I've ever borrowed anything from you.

If you ever get lost in the woods, start talking about politics and someone will show up to argue with you.

Riverdance was invented by an Irish family with 8 children and only 1 bathroom!

At a restaurant, I don't mind if I order fish and it comes with a head on it, however I do mind it when I order beef.

I had a great time horseback riding today, however, I was sad when I ran out of quarters.

If there was a regulation about the preparation of cabbage salad, would it be cole's law?

It was said that many years ago, Dolly Parton put on so much make-up that you could carve your initials in her face and not draw blood. Now that's putting it on thick!!!

In a book I read, the priciest hotel room is Switzerland's President Wilson Hotel, where the penthouse suite will set you back \$ 65,000.00 a night! Now that's an expensive snooze! At that price, you can be very picky about the food... hey, where's my lobster, caviar and martini?? Oh, don't forget the tip the bellhop with a hundred dollar bill!

Groucho Marx once said...I find television very educating. Every time someone turns on the set, I go to another room and read a book.

Someone told me that when they went to Ontario last summer to visit relatives, they took in a car show. A sign at the entrance gates read...IF IT DON'T HAVE CHROME THEN TAKE IT HOME! Kinda speaks volumes about what they want you to bring.

The highlight promises to be a relaxing 90-minute cruise down the magnificent Miramichi River (fingers crossed for sunshine!). Leave the driving hassles behind and simply soak in the stunning views while enjoying great company.

The cost for this delightful excursion is \$100 per person. Spaces fill up quickly, so if you're ready for fun, call Ann at 506-756-8998 soon for all the details and to reserve your spot!

Mark Your Calendars!

Before the big bus trip, don't forget the next **Luncheon gathering is on Friday, May 16**, from 12:00 to 1:30 pm. It's always a wonderful opportunity to connect with friends and neighbours.

And looking further ahead, start dreaming of summer sweetness! Plans are underway for a **Strawberry Festival in July**. Keep an eye out for more delicious details coming next month.

Important Updates for Seniors

On the practical side, applications for the provincial **New Brunswick Low-Income Seniors' Benefit** are

now available. This program offers financial support to eligible seniors. For information on eligibility and how to apply, visit the Government of New Brunswick website (gnb.ca) and search for the "Low-Income Seniors' Benefit," or contact Service New Brunswick for assistance.

In health news, thanks to the advocacy efforts of the New Brunswick Senior Citizens' Federation (NBSCF), seniors aged 65 and over in NB now have **free access to the high-dose flu vaccine**. This enhanced vaccine provides stronger protection against influenza, reducing the risk of severe illness. This is an important step in supporting seniors' well-being, so speak to your pharmacy or healthcare provider about getting this added protection.

Share Your Ideas!

Do you have an idea for an interesting speaker or an engaging presentation topic for future group meetings? Your input is valuable! Suggestions are always welcome. Please contact **Salma** at 506-688-2831 or email her at salma@offgridadventure.ca or connect with her on Facebook. *The Anagance Seniors Group looks forward to seeing you at these upcoming events and continuing to build a vibrant, active community!*

ELGIN NEWS!

News from the Elgin Seniors Club!

News from the Elgin Seniors Club!

Happy summer.... almost! Time to begin to think about gardens, and flowers, and awakening the farm to new life. May is an important month for the community. Most importantly, May 31 is the Community Yard Sale event. The Elgin Seniors is participating in the community-wide event organized by the Community of Three Rivers. You can contact us (see below) if you want to set up a table at the Seniors Center. Rental fee is \$10. You can find our location on the Three Rivers Community Yard Sale map that will be available soon.

Reminder to contact us to book your summer events. We have a comfortable space, a spacious full kitchen, a check-in desk, large coat rack, etc. Participants of your event or meeting will enjoy meeting in this space for up to 65 people. See below for contact information.

Reminder about upcoming Seniors Club events:

Mark your calendars!

May 31 – Yard sale launch date.

Start planning now to donate your items, or to set up your own table. Yard sale dates are **July 12, Aug. 10, and Sept. 27**. See you at the sales!

ALSO, on **May 31, the Elgin Seniors** will have the **canteen open** with refreshments during Eddie Poirier's event at the Community Center (at the Elgin Fire Dept.).

September 6 – Annual Cold Plate supper. More details in upcoming News & Views articles and on Facebook.

The **Adult Health Screening Clinics (AHSC)** will hold 2 sessions during the summer months at the Elgin Seniors Center in Elgin. The first one is **June 12 from 12 to 3pm**; two members from the Petitiocodiac Health Clinic will be on site to provide the services. We cannot stress enough the important early basic health screenings. The team will check temperature, pulse,

respirations, blood pressure, O2 Sats (oxygen saturation), weight, height, teaching resources, blood glucose testing. They will be able to answer questions, too. The 2nd summer session is in August...stay tuned for a date.

Calling new members: We are always looking for individuals to join the **Elgin Seniors Club**. Our meetings are **every 3rd Monday** of the month at 1pm. The Seniors Club is open to individuals over age 50!

Stay tuned to Facebook and your News and Views for announcements and activities at the Elgin Seniors Citizens Center during the coming months.

ALL SENIORS CLUB EVENTS ARE AT THE ELGIN SENIORS CENTER, 1866 ROUTE 895, ELGIN.

Please call June Crandall (506-756-8443) if you would like to book an event.

Last month I talked about that article "The Antisocial Century" by Derek Thompson, and about how most of us are not only lonelier than we are willing to admit, but also probably more lonely than we even realize. I left you off by letting you know that the EEA is a great place to get involved, and that volunteering is a great low-stakes way to practice your socializing while getting the external reward of people telling you how amazing you are for helping the community so much. So hopefully I have you convinced you're all set to come and get involved with the EEA, but what can you do to actually help?

Well, the first thing you can do is to become a member. Membership in the EEA is a great way to support us financially and stay involved through our monthly email newsletter. Membership for a whole year is just \$10 for an individual or 20 per family, and it also entitles you to borrow our kayaks, fat bikes, and snowshoes (which is seriously a ridiculously good deal). Or if you're more into awesome stickers you can support the work on our trail system by purchasing a trail pass for \$30.

Another thing you can do is get involved with our summer activities. The tentative plan is to host five nights of community family-friendly fun. These nights will kick off with a guided outdoor activity, either a hike, bike ride, or kayak trip, for those not interested in that though (or once you come back) you can come to the park for a BBQ provided by the EEA, and a social evening event

(we're thinking campfire, movie night, or live music if we can get it). If you have a band, or other type of entertainment, if you'd like to lead a trip, BBQ a hot dog, or if you'd just like to participate send us a message and come on out.

Another project we are really concerned about getting help next winter is our ice rink. This project is a lot of work, some years it's a really satisfying thing to help with, when the weather is just right and people are out skating all the time, other years it's the same amount of work and the weather just doesn't cooperate and we can't open the rink. At a recent meeting one of volunteers said he wouldn't be able to continue to take a leadership on the rink project without a new set of knees, so if you'd like to get involved with this and can do a bit of physical work it's a great time to learn the role from an expert

If you can't (or aren't ready yet) to do any of that another great way you can help us is by drinking for the EEA! If you drop off your recyclables in the tent at our collection spot on River Road in Elgin Every can of pop you polish off can go towards making our park an even better equipped community hub and keeping the cost of EEA camp affordable for the kids in our community. At \$50 for kids who are EEA members (\$100 for non-members), it's our supporters who keep this camp at or below the cost of feeding a kid lunch for the week, not to mention the day-time outdoor activities in and around Elgin led by our volunteers.

If you would like to volunteer, have your band play at the park, send your kid to camp, or if you have a fresh set of knees and are interested in getting involved with our rink project: send us a message or check out our website/ facebook page for more details.

Elgin Women's Institute

April Showers Bring May Flowers...or so the saying goes!

The Elgin Women's Institute is looking forward to the warmer weather and all the activities that can take place when people enjoy getting out and about in communities.

We will be bringing in a new slate of officers this year and look forward to getting together with present members and hopeful new members.

Our regular monthly meetings (third Thursday of each month) are held at the EWI Hall (32 Gowland Mt. Rd.). Start time is 7 pm where we plan activities and possible fundraisers. Our Branch is part of the larger organization called the Petitiocodiac District Women's Institute.

Most community groups have a few business items to review in their monthly meetings and the WI (Women's Institute/ Inspiring Women) is no exception. Because we own our building we have to maintain a good sized budget for upkeep and repairs which is very challenging in

today's economy.

We would appreciate feedback from the community as to what sort of fundraiser you would attend and/or participate in. We have a great facility to host gatherings of any kind (meetings, receptions, sales, family gatherings, etc.). Rental fees are compatible with most other halls in the area. Our clean and bright kitchen is a very well equipped and workable space.

The EWI has a younger membership from a wide variety of backgrounds. The invitation is open for you to come to a meeting...(note the time stated above.) Please drop into a meeting to see for yourself. "We are women working for positive change: to help relieve poverty.... to help improve health and safety....to provide education for all and to enhance life skills...and, to promote community connections and cultural pride."

Check out our Facebook page (Elgin Women's Institute) and leave a message or ask questions.

Next meeting is our AGM Thursday May 8th 2025, 7:00pm

at the Elgin Senior Citizen's Centre

Elections will be held and Summer Camp Registration will open, first come first served.

Come to the AGM or email us to become a member for just \$10/year (\$20/family). Membership grants voting rights in EEA meetings, discounted camp rate, and also the opportunity to borrow kayaks, snowshoes, and fat bikes.

event for the year - our banquet and AGM.

So, goodbye Cheers to 50 Years. It was a great show
and I hope you got to see it.

Even though we are finished in Petitcodiac for the season and spring
is hopefully arriving soon, skating doesn't stop. Many of our skaters are
participating in spring school at Moncton Mariposa. We will be back next season,

Hello from all of us at The Pantry!

It's hard to believe it's a new month
already and May is here!! April 30th was
Stop Food Waste Day! At The Pantry we
try our hardest to reduce food waste all
year long! Last year we recovered and
gave away around 10,000lbs of food.
Here are some ideas to help reduce food
waste at home. Brown bananas? - Sounds
like banana bread time... An overripe
avocado? - It's guac potential... Veggies
looking sad? - How about some soup...

If you have purchased something and
realized you don't enjoy it, feel free to
drop it off to our Community Table or
Fridge for someone else to try. You can
also drop off glass maple syrups bottles,
mason jars, egg cartons and re-usable
bags. We share with our producers or
use them here at the store. We are also
accepting donations for our indoor yard
sale that's open on Saturdays in our
warehouse.

We have some tasty meals coming up in
May, along with our regular fresh salads,
soups & treats that we make each week
in our licensed kitchen to help support
The Pantry.

May 7-10 - Local Pork Tenderloin Dinner
\$12, Dill Pickle Pasta Salad \$5

May 14-17 - Soup, Maple Curry Noodles
\$6, Chicken Salad \$7

May 21-24 - Turkey Dinner \$12

May 28-31 - Lasagna \$10, Caesar and
Chef Salads \$8

If you would like to pre-order, please
call the store during business hours
506-331-0088 or message us on
Pantry.

facebook.

Our local food box program is available
each month to anyone in the community.
We subsidize 30 boxes at \$25-\$40,
whatever works for your budget. We also
offer the same food box at the retail cost
of \$50. This is still a great value for the
amount of food you receive in the box.
It also helps support local farmers and
The Pantry, as the dollars received goes
directly back into the program to help us
subsidize boxes.

Last month the box included: 2 dozen
eggs, 1lb ground pork, 1lb ground beef,
1 pack of sausages, 5lbs potatoes, 2bs
carrots, 1 cabbage, 1 bag of local lettuce
and 2lbs of apples.

Please feel free to reach out for more
details or to order a box! If you are a
local business who would like to become
a sponsor, we would greatly appreciate
it and can provide a charitable tax
receipt.

As summer nears, we would like to
remind everyone of the Petitcodiac
Farmers Market which will start the
end of June on Thursday nights again
at Veterans Park on Main Street. We are
always looking for new vendors to bring
variety to the market!

We are located at 55 Main Street in
Petitcodiac and our current hours are:

Wed - 10:00am - 5:00pm

Thu - 10:00am - 6:30pm

Fri - 10:00am - 5:00pm

Sat - 10:00am - 2:00pm

We are always looking for new
volunteers so if you would like to get
involved, feel free to stop by and say
hello! We hope you have a lovely month
and hope to see you soon, at The
Pantry.

Victoria Day holiday
Monday May 19, 2025

From the Desk of Your MLA Tammy Scott-Wallace, Sussex - Three Rivers Celebrating mothers, medals and maple

Mother's Day is a time to honour and celebrate the incredible women who have shaped our lives. As I reflect on this special day coming up May 11, I am reminded of my grandmother Yvonne Muir, a remarkable woman who raised 12 children in Belleisle Creek. Her strength, resilience, and wisdom weren't flashy, but the lessons I gained over endless pots of tea and countless hours spent scraping new potatoes and snapping beans for hodge podge were plenty. These moments are etched in my memory, and they have profoundly influenced who I am today. That grassroots upbringing was a gift.

One of my happiest places is when I am up to my neck in sterilized pickle bottles, canning everything from dill pickles and pickled fiddleheads to red pepper jelly and salsa. I see it as a celebration of tradition and the skills passed down through generations, and one I like to share with my kids.

Moms, whether through their important work at home, community organizations or workplaces, are champions in so many ways. They lead, they nurture and uplift.

And as a mother to two excellent young people, I can easily say there is no better job.

In other news, as MLA I am happy to support several community organizations in the Community of Three Rivers with SEED students. This summer you will find these young people at places like S.P.O.T., Maritime Motorsports Hall of Fame, the Community of Three Rivers, The Pantry, Boys and Girls Club, and Football NB. Many of these employers are still accepting applications so encourage the young person you know to check them out.

On April 12, I had the pleasure of attending the Petitcodiac Regional School's dinner theatre with my mom at the Legion. The cast and crew of Puffs were exceptional, and the meal was excellent. It was a wonderful night that highlighted the talent and dedication of our local students and the contributions of the school staff, volunteers and community that support them.

Another highlight recently was presenting the King Charles III Coronation Medal for outstanding contributions to their communities to residents of the Community of Three Rivers, June Crandall of Elgin and Kim Chambers of Petitcodiac.

June's involvement in the Elgin Women's Institute, Elgin Seniors Club, Elgin Eco Association, Salisbury-Havelock-Elgin-Petitcodiac Community Advisory Committee, and the Friends of Jordan Life Centre is truly commendable. She also spearheads the Adult Health Screening Clinic in Elgin, which bridges rural healthcare gaps, and serves as the

copy editor of the Connecting Albert County newsletter. June's dedication to her community is inspiring, and her efforts have significantly improved the quality of life in Elgin and surrounding areas.

Kim is another exemplary volunteer. Her involvement in the Westmorland County Agricultural Fair, the Petitcodiac Legion, and The Pantry not-for-profit food hub is invaluable. Kim organizes countless benefits for people in the community facing hard times and leads fundraisers for various causes, from church to minor hockey. Her willingness to help wherever needed is a lesson she has passed on to her children and grandchildren, and her contributions have made a lasting impact on her community.

Before I go I have to give a big round of applause to our maple producers who worked so hard this spring to bring us the liquid gold we will savour all winter long.

In early April I visited Beaman's sugar camp in Prosser Brook where I experienced a maple production operation as traditional as you will find anywhere, and with the most wonderful family. (pictured below) Paul Beaman's grandfather started producing maple syrup on the same land when it was deeded to the family in 1858 for that purpose. Paul still works alongside his sons and grandchildren - these grandchildren represent the sixth generation - boiling the sap and producing the sweet treats that come from their 14,000 taps. I had the best day and am so grateful to Paul and his family for being incredible hosts.

Have a wonderful month of May, and don't forget to show your love to the amazing moms, sisters, aunts, grandmothers and all other motherly figures in your life.

Introducing “Summer of History” taking place between May 16th and September 4th

Did you know that there are over 110 heritage sites in New Brunswick that are open to the public? Many offer services in both French and English, and visitors are invited to tour our historic villages, heritage homes, civic buildings, art galleries, former industrial and military sites, and so much more. Make this the year to discover our province's unique and diverse heritage during “Summer of History”! Visitors enter to win great prizes every time they visit one of our participating sites. This initiative is presented by Association Heritage NB and New Brunswick Museum, supported by Tourism, Heritage and Culture NB. Event and contest details will be available soon through www.summerofhistory.ca.

understand the heritage assets that we have in our own back yard”, says Lawren Campbell, President of Association Heritage NB. “With an expected increase in travel this season, directing visitors and tourists to our museums and heritage places will only enhance their experiences while touring the “Picture Province”. Culture is a large motivator for international travel; it is time for us, as a

Mark your calendars for the “Summer of History”!

“Now more than ever, it is essential for New Brunswickers to explore and

the visitor season between mid-May and September. People will learn about small rural museums, lighthouses, large historic villages, visit monuments and art galleries, and discover city museums.

They are encouraged to add these experiences to their summer plans.

Once visitors enter one of the museums, historic sites, art galleries and other participating sites, and they pay admission or make a donation, staff will share with them a poster with the contest link and QR code, where they will be able to enter the “Summer of History” contest. Prizes will include: Entry to several New Brunswick based Federal and Provincial Parks, dining experiences, spa treatments, glamping and hotel stays, and outdoor adventure packages. Draws will take place weekly with the Grand Prize worth \$1000 to be drawn November 5th during the Annual Conference of the host organization Association Heritage NB. The Grand Prize draw will remain open until October 15th, encouraging fall visits to sites that are open later in the season and highlighting museums and galleries that are open year round.

Also included is “Love Your Covered Bridges Days” taking place over a 10-day period beginning on July 26th and ending on New Brunswick Day on August 4th - we are the Covered Bridge Capital of the Maritimes! There will also be special features for National Indigenous Peoples Day on June 21st, and Acadian Day on August 15th. Our province is rich in diversity and now is the time to visit and learn more about our inspiring cultural heritage places.

Leading this project are the Association Heritage NB, New Brunswick Museum, Kiers Marketing, Kings County Historical Society, Lutz Mountain Museum, the Francophone Museums of NB with support from the University of New Brunswick and Tourism, Heritage and Culture NB. Prize sponsors (to date) include Cape Enrage, Poley Mountain Resort, Kings Landing, Broadleaf Ranch, Friends of Fundy, Hopewell Rocks Provincial Park, Baymount Outdoor Adventure and the Museums of South East NB. Exciting new events and prize sponsors will be announced soon!

History Walk 2024 - Part 5

by Cathy Drury

As we continued our walk past the former home of Dr. Richardson several shared the memory of the parrot and its choice of “salty” four letter words. I do know from my own experiences at the age of 4 that that bird could make a sailor blush. One in the group commented that it was the first time they had ever heard the “f” word from any source, human or otherwise.

We continued towards the corner of River Road and Old Post Road, remembering that all of the buildings that had been destroyed by the 1913 fire had been replaced by many of the ones we know today.

On the corner is the present home of R. and J. Harper. (1980) It was built by lawyer Uz King. Doing research for the walk we found several references to Mr King’s sense of humour and his work in the community. He was one of the first Commissioners in the area. After Mr King the house was sold to Jack Davidson, then to Sandra Geldart and was the location of Ella’s Flower shop for a short time.

The next location was the home to the Lockhart family. Several members of this family served in World War One. Ina Lockhart, a Harvard trained nurse, served as a nursing sister. She wrote a weekly newspaper called the Village Weekly that sold for 5 cents. Ina was a person who wrote at every opportunity, poetry, diaries, plays, letters and the weekly paper. In 1950 she interviewed the older community members and wrote about the early years, 1787 first settlers, of the area in the Weekly paper. A tremendous source of accurate local history. Parts of Ina’s diary written as a nurse, are being included in author Rev.Ross Hebb’s book about nursing sisters from World War One. Ina was one of the first telephone operators in the community, she taught First Aid to those in the area interested in learning to help others and she took part in and organised plays and musical events. The Lockhart’s, a prominent family, were people who cared about

their hometown, its history and its future. She often referred to Petitcodiac as Where the River begins...Many of her and her brother Frank’s papers, letters and uniforms are in the Three Rivers Community Museum.

Next we come to the building that is home to the S E Insurance Office, Gary Lounsbury. This building has a varied history of businesses including a farm supply store run by Ross McCully. It was also the location of the Cozy Cafe, 1994, a very popular Restaurant in the area. Eye doctors, U.A. P. and clothing store, a temporary location following the Stedman’s fire. Most comments from the group at this spot was, “Gee I wish that the Cozy was still open” ..

Also in this general area was the location of the “Jive Hall” Now here I have to admit that the Museum’s research team has not had a lot of luck in tracing its history. There are conflicting stories of the exact location, where it was moved to or if it was torn down. One related that it was moved to Church Street and became a private home, another was that it was sold as a shed, and is on private property here in the Community. I recently asked the graduating class of 1965 for their memories of the building. Wow, all I got was some giggles and laughter followed by silence. I was able to obtain one picture of the inside of the building, thanks to Edith (MacPherson) Morton. Her comment was that the teens used to have a terrific time there learning all the new dance steps as they listened to the jukebox play.

Here ends the history walk for 2024. I am already researching information for the rest of Main Street for the walk in 2025, date to be determined. If anyone has information they would like to share please reach out.

I must also mention that many in the group continued on with Joyce Barbour to Burlington Park and she spoke of future plans for this location.

Thank you to all who attended, See you in the fall.

OBITUARIES

**Grace Branscombe
1933-2025**

With heavy hearts, we announce the passing of our beloved Grace Marion (Steeves) Branscombe, who departed this world on March 19, 2025, and is now in the presence of her Lord and Saviour. A devoted wife, mother, grandmother, great-grandmother, and friend, Grace's life was a testament to her unwavering faith, boundless love, and generous spirit.

Grace, 91, of Lakeview Manor and formerly of Cornhill, passed away peacefully at the Moncton Hospital, surrounded by her loving family.

Born on June 2nd, 1933, in Moncton, NB she was the daughter of the late Lloyd and Bessie (Duffy) Steeves. She grew up in Bridgedale, now known as Riverview, in a loving home with her two brothers and two sisters. After high school, she attended Oulton's Business College and worked as a secretary at Blue Cross until she married the love of her life, Everett Branscombe. Together, they built a home filled with love, faith, and hospitality—a place where everyone was welcome.

Grace was guided by her deep faith and was a dedicated member of Cornhill Baptist Church, the Women's Missionary Society, the Women's Institute, and served as a Mission Band leader. She loved the Lord and devoted her life to serving others. Whether she was hosting church gatherings, welcoming missionaries, or simply opening her home to anyone in need, she shared God's love in all that she did.

She enjoyed farm life, family gatherings, Nancy's Bus Tours, and drives in the country. Grace was never happier than when she was on the tractor, heading to the camp, often with a wagon full of kids and grandkids in tow. No trip to the camp was complete without her famous biscuits baked in her wood-fired stove.

She is survived by her children Jeannie Steeves (David), Lillianne Townsend, Helen Jennings (Roy), Lloyd (Ruth), June Teakles (James), Vincent (Judy), Nancy Carhart (Jeff), and her chosen daughter Diane MacKay; her sister-in-law Helen Steeves; thirteen grandchildren; seventeen great-grandchildren; and several nieces and nephews.

Grace was predeceased by her beloved husband of 64 years Everett (2016); her sisters Ruth Smith (Ken) and Irene McAllister; her brothers Emery Steeves and Douglas Steeves; her granddaughter Dr. Janice Townson; and her great-granddaughter Kelsey Benoit.

Arrangements are in the care of Salisbury Funeral Home (506-372-4800) with visitation on Saturday, March 22,

OBITUARIES

from 5 pm-8 pm. A celebration of her life took place at Cornhill Baptist Church on Sunday, March 23, at 2pm, officiated by Major Marie Hollett, assisted by Pastor Lee Mitton. Interment will take place at a later date.

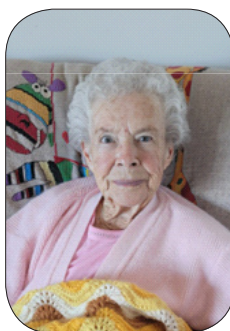

A reception will follow at the Cornhill Community Hall.

If desired, donations in memory of Grace can be made to Cornhill Baptist Church or The Salvation Army, causes dear to her heart.

"Well done, good and faithful servant... enter into the joy of thy Lord"

Rest in peace, dear Grace. Your love, faith, and kindness will remain with us always.

Putting up preserves was a project she prided herself in.

**Garry Corey
1946-2025**

On Tuesday, March 25, 2025, our father, Garry Corey, passed away holding the hand of the love of his life Darlene, surrounded by his family and supported by love.

Garry was born in 1946 to Russell and Erma Corey in Springhill, NB. As a child he lived and attended school in Canaan NB, or God's Country as he liked to call it. But it wasn't long before he headed to Havelock to continue his schooling and meet the girl he would marry. Garry and Darlene would share a lifetime of happiness that started when they were barely teenagers. At only 15 years old he headed to community college in Saint John (the same one his daughters and grandson would later attend) to study auto body repair and so began a career that spanned nearly six decades. His first job was in Sussex, he next moved onto a garage in Moncton. From there, he opened his own shop in Havelock, Corey's Auto Body Repair, this would be the same business he would retire from in 2021. But Garry was not only dedicated to his trade he was also a loyal husband of nearly fifty-six years, a loving father, a fun loving grampy, a great friend and a man who loved his community. Over the years he was a member of the Royal Canadian Legion, the Masons and for over forty years he was proud to serve on the Havelock Volunteer Fire Department. Garry was never an idle man; he needed to be busy. On any given day if he wasn't working up at the garage you could find him working in the yard, getting wood ready for the winter, fishing, four wheeling, at poker nights with Graham and the boys taking his money, catching up on the gossip at the morning meeting with the boys at Charlie's or just tinkering away at some project. But one of his favourite pastimes was just going for a drive with his best friend, Darlene. He was an animal lover who would try and tame every wild animal he could get close to, especially the squirrels. Anyone who met Garry would tell you he loved to tease and had a great sense of humour and even in the toughest of times, this never wavered.

Garry leaves behind and is deeply missed by loving wife Darlene (Steeves), his eldest daughter and son in law Lisa and Denis Côté, his second daughter and son in law Chrissy and Kevin Chambers,

OBITUARIES

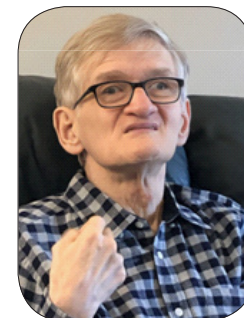

his three very special grandsons Aidan, Ryan and Nathan and his favourite granddaughter Jenna. Garry's sister Carol Van Kestern, brothers-in-law Clinton Steeves (late Pauline) and Pete Ryder, sister in law Pat Steeves and several nieces and nephews are also left to mourn his passing.

Garry is predeceased by his mother and father Erma and Russell, his brothers Ronnie and Lonnie and his sisters Trina and Theresa, his mother and father-in-law Thelma and Burpee, his brothers-in-law Claude and Conrad and his sister-in-law Pauline Mann (Aubrey).

There was a celebration of Garry's life Sunday, March 30 at 2pm from the Salisbury Funeral Home Chapel officiated by his friend, Pastor Doug Tatton. Interment at the Greenhill Cemetery.

If desired, a donation in Garry's memory to the Canadian Cancer Society, The Friends of the Moncton Hospital or a charity of the donor's choosing would be appreciated by the family.

Online donations and condolences can be made at www.keirsteads.ca

OBITUARIES

**Robert "Bob" Adsett
1938-2025**

The family of the late Robert ("Bob") Buckland Adsett of Anagance Ridge would like to thank all who reached out with support after his passing on March 27, 2025 at the age of 86.

Bob grew up on the family farm near Guelph Ontario, where he and his wife Marg met in high school. In the early 1960s, they decided to buy a farm in Anagance Ridge, New Brunswick. That much beloved piece of heaven became the lifelong home where they raised their children, a few beef cattle, sheep, pigs and chickens, and the occasional dog and cat, until a few years ago when they moved into Moncton.

Although his childhood was spent in Ontario, it would be hard to find a prouder Maritimer than Bob. He and Marg embraced life "on the Ridge" to the fullest, and the Ridge embraced them and their children back. Bob began working with Agriculture Canada in 1968, a job that gave him the opportunity to travel to farms throughout the east and north of New Brunswick, and to deepen his love and knowledge of the province and its people. In his 40s, he seized the opportunity to learn French, so that he could better communicate with farmers across the province, a decision that opened up a world of new friendships. Bob was deeply devoted to his family and to his community, driving his children to numerous 4-H and other events, sitting on the school board, acting in Petitcodiac Village Theatre, serving as an elder in the United Church and singing in the church choir, and volunteering with refugee resettlement organizations in Moncton. Committed to a life of learning, after he retired he enrolled in the Université de Moncton to study and obtain a Bachelor of Arts in French, an achievement of which he was too humble to brag, but one that made his family immensely proud.

Bob was very curious and well informed (two newspapers a day and the CBC news), loved to read (when his children left home, he converted a bedroom into a reading room), and read widely. He loved helping his neighbours by plowing driveways or taking them to appointments, was generous with his time, enjoyed people dropping by for coffee, and appreciated a comfy chair and a good hug.

Bob was the loving husband for nearly 65 years of Margaret ("Marg") Adsett, father of Robert (Jie)[Kitchener], Hugh

OBITUARIES

(Beth)[The Netherlands] and Susan (Jason)[Toronto], and the very proud grandfather of Connor (Liz)[Montreal] and Sarah [Sackville]. He was the son of the late Hugh and Ethel Adsett, and brother of the late Bill (Trudy)[Ontario].

The family would like to extend warm thanks to friends and neighbours who helped through Bob's illness, with special thanks to Lou Ruet who provided invaluable support, as well as Dr O'Brien, Dr Winkler and nurse practitioner Jean Billy Lanteigne, who provided care and treatment for Bob, and for staff at the Moncton General Hospital, including Eric, Marylou and Kim in the palliative care unit.

If desired, donations to the Canadian Cancer Society, Moncton Cares (support for refugees), Central United Church (Moncton), or a charity of your choice would be welcome.

**Tony Johnston
1968-2025**

It is with sadness in our hearts that we announce the passing of Tony Johnston, who left us peacefully on April 4th, 2025, at the Moncton Hospital. Born on March 31, 1968, he had just celebrated his 57th birthday.

Tony is survived and sadly missed by his step-"other-mother" and caregiver, Dorothy Colborne; his mother, Janet Graham-McIntosh; his sisters: Tracy Johnston-Lovely, Terry Tingley (Kevin) and Christina Johnston; his uncle, Dale Johnston (Nora); his nieces and nephews: Taylor, AJ, Cole, Chloe, Carson, Owen, Aria and great niece Mare, as well as several cousins, aunts and uncles.

Tony was predeceased by his father, Preston Johnston; his grandparents: Chistopher & Mary Johnston, and Gordon & Nelma Graham.

Anyone who knew Tony couldn't help but notice his bright light. He had a heart of gold that loved to share, an infectious smile, and lit up any room he entered.

Tony graduated from Nackawic Senior High School in 1989.

We always felt that Tony was sent to teach us about the beautiful things in life. He found such joy in singing old country and western music, and he absolutely loved Charlie Pride. He loved talking to people, picking flowers, being in the outdoors, cartoons, toys, and celebrating life's milestones. He loved animals, especially dogs and cats, children, and his family. He was very passionate about big trucks, always smiling and saying "truck" when he would see them with such joy, happiness, and laughter. On occasion he would argue, especially if he didn't want to take his

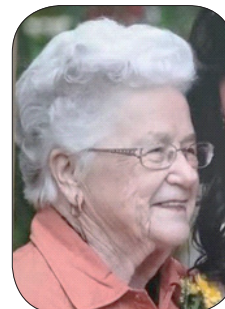

OBITUARIES

medications. Eventually he would always give in but he definitely had a stubborn streak if he had his mind made up. Tony taught all of us that much joy is to be found in the simpler things in life. He touched so many hearts during his time here and we have no doubt he will continue to touch hearts in heaven as he happily reunites with his dad.

The family would like to give a heartfelt thank you to the staff at the Moncton Hospital and the ICU for providing such compassion, care, and comfort for Tony during his time spent there.

Arrangements have been entrusted to the care of Salisbury Funeral Home, 506-372-4800 from where visitation was held on Monday, April 7th, 2025, from 6:00pm -8:00pm. A celebration of life service was held on Tuesday, April 8th, 2025, at 11:00am from the Salisbury Funeral Home Chapel. Interment will take place at a later date at the Greenfield Cemetery in Centreville.

If desired, donations may be made to Osteoporosis Canada or Friends of the Moncton Hospital in memory of Tony would be appreciated by the family. Online condolences and donations may be made at www.keirsteads.ca

How was the Bunny?

By the time you read this, Easter will be over and most of the chocolate will be eaten.

What was it all about? Is there a longer lasting reason for celebrating a furry woodland critter?

Hopefully you know the answer to that, but in case you don't, I will fill you in on "The Rest of the Story". Easter is the Christian celebration of the Death, Burial and Resurrection of Jesus Christ. Easter is the reason that Christmas exists. Easter is the major core truth of the Gospel. It demonstrates the Love that God has for His people. It shows the profound depth of Love that Jesus has for His Father and for His people. Easter is the power station of our hope, as Christians.

Easter is when Jesus Christ took on our rage, bitterness, rebellion, lust, jealousy, lying, cheating, gossiping, envying and had it put on Himself in the eyes of the Father. The punishment we deserved for all those things was taken on by Him. But even more profound is the truth that not only did he take our sins, He gave us His perfection. 1 Peter 1:12 says that "even Angels long to look into these things"

Love so profound and Joy so deep that even the Angels are in awe. Why is there so much resistance to such good news? Because our natural self wants to take pride in our own ability and our own self-worth. But the Gospel says that is not enough. In the scales of perfection, we fall far short. I know I do. But, if I trust in what Jesus Christ has done, then my imperfections no longer matter. Why not? Because I now have the perfection of Jesus Christ applied to my account in the eyes of the ultimate Judge, God the father. No wonder the Angels are in awe! They know you and me. They know what we have done. Maybe in some ways they might like to shake their heads and say, "Dave will never make it." But Dave doesn't have to. Jesus already did!

In this "After Easter" time, do yourself a favor and look at what is behind the Easter story. You will find out it has nothing to do with a bunny, but it has to do with a Lamb.

Council Highlights!

Looking for the latest news from Salisbury Town Council? The Town has begun releasing “Council Highlights” on the Town’s website following Regular Council Meetings, intended to provide a snapshot at Town decisions prior to formal meeting minutes being ratified. The April 14 Regular Council Meeting was a busy one! It included awarding the first batch of capital projects for 2025 (including MacDonald Road sidewalk extension and re-surfacing, railway trestle upgrades, and heating upgrades at the Salisbury Lions Pool), the approval of four grants (including three multi-year grants), third reading for five by-laws, and the approval of a lease agreement for a licensed refreshment hub at Highland Park on a pilot basis this Summer. Read the full Council Highlights from the April 14 meeting on the Town’s website: www.salisburynb.ca under News and Updates.

Residential Development Incentive Program

It’s no secret: we need more housing in Salisbury. The Town is doing our part to make that happen. Following a year-long process to develop a made-in-Salisbury program, Town Council has approved a Residential Development Incentive Program. This incentive program will assist in lowering the cost of development to make housing more affordable and spur much-needed housing developments. It includes municipal contributions for items such as, depending on project eligibility:

- Pre-Application Grant for preliminary stages, such as water studies or engineering work
- Residential Incentive Grant, for a per-unit amount on eligible projects
- Building & Development Fee Rebate, to refund all permit fees for projects that integrate affordable unit(s)
- Subdivision Cost-Sharing Grant to assist with costs related to municipal infrastructure

More information, including full project guidelines, can be read online here: www.salisburynb.ca/residential-incentives/.

Fire Rules and Regulations to Keep in Mind...

Your backyard enjoyment is part of what makes our Summers great, but there some rules in place out of respect for our neighbours. Get to know the guidelines for fire pits and for the use of fireworks in the Town of Salisbury by visiting the By-Laws section of the Town website: www.salisburynb.ca/municipal-office/by-laws/.

Creative Repurposing: Essential Skills Students Collaborate with Petitcodiac Boys & Girls Club

Essential Skills students from Petitcodiac Regional School have teamed up with BGC Petitcodiac to dismantle the former bowling alley in preparation to transform it into a new space for expanding youth programming in the community.

The wood from the bowling alley lanes has been repurposed to create a functional working space for the Petitcodiac Regional School breakfast program, which serves over 300 students daily.

The collaboration between Petitcodiac Regional School and the BGC Petitcodiac is a shining example of the power of community partnership and how local organizations can come together to make a difference while providing valuable hands-on learning experiences for students.
